Cooking for Geeks Jeff Potter 2010-07-20 Presents recipes ranging in difficulty with the science and technology-minded cook in mind, providing the science behind cooking, the physiology of taste, and the techniques of molecular gastronomy.

Ink & Sigil Kevin Hearne 2020-08-25 New York Times bestselling author Kevin Hearne returns to the world of his beloved Iron Druid Chronicles in a spin-off series about an eccentric master of rare magic solving an uncanny mystery in Scotland. "A terrific kick-off of a new, action-packed, enchantingly fun series."—Booklist Al MacBharra is both blessed and cursed. He is blessed with an extraordinary white moustache, an appreciation for craft cocktails—and a most unique magical talent. He can cast spells with magically enchanted ink and he uses his gifts to protect our world from rogue minions of various pantheons, especially the Fae. But he is also cursed. Anyone who hears his voice will begin to feel an inexplicable hatred for Al, so he can only communicate through the written word or speech apps. And his apprentices keep dying in peculiar freak accidents. As his personal life crumbles around him, he devotes his life to his work, all the while trying to crack the secret of his curse. But when his latest apprentice, Gordie, turns up dead in his Glasgow flat, Al discovers evidence that Gordie was living a secret life of crime. Now Al is forced to play detective—while avoiding actual detectives who are wondering why death seems to always follow Al. Investigating his apprentice's death will take him through Scotland's magical underworld, and he'll need the help of a mischievous hobgoblin if he's to survive.

Extreme Metal Keith Kahn-Harris 2007 Includes interviews with band members and fans, from countries ranging from the UK and US to Israel and Sweden, this book demonstrates the power and subtlety of an often surprising and misunderstood musical form. It draws on first-hand research to explore the global extreme metal scene.

Thing Explainer Randall Munroe 2017-10-05 From the No. 1 bestselling author of What If? - the man who created xkcd and explained the laws of science with cartoons - comes a series of brilliantly simple diagrams ('blueprints' if you want to be complicated about it) that show how important things work: from the nuclear bomb to the biro. It's good to know what the parts of a thing are called, but it's much more interesting to know what they do. Richard Feynman once said that if you can't explain something to a first-year student, you don't really get it. In Thing Explainer, Randall Munroe takes a quantum leap past this: he explains things using only drawings and a vocabulary of just our 1,000 (or the ten hundred) most common words.

Many of the things we use every day - like our food-heating radio boxes ('microwaves'), our very tall roads ('bridges'), and our computer rooms ('datacentres') - are strange to us. So are the other worlds around our sun (the solar system), the big flat rocks we live on (tectonic plates), and even the stuff inside us (cells). Where do these things come from? How do they work? What do they look like if you open them up? And what would happen if we heated them up, cooled them down, pointed them in a different direction, or pressed this button? In *Thing Explainer*, Munroe gives us the answers to these questions and many, many more. Funny, interesting, and always understandable, this book is for anyone -- age 5 to 105 -- who has ever wondered how things work, and why.

We Sold Our Souls Grady Hendrix 2018-09-18 “A gloriously over-the-top scare fest that has hidden depths. Readers will root for Kris all the way to the explosive, poignant finale.”—Publishers Weekly From the New York Times best-selling author of *The Southern Book Club’s Guide to Slaying Vampires*. Only a girl with a guitar can save us all. Every morning, Kris Pulaski wakes up in hell. In the 1990s she was lead guitarist of Dürt Würk, a heavy-metal band on the brink of breakout success until lead singer Terry Hunt embarked on a solo career and rocketed to stardom, leaving his bandmates to rot in obscurity. Now Kris works as night manager of a Best Western; she’s tired, broke, and unhappy. Then one day everything changes—a shocking act of violence turns her life upside down, and she begins to suspect that Terry sabotaged more than just the band. Kris hits the road, hoping to reunite Dürt Würk and confront the man who ruined her life. Her journey will take her from the Pennsylvania rust belt to a celebrity rehab center to a satanic music festival. A spine-tingling horror novel, *We Sold Our Souls* is an epic journey into the heart of a conspiracy-crazed, pill-popping, paranoid country that seems to have lost its very soul.

Hellraisers Axl Rosenberg 2017-10-24 Take a journey through the history of metal music from its earliest roots with Led Zeppelin and Black Sabbath to its popular modern incarnations like experimental black metal, stoner doom, and djent. From AC/DC and Anthrax to Meshuggah and Mastodon, this is a superfan's-eye-view exploration of metal’s most innovative and hardcore sounds that can be heard around the world. Co-authored by Axl Rosenberg and Chris Krovatin of the hugely popular blog metalsucks.com, this is a visually dynamic history, complete with exclusive band interviews, over 200 photos, genre-by-genre playlists, and plenty more to keep you throwing horns all night long.

Occupational Outlook Handbook United States. Bureau of Labor Statistics 1976

Lords of Chaos Michael Moynihan 2003-11-01 “* * * * *! The most incredible story in the history of music ... a heavyweight book.”—Kerrang! “An unusual combination of true crime journalism, rock and roll reporting and underground obsessiveness, *Lords of Chaos* turns into one of the more fascinating reads in a long time.”—Denver Post A narrative feature film based on this award-winning book has just gone into production.

The Stick Book Fiona Danks 2013-03-01 The stick is a universal toy. Totally natural, all-purpose, free, it offers limitless opportunities for outdoor play and adventure and it provides a starting point for an active imagination and the raw material for transformation into almost anything! As New York's Strong National Museum of Play pointed out when they selected a stick for inclusion in their National Toy Hall of Fame, 'It can be a Wild West horse, a medieval knight's sword, a boat on a stream, or a slingshot with a rubber band . . .' In this book Fiona Danks and Jo Schofield offer masses of suggestions for things to do with a stick, in the way of adventures and bushcraft, creative and imaginative play, games, woodcraft and conservation, music and more.

Nothin' But a Good Time Tom Beaujour 2021-03-16 The New York Times Bestseller The Explosive National Bestseller "A backstage pass to the wildest and loudest party in rock history—you'll feel like you were right there with us!" —Bret Michaels of Poison Nothin' But a Good Time is the definitive, no-holds-barred oral history of 1980s hard rock and hair metal, told by the musicians and industry insiders who lived it. Hard rock in the 1980s was a hedonistic and often intensely creative wellspring of escapism that perfectly encapsulated—and maybe even helped to define—a spectacularly over-the-top decade. Indeed, fist-pumping hits like Twisted Sister's "We're Not Gonna Take It," Mötley Crüe's "Girls, Girls, Girls," and Guns N' Roses' "Welcome to the Jungle" are as inextricably linked to the era as Reaganomics, PAC-MAN, and E.T. From the do-or-die early days of self-financed recordings and D.I.Y. concert productions that were as flashy as they were foolhardy, to the multi-Platinum, MTV-powered glory years of stadium-shaking anthems and chart-topping power ballads, to the ultimate crash when grunge bands like Nirvana forever altered the entire climate of the business, Tom Beaujour and Richard Bienstock's Nothin' But a Good Time captures the energy and excess of the hair metal years in the words of the musicians, managers, producers, engineers, label executives, publicists, stylists, costume designers, photographers, journalists, magazine publishers, video directors, club bookers, roadies, groupies, and hangers-on who lived it. Featuring an impassioned foreword by Slipknot and Stone Sour vocalist and avowed glam metal fanatic Corey Taylor, and drawn from over two hundred author interviews with members of Van Halen, Mötley Crüe, Poison, Guns N' Roses, Skid Row, Bon Jovi, Ratt, Twisted Sister, Winger, Warrant, Cinderella, Quiet Riot and others, as well as Ozzy Osbourne, Lita Ford, and many more, this is the ultimate, uncensored, and often unhinged, chronicle of a time where excess and success walked hand in hand, told by the men and women who created a sound and style that came to define a musical era—one in which the bands and their fans went looking for nothin' but a good time...and found it.

The CollegeHumor Guide to College Amir Blumenfeld 2006 A collection of columns from CollegeHumor.com sheds a humorous light on student life at college, offering advice on a wide variety of topics, from drinking and dating to parents and roommates.

Headbangers 2015-09-29 "Headbangers" is the rockin' work of Danish photographer Jacob Ehrbahn, and a collaboration with dedicated heavy metal fans discovered at European metal festivals such as Denmark's Copenhell, Germany's Wacken Open Air, and Sweden's Metaltown. Heavy metal fans go totally berserk when listening to their music. Some shake their heads violently from side to side and back and forth, while others go all in and flail their entire bodies in time to the blast beats. In this collection Ehrbahn's camera stops time and captures the moment of rapture headbangers experience at the pinnacle of their delight. Like a slow motion car crash or explosion, Ehrbahn finds the beauty in the chaos. When

Downloaded from avenza-dev.avenza.com
on October 1, 2022 by guest

photographing, Ehrbahn rolls up his sleeves and gets in close. Witness headbangers in real live action and enter their intimate world disconnected from time and space. There is a universe where one might transcend the frenzy and experience an altered state that brings calm, joy, and relief--states of mind which appear to be a stark contrast to the fierce music and their wild physicality.

Tangle Art and Drawing Games for Kids Jeanette Nyberg 2016-02-25 *Tangle Art and Drawing Games for Kids* is perfect for families who want to sneak a little more creativity into their lives and have fun doing it. It's about exploring, experimenting, and getting lost in creativity. It's not focused on goals, but on enjoying the process. Professional artist Jeanette Nyberg brings to life 46 drawing games that offer playful, easy ways to get a pen moving across a page, help keep the mind focused, and provide hours of edifying entertainment. Move through the book at your own pace. Start with basic drawing games, followed by a section of activities that can be done with friends, then work with some mixed-media activities, and end with awesome tangle art games. Each activity includes ideas for how to "Make it Silly," and ways to vary the themes so you can play the games over and over. Families will make exciting discoveries, find creative ways to spend their time, master visual and manual skills, and most importantly, have fun!

Fucked Up + Photocopied Bryan Ray Turcotte 1999 Raw, brazen and totally intense, *Fucked Up + Photocopied* is a collection of frenetic flyers produced for the American punk scene between 1977 and 1985. Many were created by the musicians themselves, and demonstrate the punk scene's emphasis on individuality and the manic urge of its members to destroy and create things anew. One glance is all that's needed to sense the fury of live performances by bands such as Black Flag, the Dead Kennedys and The Minutemen.

Tattoo Art Coloring Book Lark Crafts 2016-03-01 These 90 magnificent designs from elaborately detailed elephants to skulls, dragons, and eagles just beg to be colored in. Use them for meditative downtime . . . or to inspire a real tattoo! "

Denim and Leather Michael Hann 2022-02-24 In the late 1970s, aggressive, young bands are forming across Britain. Independent labels are springing up to release their music. But this isn't the story of punk. Forget punk. Punk was a flash in the pan compared to this. This is the story of the New Wave of British Heavy Metal, a musical movement that changed the world. From this movement - given the unwieldy acronym NWOBHM - sprang streams that would flow through metal's subsequent development. Without NWOBHM there is no thrash metal, no death metal, no black metal. Without the rise of Iron Maiden, NWOBHM's standard bearers, leading the charge to South America and to South Asia, metal's global spread is slower. Without the NWOBHM bands - who included Def Leppard, Motorhead, Judas Priest, Diamond Head and many others - the international uniform of heavy metal - the 'battle jacket' of a denim jacket with sleeves ripped off, and covered with patches (usually sewn on by the wearer's mum), worn over a leather biker jacket - does not exist: 'Denim and leather brought us all together,' as Saxon put it. No book has ever gathered together all the principals of British heavy rock's most fertile period: Jimmy Page, Rick Allen, Michael Schenker, Robert John 'Mutt' Lange, Ritchie Blackmore, Rick Savage, Phil Collen, David Coverdale, Cronos, Biff Byford, Joe Elliott, Rob Halford, Ian Gillan, Phil Mogg, Robert Plant, Tony Wilson, Lars Ulrich, Pete Waterman to name a few. In *Denim and Leather*, these stars tell their own stories - their brilliant, funny tales of hubris and disaster, of ambition and success - and chart how, over a

handful of years from the late 1970s to the early 1980s, a group of unlikely looking blokes from the provinces wearing spandex trousers changed heavy music forever. This is the definitive story about the greatest days of British heavy rock.

White Line Fever Lemmy Kilmister 2004-01-01 One of music's most notorious frontmen leads a headbanging, voyeuristic odyssey into sex, drugs, and rock 'n' roll that rivals Motley Crue's *The Dirt* and Aerosmith's *Walk This Way*. He made Keith Richards look like a choirboy and Mick Jagger look like a nun. And as the head of the legendary band Motorhead, he ploughed his way through so many drugs, so many women, and so much alcohol, that he gave a whole new meaning to the term Debauchery. And he changed the face of music, conquering the rock world with such songs as "Ace of Spades," "Bomber," and "Overkill" and inventing a whole new form of music--speed metal. At the age of 57, Lemmy Kilmister remains a rock icon, both for his monumental talent and his hedonistic lifestyle. In *White Line Fever*, he recounts his incredible, pleasure-filled, and death-defying journey through music history. Born on Christmas Eve, 1945, in Wales, to a vicar and a librarian, Ian Fraser Kilmister learned early, he as he forthrightly puts it, "what an incredible pussy magnet guitars were." A teenager at the birth of rock 'n' roll, Lemmy idolized Elvis and Buddy Holly and soon joined a band of his own. He would eventually head to London, where he became a roadie for Jimi Hendrix, played in Opal Butterfly, and joined space rockers Hawkwind's lineup in 1971. Four years later, speedfreak Lemmy was fired from the band for doing the wrong drugs. Vowing to form the "dirtiest rock 'n' roll band in the world," he formed Motorhead, arguably the heaviest and loudest heavy metal band to ever take the stage. During their twenty-seven-year history, Motorhead would go on to release twenty-one albums, including the #1 record *No Sleep 'Til Hammersmith* and would earn a Grammys nomination. Lemmy would also cheat death on more than one occasion, most notoriously in 1980, when his doctor told him, "I cannot give you a blood transfusion because normal blood will kill you...and your blood would kill another human being, because you're so toxic." But through more than two decades of notorious excess, Lemmy has lived to tell the warts-and-all tale of a life lived over the edge. *White Line Fever*, a tour of overindulgence, metal, and the search for musical integrity, offers a sometimes hilarious, often outrageous, and always unbridled ride with the leader of the loudest rock band in the world.

81 Fresh & Fun Critical-thinking Activities Laurie Rozakis 1998 Help children of all learning styles and strengths improve their critical thinking skills with these creative, cross-curricular activities. Each engaging activity focuses on skills such as recognizing and recalling, evaluating, and analyzing.

The Black Metal Coloring Book Billy Chainsaw 2018-07-10 From underground sensation to Hollywood film and now a coloring book -- *The Black Metal Coloring book* will paint it all black.

Country Music Fun Time Activity Book Aye Jay 2009-10 Sure to elicit an "aw shucks" from fans of old country legends and new tabloid faves, this whimsical book moseys through a variety of classic activities, such as connect-the-dots, coloring, and simple puzzles. Cowboys and girls with a loaded six-shooter of crayons can help Willie Nelson escape the taxman's maze, outline Billy Ray Cyrus's mullet, insert a hat on Dwight Yoakam's head, and draw Dolly Parton's notorious curves.

Heavy Metal Fun Time Activity Book Aye Jay Morano 2007-06-09 From the creator of the bestselling Gangsta Rap Coloring Book comes a new activity book for kids and kids at heart - all the fun of a heavy metal parking lot without all the moshing and beer stains on your favourite band T shirt. With a foreword by party anthem master Andrew WK, the book gives headbangers the chance to colour legends like Metallica, Danzig and Panter; help get Spinal Tap through a backstage maze; complete the Black Metal word scramble and hair metal crossword and so much more!

Coloring for Grown-Ups Ryan Hunter 2012-10-30 The one that started it all, Coloring for Grown-Ups is the first in this famed internet duos hilarious series of coloring books that combines the mindless fun of coloring with the mind-numbing realities of modern adulthood. The perfect gift for anyone looking to escape the stress of adulthood. With over 150 videos and 65 million Youtube views to their credit, Ryan Hunter and Taige Jensen know how to make people laugh. Their YouTube video, "Hipster Olympics" racked up nearly four million views, and their hit "The Walken Dead" has been viewed over 1.3 million times. In the first in a series of hilarious coloring books for adults, the duo put their prolific creative talents to work in Coloring for Grown-Ups. The artwork may resemble that of a children's activity book, but look closer. Offering an ironic look at the stereotypes, habits, and challenges of modern adulthood, Coloring for Grown-Ups is darkly humorous and fun for any occasion—the perfect stocking stuffer for reluctant adults of any age. Perfect for: • White elephant gifts • Funny gifts • Coloring gifts • Gag gifts • Christmas gifts

Heavy Metal Pizza Party (Suspicious Activity Book) Wolfgang Parker 2016-09-29 Are you ready for face-melting Heavy Metal fun and mystery?The Crime Cats Suspicious Activity Book is packed full of super-rad activities that can be played alone, with your friends, or even with your whole family-it's up to you! In this book, YOU team up with the Chicken-Boy of Clintonville and his partners, cat detectives CatBob and Neil Higgins, to solve puzzles, master mazes, draw, and even become the author of your very own Crime Cats mystery!

Metal Cats Alexandra Crockett 2014-05-13 Skulls and Siamese. Corpse paint and Persians. Baphomet, pentagrams, blood, and tabbies! Metal Cats combines two amazing subjects: the extreme personalities of the hardcore metal music scene and their adorable kitties. These incredibly cute and fluffy felines have been photographed with their loving owners in and around the dark abodes of musicians, fans, and promoters of metal including members of the bands Black Goat, Thrones, Isis, Lightning Swords of Death, Book of Black Earth, Skarp, Harassor, Akimbo, Aldebaran, Atriarch, Oak, Ghoul, Ludicra, Holy Grail, Xasthur, Cattle Decapitation, Murder Construct, Exhumed, Morbid Angel, Municipal Waste, Skeletonwitch, Gypsyhawk, Nausea, Phobia, and Napalm Death. Metal isn't all dark and disturbing, violent and misanthropic. Metal Cats is proof that while the music may be brutal, the people in the scene are softies for their pets just like you and me... A portion of the proceeds from this book and a series of benefit shows held along the West Coast will go towards one no-kill shelter in each of the four main cities visited.

Strengthening Forensic Science in the United States National Research Council 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the

reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Out of My Mind Sharon M. Draper 2012-05 Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

Fahrenheit 451 Ray Bradbury 1951 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

A Wrinkle in Time Madeleine L'Engle 2019-07-18 *A Wrinkle in Time* is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

What to Expect When You're Expected David Javerbaum 2009-10-13 This new second edition is filled with the latest, most accurate wombhood information, including comforting answers to hundreds of questions, such as • "My mother just took a sip of white wine. Am I going to end up looking like some Chernobyl baby now?" • "So far Mommy is spending most of her pregnancy in a state of stress, anxiety, and depression. Which one should she focus on?" • "I'm kicking as hard as I can, but Mom says it feels like 'butterflies fluttering.' Am I doing something wrong?" • "Why do my parents blast Mozart at me every night right when I'm trying to sleep?!?" • "To the nearest hundred, how many people should Mommy invite to my birth?"

Mosh Potatoes Steve Seabury 2010-11-16 Divided into "Opening Acts" (appetizers), "Headliners" (entrees), and "Encores" (desserts), *Mosh Potatoes* features 147 recipes that every rock 'n' roll fan will want to devour—including some super-charged Spicy Turkey Vegetable Chipotle Chili from Ron Thal of Guns N' Roses, Orange Tequila Shrimp from Joey

Belladonna of Anthrax (complete with margarita instructions), Italian Spaghetti Sauce and Meatballs from Zakk Wylde of Black Label Society (a homemade family dish), Krakatoa Surprise from Lemmy of Motörhead (those who don't really like surprises may want to keep a fire extinguisher handy), and Star Cookies from Dave Ellefson of Megadeth. Mosh Potatoes comes with a monster serving of backstage stories and liner notes, making this ideal for young headbangers, those who still maintain a viselike grip on the first Black Sabbath album, and everyone who likes to eat.

you want and treasure, frame, and display the final art.

The Light Fantastic Terry Pratchett 2000-02-02 Terry Pratchett's profoundly irreverent novels are consistent number one bestsellers in England, where they have garnered him a revered position in the halls of parody next to Mark Twain, Kurt Vonnegut, Douglas Adams, and Carl Hiaasen. In *The Light Fantastic* only one individual can save the world from a disastrous collision. Unfortunately, the hero happens to be the singularly inept wizard Rincewind, who was last seen falling off the edge of the world...

Gangsta Rap Coloring Book Aye Jay Morano 2004-01-11 The title of the book says it all. 48 pages of line-drawings of Gangsta rappers, done with the black line we all remember from the colouring books of our youth. the juxtaposition of the outlaw image of the rappers with the childlike innocence of a colouring book makes for an instant laugh. in a smaller self-published edition, the book was an immediate hit with the few people who were able to see it. Now expanded from 20 to 48 pages, the book includes all of the top rappers, and their underground peers.

As Heavy As It Gets Jupiter Kids 2016-01-23 Activity books give a child their first interaction with paper-based learning materials. This is a very good start because in the era of technology, it can be difficult to encourage a child to hold a book unless it's very interesting. That is why this activity book has been created specifically for young learners. It has a combination of challenging activities and an effective layout to encourage self-paced learning.

Sound of the Beast Ian Christe 2010-09-07 The definitive history of the first 30 years of heavy metal, containing over 100 interviews with members of Black Sabbath, Metallica, Judas Priest, Twisted Sister, Slipknot, Kiss, Megadeth, Public Enemy, Napalm Death, and more. More than 30 years after Black Sabbath released the first complete heavy metal album, its founder, Ozzy Osbourne, is the star of *The Osbournes*, TV's favourite new reality show. Contrary to popular belief, headbangers and the music they love are more alive than ever. Yet there has never been a comprehensive book on the history of heavy metal - until now. Featuring interviews with members of the biggest bands in the genre, *Sound of the Beast* gives an overview of the past 30-plus years of heavy metal, delving into the personalities of those who created it. Everything is here, from the bootlegging beginnings of fans like Lars Ulrich (future founder of Metallica) to the sold-out stadiums and personal excesses of the biggest groups. From heavy metal's roots in the work of breakthrough groups such as Black Sabbath and Led Zeppelin to MTV hair metal, courtroom controversies, black metal murderers and Ozzfest, *Sound of the Beast* offers the final word on this elusive, extreme, and far-reaching form of music.

The Executive Coloring Book Marcie Hans 2017-03-28 The original adult coloring book! A New York Times bestseller when it was originally published in 1961, *The Executive Coloring Book* is crashing the adult coloring book party with its subversive humor. "This is me. I am an executive. Executives are important. They go to important offices and do important things. Color my underwear important." So begins the dangerously funny classic, *The Executive Coloring Book*. Originally published more than fifty years ago, this brief and brilliant coloring book skewers the early sixties executive set. If *Mad Men* made them look glamorous, *The Executive Coloring Book* casts them in a different hue and invites everyone in on the joke.
