Sewing Machine Basics Jane Bolsover 2010-10-14 In the climate of “make do and mend,” sales of sewing machines have soared, but many are only accompanied by a difficult-to-understand technical manual. Here, Jane Bolsover provides a comprehensive guide for beginners. Starting with an essential overview of the sewing machine, learn how to thread it and wind bobbins, why tension is important, and which needles to choose. There's information on the basic sewing kit you will need, plus advice on which fabrics to choose and how to cut out. The chapters then build into a complete sewing course, and at the end of each chapter is a simple project to consolidate the skills you have just mastered. The projects include items for the home, including a cushion cover and a lampshade, stylish accessories, such as bags and scarves, plus great clothing basics, such as an A-line skirt and a simple shift dress. Also included at the back of the book are two full-size pull-out paper pattern sections.

Sewing Machine Basics for Children Angela Pressley 2022-04-12 A complete course in machine-sewing for children aged 7-11 Sewing is a skill that has so many benefits for children and can give them real pride in their achievements. Angela Pressley has been teaching children to sew for over 13 years, and knows how to encourage and inspire them to learn, starting with the basics and building up a portfolio of skills. And to keep them interested, she has designed 30 makes that will help them cement the knowledge they've gained, from sewing simple seams to patchwork, curves and corners, hems, linings, and so much more. The book starts with an introduction to the sewing machine and some of the basic skills and equipment needed to sew. Then there are four chapters, each beginning with a techniques section, followed by projects that put into practice the skills just learned. Every project includes clear artworks plus a difficulty rating, from "easy peasy" to "you're on your way", "you've got this", and "you're a star". As children progress through the levels they will learn how to make their own toys, bags, accessories, and clothes, and will be encouraged to put their own creative ideas into their sewing.
