The Daily Show (The Book) Chris Smith 2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

House of Leaves Mark Z. Danielewski 2000-03-07 “A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when

House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

New York Times bestseller examines the legacy of slavery in America—and how both history and memory continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

The House of Many Windows John Robert Allen 2011-09-21 What is a mastermind? *The House of Many Windows* is a story of one man's life and his journey to become a millionaire. Wallace Paine was born in the late 1800s. His grandmother led a psychotic life that ultimately affected the entire family. From Wallace's early childhood to his death in 1919, he maneuvered his way at a young age into owning a newspaper company called the *Weekly Page*. He had a keen way of working with Eastman Kodak Company, Ford Motor Company, Standard Optical Company, and founded the first Wire Wheel Company. Being impressed with Frank Lloyd Wright, Wallace built a prototype prairie style home in the Finger Lakes Region of New York State. Wallace used his sociopathic personality to have those around him enter into sex, deceit, greed, murders, and wealth. From the shooting of President William McKinley at the Pan-American Exposition in 1901 to the last years of Mr. Paine's life in the Finger Lakes, *The House of Many Windows* is a glimpse into the corrupt business dealings in the Orient to life in a small city. Architecture, money, and dishonesty drive the characters to his unknown past when Wallace Paine suddenly dies of pneumonia shortly after the 1918 influenza epidemic.

House of Windows John Langan 2017-07-11 The haunting debut novel by the Bram Stoker Award-winning author—"think Henry James and Joyce Carol Oates with just a few paragraphs of Joe Lansdale" (Tor.com). For the last few years, Veronica Croydon has been at the center of scandal, first as the younger woman for whom her famous professor left his wife, and then as his apparent widow. When a writer staying at the same vacation home as Veronica has the chance to hear her story, he jumps at it. What follows takes him to the dark heart of a father's troubled relationship with his only son, in a story that stretches from the Hudson Valley to Afghanistan; and from post-9/11 America to Victorian England. *House of Windows* is a haunting exploration of a marriage under strain from forces both psychological and paranormal. With its combination of literary complexity and chilling supernatural violence, it is widely considered a masterpiece of contemporary horror fiction. New introduction by Adam Nevill Reading Group Guide included "John Langan is a writer of superb literary horror. Both *House of Windows* and *The Fisherman* are dark and unsettling contemporary masterpieces." —Peter Straub, New York Times bestselling author

The Pearl That Broke Its Shell Nadia Hashimi 2014-05-06 Afghan-American Nadia Hashimi's literary debut novel is a searing tale of powerlessness, fate, and the freedom to control one's own fate that combines the cultural flavor and emotional resonance of the works of Khaled Hosseini, Jhumpa Lahiri, and Lisa See. In Kabul, 2007, with a drug-addicted father and no brothers, Rahima and her sisters can only sporadically attend school, and can rarely leave the house. Their only hope lies in the ancient custom of bacha posh, which allows young Rahima to dress and be treated as a boy until she is of marriageable age. As a son, she can attend school, go to the market, and chaperone her older sisters. But Rahima is not the first in her family to adopt this unusual custom. A century earlier, her great-great grandmother, Shekiba, left orphaned by an epidemic, saved herself and built a new life the same way. Crisscrossing in time, *The Pearl the Broke Its Shell* interweaves the tales of these two women separated by a century who share similar destinies. But what will happen once Rahima is of marriageable age? Will Shekiba always live as a man? And if Rahima cannot adapt to life as a bride, how will she survive?

From the author of *Gods of Jade and Shadow* comes “a terrifying twist on classic gothic horror” (Kirkus Reviews) set in glamorous 1950s Mexico. After receiving a frantic letter from her newly-wed cousin begging for someone to save her from a mysterious doom, Noemí Taboada heads to High Place, a distant house in the Mexican countryside. She’s not sure what she will find—her cousin’s husband, a handsome Englishman, is a stranger, and Noemí knows little about the region. Noemí is also an unlikely rescuer: She’s a glamorous debutante, and her chic gowns and perfect red lipstick are more suited for cocktail parties than amateur sleuthing. But she’s also tough and smart, with an indomitable will, and she is not afraid: Not of her cousin’s new husband, who is both menacing and alluring; not of his father, the ancient patriarch who seems to be fascinated by Noemí; and not even of the house itself, which begins to invade Noemí’s dreams with visions of blood and doom. Her only ally in this inhospitable abode is the family’s youngest son. Shy and gentle, he seems to want to help Noemí, but might also be hiding dark knowledge of his family’s past. For there are many secrets behind the walls of High Place. The family’s once colossal wealth and faded mining empire kept them from prying eyes, but as Noemí digs deeper she unearths stories of violence and madness. And Noemí, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind. “It’s as if a supernatural power compels us to turn the pages of the gripping Mexican Gothic.”—The Washington Post “Mexican Gothic is the perfect summer horror read, and marks Moreno-Garcia with her hypnotic and engaging prose as one of the genre’s most exciting talents.”—Nerdist “A period thriller as rich in suspense as it is in lush ’50s atmosphere.”—Entertainment Weekly

For two decades, Zeba was a loving wife, a patient mother, and a peaceful villager. But her quiet life is shattered when her husband, Kamal, is found brutally murdered with a hatchet in the courtyard of their home. Nearly catatonic with shock, Zeba is unable to account for her whereabouts at the time of his death. Her children swear their mother could not have committed such a heinous act. Kamal’s family is sure she did, and demands justice. Barely escaping a vengeful mob, Zeba is arrested and jailed. As Zeba awaits trial, she meets a group of women whose own misfortunes have also led them to these bleak cells: thirty-year-old Nafisa, imprisoned to protect her from an honor killing; twenty-five-year-old Latifa, who ran away from home with her teenage sister but now stays in the prison because it is safe shelter; and nineteen-year-old Mezhgan, pregnant and unmarried, waiting for her lover’s family to ask for her hand in marriage. Is Zeba a cold-blooded

killer, these young women wonder, or has she been imprisoned, as they have been, for breaking some social rule? For these women, the prison is both a haven and a punishment. Removed from the harsh and unforgiving world outside, they form a lively and indelible sisterhood. Into this closed world comes Yusuf, Zeba's Afghan-born, American-raised lawyer, whose commitment to human rights and desire to help his motherland have brought him back. Arc of Justice Kevin Boyle 2007-04-01 An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from

slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.

The Book of Night Women Marlon James 2009-02-19 From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.

Sparks Like Stars Nadia Hashimi 2021-03-02 "Suspenseful...emotionally compelling. I found myself eagerly following in a way I hadn't remembered for a long time, impatient for the next twist and turn of the story."—NPR An Afghan American woman returns to Kabul to learn the truth about her family and the tragedy that destroyed their lives in this brilliant and compelling novel from the bestselling author of *The Pearl That Broke Its Shell*, *The House Without Windows*, and *When the Moon Is Low*. Kabul, 1978: The daughter of a prominent family, Sitara Zamani lives a privileged life in Afghanistan's thriving cosmopolitan capital. The 1970s are a time of remarkable promise under the leadership of people like Sardar Daoud, Afghanistan's progressive president, and Sitara's beloved father, his right-hand man. But the ten-year-old Sitara's world is shattered when communists stage a coup, assassinating the president and Sitara's entire family. Only she survives. Smuggled out of the palace by a guard named Shair, Sitara finds her way to the home of a female American diplomat, who adopts her and raises her in America. In her new country, Sitara takes on a new name—Aryana Shepherd—and throws herself into her studies, eventually becoming a renowned surgeon. A survivor, Aryana has refused to look back, choosing instead to bury the trauma and devastating loss she endured. New York, 2008: Thirty years after that fatal night in Kabul, Aryana's world is rocked again when an elderly patient appears in her examination room—a man she never expected to see again. It is Shair, the soldier who saved her, yet may have murdered her entire family. Seeing him awakens Aryana's fury and desire for answers—and, perhaps, revenge. Realizing that she cannot go on without finding the truth, Aryana embarks on a quest that takes her back to Kabul—a battleground between the corrupt government and the fundamentalist Taliban—and through shadowy memories of the world she loved and lost. Bold, illuminating, heartbreaking, yet hopeful, *Sparks Like Stars* is a story of home—of America and Afghanistan, tragedy and survival, reinvention and remembrance, told in Nadia Hashimi's singular voice.
