(Please note this edition does not come with free access to the Online ESV Study Bible resources.)

Religion of a Different Color W. Paul Reeve 2015-01-30 Mormonism is one of the few homegrown religions in the United States, one that emerged out of the religious fervor of the early nineteenth century. Yet, members of the Church of Jesus Christ of Latter-day Saints have struggled for status and recognition. In this book, W. Paul Reeve explores the ways in which nineteenth century Protestant white America made outsiders out of an inside religious group. Much of what has been written on Mormon otherness centers upon economic, cultural, doctrinal, marital, and political differences that set Mormons

apart from mainstream America. Reeve instead looks at how Protestants racialized Mormons, using physical differences in order to define Mormons as non-White to help justify their expulsion from Ohio, Missouri, and Illinois. He analyzes and contextualizes the rhetoric on Mormons as a race with period discussions of the Native American, African American, Oriental, Turk/Islam, and European immigrant races. He also examines how Mormon male, female, and child bodies were characterized in these racialized debates. For instance, while Mormons argued that polygamy was ordained by God, and so created angelic, celestial, and elevated offspring, their opponents suggested that the children were degenerate and deformed. The Protestant white majority was convinced that Mormonism represented a racial-not merely religious-departure from the mainstream and spent considerable effort attempting to deny Mormon whiteness. Being white brought access to political, social, and economic power, all aspects of citizenship in which outsiders sought to limit or prevent Mormon participation. At least a part of those efforts came through persistent attacks on the collective Mormon body, ways in which outsiders suggested that Mormons were physically different, racially more similar to marginalized groups than they were white. Medical doctors went so far as to suggest that Mormon polygamy was spawning a new race. Mormons responded with aspirations toward whiteness. It was a back and forth struggle between what outsiders imagined and what Mormons believed. Mormons ultimately emerged triumphant, but not unscathed. Mormon leaders moved away from universalistic ideals toward segregated priesthood and temples, policies firmly in place by the early twentieth century. So successful were Mormons at claiming whiteness for themselves that by the time Mormon Mitt Romney sought the White House in 2012, he was labeled "the whitest white man to run for office in recent memory." Ending with reflections on ongoing views of the Mormon body, this groundbreaking book brings together literatures on religion, whiteness studies, and nineteenth century racial history with the history of politics and migration.

The Book of Mormon Grant Hardy 2019 This exquisitely produced volume presents the official LDS edition of the Book of Mormon in an attractive, accessible, readable version that brings to Latter-day Saints the helpful features that have been part of standard Bible publishing for decades: paragraphs, quotation marks, poetic stanzas, section headings, and superscripted verse numbers. The latest LDS scholarship is reflected in its brief, thoughtfully considered footnotes, although the focus is always on the text itself; its wording, structure, and interconnections; allowing the book's sacred message to be heard anew. The Maxwell Institute Study Edition, produced by believing scholars, is ideally suited to both new readers of the Book of Mormon and also those who know the book well and have loved its teachings and testimony of Christ for many years.

The Book of Mormon Made Easier David J. Ridges 2011-06 A study guide in two volumes that contains the full text of the Book of Mormon of The Church of Jesus Christ of Latter-day Saints.

"But He Doesn't Know the Territory" Meredith Willson 2020-09-22 Chronicles the creation of Meredith Willson's *The Music Man*—reprinted now as the Broadway Edition. Composer Meredith Willson described *The Music Man* as “an Iowa’s attempt to pay tribute to his home state.” Now featuring a new foreword by noted singer and educator Michael Feinstein, this book presents Willson’s reflections on the ups and downs, surprises and disappointments, and finally successes of making one of America’s most popular musicals. Willson’s whimsical, personable writing style brings readers back in time with him to the 1950s to experience firsthand the exciting trials and tribulations of creating a Broadway masterpiece. Fresh admiration of the musical—and the man behind the music—is sure to result.

Notes between the verses provide additional insights and teach principles and doctrines. Join the thousands of readers who have experienced spiritual growth from reading and pondering the books in this series.

The Book of Mormon Paul C. Gutjahr 2021-07-27 Late one night in 1823, Joseph Smith, Jr., was reportedly visited in his family's farmhouse in upstate New York by an angel named Moroni. According to

Smith, Moroni told him of a buried stack of gold plates that were inscribed with a history of the Americas' ancient peoples, and which would restore the pure Gospel message as Jesus had delivered it to them. Thus began the unlikely career of the Book of Mormon, the founding text of the Mormon religion, and perhaps the most important sacred text ever to originate in the United States. Here Paul Gutjahr traces the life of this book as it has formed and fractured different strains of Mormonism and transformed religious expression around the world. Gutjahr looks at how the Book of Mormon emerged from the burned-over district of upstate New York, where revivalist preachers, missionaries, and spiritual entrepreneurs of every stripe vied for the loyalty of settlers desperate to scratch a living from the land. He examines how a book that has long been the subject of ridicule--Mark Twain called it "chloroform in print"--Has more than 150 million copies in print in more than a hundred languages worldwide. Gutjahr shows how Smith's influential book launched one of the fastest growing new religions on the planet, and has been featured in everything from comic books and action figures to feature-length films and an award-winning Broadway musical.--Publisher.

The New Testament Made Easier - Part 2 DAVID J. RIDGES.

The Pearl of Great Price Made Easier David J. Ridges 2009 Now for the first time, you can enjoy the full text of the Pearl of Great Price as part of the popular Gospel Studies Series. the full text of the scripture is included with in-the-verse notes that provide a highly effective, unique teaching tool. Notes between the verses offer additional insights and teach principles and doctrines. This wonderful new volume brings the gospel full circle from the Creation story in Moses to the early history of the restored Church in latter days. Study along with David J. Ridges as he brings the Pearl of Great Price to life with this unique teacher in the hand. a Powerful Study Guide Quickly gain a basic understanding of the Pearl of Great Price with the help of brief notes within and between the verses.Example: Joseph Smith Matthew 24:22 and Jesus went out, and departed from the temple; and his disciples came to him, for to hear him, saying: Master, show us concerning the buildings of the temple, as thou hast said They shall be thrown down, and left unto you desolate [the disciples would like Him to give them more details about the coming destruction of the temple in Jerusalem].The Savior s prophecy that the buildings of the temple would be torn down was fulfilled by about 70 to 73 AD as the Romans finally conquered the Jews and destroyed many of their

cities. Transfer these brief notes into your own scriptures to increase your understanding now as well as in the future. A Quick Reference Quickly get help for specific verses or chapters. Review for a lesson, talk, or family night discussion.

Why Evolution is True Jerry A. Coyne 2010-01-14 For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. Why Evolution is True weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

Your Study of the Book of Mormon Made Easier for Teens David J. Ridges 2019 Master gospel teacher David Ridges is back to make studying the Book of Mormon easier, this time for teens. In addition to brief teaching notes within and between verses he has added thousands of brief definitions of difficult-to-understand scriptural words and phrases.
