Bride of Ice Marina Tsvetaeva 2011-08-01 When Elaine Feinstein first read the poems of Marina Tsvetaeva in Russian in the 1960s, the encounter transformed her. 'What drew me to her initially,' she writes, 'was the intensity of her emotions, and the honesty with which she exposed them.' Her translations, first published to great acclaim in 1971, introduced Tsvetaeva to English readers. It was the start of Feinstein's continuing engagement with a poet who has been an enduring, challenging inspiration to her, and whose life she has written. To this enlarged edition Elaine Feinstein adds five major pieces. 'Girlfriend', a sequence of lyrics, was written for Tsvetaeva's lover Sofia Parnok. In 'New Year's Greetings' she responded to the death of Rainer Maria Rilke. 'On a Red Horse' is a dramatic fairytale of power and cruelty. 'Wires', of which two lyrics were included in the earlier edition, now appears in full; and a previously omitted lyric from 'Poem of the End' has been translated. With a new introduction, notes and bibliography of works in English, *Bride of Ice* brings Tsvetaeva to a new generation of readers.

Way of All the Earth Anna Akhmatova 2018-09-19 Anna Akhmatova is considered one of Russia's greatest poets. Her life encompassed the turmoil of the Russian Revolution and the paranoia and persecution of the Stalinist era: her works embody the complexities of the age. At the same time, she was able to merge these complexities into a single, poetic voice to speak to the Russian people with whom she so closely and proudly identified. *Way of All the Earth* contains short poems written between 1909 and 1964, selected from *Evening*, *Rosary*, *White Flock*, *Plantain*, *Anno Domini*, *Reed*, and *The Seventh Book*. Intricately observed and unwavering in their emotional immediacy, these strikingly modern poems represent one of the twentieth century's most powerful voices.

My Half Century Anna Andreevna Akhmatova 1997 "Anna Akhmatova is known as one of twentieth-century Russia's greatest poets, a member of the quartet that included Mandelstam, Pasternak, and Tsvetaeva. This is the first paperback collection of her prose available in English." "The subjects of her memoirs are extraordinary: she describes Modigliani as she knew him in Paris, Blok near the end of his days, and Mandelstam as a close friend. The autobiographical prose section reveals the elusive poet's personality more clearly than any biography could, including her thoughts about how difficult it was to be a poet at a time when women writers were rarely taken seriously." --Book Jacket.

Selected Poems Marina Tsvetaeva 1994-01-01 An acclaimed translation of the best work of the passionate Russian poet An admired contemporary of Rilke, Akhmatova, and Mandelstam, Marina Tsvetaeva was a witness to the political turmoil and the social devastation wrought by the Russian Revolution and a powerfully inspired chronicler of a difficult life and exile sustained by poetry. Pasternak "was immediately overcome by the immense lyrical power of her poetic form. It... had spring living from experience—personal, and neither narrow-chested nor short of breath from line to line but rich and compact and enveloping" For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Stolen Air Christian Wiman 2012-03-27 A new selection and translation of the work of Osip Mandelstam, perhaps the most important Russian poet of the twentieth century Political nonconformist Osip Mandelstam's opposition to Stalin's totalitarian government made him a target of the communist state. The public recitation of his 1933 poem known in English as "The Stalin Epigram" led to his arrest, exile, and eventual imprisonment in a Siberian transit camp, where he died, presumably in 1938. Mandelstam's work—much of it written under extreme duress—is an extraordinary testament to the enduring power of art in the face of oppression and terror. *Stolen Air* spans Mandelstam's entire poetic career, from his early highly formal poems in which he reacted against Russian Symbolism to the poems of anguish and defiant abundance written in exile, when Mandelstam became a truly great poet. Aside from the famous early poems, which have a sharp new vitality in Wiman's versions, *Stolen Air* includes large selections from *The Moscow Notebooks* and *The Voronezh Notebooks*. Going beyond previous translators who did not try to reproduce Mandelstam's music, Christian Wiman has captured in English—for the first time—something of Mandelstam's enticing, turbulent, and utterly heartbreaking sounds.

of Russia's most important poetry, newly collected and never before published in English. In the years before the 1917 Russian Revolution, the Stray Dog cabaret in St. Petersburg was the haunt of poets, artists, and musicians, a place to meet, drink, read, brawl, celebrate, and stage performances of all kinds. It has since become a symbol of the extraordinary literary ferment of that time. It was then that Alexander Blok composed his apocalyptic sequence "Twelve"; that the futurists Velimir Khlebnikov and Vladimir Mayakovsky exploded language into bold new forms; that the lapidary lyrics of Osip Mandelstam and plangent love poems of Anna Akhmatova saw the light; that the electrifying Marina Tsvetaeva stunned and dazzled everyone. Boris Pasternak was also of this company, putting together his great youthful hymn to nature, *My Sister, Life*. It was a transforming moment—not just for Russian but for world poetry—and a short-lived one. Within little more than a decade, revolution and terror were to disperse, silence, and destroy almost all the poets of the Stray Dog cabaret.

Selected Poems Anna Andreevna Akhmatova 1989 This comprehensive edition of Russia's greatest modern poet, Anna Akhmatova (1899-1966), includes the complete texts of her major works *Requiem*, commemorating all of Stalin's victims, and *Poem Without a Hero*. Akhmatova published her first book of poems in 1912, and in the same year founded the Acmeist movement with her husband, the poet Gumilev. Her intense, highly personal love lyrics were later attacked as anti-revolutionary, and in 1925 her poetry was banned. Gumilev was shot in 1921 for alleged involvement in an anti-Bolshevik plot, and in the years of terror which followed under Stalin, Akhmatova was persecuted for her work along with fellow poets Mandelstam, who died in a camp, and Tsvetaeva, who committed suicide. She was able to publish some work during the war, but in 1946 she again came under attack, this time from Zhdanov, who denounced her with Pasternak and others for trying to 'poison the minds' of Soviet youth. These were attacks on her published work. What she was writing - but could not publish - was far more dangerous. For she had entered her years of silence. As she fought for her son's release from prison, she was writing her greatest poetry: the cycle *Requiem*, which commemorated all of Stalin's victims, and *Poem without a hero*, which she began in 1940 and worked on for over 20 years. All she wrote she committed to memory. Several trusted friends also memorised her poems, among them Mandelstam's widow Nadezhda. She wrote nothing down, and so survived, the people's conscience, the one who kept 'the great Russian word' alive.

Anna Akhmatova Roberta Reeder 2006-01-01 This riveting biography tells the tragic story of one of our century's great poets. The Guest from the Future György Dalos 2000-09-25 "There were tragic consequences,

however. The Soviet authorities thought Berlin was a British spy, and Akhmatova, who was never a dissident, became an ideological enemy. Until her death in 1966 the KGB persecuted her and her family. Akhmatova was convinced that her meeting with Berlin had inadvertently started the Cold War, yet she remembered it gratefully and it inspired some of her finest love poems."--Jacket.

Requiem and Poem without a Hero Anna Akhmatova 2018-03-26 With this edition of *Requiem and Poem without a Hero*, Swallow Press presents two of Anna Akhmatova's best-known works, ones that represent the poet at full maturity, and that most trenchantly process the trauma she and others experienced living under Stalin's regime. Akhmatova began the three-decade process of writing *Requiem* in 1935 after the arrests of her son, Lev Gumilev, and her third husband. The autobiographical fifteen-poem cycle primarily chronicles a mother's wait-lining up outside Leningrad Prison every day for seventeen months-for news of her son's fate. But from this limbo, Akhmatova expresses and elevates the collective grief for all the thousands vanished under the regime, and for those left behind to speculate about their loved ones' fates. *Poem without a Hero* was similarly written over a long period. It takes as its focus the transformation of Akhmatova's beloved city of St. Petersburg-historically a seat of art and culture-into Leningrad. Taken together, these works plumb the foremost themes for which Akhmatova is known and revered. When Ohio University Press published D. M. Thomas's translations in 1976, it was the first time they had appeared in English. Under Thomas's stewardship, Akhmatova's words ring clear as a bell.

Four of Us Anna Andreevena Akhmatova 2015-01-17 ..".The fact of the matter is that everything that happens in culture ultimately comes down to this, to the four famous temperaments: melancholic, sanguine, phlegmatic, and choleric. That's what I think. It seems to me that our Big Four can also be divided by according to these temperaments, inasmuch as all of them are actually very distinctly represented in the group. Tsvetaeva is unquestionably the choleric author. Pasternak is sanguine. Mandelstam is melancholic. And Akhmatova is phlegmatic. Together they cover the whole poetic universe." -Joseph Brodsky Included in this dual-language book is a selection of 10 poems from each poet translated into English by Andrey Kneller.

Waiting for the Muse: Poems of Anna Akhmatova Frances Laird 2021-09-14 *Waiting for the Muse: Poems of Anna Akhmatova* presents new translations of the work of this great Russian poet, set in the context of her life. Akhmatova saw the source of her creativity as the appearance to her of the Muse, the embodiment of poetic inspiration. In the poems written over her lifetime, from the early love lyrics to poems of resistance during the Stalinist Terror to poems of remembrance as her life neared its end, her conception of the Muse changed with the circumstances of her life. The Muse first appeared as an unpredictable young woman, then the classical figure of Erato, then a woman who stood beside her in the prison lines, then a cruel taskmaster. Akhmatova herself became the Muse for other Russian poets. Ultimately, Akhmatova concluded that the Muse may have been the torment she had been forced to suffer.

muscular style that could grab a reader by the throat at a moment's notice. Defined by tragedy and beauty in equal measure, her poems take on romantic frustration and the pull of the sensory, and find power in the mundane. Above all, she believed that a Russian poet could only produce poetry in Russia. *You Will Hear Thunder* spans Akhmatova's very early career into the early 1960s. These poems were written through her bohemian prerevolution days, her many marriages, the terror and privation of life under Stalin, and her later years, during which she saw her work once again recognized by the Soviet state. Intricately observed and unwavering in their emotional immediacy, these strikingly modern poems represent one of the twentieth century's most powerful voices.

Poem Without a Hero and Selected Poems Anna Andreevna Akhmatova 1989
Anna Akhmatova, one of the great poets of our century, has, like all Russian poets, proved difficult to translate. These distinctive versions of a broad selection of her work capture her plainness and directness while searching out an analog to her music in the careful and subtle music of American free verse. The result is not a replication of Akhmatova's style but a complement to it that often startles and gratifies with a starkness and beauty all its own.

The Word that Causes Death's Defeat Anna Andreevna Akhmatova 2004-01-01 Anna Akhmatova (1889–1966), one of twentieth-century Russia's greatest poets, was viewed as a dangerous element by post-Revolution authorities. One of the few unrepentant poets to survive the Bolshevik revolution and subsequent Stalinist purges, she set for herself the artistic task of preserving the memory of pre-Revolutionary cultural heritage and of those who had been silenced. This book presents Nancy K. Anderson's superb translations of three of Akhmatova's most important poems: *Requiem*, a commemoration of the victims of Stalin's Terror; *The Way of All the Earth*, a work to which the poet returned repeatedly over the last quarter-century of her life and which combines Old Russian motifs with the modernist search for a lost past; and *Poem Without a Hero*, widely admired as the poet's magnum opus. Each poem is accompanied by extensive commentary. The complex and allusive *Poem Without a Hero* is also provided with an extensive critical commentary that draws on the poet's manuscripts and private notebooks. Anderson offers relevant facts about the poet's life and an overview of the political and cultural forces that shaped her work. The resulting volume enables English-language readers to gain a deeper level of understanding of Akhmatova's poems and how and why they were created.
