The Bible, Genesis & Geology Gaines R. Johnson 2010-05-23 Does a time gap exist between the first two verses of Genesis? In this book you will learn about a controversial, lesser known literal interpretation of the Genesis narrative that does not contradict the scientific evidence for an Old Earth. Commonly called the "Gap Theory" or Ruin-Reconstruction interpretation, it is a theological interpretation much older than Darwin's Theory of Evolution. It is based on the Scriptural fact that in the second verse of Genesis, the Holy Bible simply and clearly states that the planet Earth was already here (but in a ruined state) before the creative process of the seven days even begins. The Bible itself provides insight into a great mystery in Earth's natural history at what is known as the Pleistocene - Holocene boundary. Science remains at a loss to definitively explain the Ice Age and the anomaly of the mysterious mega fauna extinctions across the face of the Earth about 12,000 to 10,000 Radio Carbon years ago. Geologic evidence from that period indicates extraordinary global massive volcanism, gigantic tidal waves, seismic activity on a vast scale, and extreme temperature swings on the Earth over a geologically brief period of time. It is no coincidence that the Bible at Genesis 1:2 describes the Earth as flooded, desolate, and in darkness in the time frame closely corresponding to these catastrophic events in the Earth's natural history. Clearly, these two mysteries are linked. The Earth has an ancient natural history that can be deciphered from the geologic record, but it also has an equally important ancient spiritual history that can only be deciphered from Rightly-Dividing the Holy Bible. Knowledge of both is required to correctly reconcile Geology and the Book of Genesis.

The Bible and Morality Catholic Church. Pontificia Commissio Biblica 2008-01-01 For Christians, Holy Scripture is not only a source of revelation on which to ground one's faith, it is also an indispensable reference point for morality. They are convinced that in the Bible they can find indications and norms of right behaviour to attain fullness of life. This use of Scripture is not of course without its problems caused by the different times and circumstances in which people find themselves today compared with biblical times. In 2002, the Pontifical Biblical Commission, at the behest of the then-President Cardinal Joseph Ratzinger, set about to examine the problem of the relationship between the Bible and morality by posing itself the question: what is the value and the significance of the inspired text for today's morality? This document seeks then to explain the context for norms of morality encountered in Scripture, and shows also that, while there remain moral questions which cannot be fully answered from Scripture, nevertheless Scripture does offer criteria which are helpful in finding solutions.

The Flat Earth as Key to Decrypt the Book of Enoch Zen Garcia 2016-09-20 Shortly after accepting the flat earth as a model for the world, I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as a motion for the sun and moon. As I began to read chapters 71-82, I found to my utter amazement that I was able to grasp those passages. I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch's description of the revolution of the sun and the moon. As seen from above the flat circular plane of the earth as described by Isaiah; and that Enoch must have been taken up to perhaps where Polaris is, centered directly above the North Pole, and while looking down at the backdrop of the earth, was instructed on the motions of both the sun and moon. Without such conception, it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet.

Megiddo Mark Goodwin 2021-06-30 And I heard a great voice out of the temple saying to the seven angels, "Go your ways, and pour out the vials of the wrath of God upon the earth." Revelation 16:1 Emilio Vega has managed to stay alive for the first six years of the Great Tribulation but things are about to heat up with the coming of the Bowl Judgments. Tensions are high among the members of Emilio's underground compound. The constant pressure to find food in what has become an utter wasteland only adds to the animosity. Faced with starvation, other survivors around the Mammoth Cave area have resorted to cannibalism. These flesh-eaters represent an existential threat to Emilio's group. While on a routine patrol, Emilio runs into one such tribe known only as the forest people. It is uncertain whether or not he will survive the encounter. Even if he does, the world is becoming less hospitable by the day. Emperor Lucius Alexander issues a temporary amnesty for those holdouts who still have not received the mark. He promises to provide food and shelter to all the refugees still living in the deserted badlands once known as America. However, some believe this may be just another one of his schemes. Emilio has a strange dream. He feels impressed by the Holy Spirit to go to Jerusalem. But Israel is an ocean away

and Emilio is still a fugitive from justice in the eyes of the Global Order. Don't miss the pulse-pounding finale of the Kingdom of Darkness series. Return of the Antichrist Patrick Heron 2011-03-15 When Jesus was asked what would be the signs of His coming at the end of this age, He said, "As it was in the days of Noah...so shall it be". The main event that occurred in the days of Noah is recorded in Genesis 6:4: "The Nephilim were on the earth in those days and also after that...they were the heroes of old, men of renown." Nephilim in Hebrew means 'the fallen ones'. These were evil fallen angels who appeared on the earth in those days and caused the violence, bloodshed and chaos which resulted in a world-wide Flood. "As it was...so shall it be." After the Apocalypse begins, these same fallen angels, plus Satan and all the rest of those that rebelled with him, will once again manifest on earth in plain sight. They will be led by a man most call The Antichrist. But in Revelation he is not given this name. John refers to him as The Beast from the Abyss. This book is an in-depth study of the Beast's past, present and future which debunks most of the common and accepted assumptions of the Antichrist and instead presents a scripturally based study of he who is to come; The Beast who ascends out of the Abyss having seven heads and ten horns.

The Shinar Directive Michael Lake 2014-11-25 The Shinar Directive serves as a kingdom intelligence briefing for God's people in the twenty-first century. On the ancient plains of Shinar, an evil was born: The first world king, the prototype transhuman, the ultimate despot, the Son of Perdition--Nimrod. In Babylon, the Son of Perdition devised the Shinar Directive: the enslaving of humanity and the war against the God of Heaven. God's intervention at the Tower of Babel only delayed his hellish plans. The Luciferian Elite now control three key circles of influence in the world: financial, political, and religious. However, controlling these three systems was not enough. The laborers of Mystery Babylon have been quietly planning and waiting for thousands of years for the releasing of the Watchers of Genesis 6. Now armed with developing Watcher technologies, the Elite will use transhumanism and mind control to build the Joel chapter 2 army: the army of the Antichrist. We are beginning to realize that the mark of the Beast and the image of the Beast are much more than we could have ever imagined; beyond an implant and beyond a physical mark, they will affect DNA and who we are at a molecular level! As the powers of Mystery Babylon gather to create the new Tower of Babel and prepare for the Son of Perdition's return, Heaven is issuing a clarion call to the Remnant: Know the strategies of the enemy, untangle yourself from it, and become the victorious Church! Heaven's Jewish Apostle of Love, John, reveals the coming conflict in his book of Revelation and provides the ancient Hebraic wisdom encoded in 1 John to equip the bondservants of Messiah with the tools of the kingdom to overcome the Shinar Directive!

Is Atheism Dead? Eric Metaxas 2021-10-19 Is Atheism Dead? is an entertaining, impressively wide-ranging, and decidedly provocative answer to that famous 1966 TIME cover that itself provocatively asked "Is God Dead?" In a voice that is by turns witty, muscular, and poetic, Metaxas intentionally echoes C.S. Lewis and G.K. Chesterton in cheerfully and logically making his astonishing case, along the way presenting breathtaking—and often withering—new evidence and arguments against the idea of a Creatorless universe. Taken all together, he shows atheism not merely to be implausible and intellectually sloppy, but now demonstrably ridiculous. Perhaps the only unanswered question on the subject is why we couldn't see this sooner, and how embarrassed we should be about it.

The Lost Apocrypha of the Old Testament Montague Rhodes James 2007-03-01 Collected and Translated by Montague Rhodes James. There are many ancient, lost books relating to the Bible and this work covers the ones that are most hard to find, dating between 100 BCE and 100 CE. In many cases we do not have the full works, but have various sections and fragments. The author, Montague James, used quotations found mostly in the works of the Greek Ante-Nicene Fathers like Origen, Hippolytus and Clement of Alexandria to piece together what we are missing. He also uses important lists compiled from Greek, Latin and other languages in order to reveal what we know of other missing books that would, in some cases, otherwise be unheard of. This important piece of scholarship should be part of anyone's library who is seriously researching lost and ancient texts.

Studies in Revelation Hampton J. Keathley, 3rd 1999

The Book of the bee Solomon 1886

The Book of 2 Peter Charlie Avila 2021-01-21 2 Peter is one of the most powerful books in the Bible to prepare you for these last days. For many years now, I have been living in the truths of this little book perhaps more than any other in the Bible. The message of the book is very simple; yet, very profound. There are two things that are coming - false teachers and the judgments of God. In fact, the judgments of God are coming because of the false teachers! And Christian believers must prepare for both. 2 Peter gives an amazing revelation of how the Lord empowers and equips Christians to discern the false teachers who are here now and who are coming later. They have deceived, defeated, and even destroyed God's people (2:1-3) in the past, of which, Balaam is a prime example (2:15). They are the "scoffers" and "mockers" who "will come in the last days" (3:3). Through God's "divine power" (1:3) and "exceedingly great and precious promises" (1:4), Christians actually become "partakers of the divine nature" (1:4). This is how we "escape" the "corruption that is in the world through lust" (1:4) and the "corruptions" of false teachers (2:19-20). Christians make their "call and election sure" (1:10) by adding virtues to their lives (1:5-8) and "growing in the grace and knowledge of the Lord Jesus Christ" (3:18). God always judges false teachers and their heresies. Such "heresies" are "destructive" and bring "swift destruction" (2:1), and, unfortunately, "many will follow these destructive ways" (2:2), but "their destruction does not slumber" (2:3). The false prophets are "like natural brute beasts made to be caught and destroyed" (2:12). There are even those who "twist the Scriptures" to "their own destruction" (3:16). To show God's judgments against false teachers and those who live "ungodly" lives, He has already judged the "angels who sinned" (2:4), the "world of the ungodly" at the time of "Noah" and "the flood" (2:5, 3:6), and "Sodom and Gomorrah," which were "condemned to destruction" (2:6). These massive judgments are set forth as "examples" of what He will do "to those who afterward would live ungodly" lives (2:6). Jude also highlights God's judgments on the "angels" (v6) and "Sodom and Gomorrah" (v7), but adds God's own "people who were saved out of the land of Egypt", but "afterward He destroyed those who did not believe" (v5). God's judgments bring destruction. The biggest judgment will come on the last day - "the Day of the Lord" (3:10). This "Day of Judgment" will cause everything in the heavens and earth to be "dissolved," "burned up," "melt," and "pass away" (3:10-12). The "scoffers" (3:4) deny and don't believe this judgment will ever come. But God's delay doesn't mean God's denial. The delay is so that more will "come to repentance" (3:9). We are assured that "the heavens and the earth" "are reserved for fire until the day of judgment and perdition of ungodly men" (3:7). Christians don't live in fear but in faith. We are "looking for," "look for," and "looking forward" (3:12-14) to the "new heavens and the new earth" (3:13) because we have been "diligent" to be "found by Him in peace, without spot and blameless" (3:14) because of our "holy conduct and godliness" (3:12). This commentary opens with an introduction that takes a close look at this important apostle - Simon Peter. We also explain why Peter is the author. What follows is a verse-by-verse teaching on the three chapters of 2 Peter. We conclude

with homework questions of each chapter for personal or group Bible study, a detailed bibliography review for those seeking other resources, and a Scripture index for easy referencing.

Five Books of S. Irenaeus, Bishop of Lyons Saint Irenaeus (Bishop of Lyon.) 1872

Letters From The Earth Mark Twain 2017-04-04 The Creator sat upon the throne, thinking. Behind him stretched the illimitable continent of heaven, steeped in a glory of light and color; before him rose the black night of Space, like a wall. His mighty bulk towered rugged and mountain-like into the zenith, and His divine head blazed there like a distant sun. At His feet stood three colossal figures, diminished to extinction, almost, by contrast -- archangels -- their heads level with His ankle-bone. When the Creator had finished thinking, He said, "I have thought. Behold!" He lifted His hand, and from it burst a fountain-spray of fire, a million stupendous suns, which clove the blackness and soared, away and away and away, diminishing in magnitude and intensity as they pierced the far frontiers of Space, until at last they were but as diamond nailheads sparkling under the domed vast roof of the universe. At the end of an hour the Grand Council was dismissed. They left the Presence impressed and thoughtful, and retired to a private place, where they might talk with freedom. None of the three seemed to want to begin, though all wanted somebody to do it.

The Day of Yahweh Albert James Dager 2013-01-05 The Day of Yahweh is an honest assessment of what Scripture says about how history will unfold as this temporal world winds down. The author asks us to reconsider what we have learned from today's popular expositors on end-times prophecy. Some of his conclusions will startle, even distress, those who are passionate about a particular eschatology learned at the feet of their favorite end-times teachers. The author challenges us to consider prayerfully whether

our allegiance is to particular teachers, or if we are willing to reassess what we believe in light of God's Word and verifiable facts of history.

The Wormwood Prophecy Thomas Horn 2019-12-03 Does the Bible predict an asteroid...or something else? This book will challenge your interpretation of end-times theology and help you sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. FEATURES AND BENEFITS: Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts

Tips for Resisting Temptation Doug Batchelor 2009-01-01

Children of Perdition Tim Hashaw 2007-03-30 Some oppressed groups fought with guns, some fought in court, some exercised civil disobedience; the Melungeons, however, fought by telling folktales. Whites and blacks gave the name "children of perdition" to mixed Americans during the 300 years that marriage between whites and nonwhites was outlawed. Mixed communities ranked socially below communities of freed slaves although they had lighter skin. To escape persecution caused by the stigma of having African blood, these groups invented fantastic stories of their origins, known generally as "lost colony" legends. From the founding of America, through the American Revolution, the Civil War and World War II, the author documents the histories of several related mixed communities that began in Virginia in 1619 and still exist today, and shows how they responded to racism over four centuries. Conflicts led to imprisonment, whippings, slavery, lynching, gun battles, forced sterilization, and exile--but they survived. America's view of mixing became increasingly intolerant and led to a twentieth-century scheme to forcibly exile U.S. citizens, with as little as "one drop" of black blood, to Africa even though their ancestors arrived before the Mayflower. Evidence documents the collaboration between American race purists and leading Nazi Germans who perpetrated the Holocaust. The author examines theories of ethnic purity and ethnic superiority, and reveals how mixed people responded to "pure race" myths with origin myths of their own as Nazi sympathizers in state and federal government segregated mixed Americans, citing the myth of Aryan supremacy. Finally, *Children of Perdition* explains why many Americans view mixing as unnatural and shows how mixed people continue to confront the Jim Crow "one drop" standard today. Antichrist Before the Day of the Lord Alan Kurschner 2013 Many of us have been told that we will be "raptured out of here before the Antichrist arrives." But what if this is wrong? Is this really what the Bible teaches? In this thought-provoking and freshly examined account on the second coming of Christ, Alan Kurschner traces the key topics and passages, providing compelling biblical evidence that the church will first encounter the Antichrist's great tribulation before Christ returns to rapture his people and judge the world. Jesus warns us, "Remember, I have told you ahead of time" (Matt. 24:25). And Paul cautions us, "Let no one in any way deceive you, for that day will not arrive until the apostasy comes first, and the man of lawlessness [Antichrist] is revealed, the son of destruction" (2 Thess. 2:3). Since Jesus and Paul ominously warn us "ahead of time," should this not be an urgent message the church needs to hear? Are we spiritually preparing our hearts to be "overcomers" for what may soon come to pass?
