The Unmaking of Home in Contemporary Art Claudette Lauzon 2017-01-01 Building on the scholarship of key art historians and theorists such as Judith Butler and Mieke Bal, Claudette Lauzon embarks upon a transnational analysis of contemporary artists who challenge the assumption that 'home' is a stable site of belonging.

The Art of Building a Home: A collection of lectures and illustrations Raymond Sir Unwin 2022-07-21 This unique book focuses on educating the readers on both the practical and philosophical matters behind the art and science of building a home. Aside from written content, the book also includes floor plans and interior design ideas shown in the form of illustrations. It is written by two famous architects, Raymond Unwin and Richard Parker.

The Sweet Smell of Home Leonard F. Chana 2009-06-22 A self-taught artist in several mediums who became known for stippling, Leonard Chana captured the essence of the Tohono O'odham people. He incorporated subtle details of O'odham life into his art, and his images evoke the smells, sounds, textures, and tastes of the Sonoran desert. All the while depicting the values of his people. He began his career by creating cards and soon was lending his art to posters and logos for many community-based Native organizations. Winning recognition from these groups, his work was soon actively sought by them. Chana's work also appears on the covers and as interior art in a number of books on southwestern and American Indian topics. *The Sweet Smell of Home* is an autobiographical work, written in Chana's own voice that unfolds through oral history interviews with anthropologist Susan Lobo. Chana imparts the story of his upbringing and starting down the path toward a career as an artist. Balancing humor with a keen eye for cultural detail, he tells us about life both on and off the reservation. Eighty pieces of art grace the text, and Chana explains both the impetus for and the evolution of each piece. Leonard Chana was a people's artist who celebrated the extraordinary heroism of common people's lives. *The Sweet Smell of Home* now celebrates this unique artist whose words and art illuminate not only his own remarkable life, but also the land and lives of the Tohono O'odham people.

The Art of Gathering Priya Parker 2020-04-14 "Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. *The Art of Gathering* will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

The Art of Home Candy Making, with Illustrations Home Candy Makers 2022-06-02 "The Art of Home Candy Making" by Home Candy Makers is a cookbook that is loaded with homemade candy recipes. The book also emphasizes using a thermometer while candy making. The author says all it is necessary for you to do, is to put it down in the kettle in the boiling candy, and when it registers the required degree, the candy is done and cannot possibly be wrong. Every batch you make will be just the same, as we give you the exact degree to cook every recipe. This book is intended for those who make candy at home and does not contain a single recipe, but that may be made right at home in your own kitchen with a very small outlay for tools, other than for cooking material.

The Art of Home Bible Study James Glover 2013-02-15 This book is written for church laypersons with the purpose of aiding those who wish to become at least beginning novice of learned biblical knowledge and interpretation on their own, in order not to be primarily dependent upon others to disclose the biblical message to them. For too long, ministers have allowed the laity to rely primarily on Sunday school curriculum materials alone, or other canned (preprinted Bible study programs) to enable the biblical message to come alive in their lives. This is not a criticism of the curriculum materials in question, but the dependency upon them which result in a form of stunted biblical growth in the word of God. When the Bible admonishes us to “study to show thyself approved unto God...RIGHTLY dividing the Word of truth” (2Timothy 2:15), how do we respond without a method of study as individuals on our own? If Christian education functions as it should, we need to produce people who are growing in the knowledge and wisdom of the word, moving from being BABES of the word fed with milk, to becoming adults in the word, being able to digest the meat of sound doctrine, as the apostle Paul admonishes us to become. This should enable us to become at least semi-dependent learners and critical biblical thinkers, and not merely receptacles of information fed to us about the word of God!

The Art of Leaving Ayelet Tsabari 2019-02-19 An intimate memoir in essays by an award-winning Israeli writer who travels the world, from New York to India, searching for love, belonging, and an escape from grief following the death of her father when she was a young girl NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS This searching collection opens with the death of Ayelet Tsabari’s father when she was just nine years old. His passing left her feeling rootless, devastated, and driven to question her complex identity as an Israeli of Yemeni descent in a country that suppressed and devalued her ancestors’ traditions. In *The Art of Leaving*, Tsabari tells her story, from her early love of writing and words, to her rebellion during her mandatory service in the Israeli army. She travels from Israel to New York, Canada, Thailand, and India, falling in and out of love with countries, men and women, drugs and alcohol, running away from responsibilities and refusing to settle in one place. She recounts her first marriage, her struggle to define herself as a writer in a new language, her decision to become a mother, and finally her rediscovery and embrace of her family history—a history marked by generations of headstrong women who struggled to choose between their hearts and their homes. Eventually, she realizes that she must reconcile the memories of her father and the sadness of her past if she is ever going to come to terms with herself. With fierce, emotional prose, Ayelet Tsabari crafts a beautiful meditation about the lengths we will travel to try to escape our grief, the universal search to find a place where we belong, and the sense of home we eventually find within ourselves. Praise for *The Art of Leaving* “The Art of Leaving is, in large part, about what is passed down to us, and how we react to

whatever it is. . . . [It] is not self-help—we cannot become whatever we put our mind to—yet it suggests that we can begin to heal from what has broken us, if we only let ourselves. . . . Tsabari’s intense prose gave me pause.”—The New York Times Book Review “Shortlist” “Told in a series of fierce, unflinching essays . . . an Israeli Canadian author explores her upbringing and the death of her father in this stark, beautiful memoir.” —Shelf Awareness (starred review) “The Art of Leaving will take you on an emotional journey you won’t soon forget.”—Hello Giggles “Candid, affecting . . . [Ayelet Tsabari’s] linked essays cohere into a tender, moving memoir.”—Kirkus Reviews (starred review)

The Hidden Art of Homemaking Edith Schaeffer 1985 "I would define 'hidden art' as the art found in the ordinary areas of everyday life. Each person has, I believe, some talent which is unfulfilled in some hidden area of his being -- a talent which could be expressed and developed." That is how Edith Schaeffer defines her theme in this fascinating and unusual book. The Hidden Art of Homemaking will appeal immediately to anyone who believes that the place in which we live needs to be a center of meaningful living and personal enrichment. - Back cover.

Adventures in Good Cooking Duncan Hines 2014-03-27 Kentucky native and national tastemaker Duncan Hines (1880--1959) published his first cookbook, *Adventures in Good Cooking*, in 1939 at the age of fifty-nine. This best-selling collection featured recipes from select restaurants across the country as well as crowd-pleasing family favorites, and it helped to raise the standard for home cooking in America. Filled with succulent treats, from the Waldorf-Astoria's Chicken Fricassee to the Oeufs a la Russe served at Antoine's Restaurant in New Orleans to Mrs. Hines's own Christmas Nut Cake, this book includes classic recipes from top chefs and home cooks alike. Featuring a new introduction by Hines biographer Louis Hatchett and a valuable guide to the art of carving, this classic cookbook serves up a satisfying slice of twentieth-century Americana, direct from the kitchen of one of the nation's most trusted names in food. Now a new generation of cooks can enjoy and share these delectable dishes with family and friends.

The Art of Coming Home Craig Storti 2022-03-22 Updated 2nd Edition! If you were lucky, you knew about and were prepared for culture shock when you moved overseas, but unless you are very lucky, you probably don't know about and are not prepared for reverse culture shock. And you should be. Most expats find coming home after an overseas assignment more difficult than adjusting to a foreign culture—and very few organizations and companies prepare people for the experience. Veteran trainer and consultant Craig Storti sketches the workplace challenges faced by returning businessmen and women as well as the re-entry issues of spouses, younger children, and teenagers. He also addresses in detail the special issues faced by exchange students, international development volunteers, and military and missionary personnel and their families. If you're about to relocate abroad, are already living abroad, about to come home, or already home, this book walks you through the biggest adjustments, personal and professional, and in this new edition presents a complete do-it-yourself repatriation workshop to help you identify and address your individual readjustment issues.

Art of the House Bobby McAlpine 2014-04-29 Architect Bobby McAlpine and interior design partner Susan Ferrier share their poetic approach to creating beautiful interiors in this follow-up to the best-selling *The Home Within Us*. In their newest book, the famed design team discusses the principles that guide their extraordinary work and share ideas for creating atmospheric environments. The book profiles a selection of houses that resonate with the firm's nuanced and sensual aesthetic. Combining painterly hues, diverse textures, and rich patinas, these interiors include a mix of antiques and contemporary furnishings.

Throughout, we are shown the methods that these masters have honed to produce striking, inspiring spaces. In one featured residence, dark and light tones play off each other, with shimmering accents of silver, gold, and glass. Another house epitomizes the power of white's purity to refresh the eye. The cool blue of water and shades of the forest floor make up the naturalistic palette of a third dwelling. In all, modern-day upholstered pieces combine with fine and rustic antiques to furnish rooms that are welcoming.

This book reveals the secrets and inspiration which have inspired the film's creation.

Leaving Home David P. Celani 2011 Relinquishing family attachments that failed to meet childhood needs is the most difficult task individuals can undertake as they grow into adulthood. Leaving Home not only emphasizes the life-saving benefits of separating from toxic parents but also offers a viable program for personal emancipation. David P. Celani centers his program on Object Relations Theory, a branch of psychoanalysis developed by Scottish analyst Ronald Fairbairn. The human personality, Fairbairn argued, is not the result of inherited (and thus immutable) instincts. Rather, the developing child builds internal relational templates rooted in conscious and unconscious memories he internalized in childhood, and these guide his future interactions with others. While an attachment to neglectful or even abusive parents is not uncommon, there is a way out. Eloquent, relatable, and filled with rich examples taken from more than two decades of clinical practice, Leaving Home outlines the practical steps necessary to become a healthy adult.

Sense of Home William E. Reaves 2017-09-15 Richard Stout's legacy as an artist is broad, deep, and firmly moored to his Texas Gulf Coast origins. Born in Beaumont in 1934, he has been painting, sculpting, and teaching in Houston since 1957, in the process creating both an influential body of work and a committed national and international following among artists and collectors. Stout's expressionist oeuvre, possessing architectural structuralism with geometric precision, has found its place in prominent museum and private collections not only in Texas, but also nationally and internationally. His works have appeared in most major American exhibitions and have traveled to Europe, Australia, and Asia. In this, the first retrospective study of a career spanning one of the most tumultuous and formative periods in Texas art, the editors have gathered a critical examination and meticulously researched assessment of the evolution in the artist's style and approach. Richly illustrated with representative paintings and sculptures from throughout Stout's career, Sense of Home also provides a comprehensive biographical background, illuminating in multiple dimensions the life and work of one of Texas' most significant contemporary artists.

The Art and Practice of Home Visiting Ruth E. Cook 2021 "The modern home visitor's introductory textbook for effective, culturally sensitive home visits with young children and families"--

The Lost Art of Jan M. Dougherty 2011-03 I have sold thousands of copies of this book around the world, on Amazon, since first published in February 2011. I have changed publishers which requires a new listing without any history. If you can locate my old listing on Amazon you can read the reviews, which has a 4.5 star rating. I have owned a residential cleaning company since 2004 and this book actually started life as my employees' handbook. Since this book was first published not much has changed. Dirt is still dirty and whether or not you want to clean your home, it still has to be cleaned. Most people hate

to clean simply because they don't know how to do it, they were never taught. Were you actually taught how to clean? Probably not, but that's not your fault. Do you want to learn how to do it, like a professional, using minimal products and saving a bucket of money on cleaning supplies? If you do, then buy my book. First, I will send you to the store with a short shopping list; I will explain why I use each product and then how to use each product or tool, which by the way isn't much. I will then explain the logic behind my method of cleaning, called The PATH and then I will literally walk you through cleaning the different rooms in your house. The beauty of The PATH is that you can start and stop a cleaning job in any room and not lose your place. Just pick up where you left off and continue until the room is clean. So go answer the phone or change the baby. I only use 3 readily available products in both my business and in my house to clean everything. No more need for window, floor, counter, toilet, sink, tub, shower and mirror cleaners. No more polishes, waxes or air fresheners. Just think about how much you spend a year on cleaning products? Go ahead, I'll wait while you look under your sinks and calculate that. More than \$20.00 per year? If you are spending more than that you need my book. Everyone that embraces my methodology has a cleaner home, extra money to spend on the important things and the time to enjoy them. I have a website; The Lost Art of House Cleaning.com where I have uploaded a number of videos demonstrating my methodology and posted numerous articles on cleaning particular things. I have read all the reviews posted about my book on Amazon and I found the vast majority to be very complimentary. I have also found that some of the harshest critics still recognized that my methodology works. In addition to the Amazon reviews I have personally received comments and compliments directly from the people that have bought my book. And I know that what I say in my book has helped thousands realize that cleaning their home is not all it's cracked to be if you know what you are doing. So buy my book, read it the first time for entertainment then read it a second time for inspiration and then, Enjoy the Clean! Thanks, Jan M Dougherty

adaptability - the classical language of architecture throughout their residential designs. This monograph shows, for the first time, a beautiful selection of contemporary apartments. Their skillful design sensibilities have provided a seamless fit of their traditionally styled homes and apartments into the eclectic fabric of modern America, and the needs and amenities of a modern American family. Since the establishment of Wadia Associates more than forty years ago, Dinyar Wadia and his dedicated team of designers have earned a reputation for designing and building high-end homes, and more recently apartments, gardens, and interiors. Over the years, they have helped sculpt the local environment to become an important regional proponent of Classicism. Their skillful design sensibilities have provided a seamless fit of their traditionally-styled homes into the eclectic fabric of Fairfield County. Although avowed New Classicists, Wadia Associates have a pluralistic approach to traditional design that is not rooted in a slavish imitation of the past. More appropriately, it is based upon reinterpreting the past and updating it for the present. And while all of their designs feature the classic proportions and exquisite details of houses from a bygone age, the firm is still able to incorporate all the amenities and needs of a modern American family. As Dinyar fondly describes, "It is traditional architecture for the modern world."

Home Sweet Maison Danielle Postel-Vinay 2018-03-13 French Women Don't Get Fat meets The Little Book of Hygge in this lively, sophisticated, and practical illustrated lifestyle guide that shows how to enjoy la belle vie—to live like the French every day—transforming your house into a home defined by beauty, family, and accessible elegance. How do the French create the elusive and alluring sanctuaries they call home? This question long intrigued Danielle Postel-Vinay. Thanks to a chance encounter with a French expat in La Crosse, Wisconsin, and years of immersive research, she embarked on a quest to discover the secrets of the French home aesthetic. Experiencing first-hand la belle vie—the beautiful life—Postel-Vinay now shows everyone how to create their own French sanctuary, a home sweet maison, no matter where they live. Providing more than just interior decorating and design tips, Postel-Vinay teaches you how to foster the warmth, beauty, and rituals inherent in the French home and create an environment better suited to living a rich, full, connected life. At the center of the book is the idea that your house should be a reflection of you, your hobbies, your family history, your rituals, all the things that make your life unique. A happy home is a home that expresses your rituals and your taste, not one that relies on prefab décor from a mass retailer. Home Sweet Maison takes a room-by-room approach to show how the French view: The Aesthetic: why the objects in your home matter, why minimalism is overrated, and why the French always choose the perfect décor for their salons The Practical: how to use mise-en-place, or the French art of organization, in your kitchen, and how to find the right stain-removing potions to create your own French laundry The Sensual: the way the French employ scent in their home as a personal signature The Philosophical: the idea that every room in a French house has a specific purpose, and that the activity in one room should never bleed into the others Home Sweet Maison encapsulates the very heart of the French way of seeing the world: set the table formally, adhere to all the conventions of ritual and tradition, then take pleasure in indulgence. It's about using French concepts and routines to change our homes, our relationships, and our lives for the better.

The Art of Being a Tourist at Home Jenny Herbert 2021-05-05 In The Art of Being a Tourist at Home, Jenny Herbert takes us on a journey through our neighbourhood streets and our local parks, through museums and libraries, art galleries and bookshops. There's wonder to be found in the theatre and music-making all around us, vibrancy in fresh-food markets, new friends to meet through hobbies and

clubs, and so many lifetime learning opportunities to be had – all without the stress involved in planning a holiday. After all, why do we travel in the first place? It's an urgent question in these days of climate crisis and global instability. Staying closer to home makes good sense: it's cheaper, easier, less stressful and better for our health as well as the health of the planet. But Jenny doesn't suggest that we should abandon all future travel plans. Instead, she shows travellers of all kinds how we can still harness the spirit of travel through the art of the 'staycation'. With beautiful illustrations throughout, *The Art of Being a Tourist* demonstrates that travelling at home offers the greatest potential for us to discover what contributes to our wellbeing and our happiness.

Playing at Home Gill Perry 2013-11-15 Art Since the '80s, a new series from Reaktion Books, seeks to offer compelling surveys of popular themes in contemporary art. In the first book in the series, Gill Perry reveals how the house and the idea of home have inspired a range of imaginative and playful works by artists across the globe. Exploring how artists have engaged with this theme in different contexts—from mobile homes and beach houses to haunted houses and broken homes—*Playing at Home* shows that our relationship with houses involves complex responses in which gender, race, class, and status overlap, and that through these relationships we turn a house into a home. Perry looks at the works of numerous artists, including Tracey Emin, Rachel Whiteread, Michael Landy, Mike Kelley, and Peter Garfield, as well as the work of artists who travel across continents and see home as a shifting notion, such as Do-Ho-Suh and Song Dong. She also engages with the work of philosophers and cultural theorists from Walter Benjamin and Gaston Bachelard to Johan Huizinga and Henri Lefebvre, who inform our understanding of living and dwelling. Ultimately, she argues that irony, parody, and play are equally important in our interpretations of these works on the home. With over one hundred images, *Playing at Home* covers a wide range of art and media in a fascinating look at why there's no place like home.

The Art of Happy Moving Ali Wenzke 2019-05-07 A comprehensive, upbeat guide to help you survive the moving process from start to finish, filled with fresh strategies and checklists for timing and supplies, choosing which items to toss and which to keep, determining the best place to live, saying farewell and looking forward to hello. Moving is a major life change—time consuming, expensive, often overwhelming, and sometimes scary. But it doesn't have to be! Instead of looking at it as a burdensome chore, consider it a new adventure. Ali Wenzke and her husband moved ten times in eleven years, living in seven states across the U.S. She created her popular blog, *The Art of Happy Moving*, to help others build a happier life before, during, and after a move. Infused with her infectious optimistic spirit, *The Art of Happy Moving* builds on her blog, offering step-by-step guidance, much-needed comfort, practical information, and welcome advice on every step of the process, including: How to stage your home for prospective buyers How to choose your next neighborhood How to discard your belongings and organize your packing How to say goodbye to your friends How to make the transition easier for your kids How to decorate your new home How to build a new community And so much more. Ali shares invaluable personal anecdotes from

her many moves, and packs each chapter with a wealth of information and ingenious tips (Did you know that if you have an extra-large welcome mat at the entrance of your home, it's more likely to sell?). Ali also includes checklists for packing and staging, and agendas for the big moving day. Whether you're a relocating professional, newly married, a family with kids and pets, or a retiree looking to downsize, *The Art of Happy Moving* will help you discover ways to help make your transition an easier one—and be even happier than you were before.
