Mistress of the Sun Sandra Gulland 2009-04-07 An eccentric young woman's love for a wild white stallion tempts her into using an ancient magic that overshadows her subsequent life and leads to her affair with the charismatic Louis XIV.

Green Darkness Anya Seton 2013-10-01 "The theme of this book is reincarnation, an attempt to show the interplay—the law of cause and effect, good and evil, among certain individual souls in two periods of English history." *Green Darkness* is the story of a great love, a love in which mysticism, suspense, and mystery form a web of good and evil forces that stretches from Tudor England to the England of the twentieth century. The marriage of the Englishman Richard Marsdon and his young American wife, Celia, slowly turns tragic as Richard withdraws into himself and Celia suffers a debilitating emotional breakdown. A wise mystic realizes that Celia can escape her past only by reliving it. She journeys back four hundred years to her former life as the servant girl Celia de Bohun during the reign of Edward VI—and to her doomed love affair with the chaplain Stephen Marsdon. Although Celia and Stephen can't escape the horrifying consequences of their love, fate (and time) offer them another chance for redemption.

***** In the aftermath of the bloody Wars of the Roses, Henry Tudor has seized the English crown, finally uniting the warring Houses of York and Lancaster through his marriage to Elizabeth of York. But whilst Henry VII rules wisely and justly, he is haunted by Elizabeth's missing brothers; the infamous two Princes, their fate in the Tower forever a shrouded secret. Then tragedy strikes at the heart of Henry's family, and it is against his own son that the king must fight for a bride and his throne... The Tudor Saga continues in Katharine, the Virgin Widow.

The Genesis of Evangeline Rachel Jonas 2017-09-26 A past she can't recall. A destiny she'll never outrun. Evie Callahan is positive there's something strange going on in Seaton Falls, her new home. The locals are bigger, stronger, and faster than most. That includes Nick, the boy next door who's become her silver lining in this godforsaken town. She wants to trust her instincts--about Nick, about what she suspects in Seaton Falls--but rumors of wolves and dragon shifters makes it hard to tell what's real. With a history of odd dreams and the nagging sense that she's never belonged, Evie fears she's losing touch with reality. Her concern only grows when someone who's haunted these dreams is suddenly tangible... and claims to hold the key to unlocking her true identity. Finding out her entire life has been a lie is scary enough, but what's downright terrifying is discovering who she's destined to become. Evie's much more than your average, seventeen-year-old girl. And this is her genesis. *** The Lost Royals Saga is a coming-of-age, upper YA/NA crossover. This is a tale of long-forgotten royalty and a fated love too powerful for time to erase. Supernatural Academy Jaymin Eve 2019-05-11 Maddison James is about to discover some truths about the world. Firstly ... supernaturals exist. WTF? Secondly ... she is one, even though no one seems to know exactly what kind. Double WTF. Thirdly ... she's about to go back to school. Well, things just got a little more interesting. The Supernatural Academy is where shifters, vampires, magic users, and fey are educated. Where they are taught about their abilities, and how to function in the human world. Maddison already has the human part down, but this supernatural thing is an entirely new dangerous game. Example one: mean girls who can actually turn you into a frog. Example two: Asher Locke, a god at the Academy. Not literally ... well, who knows for sure. He certainly acts the part, as do all of his minions who worship him. Asher drives her crazy, because apparently gorgeous and arrogant is her thing. Sparks fly between them, and the more they're thrown together, the more Asher is determined to figure out what's been blocking her abilities. Until the moment the truth is revealed, and they find out nothing in this supernatural world is what they thought. Including each other. Supernatural Academy is 105k words, full length urban fantasy story. Recommended 17+ due to language and sex scenes.

Blessed Monsters Emily A. Duncan 2021-04-06 The unforgettable conclusion to the New York Times bestselling Something Dark and Holy trilogy! The girl, the monster, the prince, the queen. They broke the world. And some things can never be undone. In Emily A. Duncan's Blessed Monsters, they must unite once more to fight the dark chaos they've unleashed - but is it already too late? "Duncan brings this atmospheric trilogy to a stunning close, with a final volume that delivers on the mood, monstrosities, and character relationships that have made this series a joy." - BuzzFeed This edition uses deckle edges; the uneven paper edge is intentional.

Victoria Victorious Jean Plaidy 2009-02-19 In this unforgettable novel of Queen Victoria, Jean Plaidy re-creates a remarkable life filled with romance, triumph, and tragedy. At birth, Princess Victoria was fourth in line for the throne of England, the often-overlooked daughter of a prince who died shortly after her birth. She and her mother lived in genteel poverty for most of her childhood, exiled from court because of her mother's dislike of her uncles, George IV and William IV. A strong, willful child, Victoria was determined not to be stifled by her powerful uncles or her unpopular, controlling mother. Then one morning, at the age of eighteen, Princess Victoria awoke to the news of her uncle William's death. The almost-forgotten princess was now Queen of England. Even better, she was finally free of her mother's iron hand and her uncles' manipulations. Her first act as queen was to demand that she be given a room—and a bed—of her own. Victoria's marriage to her German cousin, Prince Albert, was a blissfully happy one that produced nine children. Albert was her constant companion and one of her most trusted advisors. Victoria's grief after Prince Albert's untimely death was so shattering that for the rest of her life—nearly forty years—she dressed only in black. She survived several

assassination attempts, and during her reign England's empire expanded around the globe until it touched every continent in the world. Derided as a mere "girl queen" at her coronation, by the end of her sixty-four-year reign, Victoria embodied the glory of the British Empire. In this novel, written as a "memoir" by Victoria herself, she emerges as truthful, sentimental, and essentially human—both a lovable woman and a great queen.

Swan's Grace Linda Francis Lee 2004-07-27 HE WAS A MAN WHO MADE THE RULES, WHILE SHE WANTED ONLY TO BREAK THEM. . . . Grayson Hawthorne is everything blue-blooded Boston society admires—rich, ruthless, untainted by scandal. While always keeping a tight rein on his emotions, he has never forgotten Sophie Wentworth, the spirited but awkward child who captivated his youth with music and a young girl's adoration. But one night long ago, she left the city unexpectedly. Now the toast of Europe, Boston's ugly duckling is returning home with the grace of a swan. Through provocative performances, Sophie has found great fame as a concert cellist. She hopes to keep her past and her new life separate—until she discovers that her family has bargained her away to Grayson, the lonely boy she once loved, but now a cold, forbidding man with the power to break her tattered heart. At that moment, she vows to bring Boston . . . and Grayson . . . to their knees. *Swan's Grace* is the sophisticated, unforgettable story of a gifted but defiant woman and an unforgiving man who must find a gentleness in his soul to heal both their tarnished hearts.

Supernatural Academy Jaymin Eve 2020-03-11 Year Three at the Academy. The year of Aqua. Maddison has been fighting the gods from the first moment she found out they existed. Those arrogant and power hungry deities have a plan . . . a plan that includes destroying everything she holds dear, and she fears that one day soon, they're going to succeed. When new information is dropped in her lap, a way to end the gods once and for all, Maddison jumps at the chance. That's until she finds out that the path to her prize is through a maze of challenges that have stumped all who've attempted them before. Luckily she won't go alone. She's been recruited into a girl gang, and with Jessa, Mischa, and Josephina by her side, they might actually have a shot at succeeding. Of course, they didn't factor in on their mates storming the keep to track them down. Dragon shifters, Atlantean gods, and a chance to find the ultimate weapon. Year of aqua . . . bring it on.

Language Policy and Language Planning Sue Wright 2016-04-08 This revised second edition is a comprehensive overview of why we speak the languages that we do. It covers language learning imposed by political and economic agendas as well as language choices entered into willingly for reasons of social mobility, economic advantage and group identity.

Dragon Fire Academy 1 Rachel Jonas 2019-08-08 Seriously? Four dragon warriors need to stalk my every move? I get it. They think I'm dangerous, but I'm only on their island to learn. Not to destroy it. This is another unfortunate side-effect of being the freak who descended from all three supernatural lineages. The bloodthirsty dragons, the destructive wolves, and the disloyal witches. Some believe that, when I transition in a few months, there's a slight, teeny tiny chance I could unleash hell on the supernatural world. Call me crazy, but I'd know if I harbored that kind of power inside me. . . . Wouldn't I? My entire life, all I've wanted was to be normal. Hence the reason I didn't think twice about trading in my crown for a stack of books. I've got three terms on this island to prove the naysayers wrong, including my chaperones—Kai, Ori, Paulo, and Rayen. These four are gorgeous, but also ominous as heck. Babysitting me

has clearly taken their focus off something they've deemed more important. So, now they go out of their way to make my life a living hell, with hopes that I'll give up and leave. Thanks, guys. You could cut the tension between us with a knife, but what's weird is I don't hate them all the time. There are even odd moments when I catch them watching me. And not in their usual "wish-you-were-dead" sort of way. Even if I survive the academy, there's still no guarantee these four and I won't kill each other before graduation. *** "Noelle and her dragons have captured me. Four Dragon warriors and each has their own story to tell, their own voice, and they come together so smoothly. This book is so epic!" - Kalli's Book Nook***Note: DRAGON FIRE ACADEMY is an upper YA/NA reverse harem romance. This series will take you on a brand-new journey with a descendant of the beloved Seaton Falls shifters, featured in THE LOST ROYALS SAGA. So, keep an eye out for cameos from some of your favorite characters! New readers, rest assured; it's completely unnecessary to read the previous five-book series before embarking on this fresh chapter, set in a world filled with fierce wolves, hotheaded dragons, and powerful witches you don't want to cross. The Royal Nanny Karen Harper 2016-06-21 In April 1897, Charlotte Bill enters service into the house of the Duke and Duchess of York as a nanny. For decades, "Lala," as she is called, cares for her royal charges, some of which will rule, and one known as "The Lost Prince."

Black Flower Young-ha Kim 2012-10-30 In 1904, a group of Koreans seeks a new life in Mexico, in this "powerful, sweeping" novel based on a little-known chapter in history (List Magazine). In 1904, facing war and the loss of their nation, more than a thousand Koreans leave their homes for the promise of land in unknown Mexico. After a long sea voyage, these emigrants—thieves and royals, priests and soldiers, orphans and families—discover that they have been sold into indentured servitude. Aboard the ship, the orphan Ijeong falls in love with a nobleman's daughter. When the hacendados claim their laborers and the two are separated, he vows to find her. But after years of working in the punishing heat of the henequen fields, the Koreans are caught in the midst of a Mexican revolution . . . A tale of star-crossed love, political turmoil, and the dangers of seeking freedom in a new world—from an author who is "at the leading edge of a new breed of South Korean writers"—Black Flower is an epic story based on a little-known moment in history (Philadelphia City Paper). "'Can a nation disappear forever?' . . . [In] a tale of collective loss, political revolution and the individual quest for self-determination . . . Kim brings us the souls caught up on the ground of this larger drama." —Minneapolis Star-Tribune "Spare and beautiful." —Publishers Weekly, starred review "Readers who remember the historical fiction of Thomas B. Costain, Zoe Oldenbourg [sic] and Anya Seton will appreciate [Kim's] extensive research and empathic imagination." —Kirkus Reviews

The Diary of Frida Kahlo Carlos Fuentes 2005-08-09 A facsimile of the diary of the twentieth-century Mexican artist, which is accompanied by an English transcription and commentary and more than three hundred illustrations.

Norway Book 1: The Black Bull Of Norway Cat Seaton 2018-11-07 Sibylla has always craved adventure, but she never guessed it would finally arrive in the form of a giant, magical bull. Is he a man, or a monster? And who knew a prophecy could be so literal? With this first book in a new series co-created by sibling writer/artist team CAT SEATON and KIT SEATON, the adventure of a lifetime begins.

Dragon Fire Academy 2 Rachel Jonas 2020-01-18 The good news: my four guardians are more than just a brood of cocky dragons. I was drawn to this island to find them ... my mates. The sucky news: an ancient evil has marked me as its vessel, but I suppose one girl can't have all the luck, right? I was warned that second term would be a challenge, but nothing could have prepared me for this. As if things aren't already hard enough, one innocent slipup threatens to cost me big time. Every day, it gets harder to tell friend from foe. Especially with more than one enemy who wants to make sure I lose everything. Thing is, no one has any idea how fiercely I'm willing to fight. I guess they'll learn the hard way that I'm no pushover. Giving up simply isn't in my blood. ***Note: DRAGON FIRE ACADEMY is an upper YA/NA reverse harem romance. This series will take you on a brand-new journey with a descendant of the beloved Seaton Falls shifters, featured in THE LOST ROYALS SAGA. So, keep an eye out for cameos from some of your favorite characters! New readers, rest assured; it's completely unnecessary to read the first five books before embarking on this fresh chapter set in a world filled with fierce wolves, hotheaded dragons, and powerful witches you don't want to cross.

The Sunne In Splendour Sharon Kay Penman 2008-01-22 The classic, magnificent bestselling novel about Richard III, now in a special thirtieth anniversary edition with a new preface by the author In this triumphant combination of scholarship and storytelling, Sharon Kay Penman redeems Richard III—vilified as the bitter, twisted, scheming hunchback who murdered his nephews, the princes in the Tower—from his maligned place in history. Born into the treacherous courts of fifteenth-century England, in the midst of what history has called The War of the Roses, Richard was raised in the shadow of his charismatic brother, King Edward IV. Loyal to his friends and passionately in love with the one woman who was denied him, Richard emerges as a gifted man far more sinned against than sinning. With revisions throughout and a new author's preface discussing the astonishing discovery of Richard's remains five centuries after his death, Sharon Kay Penman's brilliant classic is more powerful and glorious than ever.

Wicked Liars Laura Lee 2020-04 Liars. Every last one of them. The kings and queens of my new high school. The father and stepmother I never knew. Each has more wealth and privilege than I could've ever imagined. Each has a pile of wicked dirty secrets they'd do anything to protect. These people have grown accustomed to getting what they want and what they want is to make my life a living hell. Too bad for them, you can't break someone who's already broken. Too bad for them, I won't give up without a fight. Too bad for them, I'm going to make them pay...even if it's the last thing I do. *Wicked Liars is the first book in the Windsor Academy series. This is a dark high school bully romance that may contain triggers for sensitive readers. Due to mature subject matter, it is recommended for readers 18+ only.

The Christmas Truce Terri Blom Crocker 2015-11-10 In late December 1914, German and British soldiers on the western front initiated a series of impromptu, unofficial ceasefires. Enlisted men across No Man's Land abandoned their trenches and crossed enemy lines to sing carols, share food and cigarettes, and even play a little soccer. Collectively known as the Christmas Truce, these fleeting moments of peace occupy a mythical place in remembrances of World War I. Yet new accounts suggest that the heartwarming tale ingrained in the popular imagination bears little resemblance to the truth. In this detailed study, Terri Blom Crocker provides the first comprehensive analysis of both scholarly and popular portrayals of the Christmas Truce from 1914 to present. From books

by influential historians to the Oscar-nominated French film *Joyeux Noël* (2006), this new examination shows how a variety of works have both explored and enshrined this outbreak of peace amid overwhelming violence. The vast majority of these accounts depict the soldiers as acting in defiance of their superiors. Crocker, however, analyzes official accounts as well as private letters that reveal widespread support among officers for the *détentes*. Furthermore, she finds that truce participants describe the temporary ceasefires not as rebellions by disaffected troops but as acts of humanity and survival by professional soldiers deeply committed to their respective causes. The Christmas Truce studies these ceasefires within the wider war, demonstrating how generations of scholars have promoted interpretations that ignored the nuanced perspectives of the many soldiers who fought. Crocker's groundbreaking, meticulously researched work challenges conventional analyses and sheds new light on the history and popular mythology of the War to End All Wars.

Norroway Book 2: the Queen of the High Mountain Cat Seaton 2021-04-20 Happiness is an illusion when unfinished business awaits. Seven years have passed since the disastrous events of BOOK 1, and now it's time for Sibylla to face her curse-breaking destiny. When Troll Kingdom soldiers arrive in the once-safe town of Fiskeby, she's forced to flee up the Glass Mountain. But the moment she steps foot on Troll lands, she's thrown into a jail cell, where she discovers her amnesiac ex-fiancé is set to wed the Troll Queen's daughter. Using all of her wits, she must convince the princess to turn against her own mother, or else face execution on the day of the wedding—and doom the kingdom to remain cursed forever.

Water Spell Lizzy Ford 2017-05-17 A water mage and the protector she never wanted. Rare water mage Sela is given no time to mourn the loss of her longtime protector and father figure before she's faced with the one man standing in the way of her freedom: her new guardian, mage-warrior Tieran. An Inlander with no honor, Tieran is loyal to no man, priest, king or god. If not for the magic binding him to the infuriating water mage, he would abandon her amidst the land-locked Inlands, away from the sea she yearns to visit, and pursue vengeance against those who killed his family. Sela and her reluctant protector are soon thrown into the middle of a power struggle raging among the rulers of the four island kingdoms. To survive, both mage and warrior must overcome their distrust of one another, for the longer they resist their bond, the more perilous their journey becomes.

Mrs. Keppel and Her Daughter Diana Souhami 2014-10-14 Alice Keppel, the married lover of Queen Victoria's eldest son and great-grandmother to Camilla Parker-Bowles, was a key figure in Edwardian society. Hers was the acceptable face of adultery. Discretion was her hallmark. It was her art to be the king's mistress and yet to laud the Royal Family and the institution of marriage. Formidable and manipulative, her attentions to the king brought her wealth, power, and status. Her daughter Violet Trefusis had a long tempestuous affair with the author and aristocrat Vita Sackville-West, during which Vita left her husband and two sons to travel abroad with Violet. It was a liaison that threatened the fabric of Violet's social world, and her passion and recalcitrance in pursuit of it pitted her against her mother and society. From memoirs, diaries, and letters, Diana Souhami portrays this fascinating and intense mother/daughter relationship in *Mrs. Keppel and Her Daughter*. Her story of these women, their lovers, and their lovers' mothers, highlights Edwardian - and contemporary - duplicity and double standards and goes to the heart of questions about sexual

freedoms.

Bloodwood Academy Rebecca Ethington 2021-08-20 It all started when I was doing some bare-back riding with my boyfriend, Tommy, atop a rock in Middle-of-Nowhere, Nevada. In walked this wolf like he's my mom on a meth trip, staring at us and growling like he's an over-protective husband. Worse, according to Tommy, I'm growling back. Next thing I know, Tommy is halfway across the desert and I'm at an elite academy for Witches, Shifters, Vampires, and Fae looking like I was plucked out of the local trailer park. Oh wait, I was. Bloodwood Academy for the Supernatural has only one rule: Don't mingle with students outside your race. So, of course, that just so happens to be the first thing I do. How can you say no to a Fae God with golden eyes, a moody Werewolf with pack issues, and a Vampire with magic fingers. My men are not only sending everything into a whirlwind, but now my life is in danger. It turns out that if I don't go back to my single wide, some jealous females are going to rip my throat out. I need to figure out why I'm connected to all of my mates, and why the headmaster has it out for me, before I find myself ten feet under.

Dark Side of the Moon Rachel Jonas 2017-12-07 A supernatural war fast approaching. A young queen who may not live to take the throne. Evie can't recall her past life, but her quest for answers revealed the truth behind local lore: wolves and dragon shifters do exist ... and she's a hybrid descendant of both. Keeping her identity as the returned queen hidden is no small feat. Especially when it's unclear who's friend or foe, who risked it all to bring her back, and why? It's with Liam's help that she learns to embrace and control her new abilities. Their shared past dates back centuries, an era when Liam was much more to her than just a warrior. She has no memory of their time together; however, traces of a powerful bond linger even now. But she's torn. Can the choices she makes in the present override supernatural ties and legends of old? Or is her future already written in stone? Including signs pointing toward her untimely death at the hands of Nick, the boy who stole her heart the moment she set foot in Seaton Falls? Evie refuses to be ruled by her past. Nick's determined to rewrite the future that marks him as her killer. And as for Liam, her warrior ... he looks forward to stopping him when he fails.

Darkblood Academy G K DeRosa 2019-06-04 Welcome to Darkblood-oops, I mean Darkhen Academy. There are three rules to survive the elite supernatural school: 1. Do not talk or even look at The Seven, the uber-powerful supes that rule the academy. 2. Never go into the Fae forest on a full moon... or else. 3. And most definitely do not fall for one of the extremely hot and unattainable instructors. Too bad I've never really been a rule follower... A year ago the supernaturals came out of the closet on primetime TV, and about a minute ago I, Luna Hallows, found out I was one of them-well, a half-blood anyway. So here I am at Darkhen Academy, the only human and no magical abilities to speak of. The only reason I'm here is because of my father-a man I didn't even know existed until now. He's crazy powerful, and they think I could be too. But what could I possibly contribute to an exclusive squad of dragon shifters, fae, witches, and vampires? I guess we're about to find out because the merging of the supernatural and human realms isn't going as smoothly as planned. If word gets out that humans are no longer safe from the supes, our worlds will once again be closed off. It's up to us to stop that from happening. ***This is an upper YA/NA crossover with schmexy supernatural guys and is best suited for age 16 and over. Be warned, the steaminess factor does increase through the course of the series! ***Darkblood Academy is set within the world of Hitched but it's not necessary to read that series first to enjoy this one.

Car Crash Culture M. Brottman 2016-04-30 A morbidly fascinating and articulate collection of essays, this book explores the grim underside of America's cult of the automobile and the disturbing, frequently conspiratorial, speculations that arise whenever the car becomes the cause or the site of human death.

Through analysis of fatal celebrity car accidents and other examples of death by automobile, as well as through personal memoir and forensic reports, cultural critics ponder our very human fascination with the car crash. Topics include the roles and experiences of passengers and bystanders, car crash conspiracy theories, the automobile as a site of murder, studies of car crash cinema, and psychological interpretations of the notion of the 'accident.' The book features original essays by such underground icons as Kenneth Anger and Adam Parfrey.

The Seventh Son Reay Tannahill 2013-02-28 A superb historical novel about Richard III, the notorious hunchback king whose burial site was recently uncovered, which will appeal to fans of Josephine Tey's *THE DAUGHTER OF TIME*, Philippa Gregory's *THE KINGMAKER'S DAUGHTER*, and readers of Hilary Mantel. At the heart of this stunning novel is the complex human being known to history as Richard III, a king whose reign is darkened by the murder of the young Princes in the Tower, but who also found a touching love with the woman he married, and possessed immense courage. As goes the old adage 'history is written by the victors', so Richard III's own story was corrupted by the spokesman of the Tudor regime, William Shakespeare. And yet here is a man who inspired loyalty and hatred in almost equal measure, until at last the implacable enmity of one woman brought about his downfall. In this classic novel, the paradox of England's most enigmatic king is vividly brought to life. It is a family drama in the grand tradition, a tale of brother against brother, cousin against cousin, of love, hate and intrigue, of women inescapably entangled in the fates of their men, and of a mystery that has exercised people's minds for more than five hundred years.

Heart of the Dragon Rachel Jonas 2018-02-15 Even the deadliest dragon warrior has a weakness ... his answers to the name Evangeline. Liam suffered the loss of his mate once before, but with forbidden magic, Evie has returned to him. His reputation as "The Reaper" is one he earned ... one kill at a time. So, if there's any warning his enemies should heed, it's that he'll stop at nothing to keep history from repeating itself; will stop at nothing to protect her. Evie senses the walls rapidly closing in as her role in the revolution becomes clear—a movement in which the supernatural order has begun to shift. All who stand for the cause have made sacrifices, including Evie who's faced several hard truths. The hardest lesson being one that brought loyalty into question—a single, careless act at the hands of someone she trusted. Someone who nearly cost her everything. Nick never wanted any of this. As he struggles to understand the nature of his dual identities, he's haunted by the pain and destruction he's caused as his dark side gains strength. Escaping his cell and running was the only option, but that doesn't mean he'll escape the repercussions. No one's out of the woods yet. The line between enemies and allies blurs for the Seaton Falls clan amidst rising tension, rumors of a traitor among them ... and the arrival of an uninvited guest.

Season of the Wolf Rachel Jonas 2018-05-10 The dragon within Evangeline mourns, but her wolf has one thing in mind ... revenge. When the Sovereign caught wind of there being a forbidden hybrid living in Seaton Falls, he came to collect her. What he didn't know was that Liam, her warrior, was more than willing to sacrifice himself for the only girl he's ever loved. But saving her meant losing a part of himself, his true form—his dragon. This transformation has compromised his mission to protect his soulmate and future queen, and time is no longer on their side. It hasn't been long since Evangeline accepted her abilities, but she must quickly learn to rely on her own strength if she's ever

going to fix this. Her survival, and Liam's restoration, depend on it. The foundation of Seaton Falls has been shaken and a new day is on the horizon. An influx of outside shifters preparing to wage war, and the arrival of a few highly-anticipated guests, are only the beginning. Maybe the odds have finally shifted in the clan's favor. Or ... maybe they've just been set up for an even harder fall.

An Introductory History of British Broadcasting Andrew Crisell 2005-06-29 An Introductory History of British Broadcasting is a concise and accessible history of British radio and television. It begins with the birth of radio at the beginning of the twentieth century and discusses key moments in media history, from the first wireless broadcast in 1920 through to recent developments in digital broadcasting and the internet. Distinguishing broadcasting from other kinds of mass media, and evaluating the way in which audiences have experienced the medium, Andrew Crisell considers the nature and evolution of broadcasting, the growth of broadcasting institutions and the relation of broadcasting to a wider political and social context. This fully updated and expanded second edition includes: *the latest developments in digital broadcasting and the internet *broadcasting in a multimedia era and its prospects for the future *the concept of public service broadcasting and its changing role in an era of interactivity, multiple channels and pay per view *an evaluation of recent political pressures on the BBC and ITV duopoly *a timeline of key broadcasting events and annotated advice on further reading.

The Golden Boys Nikki Thorne 2020-10-08 West Golden-so easy to hate, yet so hard to resist. Don't let that pretty face of his fool you. He isn't the boy next door, or the kind you trust with your heart. He's the devil in designer jeans, with all the charm of a bona fide psycho. Trust me. He swears I did something to cross him before I even stepped foot inside Cypress Prep, but it's a lie. No one knows better than me that I'm all out of chances. One more misstep and I can kiss my future goodbye, which means I can't possibly be guilty of whatever he thinks I've done. West marks me with a target anyway, and as this town's football star, no one dares to go against him. His money, status, and the loyalty of his equally entitled brothers makes him seem untouchable. Only, I know better than that. This false god isn't infallible like he wants the world to believe. Whenever I stare into those devilish green eyes, I see it plain as day. The chink in his armor. His one and only weakness. Me. The King of Cypress Prep has finally met his match, and taking him down just became an inside job.***The Golden Boys are all smokin' hot, but there's only one guy for Blue Riley, which means this romance isn't a reverse harem. Also, full disclosure, this saga does contain strong bully themes. So, if you're not into romances where hate turns into love (well ... eventually), and if you don't like your heroes of the unapologetically alpha variety, this might not be the book for you. There is no rape or dubious consent whatsoever. However, due to adult themes and sexual situations, this one's only for the 18+ crowd. This series is sure to give you GOSSIP GIRL and ONE TREE HILL vibes, and the angst will keep you burning through the pages to find out what happens next. One-click and get lost in this series today! Sex and Film B. Forshaw 2015-02-27 Sex and Film is a frank, comprehensive analysis of the cinema's love affair with the erotic. Forshaw's lively study moves from the sexual abandon of the 1930s to filmmakers' circumvention of censorship, the demolition of taboos by arthouse directors and pornographic

films, and an examination of how explicit imagery invaded modern mainstream cinema.
