Best-selling authors Hayley and Michael DiMarco guide readers to be more aware of God’s presence with us today and better sense His call for us to make disciples of all nations. This is the story of Jesus, and all history and Scripture point us to this good news. Teenagers live in a world defined by pressure—and with no shortage of opinions on how they should handle it. In The Big Picture, teens will develop a bigger perspective of Scripture and how the story of Jesus Christ ties it all

The Big Picture of What God Always Wanted Charles F. Boyd 2013-10-01 Did you know that what God has always wanted is for you to become one of His friends? More than a children's book, *The Big Picture of What God Has Always Wanted* is for parents who care deeply about passing on a legacy of faith in Christ to the next generation – parents who invite children to "ask Jesus into your heart." But what does that phrase really mean? And is it biblical? Author Charles F. Boyd has found that when asked, many children don't understand that this phrase is symbolic. Seeing this disconnect between a grown-up's metaphor and a child's understanding, he writes here to help children understand the simple Gospel message: God desires to live in friendship with the people He created, now and forever. Boyd also shares the big-picture story of the Bible, from Genesis through Revelation.

Living in Tension, 2 Volume Set Douglas D. Webster 2012-08-13 If you have picked up this book, chances are you are a committed follower of Christ. Like many searching Christians you are tired of religious busywork and showy piety. You long for authentic worship and meaningful service. You came to Christ with deep expectations of transformation and service, but those passions have been starved by shallow theology and superficial relationships. You are looking for something more. You are ready to sink your mind into what the Bible says about the call of God, the priesthood of all believers, and what it means to live for Christ and his kingdom. The two-volume *Living in Tension* offers in-depth spiritual direction on the crucial issues shaping a

theology of ministry. This is not a book for pastors only. Webster intentionally blurs the distinction between pastor and congregation. This book is for all believers who take God's call to salvation, service, sacrifice, and simplicity seriously. *Living in Tension* provides need-to-know insights for every congregation. Pastors will find that this passionate and practical theology translates well into their own lives and into the life of the church.

Old Story New Marty Machowski 2012-10-15 Best-selling children's book author Marty Machowski helps families connect to the Bible with a theologically robust yet simple and relatable devotional program. *Old Story New* is designed to explain God's plan of salvation through the New Testament. Suited for children from preschool through high school, this gospel-focused book is full of ten-minute devotions to continue the gospel story that began in *Long Story Short*. The consistent and short structure helps children walk through the life-changing truths of the Christian faith in the New Testament—without overwhelming them. The gospel story told through *Old Story New* is filled with adventure, suspense, drama, and mystery, captivating young readers. Machowski makes it easy for parents and caregivers to stay on the life-giving course of sharing the gospel with their families. Through 78 New Testament stories, *Old Story New* does the hard work for moms and dads. Simple discussion questions (and answers!) for each day's devotion help children understand and connect with Jesus's life, death, resurrection, and the birth of the Christian church. *Old Story New* isn't devotional material preaching half-truths and moralism. This creative devotional program helps parents shepherd their children to see redemptive history, with the central theme of Jesus illuminated clearly in every story. Don't give up on your family devotions. Machowski recognizes how well-intended parents and caregivers can struggle to maintain a family Bible study. Everyday Praise Julie Sunne 2016-10-21 31 full-page, full-color Scripture images complement the short devotions that fill this unique "coffee table" devotional. In its pages, you'll discover that peace can transcend circumstances. "Everyday Praise" explores the practice and blessings of praise through meditations consisting of biblical insights; the author's personal testimonies and observations; probing questions and applications; and heart-felt prayers of praise. The vibrant images pull you into each encouraging word. Reminder phrases accent the point of each message. Each entry in "Everyday Praise" reads quickly but probes deeply, as a catalyst to spiritual growth. Too often we believe we have to endure life. Yet in Christ Jesus, we can find joy and peace even in the midst of difficult circumstances. But that's only possible when our focus shifts from those circumstances to the One who promises to be our strength ... our hope. That's where praise comes in. We all face struggles. Hard times will come. When it does is, we often wonder, "How can I praise God in the middle of this mess?" It's a question I've asked. Maybe you have too. Because praising God comes easy during life's grand moments. Yet, in the difficult ones, glorifying Him can just as easily be forgotten. However, that's precisely the time we need to worship! God deserves praise. God commands praise. Christians need to praise! Reflecting on God's unchanging nature offers a reminder of His faithfulness when storms hit. Singing hymns of truth provides an oasis when you find yourself in the desert. Remembering the promises of God brings daily challenges into perspective. Begin to gain greater peace as you practice praising God with this unique gift book. Two additional sections in "Everyday Praise" will further immerse you into this idea of praise. The

first pulls out each reminder phrase for ease of memorization. While the second lists 31 additional Bible verses to incorporate into your daily praise habit. Move a little further along the path of peace and contentment as you open the pages of "Everyday Praise," and begin exploring and cultivating the habit of daily praise. (A download link to a free companion journal is also provided in the book.)

The Good of Giving Up Aaron Damiani 2017-01-03 “Like many evangelicals who love the gospel, I had my doubts about Lent.” It’s true, Lent can often seem like an empty ritual. But what Aaron Damiani came to find, and what he describes inside, is something else entirely. Something exceedingly good. In *The Good of Giving Up*, Anglican pastor Aaron Damiani (who comes from a low-church background) explains the season of Lent, defends it theologically, and guides you in its practice. You’ll learn: The history and purpose of Lent How to practice it with proper motivation Ways it can reform your habits and convictions How to lead others through it, whether in the home or church Lent has been described as a “springtime for the soul,” a season of clearing to make room for growth. *The Good of Giving Up* will show you why, encouraging you to participate in what many know as a rich spiritual journey. “When I was finally ready to take the plunge, I learned that observing Lent is not a forced march of works-righteousness. But it was good medicine for [my soul], for the painful split between what I knew about God and what I experienced of Him.”
