With no other choice left, I take it while vowing to keep my distance for the week-long trip. That was, until I backed my car over a werewolf a couple times. In my defense, the wolf was trying to murder me, and I was all out of mace. Now I've got a cult of rogue wolves on my heels, and the only one who can protect me is Jaxson Laurent--the Chicago Alpha. **Shifted Fate** Elena Lawson 2019-12-22 Jared Stone is a freaking wolf. And I don't mean that metaphorically, either... I thought I had it bad-living in my dead Dad's old hunting blind in the woods, barely staying alive on apples and ramen...that was before the storm hit and destroyed the only form of shelter I had left. Enter, Jared. The hottest-and most unavailable-guy at school. Except he wasn't Jared when he pulled me out of the mud. He wasn't even human. As if that wasn't unsettling enough, when he brought me back to his cabin, I found he wasn't alone. Another guy, one I'd only ever heard about in whispers beneath the bleachers, was there too. Clayton Armstrong: bad boy extraordinaire. And it turned out, he wasn't human either. Mindf\*ck, right? At first, all I want to do is run away. But I have nowhere to go, and for whatever messed up reason, Jared is insistent that I stay. Despite Clay's loud protests. So, now I'm stuck in a cabin in the woods with two hot as hell wolf shifters. One who wants to protect me. And another who wants to eat me for lunch... What could go wrong?
