The Covenants of the Prophet Muhammad Ibrahim M. Zein 2023 "Through analysis of the Covenants of the Prophet Muhammad, which pledge protection to diverse faith communities, this book makes a profoundly important contribution to research on early Islam by determining the Covenants' historicity and textual accuracy. The authors focus on the Prophet Muhammad's relationship with other faith communities by conducting detailed textual and linguistic analysis of documents which have received little scholarly consideration before. This not only includes decrees of the Prophet Muhammad, 'Umar ibn al-Khattab, 'Ali ibn Abi Talib, and Mu'awiya ibn Abi Sufyan, but also of important Muslim rulers. They present their findings in relation to contemporaneous historical writings, historic testimonies, official recognition, archaeological evidence, historic scribal conventions, date-matching calculations, textual parallelisms, and references in Muslim and non-Muslim sources. They also provide new and revised translations of various covenants issued by the Prophet Muhammad and their attestation by Muslim rulers after him. The authors argue that the claim of forgery is no longer tenable following the application of rigorous textual and historical analysis. This book is essential reading for Muslims, Christians, Jews, Samaritans, and Zoroastrians, as well as anyone interested in interfaith relations, Islamophobia, extremist ideologies, security studies, and the relationship between Orthodox and Oriental Christianity with Islam"--

Day and Night on the Sufi Path Charles Upton 2015-06-14 The first textbook of Sufism is the Qur'an; there is no principle of Tasawwuf that cannot be traced back to the Holy Book. The Sufis read the Qur'an for its inner meaning, but they do not claim this is the only meaning. The clear legal rulings, the moral exhortations and warnings of the Book, are not abrogated by the batini tafsir (inner exegesis) of the Sufis, but neither can the Noble Qur'an be limited to its legal and moral dimensions. If all the seas were ink for the tafsir of the Qur'an, they would be exhausted twice over before all its meanings were unveiled. Inner and outer co-exist within the Book, depend upon each other, and inform each other; in the words of the Surah Ha Mim Sajdah, I will show them My signs on the horizons and in their own souls until they are satisfied that this is the Truth. Is it not enough for you, that I am Witness over all things? Q. 41:53]. The Sufi Path, insha'Allah, has the power to place one in the near Presence of Allah--a Presence which, whether or not we are always conscious of it, alchemizes the Heart. The changes the Heart undergoes by the power of this Presence have been recorded by the Sufis over many centuries, and some of the operative laws behind these changes discerned and defined. This book contains only one small drop from that vast ocean of knowledge; it attempts to define a number of the spiritual states and transformations of the self often encountered over the course of the Path--but as the author's own

shaykh reminds his followers, in reality there is only one state--Allah. "This is simply the best and most profound book on Sufism that I have encountered."--Andrew Harvey, author of *The Hope: A Guide to Sacred Activism* "Charles Upton is a serious thinker from whom I have learned much. His writing merits close attention."--Huston Smith, author of *The World's Religions* "This challenging book demands all our attention, and for those willing to make the effort there is much to be learned. Charles Upton has pondered deeply the themes he examines. He has engaged, not just intellectually but with his heart, in the alchemy that transforms the self. You may well keep this book at hand, to be tasted from time to time, comparing the steps of this spiritual traveler to your own."--Kabir Helminski, Mevlevi Shaikh and Sufi author "Charles Upton is an oasis of spirituality in a parched desert of secularism. In a world desiccated by materialism, greed, envy, and egotism, where virtues are viewed as vices and vices as virtues, *Day and Night on the Sufi Path* provides desperately needed access to a soul-saving spiritual source. Well-versed in the inner and outer dimensions of Islam, Upton exemplifies the balance between the esoteric and the exoteric. His Sufism, while sublime, is rooted in the realities of our time."--John Andrew Morrow, author of *The Covenants of the Prophet Muhammad with the Christians of the World* "In *Day and Night on the Sufi Path* Charles Upton provides us with a lucid glimpse of one of the spiritual paths to God in Islam. Classical Sufi teachings on the soul, spiritual practice, states and stations, and potential dangers are discussed with eloquence and rigor in a manner that is true to the tradition and relevant to the time we are in. This work is at once philosophical and poetic, systematic and with flashes of original inspiration that can only come from someone conversant in both the theoretical and practical dimensions of tasawwuf. It is a faithful reflection of the Divine Light that has captured the author's attention and may help to illuminate the path for others."--Zachary Markwith, author of *One God, Many Prophets: The Universal Wisdom of Islam*

The Humanity of Muhammad Craig Considine 2020-09-01 What makes an American Catholic of Irish and Italian descent one of the leading global voices in admiration of Prophet Muhammad? In this overview of Muhammad's life and legacy, prominent scholar Craig Considine provides a sociological analysis of Muhammad's teachings and example. Considine shows how the Prophet embraced religious pluralism, envisioned a civic nation, stood for anti-racism, advocated for seeking knowledge, initiated women's rights, and followed the Golden Rule. Considine sheds light on the side of Prophet Muhammad that is often forgotten in mainstream depictions and media narratives. *The Humanity of Muhammad* is Considine's contribution to the growing body of literature on one of history's most important human beings.

Michael Lecker 2004 "The present monograph offers an edited version and interpretation of the earliest and most important document from the time of Muḥammad. The document is often referred to as the 'Constitution of Medina'. Although this is a misnomer, it appears at the title of this monograph because it is widespread. The document is referred to throughout this study by the neutral Arabic term 'Kitāb'. Detailed attention has been dedicated to the Kitāb by Muḥammad

Hamīdullāh, who often employed political science terminology. ... he described the Kitāb as 'the earliest written constitution, promulgated by a sovereign for his own statal conduct, both in internal and foreign affairs.' It preceded the Magna Carta by several centuries; its second clause, according to Hamīdullāh, is the 'declaration of independence, be that against the pagan Mecca, Byzantine empire, Iran or any other state in the world'."--Page 1.

The Islamic Interfaith Initiative John Andrew Morrow 2021-10 When ISIS reared its ugly head in the last decade, God had already prepared a vaccine against the contagion of extremism that created it: the re-discovery of the Covenants of the Prophet Muhammad with the Peoples of the Book, which firmly place the actions of groups like ISIS under the curse of God and His Prophet. This was largely due to the exhaustive scholarship of Dr John Andrew Morrow, leading to the publication in 2013 of *The Covenants of the Prophet Muhammad with the Christians of the World*. Not only was this a scholarly triumph, but it also inaugurated an international, interfaith movement throughout the Muslim world known as the Covenants Initiative, which culminated in the acquittal of the Christian woman Asia Bibi on charges of blasphemy by the Pakistani Supreme Court in 2018. The book was quoted by the justices in their decision. This volume of speeches, articles and interviews is a chronicle of the first, activist phase of the Covenants Initiative, proving that socially committed scholarship is alive and well in the twenty-first century.

Understanding Islam Farhan Iqbal 2018-06-01 The concept of Jihad in Islam is misunderstood by a large number of people, who believe that the violent and oppressive actions of extremists as portrayed by some media is a representation of the teachings of Islam. In addition, numerous articles and books have been written in popular press that, through ignorance or prejudice, misconstrue verses of the Holy Quran and events from the life of the Holy Prophet(sa) of Islam to label such brutal actions, oppression and persecution as wholly Islamic. One such book came out in 2016 that presented the same age-old arguments against Islam and its concept of Jihad. This book *Understanding Islam* is a response to all such allegations against Jihad and presents the pristine beauty of Islam from the teachings of Holy Quran, the life of the Holy Prophet(sa) of Islam and the discourses of the Promised Messiah, Hazrat Mirza Ghulam Ahmad(as) of Qadian. It has been written jointly by members of the Review of Religions Research Canada, a group that inspires the youth towards studying the sciences of the Holy Quran.

Muhammad Juan Cole 2018-10-09 In the midst of the dramatic seventh-century war between two empires, Muhammad was a spiritual seeker in search of community and sanctuary. Many observers stereotype Islam and its scripture as inherently extreme or violent—a narrative that has overshadowed the truth of its roots. In this masterfully told account, preeminent Middle East expert Juan Cole takes us back to Islam's—and the Prophet Muhammad's—origin story. Cole shows how Muhammad came of age in an era of unparalleled violence. The eastern Roman Empire and the Sasanian Empire of Iran fought savagely throughout the Near East and Asia Minor. Muhammad's profound distress at the carnage of his times led him to envision an alternative movement, one firmly grounded in peace. The religion Muhammad founded, Islam, spread widely during his lifetime, relying on soft power instead of military might, and sought armistices even when militarily attacked. Cole sheds light on this forgotten history, reminding us that in the Qur'an, the legacy of that spiritual message endures. A vibrant history that brings to life the fascinating and complex world of the Prophet, Muhammad is the story of how peace is the rule and not the exception for one of the world's most practiced religions.

The Covenants of the Prophet Muhammad with the Christians of the World John Andrew Morrow 2013 The Prophet Muhammad's treaties with the Christians of his time, which John Andrew Morrow has rediscovered in obscure collections and often newly translated, uniformly state that Muslims are not to

attack peaceful Christian communities, but defend them until the End of the World. Authored by the Prophet himself, they represent a third foundational pillar for Islam outside of Qur'an and hadith. The Covenants Initiative within the book represents a movement by Muslims, both prominent and unknown, in support of Christians under attack. These treaties desperately need to be better known among Christians, Muslims, and the general public. For scholars, this book provides much difficult-to-obtain material: facsimiles of primary sources in Arabic and Persian; corrected versions in modern Arabic typescript; and alternate translations. They now have all they need to study the covenants in depth. "This narrative has the power to unite Muslim and Christian communities. A work of scholarship, its release is timely, and its content critical in fostering mutual respect and religious freedom."--IMAM FEISAL ABDUL RAUF, Chairman, Cordoba Initiative "In his indispensable contribution to the study of the Abrahamic faiths, John Andrew Morrow tells the story of how the Prophet Muhammad used his desert experiences of hospitality and protection to bring Muslims and Christians together."--JOSEPH HOBBS, University of Missouri "These letters from the Prophet Muhammad to Christian communities can serve to inspire both Muslims and Christians about our ability to live together as God's people, as friends, as neighbors, and as custodians of the same small planet."--OMID SAFI, University of North Carolina "With painstaking effort and much dedication invested in this groundbreaking work, Professor Morrow will surely manage to attract the attention of Islamic studies students and specialists."--AMAR SELLAM, Mohamed I University "This book documents what is possibly the third foundational source of Islam: the Prophet's treaties and covenants among people of the Abrahamic faiths. Dr. Morrow brings forth exceptionally important findings that dictate peaceful coexistence among Jews, Christians, and Muslims."--BRIDGET BLOMFIELD, University of Nebraska

Thomas Jefferson's Qur'an Denise A. Spellberg 2013 Reveals the influence of Islam in the birth of American religious freedom, describing how Jefferson studied the Qur'an because he believed that Islam's Enlightenment ideals could inform the fledgling country's practical governance.

Six Covenants of the Prophet Muhammad with the Christians of His Time Muhammad Ibn 'Abd Allah 2015-02-10 It is a blessing, a warning, and a sign that these Six Covenants of the Prophet Muhammad with the Christians of His Time have resurfaced at this particular moment in history. Renewed by caliphs and sultans, supported by scores of fatwas, and accepted as law for nearly 1400 years, these documents were common knowledge to educated Muslims and Christians until the collapse of the Ottoman Empire, after which they virtually disappeared from collective consciousness. Their rediscovery will certainly open a new field in both Islamic Studies and interfaith relations. As the written words of the Prophet Muhammad himself, peace and blessings be upon him, and a central part of the Sunnah, they should sit side by side with the Qur'an in both mosque and home. If Muslims are ever to recover the reality of Islam and undergo a collective awakening, these covenants of hope will play a major part in that restoration. Those wishing to familiarize themselves with Dr. Morrow's exhaustive arguments supporting the authenticity of these Covenants should refer to *The Covenants of the Prophet Muhammad with the Christians of the World* (Angelico, 2013). "The Covenants of the Prophet Muhammad with the Christians of the World, by Dr. John Andrew Morrow ... is a very interesting and crucial work."--Theophilos III, Patriarch of Jerusalem "An enlightening reference that brilliantly sheds light on the glorious and magnificent spirit of Islam as epitomized by the Prophet Muhammad."--Dr. Bouchra Belgaid, University Mohamed I "This is one of the most important projects related to Christian-Muslim relations in recent decades."--Zachary Markwith, Graduate Theological Union "The Holy Council of the Fathers at Saint Catherine's Monastery expresses sympathy for your work."--Father Justin of Sinai

And Muhammad Is His Messenger Annemarie Schimmel 2014-06-30 The important role of the

Prophet Muhammad in the everyday lives of Muslims is usually overlooked by Western scholars and has consequently never been understood by the Western world. Using original sources in the various Islamic languages, Annemarie Schimmel explains the central place of Muhammad in Muslim life, mystical thought, and poetry. She sees the veneration of Muhammad as having many parallels in other major religions. In order to understand Muslim piety it is necessary to take into account the long history of the veneration of Muhammad. Schimmel discusses aspects of his life, birth, marriage, miracles, and heavenly journey, all of which became subjects for religious devotions. By using poetic texts and artistic expressions and by examining daily Muslim religious practices, Schimmel shows us the gentler side of Islamic religious culture, providing a much-needed understanding of religion as it is experienced and practiced in the Islamic world. This is the first book in English to deal with all aspects of the veneration of the Prophet Muhammad. It is an expanded version of Schimmel's *Und Muhammad Ist Sein Prophet*, originally published in German in 1981.

Religion and Revolution John Andrew Morrow 2012-03-15 Religion and Revolution provides a comprehensive study of spiritual and political Islām in Ernesto Cardenal, the great Latin American poet, priest, and revolutionary. The work studies the relationship between Thomas Merton and Şūfism, Cardenal's connection to spiritual Islām, as well as the Şūfī sources cited in his Cosmic Canticle. The work equally examines the impact of political Islām on his ideology, focusing particularly on his trip to Iran during the very triumph of the Islāmic Revolution. Using Cardenal's "Interlude of the Revolution in Iran" as a starting point, the work provides a vivid and detailed description of the early days of the revolution as well as the ties between the Islāmic Republic of Iran and the Latin American left.

The Islamic World John L. Esposito 2004-05-13 Since the events of September 11, 2001, students and people everywhere are filled with questions about Islam. What do Muslims believe? Who is Osama bin Laden? What is a jihad? Even though Islam is a major religion with more than one billion followers worldwide and more than six million in the United States alone, there is still uncertainty and misunderstanding about the ideas, tenets, and practice of Islam. Understanding Islam and the people who believe in it has become crucially important in the greater world. The Islamic World: Past and Present is the ideal source for fostering understanding and answering questions. John Esposito's acclaimed four-volume The Encyclopedia of the Modern Islamic World (1995) set the standard in references on Islam. Adapted from this award-winning set, The Islamic World: Past and Present brings all the scholarship and information of the original to general readers and college and high school students. In addition to the more approachable language and user-friendly page layout, this reference covers events and changes of the last eight years. It also includes entirely new entries to provide coverage of the pre-modern world of Islam. Containing more than 300 articles, it provides an excellent,

comprehensive resource for gaining understanding into a belief system that seems mysterious and incomprehensible to many.

The Cross & the Crescent Jerald Dirks 2008 Drawing on his seminary education and thirty years of interaction with Muslims in America and overseas, the author digs deep into the roots of Christianity to bring out obscure information that highlights what was once common between Christianity and Islam.

People of the Book Craig Considine 2021-09-15 The Christians that lived around the Arabian Peninsula during Muhammad's lifetime are shrouded in mystery. Some of the stories of the Prophet's interactions with them are based on legends and myths, while others are more authentic and plausible. But who exactly were these Christians? Why did Muhammad interact with them as he reportedly did? And what lessons can today's Christians and Muslims learn from these encounters? Scholar Craig Considine, one of the most powerful global voices speaking in admiration of the prophet of Islam, provides answers to these questions. Through a careful study of works by historians and theologians, he highlights an idea central to Muhammad's vision: an inclusive Ummah, or Muslim nation, rooted in citizenship rights, interfaith dialogue, and freedom of conscience, religion and speech. In this unprecedented sociological analysis of one of history's most influential human beings, Considine offers groundbreaking insight that could redefine Christian and Muslim relations.

War and Peace in Islam Ibrahim Kalin 2013 War and Peace in Islam: The Uses and Abuses of Jihad aims to reveal the real meaning of jihad and to rectify many of the misunderstandings that surround both it and Islam's relation with the 'Other'.

Restoring the Balance John Andrew Morrow 2016-04-26 Restoring the Balance is a penetrating reflection upon the reality of Islam in the modern world. Addressing a myriad of pressing issues that impact Muslims in the East, West, North, and South, it tackles topics that are both difficult and troubling, threading its way through a mine-field of religious, cultural, and ideological issues with courage, balance, caution, and concern. In a world of extremes, which pits religious fundamentalists against radical reformists, it calls upon Muslims to maintain the middle ground, using the Qur'an and the Sunnah to guide to a return of the Prophet's Islam.

The Islamic Jesus Mustafa Akyol 2017-02-14 "A welcome expansion of the fragile territory known as common ground." —The New York Times When Reza Aslan's bestseller Zealot came out in 2013, there was criticism that he hadn't addressed his Muslim faith while writing the origin story of Christianity. In fact, Ross Douthat of The New York Times wrote that "if Aslan had actually written in defense of the Islamic view of Jesus, that would have been something provocative and new." Mustafa Akyol's The Islamic Jesus is that book. The Islamic Jesus reveals startling new truths about Islam in the context of the first Muslims and the early origins of Christianity. Muslims and the first Christians—the Jewish followers of Jesus—saw Jesus as not divine but rather as a prophet and human Messiah and that salvation comes from faith and good works, not merely as faith, as Christians would later emphasize. What Akyol seeks to reveal are how these core beliefs of Jewish Christianity, which got lost in history as a heresy, emerged in a new religion born in 7th Arabia: Islam. Akyol exposes this extraordinary historical connection between Judaism, Jewish Christianity and Islam—a major mystery unexplored by academia. From Jesus' Jewish followers to the Nazarenes and Ebionites to the Qu'ran's stories of Mary and Jesus, The Islamic Jesus will reveal links between religions that seem so contrary today. It will also call on Muslims to discover their own Jesus, at a time when they are troubled by their own Pharisees and Zealots.

Modern Muslim Theology Martin Nguyen 2018-08-10 With this, Martin Nguyen aims to bring Muslim theology into the present day. Modern Muslim Theology argues that theology is a creative process, rather than a purely academic pursuit, and discusses how the Islamic tradition can help contemporary practitioners negotiate their relationships with God, with one another, and with the rest of creation.

Wisdom of the Holy Prophet Muhammad Zafrulla Khan 1971

Finding W.D. Fard John Andrew Morrow 2019-01-14 Since his arrival in Detroit on July 4, 1930, W.D. Fard, known also as Wallace Fard Muhammad and over fifty other aliases, has elicited an enormous amount of curiosity. Who was this man who claimed that he was both the Messiah and the Mahdi, and who was identified as God in Person by his disciple, Elijah Muhammad, whom he reportedly appointed as his Final Messenger? The people who actually met him, and the scholars who have studied him, have suggested that he was variously an African American, an Arab from Syria, Lebanon, Algeria, Morocco or Saudi Arabia, a Jamaican, a Turk, an Afghan, an Indo-Pakistani, an Iranian, an Azeri, a white American, a Bosnian, a Mexican, a Greek or even a Jew. In an attempt to determine the origins of W.D. Fard, most scholars have relied on his teachings as passed down, and perhaps modified, by Elijah Muhammad. Some have suggested that he was a member of the Moorish Science Temple of America or the Ahmadiyyah Movement. Others have suggested that he was a Druze or a Shiite. *Finding W.D. Fard: Unveiling the Identity of the Founder of the Nation of Islam* provides an overview of the scholarly literature related to this mysterious subject and the theories concerning his ethnic and racial origins. It provides the most detailed analysis of his teachings to date in order to identify their original and multifarious sources. *Finding W.D. Fard* considers the conflicting views shared by his early followers to decipher the doctrine he actually taught. Did W.D. Fard really profess to be Allah, or was he deified after his death by Elijah Muhammad? The book features a meticulous study of any and all subjects who fit the profile of W.D. Fard, and provides the most detailed information regarding his life to date. It also offers an overview of turn-of-the-20th-century Islam in the state of Oregon, demonstrating how much W.D. Fard learned about the Muslim faith while residing in the Pacific Northwest. The work finishes with a series of conclusions and suggestions for further scholarship.

Islam's Response to Contemporary Issues Hazrat Mirza Tahir Ahmad 2012 Presents the teachings of Islam regarding peace in the world today.

Muslim Christian Dialogue Hasan M. Baagil 1984 C. Why have there been in the last decade many discussions held between Christians and Muslims about their beliefs? M. I think because we both have several things in common. We believe in the One Creator Who sent many Prophets and in Jesus as the Messiah as well as the Word of God who was denied by the Jews. Our Holy Qur'an mentions in Surah 3:45: [Remember] when the angels said: 'O Mary! Verily Allah gives you the glad tidings of a Word from Him, his name will be Messiah Jesus, the son of Mary, held in honor in this world and in the hereafter, and of those who are near to Allah....' Dialogues have been held everywhere in Europe, Canada, the United States, and Australia. Even the Vatican has participated: discussions were held between Vatican theologians and Egyptian Muslim scholars in Rome in 1970 and in Cairo in 1974...

Muhammad in the Bible Dr. Jamal A. Badawi 1995 I will raise them up a prophet from among their brethren, like unto thee, and will put my words in his mouth; and he shall speak unto them all that I shall command him. Upon whom to these characteristics of the awaited prophet apply? Upon Jesus or Muhammad (peace be upon them). This book examines these prophecies in a very logical and scientific method. The book hopes to analyse the references made and the description given for the awaited Prophet, with the goal to establish who that Prophet actually was.

Islām and the People of the Book Volumes 1-3 John Andrew Morrow 2018-04-18 Islam and the People of the Book features three dozen scholarly studies on the treaties that the Prophet Muhammad concluded with Jewish, Samaritan, Christian, and Zoroastrian communities, along with translations of Six Covenants of the Prophet in over a dozen languages. Islamic Images and Ideas John Andrew Morrow 2013-11-05 These 24 studies on specific symbols, images and icons from the Muslim tradition are authored by scholars from around the world. Divided into four sections, the Divine, the Spiritual, the Physical, and the Societal, they examine theological issues, such as divine unity, creation, wrath, and justice, as well as spiritual subjects, such as the straight path, servitude, perfection, the jinn, intoxication, and the status of Fatimah, the daughter of the Prophet Muhammad. Essays also explore the symbolism of physical elements such as water, trees, seas, ships, food, the male sexual organ, eyebrows, and camels; and the significance of more socially-centered subjects such as the center, ijthihad, governance, otherness, Ashura, and Arabic. Drawing from the Qur'an and Sunnah, the essays address these topics with tact and respect from a position that appreciates exegetical diversity while remaining within the realm of unity.

Haqiqatul-Wahi Hazrat Mirza Ghulam Ahmad 2018-06-01 In this book the Promised Messiah, on whom be peace, discusses the philosophy of divine revelation, the three categories of people who claim to receive revelation, and the distinction of the truthful from the false. He then establishes his truthfulness by documenting over 200 Signs, including the fulfillment of prophecies made by the Holy Prophet Muhammad, may peace and blessings of Allah be upon him, other men of God, earlier scriptures, and his own revelations spanning over twenty-five years. The author cites numerous examples of his enemies who publicly predicted his downfall and demise, only to become the very victims of their own prophecies. God, however, protected him against every assault, while continuously reassuring him of His promise to bless his Community—a promise which continues to bear the seal and

testimony of history. The author also appeals to the followers of different faiths to read this book cover to cover to appreciate and accept this evidence as proof that God is One and the Holy Prophet Muhammad is the Messenger of God, and that he is the Promised Messiah raised to unite humanity under the banner of Islam.

The Islamic Interfaith Initiative John Andrew Morrow 2021-09-15 When ISIS reared its ugly head in the last decade, God had already prepared a “vaccine” against the contagion of extremism that created it: the re-discovery of the Covenants of the Prophet Muhammad with the Peoples of the Book, which firmly place the actions of groups like ISIS under the curse of God and His Prophet. This was largely due to the exhaustive scholarship of Dr John Andrew Morrow, leading to the publication in 2013 of *The Covenants of the Prophet Muhammad with the Christians of the World*. Not only was this a scholarly triumph, but it also inaugurated an international, interfaith movement throughout the Muslim world known as the Covenants Initiative, which culminated in the acquittal of the Christian woman Asia Bibi on charges of blasphemy by the Pakistani Supreme Court in 2018. The book was quoted by the justices in their decision. This volume of speeches, articles and interviews is a chronicle of the first, activist phase of the Covenants Initiative, proving that socially committed scholarship is alive and well in the twenty-first century.

The Book of the Jihad of 'Ali ibn Tahir al-Sulami (d. 1106) Niall Christie 2017-07-05 In 1105, six years after the first crusaders from Europe conquered Jerusalem, a Damascene Muslim jurist named 'Ali ibn Tahir al-Sulami (d. 1106) publicly dictated an extended call to the military jihad (holy war) against the European invaders. Entitled *Kitab al-Jihad (The Book of the Jihad)*, al-Sulami's work both summoned his Muslim brethren to the jihad and instructed them in the manner in which it ought to be conducted, covering topics as diverse as who should fight and be fought, treatment of prisoners and plunder, and the need for participants to fight their own inner sinfulness before turning their efforts against the enemy. Al-Sulami's text is vital for a complete understanding of the Muslim reaction to the crusades, providing the reader with the first contemporary record of Muslim preaching against the crusaders. However, until recently only a small part of the text has been studied by modern scholars, as it has remained for the most part an unedited manuscript. In this book Niall Christie provides a complete edition and the first full English translation of the extant sections (parts 2, 8, 9 and 12) of the manuscript of al-Sulami's work, making it fully available to modern readers for the first time. These are accompanied by an introductory study exploring the techniques that the author uses to motivate his audience, the precedents that influenced his work, and possible directions for future study of the text. In addition, an appendix provides translations of jihad sermons by Ibn Nubata al-Fariqi (d. 985), a preacher from Asia Minor whose rhetorical style was highly influential in the development of al-Sulami's work.
