**The Case of the Vanishing Corpse** Robert Newman 2014-12-30 Sherlock Holmes isn't the only detective in London—Andrew Tillet and Sara Wiggins at your service! Andrew Tillet can hardly believe his luck. Only one year ago he landed in London completely unaware of his real name and identity, or that his mother was the beautiful and accomplished actress Verna Tillet. Now that he and Verna have been reunited and Sara and her family are well provided for, it seems like all their dreams are coming true. But no amount of good fortune can spoil Andrew and Sara's taste for adventure, and when they run across an unusually observant policeman named Constable Wyatt, they have a feeling they'll be seeing him again. When they do, it's sooner than expected. The fabulous Denham diamonds have been stolen from Verna Tillet's own bedroom, and Andrew, Sara, and Constable Wyatt jump on the case. But how did the thief get into the second-floor window without a ladder? When Andrew and Sara find a fresh corpse on their lawn one night, only for it to disappear before the police arrive, can they convince anyone to follow the clues and recover the jewels before it's too late?

*The Case of the Indian Curse* Robert Newman 2014-12-30 Turning up missing is better than turning up dead Inspector Peter Wyatt is out of town. This is inconvenient, because something is terribly wrong with Andrew Tillet and Sara Wiggins's friend, antiquities dealer Baron Beasley—and he refuses to see a doctor or speak to anyone except Wyatt. A large man with usually-rosy cheeks and a fondness for exotic delicacies, Beasley now looks like a shadow of himself and can't be coaxed out of bed. To Sara and Andrew, Beasley doesn't look sick as much as deathly frightened—which is even more worrisome. What could possibly have driven the robust man into this state? Is it connected to a strange artifact he recently acquired that seems to have disappeared from his shop? Only Beasley knows, and he's not telling—in fact, he's disappeared from his room. Andrew and Sara race to find him, throwing themselves

into their most dangerous case yet.
