Japan the People Bobbie Kalman 2008-09 Learn about the country of Japan, how traditional and modern ways of life are blended, the challenges faced by Japanese society, and leisure activities.

Air Apaches Jay Stout 2019-02-01 Historian and aviator Jay Stout follows up his spellbinding account of the U.S. 303rd Bomb Group—Hell’s Angels—with the equally remarkable story of the Air Apaches in the Pacific. Air Apaches reconstructs the war of the 345th Bomb Group in impressively painstaking detail, capturing what it was like to be one of the young men flying low-level bombing and strafing missions and—if the missions weren’t dangerous enough—facing such challenges as kamikaze attacks and, if a pilot was shot down, primitive jungle conditions and a sword-brandishing enemy who did not treat downed airmen by the letter of the Geneva Convention. Air Apaches is more than the story of one unit in aerial combat in World War II. It is the story of men at war across all of history.

Art Smith Rachel Sherwood Roberts 2015-09-17 By 1915, pioneer aviator Art Smith was as celebrated as any movie star might be today. He thrilled audiences with his barnstorming feats, doing "death spirals," sky writing, "loop-the-loops," and night flights using phosphorus fireworks. He was a consummate showman and had he not died in 1926, his name probably would be familiar to most Americans. He glamorized and popularized aviation while testing the boundaries of aeronautical principles. As a boy he longed to fly before he had ever seen an airplane. His parents believed in him, and he was fortunate to have a best friend named Al Wertman who helped him build an airplane. His fame spread around the globe and in 1916, the Japanese offered him \$10,000 for a series of exhibitions. His flying skills inspired a young Wiley Post to a life of aviation. After Smith's death, when Lindbergh flew over Fort Wayne and dipped his wings, he gave credit to the "Bird Boy" Art Smith. The story of this rising star in American aviation is one of adventure, romance, scandal and history. Using Smith's own autobiographical writings, the story is also a factual account of events in early aviation. The book includes photographs and postcards in Art Smith's own handwriting mailed to Al Wertman.

Curbing Corruption in Asian Countries Jon S. T. Quah 2011-07-21 As corruption is a serious problem in many Asian countries their governments have introduced many anti-corruption measures since the 1950s. This book analyzes and evaluates the anti-corruption strategies employed in Hong Kong SAR, India, Indonesia, Japan, Mongolia, the Philippines, Singapore, South Korea, Taiwan, and Thailand.

Bang Chan Lauriston Sharp 2018-02-15 *Bang Chan* traces the changing cultural characteristics of a small Siamese village during the century and a quarter from its founding as a wilderness settlement outside Bangkok to its absorption into the urban spread of the Thai capital. Rich in ethnographic detail, the book sums up the major findings of a pioneering interdisciplinary research project that began in 1948. Changes in Bang Chan's social organization, technology, economy, governance, education, and religion are portrayed in the context of local and national developments.

Business Tokyo 1990

Intimacy and Reproduction in Contemporary Japan Genaro Castro-Vazquez 2016-07-01 This book presents an ethnographic investigation of intimate and reproductive behaviour in current Japanese society, grounded in the viewpoints of a group of Japanese mothers. It adopts a new approach in studying the decreasing fertility rates which are contributing to the ageing population in modern Japan. Based on the accounts of 57 married Japanese women, it employs symbolic interactionism as a framework to examine the various factors affecting decision-making on childbirth. The influence of Assisted Reproductive Technologies (ARTs), abortion and contraception in the daily interactions and experiences of the mothers are analysed to offer a new perspective on the Japanese demographic conundrum. With strong contextual information as the foundation, the book contributes fresh insight into how Japanese women perceive the idea of childbirth in a modernized society,

and also assists our understanding of the factors causing Japan's ageing population. Further, it places the mothers' experiences within current global debates to highlight the salience of the Japanese case. As the first book to provide an in-depth examination of the social process underpinning the decision to become a mother in Japan, it will appeal to students and scholars of Japanese culture and society, Gender Studies, and Sociology.

Super Cheap Japan Matthew Baxter 2017-12-10

The Good Luck Charm Helena Hunting 2018-08-07 Treat yourself to an "outrageously sexy" (Entertainment Weekly), "fabulously fun" (Jill Shalvis) second-chance romance from the New York Times bestselling queen of hockey romance! Lilah isn't sure what hurt worse: the day Ethan left her to focus on his hockey career or the day he came back eight years later. He might think they can pick up just where they left off, but she's no longer that same girl and never wants to be again. Ethan wants his glory days back. And that includes having Lilah by his side. With her, he was magic. They were magic. All he has to do is make her see that. Just when Lilah might finally be ready to let Ethan in, though, she finds out their reunion might have nothing to do with love and everything to do with improving his game. But Ethan's already lost her once, and even if it costs him his career, he'll do anything to keep from losing her again. "I couldn't stop turning the pages of this sexy, second-chance romance." -Amy E. Reichert, author of *The Coincidence of Coconut Cake* "Hunting sparkles in this well-plotted contemporary." -Publishers Weekly Included in POPSUGAR's "Hold On to the Hot Days of Summer With These 12 Sexy New Books!" iBooks' "Best of the Month" August 2018 Pick! Barnes & Noble Top Pick! Amazon's choice for "Best Romance of August!" "If you love rom-coms, don't miss this second-chance romance novel." -Hello Giggles What readers are saying about *The Good Luck Charm*... "Sexy rom-com at its finest!" "Helena Hunting is the queen of romantic comedy." "Easily my favorite book Ms. Hunting has written." "My fave read from Helena Hunting yet." "Just as good as the *Pucked* series." "This was awesome!" "Refreshing, light, swoony, and sexy."

Japan Through the Looking Glass Alan MacFarlane 2010-08-06 This entertaining and endlessly surprising book takes us on an exploration into every aspect of Japanese society from the most public to the most intimate. A series of meticulous investigations gradually uncovers the multi-faceted nature of a country and people who are even more extraordinary than they seem. Our journey encompasses religion, ritual, martial arts, manners, eating, drinking, hot baths, geishas, family, home, singing, wrestling, dancing, performing, clans, education, aspiration, sexes, generations, race, crime, gangs, terror, war, kindness, cruelty, money, art, imperialism, emperor, countryside, city, politics, government, law and a language that varies according to whom you are speaking. Clear-sighted, persistent, affectionate, unsentimental and honest - Alan Macfarlane shows us Japan as it has never been seen before.

Black Belt 1967-05 The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known marital arts figure in the world.

Billboard 1962-08-18 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Japan James Mak 1997-10-01 This collection of twenty-six essays furnishes concise explanations of everyday Japanese life in simplified economic terms. They begin with such questions as, Do Japanese live better than Americans? Why don't Japanese workers claim all their overtime? Why don't Japanese use personal checking accounts? Why do Japanese give and receive so many gifts? The essays are written in non-technical, accessible language intended for the undergraduate or advanced placement high school student taking an economics course or studying Japan in a social science course. The general reader will find the book a fascinating compendium of facts on Japanese culture and daily life.

Howls From the North Matthew Horgan 2014-03 This is a book for those who want to learn or own a Northern Breed dog. The information is transferable for all sled dog breeds but this book goes into details about these magnificent dogs you might walk by or maybe have seen on TV. We are experienced Northern Breed owners; our aims are to raise awareness and educate people about the breeds. In this book you will learn about the history and origins of the different sled dog breeds. Also we are highlighting great achievements that these dogs have made for the sake of humanity. As examples the great serum race to Nome, Alaska. Also the extreme training that these dogs have gone through for the war effort in both World War I and World War II. And some other true stories from other northern breed owners.

Cage of Eden Yoshinobu Yamada 2014-11-11 WHO TO TRUST? ? What was supposed to be humanity's last stronghold has crumbled without a trace, and the school kids are under siege by three different kinds of extinct creatures! With their backs against the wall, the real Miina suddenly reveals the creatures' specific weaknesses - details no modern human being should know! Is she telling the truth, or bluffing? Akira will decide which - and bet his own life!

One Thousand Days in Siberia Iwao Peter Sano 1999-03-01 Iwao Peter Sano, a California Nisei, sailed to Japan in 1939 to become an adopted son to his childless aunt and uncle. He was fifteen and knew no Japanese. In the spring of 1945, loyal to his new country, Sano was drafted in the last levy raised in the war. Sent through Korea to join the Kwantung Army in Manchuria, Sano arrived in Hailar, one hundred miles from the Soviet border, as the war was coming to a close. In the confusion that resulted when the war ended, Sano had the bad luck to be in a unit that surrendered to the Russians. It would be nearly three years before he was released to return to Japan. Sano's account of life in the POW and labor camps of Siberia is the story of a little-known part of the great conflagration that was World War II. It is also the poignant memoir of a man who was always an outsider, both as an American youth of Japanese ancestry and then as a young Japanese man whose loyalties were suspect to his new compatriots. Iwao Peter Sano returned to California in 1952 and is now a retired architect living in Palo Alto.

The Abacus and the Sword Peter Duus 1995-09-20 What forces were behind Japan's emergence as the first non-Western colonial power at the turn of the twentieth century? Peter Duus brings a new perspective to

Meiji expansionism in this pathbreaking study of Japan's acquisition of Korea, the largest of its colonial possessions. He shows how Japan's drive for empire was part of a larger goal to become the economic, diplomatic, and strategic equal of the Western countries who had imposed a humiliating treaty settlement on the country in the 1850s. Duus maintains that two separate but interlinked processes, one political/military and the other economic, propelled Japan's imperialism. Every attempt at increasing Japanese political influence licensed new opportunities for trade, and each new push for Japanese economic interests buttressed, and sometimes justified, further political advances. The sword was the servant of the abacus, the abacus the agent of the sword. While suggesting that Meiji imperialism shared much with the Western colonial expansion that provided both model and context, Duus also argues that it was "backward imperialism" shaped by a sense of inferiority vis-à-vis the West. Along with his detailed diplomatic and economic history, Duus offers a unique social history that illuminates the motivations and lifestyles of the overseas Japanese of the time, as well as the views that contemporary Japanese had of themselves and their fellow Asians.

Magic and Mystical Symbols Ernst Lehner 2004-05-01 Superb collection of signs and symbols associated with the supernatural traces man's evolution as an artist and designer. Includes 171 black-and-white images ranging from Egyptian representations of life, earth, and fertility to early-17th-century characterizations of the devil. Symbols from Roman, Greek, Chinese, Nordic, and Germanic civilizations are featured.

The Japanese and the War Michael Lucken 2017-02-28 Memories of World War II exert a powerful influence over Japan's culture and society. In *The Japanese and the War*, Michael Lucken details how World War II manifested in the literature, art, film, funerary practices, and education reform of the time. Concentrating on the years immediately before and after (1937 to 1952), Lucken explores the creation of an idea of Japanese identity that still resonates in everything from soap operas to the response to the Fukushima nuclear disaster. Lucken defines three distinct layers of Japan's memory of World War II: the population's expectations at the beginning, the trauma caused by conflict and defeat, and the politics of memory that arose after Japan lost to the Allied powers. Emphasizing Japanese-language sources, Lucken writes a narrative of the making of Japanese cultural memory that moves away from Western historical modes and perspectives. His approach also paints a new portrait of the U.S. occupation, while still maintaining a cultural focus. Lucken sets out to capture the many ways people engage with war, but particularly the full range of Japan's experiences, which, he argues, the Japanese state has yet to fully confront, leading to a range of tensions at home and abroad.
