Timekeeper Howard Grimes 2020-11 Timekeeper is the first-person insider account of the birth and expansion of the Memphis Sound, told by Howard Grimes, the celebrated house drummer from the early days at both iconic Memphis soul studios, Stax Records and Hi Records. Author Howard Grimes backed Rufus and Carla Thomas, William Bell, Willie

Mitchell, Ann Peebles, and Al Green among countless others, and shares his story of artistic and personal tragedies and triumphs in his raw and authentic voice. He was a member of the Mar-Keys and sat in the number one drummer's chair for the Hi Rhythm Section. Howard Grimes' co-author is Preston Lauterbach, the highly-acclaimed author of *The Chitlin' Circuit*, *Beale Street Dynasty*, and *Brother Robert* (about the life of bluesman Robert Johnson). With Lauterbach's help, *Timekeeper* is more than a waltz through the past; it is a rollicking, boots-on-the-ground up close look at the rise and ultimate fall of the soul era of Memphis music.

Woke Me Up This Morning Alan Young 2012-09-29 Creators and Context. Starting in the mid-1980s, a talented group of comics creators changed the American comic industry forever by introducing adult sensibilities and aesthetics into popular genres such as superhero comics and the newspaper strip. Frank Millers *Batman The Dark Knight Returns* 1986 and Alan Moore and Dave Gibbonss *Watchmen* 1987 in particular revolutionized the genre. During this same period, underground and alternative genres began to garner critical acclaim and media attention, as best represented by Art Spiegelmans *Maus*. *The Rise of the American Comics Artist* is an insightful volume surveying the

Festival of American Folklife 1997

T Bone Burnett Lloyd Sachs 2016-09-20 T Bone Burnett is a unique, astonishingly prolific music producer, singer-songwriter, guitarist, and soundtrack visionary. Renowned as a studio maven with a Midas touch, Burnett is known for lifting artists to their greatest heights, as he did with *Raising Sand*, the multiple Grammy Award-winning album by Robert Plant and

Alison Krauss, as well as acclaimed albums by Los Lobos, the Wallflowers, B. B. King, and Elvis Costello. Burnett virtually invented “Americana” with his hugely successful roots-based soundtrack for the Coen Brothers film, *O Brother, Where Art Thou?* Outspoken in his contempt for the entertainment industry, Burnett has nevertheless received many of its highest honors, including Grammy Awards and an Academy Award. T Bone Burnett offers the first critical appreciation of Burnett’s wide-ranging contributions to American music, his passionate advocacy for analog sound, and the striking contradictions that define his maverick artistry. Lloyd Sachs highlights all the important aspects of Burnett’s musical pursuits, from his early days as a member of Bob Dylan’s Rolling Thunder Revue and his collaboration with the playwright Sam Shepard to the music he recently composed for the TV shows *Nashville* and *True Detective* and his production of the all-star album *Lost on the River: The New Basement Tapes*. Sachs also underscores Burnett’s brilliance as a singer-songwriter in his own right. Going well beyond the labels “legendary” or “visionary” that usually accompany his name, T Bone Burnett reveals how this consummate music maker has exerted a powerful influence on American music and culture across four decades.

The American Clock Arthur Miller 2015-12-01 A bold, vibrant panorama of the Great Depression by “the moral voice of the American stage” (The New York Times) Capturing a cross-section of American life in the throes of the Great Depression, *The American Clock* presents what Miller called “a mural for theatre,” based loosely on Stud’s Terkel’s oral history, *Hard Times*. It is the story of a single family, Moe and Rose Baum and their son Lee, who lost everything in the crash of ’29. When Lee leaves Brooklyn and travels west in search of work, he comes face to face with the true scope of the Depression’s devastation and encounters a tapestry of interlocked stories unfolding across a nation in crisis. In a series of vignettes, a vast ensemble of characters sets the Baums’ struggles in relief: a shoeshine man, a corporate tycoon, a dispossessed farmer, a struggling prostitute, a young songwriter, and a communist comic-strip artist, among many disparate American identities. All the while, the clock ticks towards a new era in history, and time is running out for the Baums and the America they know.

Encyclopedia of American Gospel Music W. K. McNeil 2013-10-18 The *Encyclopedia of American Gospel Music* is the first comprehensive reference to cover this important American musical form. Coverage includes all aspects of both African-American and white gospel from history and performers to recording techniques and styles as well as the influence of gospel on different musical genres and cultural trends.

TransAntiquity Domitilla Campanile 2017-02-03 TransAntiquity explores transgender practices, in particular cross-dressing, and their literary and figurative representations in antiquity. It offers a ground-breaking study of cross-dressing, both the social practice and its conceptualization, and its interaction with normative prescriptions on gender and sexuality in the ancient Mediterranean world. Special attention is paid to the reactions of the societies of the time, the impact transgender practices had on individuals' symbolic and social capital, as well as the reactions of institutionalized power and the juridical systems. The variety of subjects and approaches demonstrates just how complex and widespread "transgender dynamics" were in antiquity.

The Blues: A Very Short Introduction Elijah Wald 2010-08-03 Praised as "suave, soulful, ebullient" (Tom Waits) and "a meticulous researcher, a graceful writer, and a committed contrarian" (New York Times Book Review), Elijah Wald is one of the leading popular music critics of his generation. In *The Blues*, Wald surveys a genre at the heart of American culture. It is not an easy thing to pin down. As Howlin' Wolf once described it, "When you ain't got no money and can't pay your house rent and can't buy you no food, you've damn sure got the blues." It has been defined by lyrical structure, or as a progression of chords, or as a set of practices reflecting West African "tonal and rhythmic approaches," using a five-note "blues scale." Wald sees blues less as a style than as a broad musical tradition within a constantly evolving pop culture. He traces its roots in work and praise songs, and shows how it was transformed by such professional performers as W. C. Handy, who first popularized the blues a century ago. He follows its evolution from Ma Rainey and Bessie Smith through Bob Dylan and Jimi Hendrix; identifies the impact of rural field recordings of Blind Lemon Jefferson, Charley Patton and others; explores the role of blues in the development of both country music and jazz; and looks at the popular rhythm and blues trends of the 1940s and 1950s, from the uptown West Coast style of T-Bone Walker to the "down home" Chicago sound of Muddy Waters. Wald brings the story up to the present, touching on the effects of blues on American poetry, and its connection to modern styles such as rap. As with all of Oxford's Very

Short Introductions, The Blues tells you--with insight, clarity, and wit--everything you need to know to understand this quintessentially American musical genre.

Gospel Classics 2003 Gospel Classics reflects the importance of hymns and gospel songs in the musical fabric of Mark Hayes's life. The skillful arranger has artistically "breathed new life" into the well-known gospel songs included in this collection for advanced pianists. Church musicians and worshippers alike are certain to take great enjoyment in experiencing these fresh new settings and lush harmonies.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

A City Called Heaven Robert M. Marovich 2015-03-15 In *A City Called Heaven*, gospel announcer and music historian Robert Marovich shines a light on the humble origins of a majestic genre and its indispensable bond to the city where it found its voice: Chicago. Marovich follows gospel music from early hymns and camp meetings through the Great Migration that brought it to Chicago. In time, the music grew into the sanctified soundtrack of the city's mainline black Protestant churches. In addition to drawing on print media and ephemera, Marovich mines hours of interviews with nearly fifty artists, ministers, and historians--as well as discussions with relatives and friends of past gospel pioneers--to recover many forgotten singers, musicians, songwriters, and industry leaders. He also examines how a lack of economic opportunity bred an entrepreneurial spirit that fueled gospel music's rise to popularity and opened a gate to social mobility for a number of its practitioners. As Marovich shows, gospel music expressed a yearning for freedom from earthly pains, racial prejudice, and life's hardships. In the end, it proved to be a sound too mighty and too joyous for even church walls to hold.

Billboard 1994-04-09 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Antigone in Ferguson Philip A Woodmore 2020-11-09 Ferguson - Michael Brown - Greek Tragedy - Transformative Music - Dynamic Conversations Antigone in Ferguson shares the truth about justice as experienced on stage with spirit-felt, soulful, & captivating music composed and directed by Dr. Philip A. Woodmore in a unique adaptation written by Bryan Doerries of Theater of War Productions. In this book, you will discover the transformative power of music (when interwoven with the drama of Greek tragedy) to change people's thinking and actions regarding injustice on the macro and micro level in our modern society. This transformation in thinking leads to healing discussions that produce effective, pervasive and long-lasting actions. Dr. Philip A. Woodmore will be your guide as we investigate and interrogate the journey to this thrilling transformation. Dr. Woodmore is a nationally recognized music educator who specializes in composition, vocal coaching, choral curriculum and programming, and collaborative rehearsing. Using his expertise, he has composed an original score and lyrics to Sophocles's tragedy, Antigone, which has become an Off-Broadway smash-hit known as Antigone in Ferguson.

The Martyrs of Columbine J. Watson 2003-05-02 On April 20, 1999, Eric Harris and Dylan Klebold killed twelve fellow students and one teacher at Columbine High School in Littleton, Colorado. Two of the victims of the Columbine massacre, Cassie Bernall and Rachel Scott, reportedly were asked by the gunmen if they believed in God. Both supposedly answered 'Yes' and were killed. Within days of their death, Cassie and Rachel were being hailed as modern-day martyrs and are seen by many American evangelicals as the sparks of a religious revival among teenagers. Cassie and Rachel, as innocents martyred for faith, also became useful symbols for those seeking to advance a conservative political agenda and to lay the blame for Columbine at the feet of their liberal opponents. According to police investigators, however, Cassie and Rachel may never have been asked by their killers about God. They may have been simply victims of a senseless crime rather than martyrs to a cause. *The Martyrs of Columbine* provides a careful examination of the available evidence and attempts to discover what really occurred. Despite these questions the martyr-stories continued to be told and the religious and political use of Cassie and Rachel continues. The popular significance of the martyrs of Columbine persists, and may even be growing. How and why is this happening? *The Martyrs of Columbine* is a groundbreaking investigation of what this tragedy has come and will come to mean in American religion, politics, and culture.

Modern Records, Maverick Methods Samantha Bennett 2018-12-27 From the Fairlight CMI through MIDI to the digital audio workstations at the turn of the millennium, *Modern Records, Maverick Methods* examines a critical period in commercial popular music record production: the transformative digital age from the late 1970s until 2000. Drawing on a discography of more than 300 recordings across pop, rock, hip hop, dance and alternative musics from artists such as the Beastie Boys, Madonna, U2 and Fatboy Slim, and extensive and exclusive ethnographic work with many world-renowned recordists, *Modern Records* presents a fresh and insightful new perspective on one of the most significant eras in commercial music record production. The book traces the development of significant music technologies through the 1980s and 1990s, revealing how changing attitudes and innovative techniques of recording personnel reimagined recording processes and, finally, exemplifies the impact of these technologies and techniques via six comprehensive tech-processual analyses. This meticulously researched and timely book reveals the complexity of recordists' responses to a technological landscape in flux.
