Making Records Phil Ramone 2007-10-09 Sinatra. Streisand. Dylan. Pavarotti. McCartney. Sting. Madonna. What do these musicians have in common besides their super-stardom? They have all worked with legendary music producer Phil Ramone. For almost five decades, Phil Ramone has been a force in the music industry. He has produced records and collaborated with almost every major talent in the business. There is a craft to making records, and Phil has spent his life mastering it. For the first time ever, he shares the secrets of his trade. Making Records is a fascinating look "behind the glass" of a recording studio. From Phil's exhilarating early days recording jazz and commercial jingles at A&R, to his first studio, and eventual legendary producer status, Phil allows you to sit in on the sessions that created some of the most memorable music of the 20th century--including Frank Sinatra's Duets album, Bob Dylan's Blood on the Tracks, Ray Charles's Genius Loves Company and Paul Simon's Still Crazy After All These Years. In addition to being a ringside seat for contemporary popular music history, Making Records is an unprecedented tutorial on the magic behind what music producers and engineers do. In these pages, Phil offers a rare peek inside the way music is made . . . illuminating the creative thought processes behind some of the most influential sessions in music history. The Importance of Being Barbra Tom Santopietro 2007-04-01 Controversial, a global icon, a diva among divas---Barbra Streisand, the last genuinely unique show business personality of the twentieth century is the most honored entertainer in the world today. But along with the Tony, two Oscars, six Emmys, eight Grammys, ten Golden Globes, fifty gold albums, and wild acclaim have come wildly diverse reactions to a personality as outsized as her talent. In the words of Streisand herself, "I'm a liberal, opinionated Jewish feminist---I push a lot of buttons." In Tom Santopietro's witty yet analytical look at this one-of-a-kind career, the myths and personal foibles are stripped away, and the focus lands squarely on the work. From the early recordings to the groundbreaking television specials, from the Hollywood blockbusters to the history-making comeback concerts, Streisand's career is placed within an oftentimes uniquely American social context but always allowed to speak for itself. In a brisk, funny, and always compelling style, The Importance of Being Barbra reveals all the milestones in a new and sometimes startling light, ranging from the brilliance of Funny Girl and The Broadway Album to the misbegotten yet curiously popular A Star Is Born. Treating Barbra Streisand like the serious artist she is---and has always claimed to be---The Importance of Being Barbra delves into the key reasons for her all-encompassing success: the overwhelming ambition, the notorious perfectionism, the fervent gay following, the dramatic pull of a voice and style that mysteriously connect with the lovelorn all around the world. A full-scale examination of the acting, singing, and directing that have ranged from the dazzling to the occasionally inexplicable---it's all here for anyone who has ever wondered at the phenomenon that is Barbra Streisand.

Sunday in the Park with George 1991 (Applause Libretto Library). This 1995 Pulitzer Prize-winning musical was inspired by the painting A Sunday Afternoon on the Island of La Grande Jatte by Georges Seurat. A complex work revolving around a fictionalized Seurat immersed in single-minded concentration while painting the masterpiece, the production has evolved into a meditation on art, emotional connection, and community. This publication contains the entire script of the musical. " Sunday is itself a modernist creation, perhaps the first truly modernist work of musical theatre that Broadway has produced ... a watershed event that demands nothing less than a retrospective, even revisionist, look at the development of the serious Broadway musical." Frank Rich, The New York Times Magazine
