Orhan's Inheritance Aline Ohanesian 2016-01-19 When Orhan's brilliant and eccentric grandfather, Kemal Türkoglu, who built a dynasty out of making kilim rugs, is found dead, submerged in a vat of dye, Orhan inherits the decades-old business. But Kemal has left the family estate to a stranger thousands of miles away, an aging woman in a retirement home in Los Angeles. Intent on righting this injustice, Orhan unearths a story that, if told, has the power to undo the legacy upon which Orhan's family is built, a story that could unravel his own future. "Breathtaking and expansive . . . Proof that the past can sometimes rewrite the future." —Christina Baker Kline, author of *Orphan Train* "Stunning . . . At turns both subtle and transcendent." —Los Angeles Review of Books "To

take the tumultuous history of Turks and Armenians in the early part of this century, and to tell the stories of families and lovers from the small everyday moments of life to the terrible journeys of death, to make a novel so engrossing and keep us awake—that is an accomplishment, and Aline Ohanesian’s first novel is such a wonderful accomplishment.” –Susan Straight, author of *Highwire Moon* “Rich, tragic, compelling, and realized with deep care and insight.” –Elle “A book with a mission, giving a voice to history’s silent victims.” –The New York Times Book Review “Orhan’s *Inheritance* illuminates human nature while portraying a devastating time in history . . . A remarkable debut novel that exhibits an impressive grasp of history as well as narrative intensity and vivid prose.” –Minneapolis Star Tribune “A remarkable debut from an important new voice. It tells us things we thought we knew and shows us we had no idea. Beautiful and terrible and, finally, indelible.” –Luis Alberto Urrea, author of *Queen of America*

But in junior high, it's like all the rules have changed. Now she's suddenly questioning who her best friends are and some people at school are saying she's not black enough. Wait, what? Shay's sister, Hana, is involved in Black Lives Matter, but Shay doesn't think that's for her. After experiencing a powerful protest, though, Shay decides some rules are worth breaking. She starts wearing an armband to school in support of the Black Lives movement. Soon everyone is taking sides. And she is given an ultimatum. Shay is scared to do the wrong thing (and even more scared to do the right thing), but if she doesn't face her fear, she'll be forever tripping over the next hurdle. Now that's trouble, for real"--

Speak Laurie Halse Anderson 2011-05-10 The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

Hearts Unbroken Cynthia Leitich Smith 2018-10-09 New York Times best-selling author Cynthia Leitich Smith turns to realistic fiction with the thoughtful story of a Native teen navigating the complicated, confusing waters of high school – and first love. her up with Joey Kairouz, the ambitious new photojournalist, and in no time the paper's staff find themselves with a major story to cover: the school musical director's inclusive approach to casting *The Wizard of Oz* has been provoking backlash in their mostly white, middle-class Kansas town. From the newly formed Parents Against Revisionist Theater to anonymous threats, long-held prejudices are being laid bare and hostilities are spreading against teachers, parents, and students – especially the cast members at the center of the controversy, including Lou's little brother, who's playing the Tin Man. As tensions mount at school, so does a romance between Lou and Joey – but as she's learned, "dating while Native" can be difficult. In trying to protect her own heart, will Lou break Joey's?

The Carousel Belva Plain 2011-04-06 In public, Oliver Grey is a devoted father, prominent public figure, humanitarian, and respected businessman. But in private, there's a much darker side to Oliver Grey; a side so dark that someone is driven to kill him... Though the Greys appear to be an enviable upper class family, they are not without problems. Ian, the older son, is a womanizer and compulsive gambler; Clive, the younger son, is an odd man barely five feet tall with no life outside his work as an accountant; and Amanda, Oliver's niece, whom he raised after her parents died in a plane crash, has been twice divorced and has had a difficult life. Dan, Amanda's brother, is the only Grey who appears to have no problems—except with his six-year-old daughter Caroline, whose behavior reminds him more and more of his troubled sister Amanda. The trouble had started with Oliver Grey's decision to divide his nationally known business, Grey's Food, among Ian, Clive, and Dan. Amanda, bitter about being left out of the business, arrives from California to straighten out her financial holdings in the company. On a visit to Ellen, Dan's wife, Amanda sees a silver carousel much like the one Oliver gave her when she was a child. Ellen says the carousel was a gift to Caroline from Oliver. Amanda breaks down and tells Ellen that Oliver had given her the carousel to keep her from telling the truth about the unspeakable things he had done to her. Ellen, horrified by this revelation, finally understands why her daughter has been acting so strangely

and why a therapist had raised the possibility that Caroline may have been sexually abused. Ellen goes to Oliver Grey's home that evening to confront him. And when she leaves he is dead. Belva Plain breaks new ground in this stunning new novel. A family drama with a strong strain of mystery, *The Carousel* confirms her standing as one of today's most compelling and popular writers.

Finding Freedom Erin French 2021-04-06 ****New York Times Bestseller**** From Erin French, owner of the critically acclaimed The Lost Kitchen, a TIME world dining destination, a life-affirming memoir about survival, renewal, and finding a community to lift her up Long before The Lost Kitchen became a world dining destination with every seating filled the day the reservation book opens each spring, Erin French was a girl roaming barefoot on a 25-acre farm, a teenager falling in love with food while working the line at her dad's diner and a young woman finding her calling as a professional chef at her tiny restaurant tucked into a 19th century mill. This singular memoir—a classic American story—invites readers to Erin's corner of her beloved Maine to share the real person behind the “girl from Freedom” fairytale, and the not-so-picture-perfect struggles that have taken every ounce of her strength to overcome, and that make Erin's life triumphant. In Finding Freedom, Erin opens up to the challenges, stumbles, and victories that have led her to the exact place she was ever meant to be, telling stories of multiple rock-bottoms, of darkness and anxiety, of survival as a jobless single mother, of pills that promised release but delivered addiction, of a man who seemed to offer salvation but in the end ripped away her very sense of self. And of the beautiful son who was her guiding light as she slowly rebuilt her personal and culinary life around the solace she found in food—as a source of comfort, a sense of place, as a way of bringing goodness into the world. Erin's experiences with deep loss and abiding hope, told with both honesty and humor, will resonate with women everywhere who are determined to find their voices, create community, grow stronger and discover their best-selves despite seemingly impossible odds. Set against the backdrop of rural Maine and its lushly intense, bountiful seasons, Erin reveals the passion and courage needed to invent oneself anew, and the poignant, timeless connections between food and generosity, renewal and freedom.

Through Ilissa, Nora is introduced to a whole new world - a world of unbelievable decadence and riches where time is meaningless and everyone is beautiful. And Nora herself feels different: more attractive; more talented; more popular... Yet something doesn't quite ring true: was she really talking to Oscar Wilde at Ilissa's party last night? Or transported from New York to Paris in the blink of an eye? It is only when Ilissa's son, Raclin, asks Nora to marry him that the truth about her new friends becomes apparent. By then, though, it's too late, and Nora realises she may never be able to return to the world, and the life, she knew before. If she is to escape Raclin and Ilissa's clutches, her only hope is the magician Aruendiel. A grim, reclusive figure with a biting tongue and a shrouded past, he might just teach her what she needs to survive and perhaps even make it home: the art of real magic. The Things We Cannot Say Kelly Rimmer 2019-03-19 Now a New York Times bestseller! From the author of *Truths I Never Told You*, *Before I Let You Go*, and the *The Warsaw Orphan*, Kelly Rimmer's powerful WWII novel follows a woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. Keep tissues handy."—*Fresh Fiction* "Fans of *The Nightingale* and *Lilac Girls* will adore *The Things We Cannot Say*." —Pam Jenoff, *New York Times* bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. *The Things We Cannot Say* is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Your Face in Mine Jess Row 2014-08-14 An award-winning writer delivers a poignant and provocative novel of identity, race and the search for belonging in the age of globalization. One afternoon, not long after Kelly Thorndike has moved back to his hometown of Baltimore, an African American man he doesn’t recognize calls out to him. To Kelly’s shock, the man identifies himself as Martin, who was one of Kelly’s closest friends in high school—and, before his disappearance nearly twenty years before, skinny, white, and Jewish. Martin then tells an astonishing story: After years of immersing himself in black culture, he’s had a plastic surgeon perform “racial reassignment surgery”—altering his hair, skin, and physiognomy to allow him to pass as African American. Unknown to his family or childhood friends, Martin has been living a new life ever since. Now, however, Martin feels he can no longer keep his new identity a secret; he wants Kelly to help him ignite a controversy that will help sell racial reassignment surgery to the world. Kelly, still recovering from the death of his wife and child and looking for a way to begin anew, agrees, and things quickly begin to spiral out of control. Inventive and thought-provoking, Your Face in Mine is a brilliant novel about cultural and racial alienation and the nature of belonging in a world where identity can be a stigma or a lucrative brand.

Ship of Fools Tucker Carlson 2019-10-01 The #1 New York Times bestseller from FOX News star of Tucker Carlson Tonight offers “a targeted snipe at the Democrats and Republicans and their elite enablers” (New York Journal of Books) in a funny political commentary on how America’s ruling class has failed everyday Americans. “Informal and often humorous...an entertainingly told narrative of elite malfeasance” (Publishers Weekly), Tucker Carlson’s Ship of Fools tells the truth about the new American elites, a group whose power and wealth has grown beyond imagination even as the rest of the country has withered. The people who run America now barely interact with it. They fly on

their own planes, ski on their own mountains, watch sporting events far from the stands in sky boxes. They have total contempt for you. In *Ship of Fools*, Tucker Carlson offers a blistering critique of our new overlords and answers the all-important question: How do we put the country back on course? Traditional liberals are gone, he writes. The patchouli-scented hand-wringers who worried about whales and defended free speech have been replaced by globalists who hide their hard-edged economic agenda behind the smokescreen of identity politics. They'll outsource your job while lecturing you about transgender bathrooms. Left and right, Carlson says, are no longer meaningful categories in America. "The rift is between those who benefit from the status quo, and those who don't." Our leaders are fools, Carlson concludes, "unaware that they are captains of a sinking ship." But in the signature and witty style that viewers of Tucker Carlson Tonight enjoy so much, *Ship of Fools* is "bulging with big and interesting ideas, presented succinctly with wit and precision, each chapter a potential book in itself" (The Washington Times).
