Master the Hebrew Alphabet Lang Workbooks 2019-09-08 Do you want to learn how to write the Hebrew letters with the proper stroke technique? Do you need a trustworthy resource to teach your small children to trace the Hebrew alphabet? Then this workbook is the perfect companion for your studies. In it, you'll find all the Modern Hebrew consonants and the vowel diacritic marks. This workbook includes both the manual print and the cursive version of each letter. On top of that, you'll also find the dagesh (dotted) and sofit (end of word) letters. Your benefits: Clear large letters make it easy to recognize even the most detailed of the Hebrew characters. Pronunciation instructions help you recognize the character you are drawing. Detailed stroke order instructions provide you with a strong foundation to build your handwriting skills. Dedicated "Trace and Learn From Right to Left" sections are designed to imprint proper stroke technique unto your muscle memory. Font variations train your brain to recognize alternative character styles, including an alternate cursive Hebrew font. As a bonus, for each character, you'll find two extra 8.5 x 11 inches pages fully dedicated to the handwriting practice of that letter in both the manual print and cursive style. Feel free to photocopy these bonus pages as you wish to extend the lifetime value of your workbook. On page 103 you'll find a reference chart detailing each of the niqud diacritical signs, followed by several pages of vowel calligraphy training. Special information: Like all Lang Workbooks, this work is a labor of love. Accordingly, if you are a teacher, a student of Hebrew, or homeschooling your children, then you can photocopy any part of this workbook for your own, or your students, personal use. Learning to write the Hebrew script by heart has never been easy.

Days of Mashiach Tzvi Fishman 2011-06-08 "Days of Mashiach" is a collection of original and off-beat stories about Jewish life in Israel and the Diaspora.

Written with a keen and humorous eye on the Jewish experience in our time, the stories center around the redemption of the Jewish People, the ingathering of the exiles, repentance, settlement of the Land of Israel, and Mashiach.

Inner Meaning of the Hebrew Letters Robert M. Haralick 1995-09-01 This book-length meditation on the Hebrew alphabet offers profound insights into many important ideas found in Jewish thought. From time immemorial, the Hebrew alphabet has been considered to be more than a collection of individual letters. Indeed, the essence of each letter of the Hebrew alphabet can be seen as a fundamental building block of the world. Jewish scholars throughout the ages have meditated on these letters, deriving spiritual inspiration in the process. In *The Inner Meaning of the Hebrew Letters*, Robert M. Haralick looks closely at each of the Hebrew characters, helping us to gain insight from this remarkable tradition. Drawing primarily upon traditional kabbalistic and chasidic thought, Haralick combines his own insights with those of great Jewish personalities such as Moshe Chayim Luzzatto and Rabbi Nachman of Bratslav, as well as drawing upon classical texts, including the Bahir, the Zohar, the Midrash, and the Talmud. One of Haralick's main sources of inspiration is the ancient Jewish art of gematria, where each letter has a numerical value as does each combination of letters. Through this traditional methodology, Haralick shows his readers the many, often dazzling, ways that the Hebrew alphabet has been examined.

Was Elvis Jewish?: Plus Hundreds of Amazing & Amusing Anecdotes No Rabbi Ever Told You Paulette Cooper 2016-10-26 More than just who's Jewish and who's not, this book covers many areas for those with an interest in Jews & Judaism (e.g., Israel, holidays, food & wine, pets, performers, inventions, tech, etc.,) all presented with a light and humorous slant that will appeal to the younger as well as the older reader.

The Poetry of Kabbalah Peter Cole 2012-04-10 Introduces renderings of, and commentary on, Kabbalistic verse that emerged directly from Jewish mysticism and that reveals the foundations of both language and existence itself.

Invisible Lines of Connection Lawrence Kushner 1998 Reverence -- Inheritance -- Responsibility -- Connection.

How John Wrote the Book of Revelation: From Concept to Publication Kim Mark Lewis 2015-11-22 *How John Wrote the Book of Revelation* is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. *How John Wrote the Book of Revelation* takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted

it. *How John Wrote the Book of Revelation* is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. *How John Wrote the Book of Revelation* is like no other book that has been written before, and sets a new paradigm for all Biblical works.

Because Nothing Looks Like God Lawrence Kushner 2000 Explores questions young children may have about God and God's work in the world.

The Way into Jewish Mystical Tradition Lawrence Kushner 2004-04-01 An accessible introduction to the concepts of Jewish mysticism and how they relate to our lives. Allows us to experience mysticism's inexpressible reverence before the mystery of creation and celebrate the quest to transform ordinary reality into holiness.

The Hebrew Alphabet Edward Hoffman 1998 An introduction to the rich mystical heritage of the Hebrew alphabet reveals the spirituality and history of all twenty-two letters and includes radiant illustrations by a first-time artist, making this a perfect gift book.

Proof of God Within & Beyond Science Charles De Silva 2021-02-12 While extending a strong challenge to the superstition of atheism, the principal aim of this book is to demonstrate the fact that the major scientific discoveries that have been made so far, distinctively and expressly reveal the existence of an intelligent and omnipotent Designer who has thoughtfully and intentionally instituted all universal laws with stark precision and accuracy. In this discussion I have also emphasized the incapability of science to stand alone as a final deciding instrument on matters that extend beyond the natural realm. Hence no proof of the Divine Existence can be established by reference to science alone, but through logical reasoning based on obvious and explicit facts. I have also highlighted the reality that most scientific phenomena cannot be explained without recourse to the role of a Supernatural Power.

The Hebrew Letters Speak Nancy Handwerker 2013-10-03 Come and listen! THE HEBREW LETTERS SPEAK! We are the Aleph-Beit, the Letters of the Hebrew Alphabet, the building blocks of Creating. "As Letters, we bring forth love to the world from our realm of Oneness. Our responses to your questions and concerns present endless possibilities. Some information is new. Some responses reflect back what you may already know ... with a reminder for emphasis. Some expand and deepen understanding. Some share a story! "We welcome you as friends. Age is no limit. Circumstance is no barrier. Ideas we bring forward will offer emotional support, mystical awareness, and sometimes, humor. "Meditate with us! There may be surprises!"

of his shell and give you of his soul." - Moni Yakim Juilliard School, Movement Division, New York "The letters are words like bodies, meanings are like soul; A letter, a word not opened, is like a dream not interpreted. Words without thoughts are like a foot without muscle." - Commentary on Exodus 20.1, Moshe Ben Ezra, Spanish Jewish Philosopher, c. 1055-1135"

The Book of Letters Lawrence Kushner 1990-10-01 In these old prayerbook-like pages you will enter a world of sacred tradition and religious feeling. Weaves Talmudic commentary, Hasidic folktales and Kabbalistic mysteries around the Hebrew alphabet to reveal each letter's special personality and meaning.

The Oracle of Kabbalah Richard Seidman 2001-09-08 An illuminating guide to the Kabbalah, the study of ancient Jewish mysticism, provides a card-based divination system that combines the Tarot with the 22 letters of the Hebrew alphabet, which helps readers to find the answers they have been searching for.

Letters of Fire Matityahu Glazerson 2020-05-19 In Letters Of Fire, Rabbi Matityahu Glazerson explores the wondrous world of hidden meanings in the letters and words of the Holy Tongue. This realm of mystical splendor, where even the very form of each letter has profound significance, is revealed here in a language and style that enables every reader to discover the astonishing insights of Kabbalah and the teachings of the Sages

Honey from the Rock Lawrence Kushner 1999 The noted spiritual teacher and author of God Was in This Place and Invisible Lines of Connection offers an incisive introduction to the ten gates of Jewish mysticism that explains how it relates to everyday life. Reprint.

Hey Waiter... There's God in My Soup! Sam Krause 2010-09-08 Although Kabbalah has made a dramatic entrance into pop culture over the past decade, authentic Kabbalah is an ancient discipline dating back over 3,300 years. This deeply esoteric, mystical branch of Judaism has been handed down by word of mouth throughout the generations and came to written form in the second century by Rabbi Shimon bar Yochai. Kabbalah's purpose is to give profound inner meaning to written Scripture and attempt to describe the transcendent nature of a formless, infinite God as He relates to His finite creations. You might ask, "What's a nice, serious subject like Kabbalah doing in a book like this?" The answer lies in Kabbalah itself. Laughter is an involuntary reflex that transcends reason and lifts us above our physical state, allowing for an unselfconscious connection with something beyond the self - God, for example. A joyful person is open, available and willing to entertain concepts that don't necessarily fit a logical paradigm. So jokes can become vehicles through which we can contemplate the divine. If this sounds intriguing, have I got a joke book for you!

Tough Call Matt Popovits 2016-09-07 Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about

it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, *Tough Call*, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. *Tough Call* is an enjoyable and essential read for any and all facing a major decision.

Yiddish Tales Helena Frank 1912

Sacred Invocation Origen 2014-09-28 A unique translation from the original Greek of the second century spiritual master Origen, developed and handed down by a reknown Scottish scholar and made available nearly one hundred years later in memory of Dr. Charles Ashanin whose last days were devoted to this project. From the book: Who would not say that it is impossible for man to trace out things in heaven? Yet this impossible thing, by the surpassing grace of God, becomes possible; for he who was caught up unto a third heaven traced out things in the three heavens through having heard unutterable utterances which it was not permitted for man to speak. Who can say that it is possible for the mind of the Lord to be known by man?

The Power of the Hebrew Alphabet Gloria Abella Ballen 2014

The 42 Letter Name of God Baal Kadmon 2015-08-16 In this book, we will be discussing an ancient Jewish prayer, often called the "The Kabbalists Prayer" and the "Genesis Prayer" called in Hebrew "Ana Bekoach". This powerful prayer on the surface seems like a standard prayer, nothing particularly remarkable is contained within the verses. To most, it is just another prayer, but to those who look, they will find within the text the 42 letter name of God. This name of God is so powerful that just by reciting it and gazing upon the letters, you can gain immense powers from the divine. Powers that can solve all your problems. I know it sounds too good to be true, but this prayer and the 42 letter name of God within its verses has been proven to be very powerful. If you look it up you will find countless testaments to the power of this name. Let us begin.

Once a Jew, Always a Jew? David Dvorkin 2015-09-16 Worldwide, the number of people who call themselves Jews is about 14 million. They may all call themselves Jews, but what they mean by that name varies widely. These self-described Jews range from the most Orthodox, who have submitted themselves entirely to the imagined dictates of an imaginary god, to those who practice various forms of Judaism that are so watered down that they scarcely qualify as

a religion, to those who observe no part of Judaism at all other than the celebration of a festival that they may call Hanukkah but that is in reality merely a Judaized version of Christmas. In this short book, I focus on the United States, which until recently had the largest Jewish population in the world—just under six million self-identified Jews. Although it was recently surpassed by Israel, America arguably still has the most politically, socially, and theologically influential Jewish population in the world. According to a survey conducted in 2013 by the respected Pew Research Center, of those almost six million American Jews, 22% "describe themselves as atheist, agnostic or having no particular religion[.]" In the case of the youngest adult American Jews, the so-called Millennial generation, "32% describe themselves as having no religion and identify as Jewish on the basis of ancestry, ethnicity or culture." This large group of Jews, which is a growing percentage of American Jewry, as the above Millennial number shows, is commonly referred to "secular Jews," although some of them prefer the label "atheist Jews." These are the people I want to discuss in this book. I contend that they are not Jews in any meaningful sense of the word. They may wish to call themselves Jews for a number of emotional reasons, but I call upon them to be intellectually honest and accept that they have ceased to be Jews. They are ex-Jews. The contrary argument is based on the idea encapsulated in the phrase "once a Jew, always a Jew." For the anti-Semite, this phrase is used as a slur. It refers to negative character traits supposedly possessed by all Jews. To Jews who think that there can be such a thing as a secular Jew, the phrase refers to some innate quality, entirely apart from religion, that distinguishes Jews from their non-Jewish neighbors. What is that innate quality? That's the crux of the issue. Let's go hunting for it.

Am I an Antisemite? Chas E. Coughlin 2016-05-12 Properly, while I endeavor to expound the principles of Christian social justice, I shall also endeavor to show you how these principles can be applied. And just as properly, it will be my hope to bestir you to action-Christian action, American action-for faith without good works is dead. Thus, at the outset, while I am deeply grateful to everyone of you for, the heroic sacrifices you have made, and will make, to keep me on the air over this independent chain of radio stations, may I ask you for one more favor today-the favor of a prayer to the Holy Ghost. I beseech all of you to ask the spirit of understanding to fill me with prudence; and the spirit of fortitude to give me strength and courage to carry on the battle against the hidden powers of darkness-perhaps not quite so hidden today as yesterday. May I also suggest that you will ask your little children who are ignorant of the causes of poverty, wretchedness and exploitation-may I suggest that you ask these innocent children to whisper a prayer for one who fully recognizes how unworthy he is but who fully realizes what a golden opportunity God has given to him to be an instrument for good. You are anxious to know what topics I shall discuss during the insuing year. Roundly speaking, it is my hope that these addresses will be concerned chiefly with Christian social justice. While my ultimate objective is to help more and more men to save their immortal souls, I recognize how difficult it is for man to practice Christian virtue, to live a holy life in peace and contentment, when he and a great group of his

fellomen are denied unjustly an equitable share in the goods and wealth of this world-goods and wealth which our common Father in heaven bestowed upon all men for all men to use and enjoy-goods and wealth, which, alas, have been concentrated in the hands of a few to the detriment of the many because an un-Christian species of social injustice was foisted upon us in the past few centuries and because, as a result of this, an alien philosophy of social injustice, under the name either of Communism or Naziism, is endeavoring to win our allegiance today. Fearlessly, Christian social justice challenges these several systems for the attention and the support, in this instance, of the American public-a public composed of persons who, despite their many faults and shortcomings, will never surrender the heritage of Bethlehem, of Pilate's hall, of Calvary Hill or of the Easter morning sepulchre from whose empty depths there echo and re-echo the immortal words, "I am the Resurrection and the Life." Fortified with these precious heritages it is our hope to carry on a campaign of instruction and inspiration even though we find ourselves opposed by the rugged individualists on the right and by the unchristly radicals on the left. It is our hope to convert a zealous band of followers into a group of active Christians-. Christians who, by the sincerity of their lives and the logic of their doctrines shall win millions of followers who are convinced that there is no way other than Christ's way for saving America and restoring prosperity and peace for all. My friends, at the outset, permit me to clarify the fundamental doctrine of Christian social justice-the doctrine that differentiates it from every other plan of life proposed for man to follow. It is this: Christ came on earth not only to redeem and save individuals but also to establish an absolutely new social order. Recognizing the chaotic condition of society in His own time; aware of the universal slavery practiced virtually by every nation; and conscious of the spiritual darkness which had encompassed every kingdom, empire, republic and tribe, our Saviour well understood that man, left to his natural abilities, was unable to acquire peace and prosperity in this world and save his immortal soul in the hereafter.

Torah for the Nations Daniel M. Dickens 2017-06 If you have any of these crucial life altering questions, you will continually face palm yourself saying, "If only had I known this!" What is the Torah, and how do we know it is valid? Am I Jewish? What does the Torah teach us about the non-Jew? Where does the Oral Torah come from, and why is it necessary? How has Jewish understanding and authorship developed over time? What does the G-d of Abraham, Isaac, and Jacob desire from me? What does the Torah teach about the Mashiach/Messiah. What do ancient Orthodox Jewish texts tell us about the Noahide laws in more detail? What does the Torah teach about idolatry? Where do I begin? What do I tell my family? All of this and more is answered in a simple and fun read. Each chapter includes a riveting true story from the great leaders of Judaism that compliments the fundamental Orthodox Jewish concepts presented. This book is not intended as an apologetic work for Judaism, and is not constructed as such. Out of great necessity, and for the sake of simplicity and brevity, this book is composed to lay the groundwork for the soul seeking the G-d of Israel. You will gain a clearer understanding to many difficult ideas, especially if you are coming from a Christian background filled with Western/Greek

presuppositions. Also, you will learn how to discern kosher sources of learning, including direction to trusted foundational texts and free online learning tools geared specifically for you. You are not alone! Let's do this journey together. Shalom!

Let Yahshua Rock Your World Murline Miles 2009-08 This Torah-based book will help clarify your understanding of the Messiah's Truth from a Hebraic perspective.

11.11.11 After So Many Years of Tears Benyf 2016-02-09 Every human being suffers pain in life. No one's life is devoid of suffering. Be it in the form of heartbreak, traumatic event or setbacks. From all these the soul requires healing. Lessons are to be drawn from them with a need to move on and evolve. But sometimes incidents damage us in ways which require rehabilitation. But few sources are there to address them and offer rehabilitation. This is a book that gives a message of consciousness and the realization of one's talents and potentialities to fulfill them. It's a thrilling tale of a woman who quests to find inner satisfaction and in the process touches lives of many, a journey of love and self-discovery. Though a work of fiction, it is inspired by true events which offer healing to the soul. It is narrated with prose and poetry which will engage the readers and also satisfy literary readers. The book involves 3 main characters of different occupations and ethnic origins who go through different hardships suffering heartbreaks, abandonments, compromises, and breakthroughs during their quest for a deeper meaning of life. In the course of their adventures love, consciousness, happiness, healing, Africanism, masculinity, feminism, polygamy, religion, vulnerability, and maturity are discussed. Ultimately, life lessons are learned from this entire phenomenon where love and self-actualization prevail. The author Benyf, a former Morris Brown College student, a graduate of Fisk University and of Georgia State University gives a heart-written narration with the purpose to heal others' hearts, a road map for the next generation. Psychological ideas such as self-actualization, identity crisis, consciousness, and change are explored. It's a reflection on feminism and evolution with important life lessons to be learnt. Furthermore, the book offers its services for everyone, male or female, universal or unique. Take a dive into this world of Benyf to enrich and revitalize soul.

Raising Supaman Nathaniel A. Turner 2014-01-11 In October 1994, Nathaniel Turner received news that left him petrified and ecstatic - he was going to be a father. Turner was inexperienced and unprepared. There was no guidebook on how to be a father. Determined to defy stereotypes and to be a great father, Turner created his own parenting manual. Raising Supaman is a collection of beautifully written letters Turner wrote to his son. The wonderfully loving letters established the "relational legacy," provided instruction on being a great citizen, inspired his son to strive for excellence, and left a historical account of a parent's love. Raising Supaman is loaded with practical, insightful and useful tips to help parents. Raising Supaman encourages parents to be their best so that they can raise successful children. Whether you are

dealing with the growing pains of a child or whether you are attempting to inspire or motivate a child, *Raising Superman* is a must read. If you've been looking for the answers: an instructional manual for great parenting, a tool to improve your relationship with your child and a guidebook that can inspire a child to consistently reach for the moon, *Raising Superman* is just the book for you.

I'm God, You're Not Lawrence Kushner 2010 Provides insights into the Jewish spiritual life including the quest for meaning, faith, identity, community, and holiness.

The Book of Miracles Lawrence Kushner 1997 A collection of essays which present the elements of Jewish spiritual thinking.

A New Oracle of Kabbalah Richard Seidman 2015 "This edition of *Oracle of Kabbalah* is a revised and expanded version of the book that was first published in 2001"--Preface.

The Book of Words Lawrence Kushner 1993 In the incomparable manner of his award-winning "*The Book of Letters: A Mystical Alphabet*", Kushner now lifts up and shakes the dust off 30 primary religious words used to describe the spiritual dimension of our lives.

Leah's Journey Gloria Goldreich 2012-05-17 Winner of the National Jewish Book Award of 1979, this classic novel of love and war is now available in ebook format for the first time! Violence shattered her golden world, and Leah's journey began... It swept her from the burning villages of old Russia to the tenements of New York, from the glittering showrooms of Paris to the settlements of war-torn Israel. It brought her marriage to a man who yearned for her sweet, denied love - and passion for a man who yearned only for danger. It gave her a son born of shame, and a daughter born to destiny. It tested her love in the shadow of the Depression and the hell of the Nazi fury... And then Leah's journey brought her home.

Letters of Light Aaron L. Raskin 2003 How the 22 letters of the Hebrew Alphabet, the alef-beis, (the construction materials with which G-d built our earthly and spiritual existence) continue as a source of creation, reflection, prayer and inspiration in our everyday lives.

Tzadik Nistar Kelaiah 2009-09-23 The ancient book of instruction for humanity. *Tzadik Nistar* translates as 'Hidden Righteous One'. Thought lost to the ravages of history, the *Tzadik Nistar* took on a very different mysticism. Now, available to the world as the original instruction given to humanity by God.

The Hebrew Letters Rabbi Yitzchak Ginsburgh 1990 *Sefer Yetzirah* (the "Book of Creation"), one of the earliest Kabbalistic works, teaches that the letters of the Hebrew alphabet are the building blocks of creation. Each letter has its own significance, spiritual energy, and reason for existing. In this revised

version of Rabbi Ginsburgh's best-selling *The Alef-Beit, Jewish Thought Revealed Through the Hebrew Letters*, he explains how each letter's name, form, and numerical value play a role in the creative process of the cosmos. He draws on the understandings of the well-known mystic, the Baal Shem Tov, in depicting how each letter has nine dimensions, with impact in three worlds--the physical, spiritual, and Divine. In every letter there is the true completion of the soul, a chance to unite consciousness with the code of creation. Includes glossary, footnotes, and index.

Hebrew Alphabet Letters And Their Spiritual Meanings Joseph Yagel 2020-09-22
Hebrew language utilizes an alternate letters in order when contrasted with English language. The Jewish alphabet is frequently called the "alefbet," in light of its initial two letters. The Hebrew letter set comprises twenty-two letters. They are intriguing and captivating to find out about in light of the fact that each letter in the Alefbet contains various implications and imageries. Each letter is a symbol, brimming with numerous and more profound implications, from strict direct significance, to internal otherworldly importance. Understanding the letters gives basic knowledge into the more profound implications of the Torah and the Holy book. The in and out significance of the Hebrew letters goes beyond the sound for which they stand. The letters form the core of the Jewish language and that of the religion. The twenty-two (22) letters of the Hebrew letters in order each has an emblematic importance. Each letter in Hebrew likewise has a specific numerical value known as "Gematria." A profound investigation on the more inciting implications of the letters can change, widen and develop our learning and can lead us to more profound degrees of otherworldly experience. This book is a small section point into a more extensive and more profound field of study, which could be followed for a lifetime.
