

# The Days Of Elijah Book One Apocalypse A Novel Of

If you ally obsession such a referred **the days of elijah book one apocalypse a novel of** books that will pay for you worth, get the definitely best seller from us currently from several preferred authors. If you want to witty books, lots of novels, tale, jokes, and more fictions collections are with launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all ebook collections the days of elijah book one apocalypse a novel of that we will certainly offer. It is not almost the costs. Its very nearly what you compulsion currently. This the days of elijah book one apocalypse a novel of, as one of the most vigorous sellers here will unconditionally be among the best options to review.

*The Days of Elijah, Book One: Apocalypse* Mark Goodwin 2016-09-16 After a massive wave of disappearances, twenty-six-year-old CIA analyst, Everett Carroll, finally believes what he's been told about the biblical prophecy of the rapture. But will he be able to survive the gauntlet of destruction known as the Great Tribulation? Everett is surprised when he finds out that Elijah, the Messianic Jewish hermit who lives on the mountain above their retreat, did not disappear along with the rest of the Christians. When he tells Everett of a special mission that God has given him, the old prophet gives Everett more questions than answers.

Father Elijah Michael David O'Brien 1996 Father Elijah, a Holocaust survivor and convert to Catholicism from Judaism, travels through Europe and the Middle East on a papal mission to find a man who may be the Antichrist and induce him to repent.

*Christian Prophecy* Niels Christian Hvidt 2007-04-19 Throughout the Hebrew Bible, God guides and saves his people through the words of his prophets. When the prophets are silenced, the people easily lose their way. What happened after the incarnation, death and resurrection of Christ? Did God fall silent? The dominant position in Christian theology is that prophecy did indeed cease at some point in the past -if not with the Old Testament prophets, then with John the Baptist, with Jesus, with the last apostle, or with the closure of the canon of the New Testament. Nevertheless, throughout the history of Christianity there have always been acclaimed saints and mystics -most of them women-who displayed prophetic traits. In recent years, the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity. Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt. Mainstream systematic theology, both Protestant and Catholic, has mostly

marginalized or ignored the gift of prophecy. In this book, however, Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church. Prophecy never died, he argues, but rather proved its dynamism by mutating to meet new historical conditions. He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it. Throughout, though, there is always an awareness of the critical discernment required when evaluating the charism of prophecy. The debate about prophecy, Hvidt shows, leads to some profound insights about the very nature of Christianity and the church. For example, some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines. Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God's salvation in Christ is still far away. This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work.

*The Ezekiel Option* Joel C. Rosenberg 2010-09-29 New York Times best-selling author Joel Rosenberg brings readers this thrilling new novel. When Russia's richest oil baron is killed, Moscow suddenly teeters on the verge of political chaos. Tehran races to complete its nuclear arsenal. Washington finds herself dangerously divided from her European allies. And in the dead of night, in the hills overlooking Jerusalem, a senior White House advisor uncovers a chilling ancient conspiracy as real as the morning's headlines. Woven through the writings of the Hebrew prophet Ezekiel, more than 2,500 years old, are eerily prescient descriptions of mode.

**The Book of Jubilees** Robert Henry Charles 1902

**Who Rides the Beast?** Paul B. Duff 2001-05-31 The Book of Revelation presents the reader with a frightening narrative world in which the people of God are tormented, threatened, and sometimes killed by various agents of Satan. Scholars have traditionally thought that it was written in order to encourage believers to stand fast in the face of the Roman persecution of the early Church. More recently, however, it has been argued that no such crisis existed at the time the book was written. Here Paul Duff offers a different viewpoint on the origin of the Book of Revelation, resulting in a work which substantially advances the implication of the current consensus and sheds new light on this influential yet enigmatic text.

Terrible Revolution Christopher James Blythe 2020-06-17 The relationship between early Mormons and the United States was marked by anxiety and hostility, heightened over the course of the nineteenth century by the assassination of Mormon leaders, the Saints' exile from Missouri and Illinois, the military occupation of the Utah territory, and the national crusade against those who practiced plural marriage. Nineteenth-century Latter-day Saints looked forward to apocalyptic events that would unseat corrupt governments across the globe, particularly the tyrannical government of the United States.

The infamous "White Horse Prophecy" referred to this coming American apocalypse as "a terrible revolution in the land of America, such as has never been seen before; for the land will be literally left without a supreme government." Mormons envisioned divine deliverance by way of plagues, natural disasters, foreign invasions, American Indian raids, slave uprisings, or civil war unleashed on American cities and American people. For the Saints, these violent images promised a national rebirth that would vouchsafe the protections of the United States Constitution and end their oppression. In *Terrible Revolution*, Christopher James Blythe examines apocalypticism across the history of the Church of Jesus Christ of Latter-day Saints, particularly as it took shape in the writings and visions of the laity. The responses of the church hierarchy to apocalyptic lay prophecies promoted their own form of separatist nationalism during the nineteenth century. Yet, after Utah obtained statehood, as the church sought to assimilate to national religious norms, these same leaders sought to lessen the tensions between themselves and American political and cultural powers. As a result, visions of a violent end to the nation became a liability to disavow and regulate. Ultimately, Blythe argues that the visionary world of early Mormonism, with its apocalyptic emphases, continued in the church's mainstream culture in modified forms but continued to maintain separatist radical forms at the level of folk-belief.

*Plague Journal* Michael O'Brien 2003-04 *Plague Journal* is Michael O'Brien's third novel in the *Children of the Last Days* series. The central character is Nathaniel Delaney, the editor of a small-town newspaper, who is about to face the greatest crisis of his life. As the novel begins, ominous events are taking place throughout North America, but little of it surfaces before the public eye. Set in the not-too-distant future, the story describes a nation that is quietly shifting from a democratic form of government to a form of totalitarianism. Delaney is one of the few voices left in the media who is willing to speak the whole truth about what is happening, and as a result the full force of the government is brought against him. Thus, seeking to protect his children and to salvage what remains of his life, he makes a choice that will alter the future of each member of his family and many other people. As the story progresses he keeps a journal of observations, recording the day-by-day escalation of events, and analyzing the motives of his political opponents with sometimes scathing frankness. More importantly, he begins to keep a "mental record" that develops into a painful process of self-examination. As his world falls apart, he is compelled to see in greater depth the significance of his own assumptions and compromises, his successes and failures. *Plague Journal* chronicles the struggle of a thoroughly modern man put to the ultimate spiritual and psychological test, a man who in losing himself finds himself.

**Revelation** Andrew Rihn 2020-01-15 *Revelation: An Apocalypse in Fifty-Eight Fights* by Andrew Rihn uses 100-word prose poems to immerse us into the fifty-eight professional fights of Mike Tyson. The voice of an Old Testament prophet shines through the fight commentary, and relates Tyson to a modern day Elijah--climbing the mountain to do battle, and climbing back down to a world of depression, anxiety, and alienating silence. Rihn's poems are masterfully

crafted, and his language is stunning in its elegance.

**The Returning King** Vern S. Poythress 2000 Noted New Testament scholar Poythress provides an understandable and practical look into Revelation in this insightful commentary. Poythress focuses on Revelation's core message and ensures that its details do not cloud the big picture. He shows Revelation to be a picture book, not a puzzle book, relevant and applicable to the daily lives of Christians.

**The Apocryphal New Testament** J. K. Elliott 2005-10-27 The Apocryphal New Testament includes new translations of the most significant and famous of the non-canonical Christian works. These apocryphal texts reveal the popular legends of Christians after the New Testament era, and throw light on the origins of many later beliefs and practices.

**Wormwood** Mark Goodwin 2017-03-10 Everett and Courtney Carroll have survived the Seven Seal Judgments which devastated the planet through a global earthquake and a massive bombardment of meteors. The cities of the earth lie in ruin and much of the globe's forests have been destroyed by widespread forest fires. But have their efforts to stay alive been in vain? The next series of judgments to fall upon the earth are known as the Seven Trumpets. Within this series of cataclysms is the earth's collision with a giant asteroid, known as Wormwood. The comet will poison much of the planet's fresh water supplies, making survival near impossible. Undeterred by the global chaos, the supreme leader of the Global Republic, Angelo Luz, pushes forward with his plans to eradicate his empire of dissenters. In the midst of the mayhem, he sends forth his armies to wipe out the remnant of true Christians as well as the growing number of Messianic Jews. With each subsequent Trumpet Judgement and every passing day their odds of living grow slimmer. If Everett and Courtney are to survive, they'll need perseverance, faith, and a great outpouring of providence from The Almighty.

**As the Days of Noah Were** Dante Fortson 2014-03-04 What does the Bible really say about the last days on earth? Who were the sons of God? What is the truth behind the birth of giants in the book of Genesis? Did God really hide everything we need to know about the last days in the stories of Noah and Lot? Who or what is really behind all of the UFO sightings and the abduction of humans all over the world? These are just a few of the questions that this book seeks to answer. During our journey we will explore stories from Babylon, Greece, Ireland, Ethiopia, and various other cultures to fill in the missing pieces to one of the biggest mysteries on our planet. This 2nd Edition takes reading to an entirely new level with integrated video and audio interviews that you can listen to and watch while you read. This book features 30+ additional hours of audio and video.

**Elijah in Jerusalem** Michael D. O'Brien 2015-10-05 Elijah in Jerusalem, the long awaited sequel to the acclaimed best-selling novel, Father Elijah: An Apocalypse, is the continuing story of the priest, Fr. Elijah. A convert from

Judaism, and a survivor of the Holocaust, he has for decades been a Carmelite monk on the mountain of the prophet Elijah. In the events of the preceding novel, *Father Elijah*, the central character confronted the President of the European Union, a man rising toward global control as President of the soon to be realized World Government. The Pope recognized in the President certain qualities that are anti-Christ, and asked Fr. Elijah to call the man to repentance, though his attempts at this prove to be unsuccessful. In this sequel, now-Bishop Elijah, accompanied by his fellow monk Brother Enoch, enter Jerusalem just as the President arrives in the city to inaugurate a new stage of his rise to power. They hope to unmask him as the Antichrist prophesied by Scripture and to warn the world of the imminent spiritual danger to mankind. As the story unfolds, people of many kinds meet the undercover priest, and in the process their souls are revealed and tested, bringing about change for the good or for evil. Elijah perseveres in his mission even when all seems lost. The dramatic climax is surprising, yet it underlines that God works all things to the good for those who love Him, testifying to the truth that in the end Wisdom will be justified and Satan confounded.

**The Temple Scroll** Johann Maier 1987-03-01 The introduction, translation and commentary on the Temple Scroll by Johann Maier has been thoroughly revised and updated by the author for its English edition, taking account of improvements in readings, and, among other recent secondary literature, the English translation of Yadin's edition, to which cross-references are given. Students of Second Temple Judaism, and the Dead Sea Scrolls in particular, will at last have a convenient English edition of this most important document from Qumran.

**The Dawn of Apocalyptic** Paul D. Hanson 1979 In challenging both traditional and contemporary notions of the nature and history of the Biblical apocalyptic literature, Professor Hanson begins by saying that the origins of apocalyptic cannot be explained by a method which juxtaposes seventh and second century compositions and then proceeds to account for the features of the latter by reference to its immediate environment. "The apocalyptic literature of the second century and after is the result of a long development reaching back to pre-exilic times and beyond, and not the new baby of second century foreign parents. Not only the sources of origin, but the intrinsic nature of late apocalyptic compositions can be understood only by tracing the centuries-long development through which the apocalyptic eschatology developed from prophetic and other even more archaic native roots." In this ground breaking study, Professor Hanson focuses on one strand which can be seen running through the heart of many of the so-called apocalyptic works, the strand of apocalyptic eschatology. He seeks to demonstrate that the rise of apocalyptic eschatology is neither sudden nor anomalous, but follows the pattern of an unbroken development from preexilic and exilic prophecy.

Old Testament Pseudepigrapha Richard Bauckham 2013-11-18 This collection presents the sacred legends and spiritual reflections of numerous works that were lost, neglected, or suppressed for many centuries.

*The Old Testament Pseudepigrapha* James H. Charlesworth 1983 Gathers Jewish and early Christian religious writings, including apocalyptic literature and testaments of Biblical figures, and includes critical commentaries

*Revelation* 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**Father Elijah** Michael O'Brien 2016-09-13 Michael O'Brien presents a thrilling apocalyptic novel about the condition of the Roman Catholic Church at the end of time. It explores the state of the modern world, and the strengths and weaknesses of the contemporary religious scene, by taking his central character, Father Elijah Schäfer, a Carmelite priest, on a secret mission for the Vatican which embroils him in a series of crises and subterfuges affecting the ultimate destiny of the Church. Father Elijah is a convert from Judaism, a survivor of the Holocaust, a man once powerful in Israel. For twenty years he has been "buried in the dark night of Carmel" on the mountain of the prophet Elijah. The Pope and the Cardinal Secretary of State call him out of obscurity and give him a task of the highest sensitivity: to penetrate into the inner circles of a man whom they believe may be the Antichrist. Their purpose: to call the Man of Sin to repentance, and thus to postpone the great tribulation long enough to preach the Gospel to the whole world. In this richly textured tale, Father Elijah crosses Europe and the Middle East, moves through the echelons of world power, meets saints and sinners, presidents, judges, mystics, embattled Catholic journalists, faithful priests and a conspiracy of traitors within the very House of God. This is an apocalypse in the old literary sense, but one that was written in the light of Christian revelation.

Elijah in Upper Egypt David Frankfurter 1993 This significant contribution to our knowledge of Egyptian Christianity in the late third century includes discussion of-the Apocalypse of Elijah as religious literature;-the Egyptian provenance of the document;-its social and historical context;-a complete translation."Frankfurter's analysis of The Apocalypse of Elijah is a detailed and creative piece of work. His mastery of literary theory and the social-scientific method is evident throughout, and the union of the two methods in this work is impressive." -James E. Goehring, Mary Washington College"This book is a remarkable piece of work. Frankfurter makes a convincing case for the use of native Egyptian prophetic traditions in the Apocalypse of Elijah." -Birger A. Pearson, University of California, Santa Barbara>

**Galatians** Phillip J. Long 2019-05-29 Galatians is one of the earliest of the Pauline letters and is therefore among the first documents written by Christians in the first century. Paul's letter to the Galatians deals with the first real controversy in the early church: the status of Jews and gentiles in this present age and the application of the Law of Moses to gentiles. Paul argues passionately that gentiles are not "converting" to Judaism and therefore

should not be expected to keep the Law. Gentiles who accept Jesus as Savior are "free in Christ," not under the bondage of the Law. Galatians also deals with an important pastoral issue in the early church as well. If gentiles are not "under the Law," are they free to behave any way they like? Does Paul's gospel mean that gentiles can continue to live like pagans and still be right with God? For Paul, the believer's status as an adopted child of God enables them to serve God freely as dearly loved children. Galatians: Freedom through God's Grace is commentary for laypeople, Bible teachers, and pastors who want to grasp how the original readers of Galatians would have understood Paul's letter and how this important ancient letter speaks to Christians living in similar situations in the twenty-first century.

Nicholas of Lyra's Apocalypse Commentary Philip D W Krey 1997-07-01 Surveys of the history of biblical exegesis and, in particular, the history of Apocalypse commentaries rarely fail to allude to Nicholas of Lyra O.F.M. (1270-1349) as the greatest biblical exegete of the fourteenth century. Late medieval and Reformation verses were written about him. Nicholas was born in the town of Lyre, near Evreux in Normandy. Since Evreux was a center of Jewish studies, he was able to cultivate his interest in Hebrew and to become thoroughly acquainted with the Talmud, Midrash, and the works of Rashi (Solomon ben Issac, 1045-1105). Lyra's attraction to Rashi's literal method would have a profound influence on his exegetical style.

**Jesus the Bridegroom** Phillip J. Long 2013-11-06 Did Jesus claim to be the "bridegroom"? If so, what did he mean by this claim? When Jesus says that the wedding guests should not fast "while the bridegroom is with them" (Mark 2:19), he is claiming to be a bridegroom by intentionally alluding to a rich tradition from the Hebrew Bible. By eating and drinking with "tax collectors and other sinners," Jesus was inviting people to join him in celebrating the eschatological banquet. While there is no single text in the Hebrew Bible or the literature of the Second Temple Period which states the "messiah is like a bridegroom," the elements for such a claim are present in several texts in Isaiah, Jeremiah, and Hosea. By claiming that his ministry was an ongoing wedding celebration he signaled the end of the Exile and the restoration of Israel to her position as the Lord's beloved wife. This book argues that Jesus combined the tradition of an eschatological banquet with a marriage metaphor in order to describe the end of the Exile as a wedding banquet.

*The Jewish Apocalyptic Tradition and the Shaping of New Testament Thought* Benjamin E. Reynolds 2017-04-01 The contemporary study of Jewish apocalypticism today recognizes the wealth and diversity of ancient traditions concerned with the "unveiling" of heavenly matters—understood to involve revealed wisdom, the revealed resolution of time, and revealed cosmology—in marked contrast to an earlier focus on eschatology as such. The shift in focus has had a more direct impact on the study of ancient "pseudepigraphic" literature, however, than in New Testament studies, where the narrower focus on eschatological expectation remains dominant. In this Companion, an international team of scholars draws out the implications of the newest scholarship for the variety of New Testament

writings. Each entry presses the boundaries of current discussion regarding the nature of apocalypticism in application to a particular New Testament author. The cumulative effect is to reveal, as never before, early Christianity, its Christology, cosmology, and eschatology, as expressions of tendencies in Second Temple Judaism.

**The Days of Noah** Mark Goodwin 2014-11-04 Is there a secret cabal working to collapse the international economy in order to usher in a global government and one-world currency? Noah Parker, like many in the United States, has been asleep at the wheel. During his complacency, the founding precepts of America have been slowly, systematically destroyed by a conspiracy that dates back hundreds of years. The signs can no longer be ignored and Noah is forced to prepare for the cataclysmic period of financial and political upheaval ahead. Watch through the eyes of Noah as the world descends into chaos, a global empire takes shape, ancient writings are fulfilled and the last days fall upon the once great, United States of America. *The Days of Noah, Book One: Conspiracy*, by Mark Goodwin is a fast paced fiction thriller which looks at how modern conspiracies can play into Biblical prophecy concerning the end times.

[The Lost Apocrypha of the Old Testament](#) Montague Rhodes James 1920

[The Late Great Planet Earth](#) Hal Lindsey 2016-10-11 The impact of *The Late Great Planet Earth* cannot be overstated. The *New York Times* called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

**Lost Scriptures** Bart D. Ehrman 2005-09-15 A companion volume to *Lost Christianities*, this remarkable anthology of long-lost Christian writings that were never included in the New Testaments includes fifteen additional gospels, thirteen epistles, five non-canonical Acts of the Apostles, Apocalypses and Secret Books, and brief introductions to each. History Dual Main. (Scripture)

[Oxford Bibliographies](#) Ilan Stavans "An emerging field of study that explores the Hispanic minority in the United States, Latino Studies is enriched by an interdisciplinary perspective. Historians, sociologists, anthropologists, political scientists, demographers, linguists, as well as religion, ethnicity,

and culture scholars, among others, bring a varied, multifaceted approach to the understanding of a people whose roots are all over the Americas and whose permanent home is north of the Rio Grande. Oxford Bibliographies in Latino Studies offers an authoritative, trustworthy, and up-to-date intellectual map to this ever-changing discipline."--Editorial page.

**Eclipse of the Sun** Michael D. O'Brien In this fast-paced, reflective novel, (the second in a trilogy following *Strangers and Sojourners*) Michael O'Brien presents the dramatic tale of a family that finds itself in the path of a totalitarian government. Set in the near future, the story describes the rise of a police state in North America in which every level of society is infected with propaganda, confusion and disinformation. Few people are equipped to recognize what is happening because the culture of the Western world has been deformed by a widespread undermining of moral absolutes. Against this background, the Delaney family of Swiftcreek, British Columbia, is struck a severe blow when the father of the family, the editor of a small newspaper which dares to speak the truth, is arrested by the dreaded Office of Internal Security. His older children flee into the forest of the northern interior, accompanied by their great-grandfather and an elderly priest, Father Andrei. Their little brother Arrow also becomes a fugitive as the government seeks to remove any witnesses, and eradicate all evidence of its ultimate goals. As O'Brien draws together the several strands of the story into a frightening yet moving climax, he explores the heart of growing darkness in North America, examining events which have already occurred. The reader will take away from this disturbing book a number of urgent questions: Are we living in the decisive moment of history? How dire is our situation? Do we live in pessimistic dread, or a Christian realism founded on hope? This is a tale about the victory of the weak over the powerful, courage over terror, good over evil, and, above all, the triumph of love.

*The Visio Pauli and the Gnostic Apocalypse of Paul* Jan N. Bremmer 2007 The *Visio Pauli* and the Gnostic Apocalypse of Paul is the first modern collection of studies on the most important aspects of the *Visio Pauli*, the most popular early Christian apocalypse in the Middle Ages. The volume starts with a short study of the textual traditions of the *Visio Pauli*, its Jewish and early Christian traditions as well as its influence on later literature, such as Dante. This is followed by studies of the Prologue, the four rivers of Eden, the place of the Ocean, the relation between body and soul, the image of hell and its punishments, and the connection with fantastic literature. Finally, a codicological, comparative, and textual re-evaluation of the Coptic translation attempts to correct earlier errors and to rehabilitate the value and interest of this long neglected version of the *Visio Pauli*. The book is concluded with a study of the earthly tribunal in the fourth heaven of the Gnostic Apocalypse of Paul. As has become customary, the volume is rounded off by an extensive bibliography of the *Visio Pauli* and the Gnostic Apocalypse of Paul and a detailed index.

**The Jewish Encyclopedia** Isidore Singer 1916

*New Testament Apocrypha: Writings relating to the Apostles; Apocalypses and related subjects* Wilhelm Schneemelcher 2003-01-01 Translation of: Neutestamentliche Apokryphen.

*Tribulation* Mark Goodwin 2020-11-09 And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; and said to the mountains and rocks, "Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: for the great day of his wrath is come; and who shall be able to stand?" Revelation 6:15-17 Accused of domestic terrorism, Emilio Vega was on his way to a Department of Global Security death camp when the mega-quake hit. The streets beneath his transport vehicle buckled, tossing the van in the air like a toy. He survived the crash, but the world is now in ruins. However, for a condemned man, this disaster may be just the lucky break he needed. Emilio has been left behind! Six detainees were in the van prior to the quake. However, only Emilio and one other prisoner were still around when he regained consciousness. Emilio searched the surrounding area, but to no avail. The missing prisoners believed in an event called the rapture, when Jesus would collect His saints before raining down unbearable wrath on the planet's remaining inhabitants. Can Emilio and Mackenzie survive the gauntlet of destruction known as the Great Tribulation? Mackenzie Thompson, the other prisoner still present, is convinced that it was the rapture and that they've been left behind. She also believes a time of unparalleled torment is about to be poured out upon the earth. Emilio and Mackenzie have a place to go, but it is hundreds of miles away. The roads are unusable, and the two of them are fugitives on the run. If this truly is the Great Tribulation, it's off to a bad start. Don't miss this exciting new end-times thriller. Get your copy of *Tribulation* today! As with all works by Mark Goodwin, this book contains no profanity and no embarrassing sex scenes. However, if you are offended by conservative principles and references to Scripture, this book might not be for you.

**Liberators** Rawles 2015-10-13 "The latest survivalist thriller from the New York Times bestselling author and founder of [survivalblog.com](http://survivalblog.com) gives readers an unprecedented look into a post-apocalyptic world resulting from an all-too-real disaster scenario. When looting and rioting overwhelm all the major US cities, Afghanistan War vet Ray McGregor makes his way from Michigan's Upper Peninsula to his parents' cattle ranch in Bella Coola, British Columbia, in remote western Canada. Joining him is his old friend Phil Adams, a Defense Intelligence Agency counterintelligence case officer based in Washington State. Reckless banking practices, hyperinflation, and government negligence have led to an unprecedented socioeconomic collapse in America that quickly spreads throughout the world. Lightly populated Bella Coola is spared the worst of the chaos, but when order is restored it comes in the form of a tyrannical army of occupation. Ray and Phil soon become key players in the resistance movement, fighting the occupiers in a war that will determine not only their own personal survival, but also the future of North America. *Liberators* depicts a world that is all too conceivable and terrifyingly familiar. Fastpaced and packed with

authentic information on outdoor survival, self-sufficiency, and small-unit tactics, James Wesley, Rawles's latest thriller will resonate with his dedicated fanbase and encourage new readers to prepare for anything from lesser disasters to the dreaded worst-case scenario"--

*Observations upon the prophecies of Daniel, and the apocalypse of St. John*  
Isaac Newton 1733

**Trajectories in Near Eastern Apocalyptic** John C. Reeves 2005

**The Apocalypse of Abraham** George Herbert Box 2017-06-15 Considered by many to be 'the last important product of the Apocalyptic movement', The Apocalypse of Abraham is an apocryphon, a work that belongs to a body of prophetic Abrahamic literature flourishing about the time of Christ. The text details the Destruction of the Temple and thus was written after 70 AD. It is considered part of the Apocalyptic literature but not regarded as authoritative scripture.

**The Book of Revelation** Clarence Larkin 2007-12-01 The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1919 book serves as a study guide for the Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the False Prophet, the Seven Seals and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. Charts and illustrations depict the "Pale Horse Rider," "Daniel's Four Wild Beasts," "Egyptian Plagues Compared," and more. Also available from Cosimo Classics: Larkin's *The Spirit World*, *Rightly Dividing the Word*, and *The Second Coming of Christ*. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.
