Union with God James Rendel Harris 1896

[The Panoplist \(and Missionary magazine\) conducted by an association of friends to evangelical truth](#) 1806

Mere Calvinism Jim Orrick 2019 WHAT DO YOU KNOW ABOUT CALVINISM? There are so many misconceptions about Calvinism that it is safe to say that even most Christians do not truly know what it teaches. You may have grown up in a Reformed church, or you may have heard about Calvinism mostly in arguments. Either way, it may surprise you to know that this belief has huge, and very positive, implications for a believer's daily life! Jim Orrick clears up misinformation about Calvinism and explains its basic yet profound ideas and teachings using the Bible as the basis for everything he says. Making use of relatable life illustrations, as well as an engaging, clear, and friendly style, he sets out the basics of what Calvinism teaches, explores each of the five points that summarize its positions, and addresses rebuttals and misunderstandings. Learn why the teachings of Calvinism not only matter, but can renew your trust and hope in the gospel!

The Doctrines of Grace James Montgomery Boice 2009-04-01 There is no question that we live in an age of weak theology and casual Christianity. We have substituted intuition for truth, feeling for belief and immediate gratification for enduring hope. Evangelicalism desperately needs to return to the doctrines that once before reformed the world: radical depravity, unconditional election, particular redemption, efficacious grace and persevering grace. James Boice and Philip Ryken not only provide a compelling exposition on these doctrines of grace, but also look briefly at their historical impact. The authors leave no doubt that the church suffers when these foundational truths are neglected and that she must return to a Christianity that is practical-minded, kind-hearted, and most importantly, biblically based.

A Defence of Some Important Doctrines of the Gospel 1791

Calvinism in the Las Vegas Airport Richard J. Mouw 2010-12-21 What do the Canons of Dordt mean to people in the Las Vegas airport—and does anyone there even care? In the movie *Hardcore*, a pious Calvinist elder tries unsuccessfully to explain the TULIP theology of his Dutch Reformed faith to a prostitute in the Las Vegas airport. This incongruous conversation demonstrates how Calvinism is often perceived today: irrelevant, harsh, even disrespectful. Beginning with this movie scene, *Calvinism in the Las Vegas Airport* addresses the weaknesses of Calvinism and points to its strengths. How does Calvinism shed light on today? Instead of reciting the Canons of Dordt, what's a more compassionate way to relate to nonbelievers? What might it look like to live out the doctrines of TULIP with gentleness and respect? This conversational book provides answers and shatters some stereotypes. *Calvinism in the Las Vegas Airport* encourages you to live every aspect of life—business, family, education, politics, activities, and more—before the face of a generous, sovereign God. Calvinists and non-Calvinists alike will find this an enjoyable read. You will discover that Reformed theology can speak relevantly and compellingly today, both to you and to people in the Las Vegas airport. Does Calvinism Have Anything to Do with the 21st Century? What do you think about Calvinism? Do you view it positively or negatively? Or has its day passed? Let's face it, many non-Calvinists hold a less-than-positive view, sometimes due to caricatures. This friendly, conversational book helps clear up some misconceptions and distorted views. If you're not a Calvinist, here is an engaging inside look. And if you are a Calvinist, Richard Mouw shows how to live gently and respectfully with others—Christians and non-Christians—who hold different perspectives. *Calvinism in the Las Vegas Airport* focuses not on what Calvinists believe but on how they live. From a movie scene to the author's personal experiences in Las Vegas, you are invited to travel with Mouw and see the Reformed faith in a new light. Yes, it still does travel well!

The Gospel herald; or, Poor Christian's magazine 1857

Karl Barth on Theology and Philosophy Kenneth Oakes 2012-12-06 This book is an analysis of Karl Barth's understanding of the relationship between theology and philosophy. Kenneth Oakes shows the complexity and variability of Barth's thoughts on theology and philosophy and challenges the typical views that Barth was either too hostile towards philosophy or too indebted to it.

The Latter Day Luminary 1821

Sermons and Extracts. ... I. Two Sermons: 1. On the increase of Separatists, etc. ... 2. On laying the foundation-stone of Downing College. ... II. Extracts, illustrative of the opinions, pretensions, and designs of those who have of late, either wholly or in part, deserted the Established Church, made chiefly from the writings of Arminian and Calvinistic Methodists Edmund OUTRAM 1809

A body of divinity: wherein the doctrines of the Christian religion, are explained and defended ... The third edition Thomas RIDGLEY 1770

The Missionary Herald 1844 Vols. for 1828-1934 contain the Proceedings at large of the American Board of Commissioners for Foreign Missions.

The Doctrines of Grace in an Unexpected Place Mark R. Stevenson 2017-03-10 Does God sovereignly elect some individuals for salvation while passing others by? Do human beings possess free will to embrace or reject the gospel? Did Christ die equally for all people or only for some? These questions have long been debated in the history of the Christian church. Answers typically fall into one of two main categories, popularly known as Calvinism and Arminianism. The focus of this book is to establish how one nineteenth-century evangelical group, the Brethren, responded to these and other related questions. The Brethren produced a number of colorful leaders whose influence was felt throughout the evangelical world. Although many critics have assumed the movement's theology was Arminian, this book argues that the Brethren, with few exceptions, advocated Calvinistic positions. Yet there were some twists along the way! The movement's radical biblicism, passionate evangelism, and strong aversion to systematic theology and creeds meant they refused to label themselves as Calvinists even though they affirmed Calvinism's soteriological principles--the so-called doctrines of grace.

Unlocking Grace Roger L. Smalling 2002-03 An eight chapter study on the doctrines of grace using Scriptural proofs and review questions to teach these specific doctrines: Sovereignty of God, Inability of Man, Justification by faith Alone, Election by Grace, Sacrifice of Christ, Unity and Universality of the Church, and Security of the believer.

A Series of Tracts on the Doctrines, Order, and Polity of the Presbyterian Church in the United States of America Presbyterian Church in the U.S.A. Board of Publication 1843

The Doctrines of Grace Charles H. Spurgeon 2008-12-05 My own private opinion is that there is no such thing as preaching Christ and him crucified, unless you preach what now-a-days is called Calvinism. It is a nickname to call it Calvinism; Calvinism is the gospel, and nothing else. I do not believe we can preach the gospel, if we do not preach justification by faith, without works; nor unless we preach the sovereignty of God in his dispensation of grace; nor unless we exalt the electing, unchangeable, eternal, immutable, conquering, love of Jehovah: nor do I think we can preach the gospel, unless we base it upon the peculiar redemption which Christ made for his elect and chosen people; nor can I comprehend a gospel which lets saints fall away after they are called, and suffers the children of God to be burned in the fires of damnation after having believed. Such a gospel I abhor. The gospel of the Bible is not such a gospel. We preach Christ crucified in a different fashion, and to all gainsayers we reply. "We have not so learned Christ." (Charles Spurgeon)

Finding God in Unexpected Places Philip Yancey 2005-03-15 The traces of God can be found in the most

unexpected places--an Atlanta slum, a pod of whales off the coast of Alaska, the prisons of Peru and Chile, the plays of Shakespeare, a health club in Chicago--yet many Christians have not only missed seeing God, they've overlooked opportunities to make him visible to those most in need of hope. In this enlightening book author Philip Yancey serves as an insightful tour guide for those willing to look beyond the obvious, pointing out glimpses of the eternal where few might think to look. Whether finding God among the newspaper headlines, within the church, or on the job, Yancey delves deeply into the commonplace and surfaces with rich spiritual insight. Finding God in Unexpected Places takes readers from Ground Zero to the Horn of Africa, and each stop along the way reveals footprints of God, touches of his truth and grace that prompt readers to search deeper within their own lives for glimpses of transcendence.

Summary of Christian Doctrine Louis Berkhof 1960

The Evangelical Magazine and Missionary Chronicle 1806

Tulip Duane E. Spencer 2002-01-01 TULIP is a popular acronym for the five points of Calvinism--total depravity, unconditional election, limited atonement, irresistible grace, and perseverance of the saints. In this book, these five points are not only concisely explained in the light of the Bible but are also helpfully contrasted to the corresponding five points of Arminianism. The differences between Calvinistic and Arminian beliefs are also summarized at the end of the book for quick reference. Anyone looking for an accessible explanation of this somewhat difficult and controversial doctrine, or looking for help in explaining it to others, will find this an invaluable resource. TULIP has had steady sales since its original Baker publication in 1979, and there is now nearly 55,000 copies in print.

The Religious Monitor, and Evangelical Repository 1834 Includes the minutes of the annual meeting of the Associate Synod of North America.

Teachings and Commandments, Book 1 - Teachings and Commandments: Restoration Edition Hardcover, A5 (5.8 X 8.3 In) Medium Print Restoration Scriptures Foundation 2019-04-06 What is God doing today? Devotional Comments: being a series of Scriptural Expositions, with a Prayer annexed to each subject; designed as an aid in private, or, for family worship Mrs. Maria STEVENS 1830

Pathways and Patterns in History Peter J. Morden 2020-10-06 Professor David Bebbington is a highly regarded historian. He holds a chair at the University of Stirling, has been President of the Ecclesiastical History Society, and has delivered numerous endowed lecture series, as well as being deeply involved in the Dr Williams's Dissenting Academies Project. He is both a popular and influential academic historian, whose writings have

significantly shaped our thinking about the history of evangelicalism, Baptist life, and political developments. In *Pathways and Patterns*, colleagues, former research students and friends who are indebted to Professor Bebbington and value his contribution to scholarship join together to pay tribute to his outstanding work. Not only has he stimulated academic endeavour, he has also given much personal support, not least to those in the Baptist Historical Society and in Colleges, among them Spurgeon's College and Baylor University (USA) where he is a Distinguished Visiting Professor. This volume reflects his wide involvements and the grateful esteem in which he is held. Among Professor Bebbington's achievements has been both instituting and masterminding the very important International Conference on Baptist Studies (ICOBBS), held every three years in different parts of the world. It is appropriate, then, that this volume was presented to him at the Seventh ICOBBS Conference held in Manchester, July 2015.

A Series of Tracts on the Doctrines, Order, and Polity of the Presbyterian Church in the United States of America Presbyterian Church in the U.S.A. 1835

A defence of some important doctrines of the Gospel ... By several eminent ministers [i.e. Robert Bragge, Abraham Taylor, and others]. The third edition DEFENCE. 1791

Memoirs of the life and Character of James Hervey John Brown 1822

The Gospel magazine, and theological review. Ser. 5. Vol. 3, no. 1-July 1874 1868

The Doctrine of Justification James Buchanan 2013-02-17 James Buchanan (1804–1870) was a Scottish minister and theologian. He joined the Free Church of Scotland in 1843, and succeeded Thomas Chalmers as professor of systematic theology at the New College of the Free Church in Edinburgh in 1847, a post he held for twenty-one years. Buchanan's magnum opus was *The Doctrine of Justification*, which still has great value as a classic treatment of the article by which Martin Luther says the church stands or falls. He covers biblical, systematic, and historical ground in his work, but is never far from a warm-hearted evangelical delight in the doctrines he is expounding.

The Evangelical Magazine 1806

By Faith Alone Gary L. W. Johnson 2007-03-06 The Reformation swept across Europe with a God-glorifying gospel of grace. Now the doctrine of grace cherished and proclaimed by the Reformers is under renewed assault from an unexpected place—the evangelical church itself. With the help of several theologians, Gary L. W. Johnson and Guy P. Waters trace the background and development of two seemingly disparate movements that have surfaced within the contemporary church—the New Perspective(s) on Paul and the Federal Vision—and how they corrupt the truth of salvation by faith alone. By regaining a focus on the doctrine of grace, pastors, seminarians, and future leaders can regain the cohesion, coherence, and direction to truly build the church to withstand the attacks of false and empty doctrines.

A Mormon's Unexpected Journey: Finding the Grace I Never Knew Carma Naylor 2018-02-06 A fascinating read that gives deep insight into a Mormon's mind and heart. Respectful, yet direct, Carma Naylor's sincerity in recounting her journey from Mormonism to God's grace is heartfelt and genuine. Yet, this is much more than a captivating, personal story that will help you relate to the reality of life's trials. Thoroughly researched and packed with scripture, this theological treatise walks you, step-by-step through Mormon doctrines and challenges each one with the truth of Scripture. It will equip the new believer as well as the seasoned theologian to share the true gospel of Jesus Christ with love and compassion. Questioning Mormons seeking the truth have said this is the best book they have read to help them through the challenging transition from Mormonism to a surrendered life in Christ. This is not just another book about Mormonism; it is a must-read for every Christian.

Grace Is Greater Kyle Idleman 2017-02-28 The writer of the letter to the Hebrews said, "See to it that no one misses the grace of God." Over the centuries much ink has been spilled on the subject of grace. Yet perhaps nothing is as hard to explain as God's grace. It doesn't make sense. It's not fair. It can't possibly cover over what I've done. The best way--perhaps the only real way--to understand it is to experience it. But too often in our churches we're not getting grace across and grace is not experienced. Bestselling author and pastor Kyle Idleman wants everyone to experience the grace of God. Through the powerful medium of story, *Grace Is Greater* leads readers past their hang-ups toward an understanding of grace that is bigger than our mistakes, our failures, our desire for revenge, and our seemingly impossible situations. No sin is so great, no bitterness so deep that God's grace cannot transform the heart and rewrite the story. Perfect for individuals and also for small groups and church-wide studies, *Grace Is Greater* will help readers truly grasp God's grace, even if the Christians around them have failed to live it.

Faith Alone---The Doctrine of Justification Thomas R. Schreiner 2015-09-15 Renowned biblical scholar Thomas Schreiner looks at the historical and biblical roots of the doctrine of justification and offers an updated defense of this pillar of Reformed theology. Reinvigorating one of the five great declarations of the Reformation—sola fide—Schreiner: Summarizes the history of the doctrine, looking at the early church and the writings of several of the Reformers. Walks readers through an examination of the key biblical texts in the Old and New Testament that support the Reformed understanding of justification. Discusses whether justification is transformative or forensic and introduces readers to some of the contemporary challenges to the Reformation teaching of sola fide, with particular attention to the new perspective on Paul. Five hundred years after the Reformation, the doctrine of justification by faith alone still needs to be understood and proclaimed. In *Faith Alone* you will learn how the rallying cry of “sola fide” is rooted in the Scriptures and how to understand this doctrine in a fresh way. —THE FIVE SOLAS— Historians and theologians have long recognized that at the heart of the sixteenth-century Protestant Reformation were five declarations, often referred to as the "solas." These five statements summarize much of what the Reformation was about, and they distinguish Protestantism from other expressions of the Christian faith: that they place ultimate and final authority in the Scriptures, acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone through faith alone, and seek to do all things for God's glory. The Five Solas Series is more than a simple rehashing of these statements, but instead expounds upon the biblical reasoning behind them, leading to

a more profound theological vision of our lives and callings as Christians and churches.

The Primitive Church Magazine 1852

The Doctrine & Discipline of Divorce John Milton 1644

All the Doctrines of the Bible Herbert Lockyer 1964 His systemized study and analysis of the major Bible doctrines provides, for readers, Dr. Lockyer's approach to understanding doctrines in logical sequence. This method of biblical presentation can and should lead to a valuable comprehension of the Christian faith.
