Hell and Gone Sam Wiebe 2021-10-23 A captivating new thriller in the Wakeland detective series that explores the depths of Vancouver's criminal underworld. Caught between the grimy and glittering sides of Vancouver's streets, private investigator Dave Wakeland tries to keep his head down at the elite security firm he owns with partner Jeff Chen. But when masked men and women storm an ordinary-looking office building in Chinatown, leaving a trail of carnage, Wakeland finds himself caught up in a mystery that won't let him go, as hard as he tries to elude it. The police have a vested interest in finding the shooters, and so does the leader of the Exiles motorcycle gang. Both want Wakeland's help. The deeper he investigates, the more connections he uncovers: to a reclusive millionaire with ties to organized crime, an international security company with a sinister reputation, and a high-ranking police officer who seems to have a personal connection to the case. When the shooters themselves start turning up dead, Wakeland realizes the only way to guarantee his own safety, and that of the people he loves, is by finding out who hired the shooters and why. What Wakeland uncovers are secrets no one wants known—a botched undercover operation, an ambitious gangster and a double-crossing killer who used the shooting to cover up another crime. With a setup like this, anything can go wrong, and does. Skill and luck are needed for Wakeland and Chen to emerge with the killers, the money and their own lives.

The Discord of Gods Jenn Lyons 2022-04-26 The Discord of Gods marks the epic conclusion to Jenn Lyons's Chorus of Dragons series, closing out the saga that began with The Ruin of Kings, for fans of Brandon Sanderson and Patrick Rothfuss. THEIR CONFLICT COULD END THEM ALL. Relos Var's final plans to enslave the universe are on the cusp of fruition. He believes there's only one being in existence that might be able to stop him: the demon Xaltorath. As these two masterminds circle each other, neither is paying attention to the third player on the board, Kihrin. Unfortunately, keeping himself classified in the 'pawn' category means Kihrin must pretend to be everything the prophecies threatened he'd become: the destroyer of all, the sun eater, a mindless, remorseless

plague upon the land. It also means finding an excuse to not destroy the people he loves (or any of the remaining Immortals) without arousing suspicion. Kihrin's goals are complicated by the fact that not all of his 'act' is one. His intentions may be sincere, but he's still being forced to grapple with the aftereffects of the corrupted magic ritual that twisted both him and the dragons. Worse, he's now tied to a body that is the literal avatar of a star – a form that is becoming increasingly, catastrophically unstable. All of which means he's running out of time. After all, some stars fade – but others explode. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
