The Art of Discarding Nagisa Tatsumi 2017-03-14 The book that inspired Marie Kondo's *The Life Changing Magic of Tidying Up*, Nagisa Tatsumi's international bestseller offers a practical plan to figure out what to keep and what to discard so you can get--and stay--tidy, once and for all. Practical and inspiring, *The Art of Discarding* (the book that originally inspired a young Marie Kondo to start cleaning up her closets) offers hands-on advice and easy-to-follow guidelines to help readers learn how to finally let go of stuff that is holding them back -- as well as sage advice on acquiring less in the first place. Author Nagisa Tatsumi urges us to reflect on our attitude to possessing things and to have the courage and conviction to get rid of all the stuff we really don't need, offering advice on how to tackle the things that pile up at home and take back control. By learning the art of discarding you will gain space, free yourself from "accumulation syndrome," and find new joy and purpose in your clutter-free life.

Less Rachel Aust 2018-06-12 Simplify life and amplify living by mastering the fundamentals of minimalism

through this visual guide to embracing a minimalist lifestyle. How can living with less contribute to a greater sense of fulfillment? It seems contradictory, yet the minimalist lifestyle, which focuses on scaling back your possessions and simplifying your life to just the essentials, achieves just that. Adopt minimal living, and you'll find that less is more: More time because you don't waste it caring for and organizing stuff. More space because you don't fill it with objects of marginal value. More money because you don't spend it on unnecessary things. More clarity because your mind isn't bogged down by the clutter around you. More enjoyment because your energy is spent on experiences and connections. Using decision trees, flow charts, icons, and other graphics, *Less* shows how minimalism can be applied to any area of life—including home, wardrobe, decor, cooking, cleaning, finances, and organizing your time—and how it can be adapted to suit your own goals and help you achieve your version of happiness.

[The Minimalist Home](#) Joshua Becker 2018-12-18 A popular minimalist blogger and author of *The More of Less* shows you how to methodically turn your home into a place of peace, contentment, and purposeful living. One of today's most influential minimalist advocates takes us on a decluttering tour of our own houses and apartments, showing us how to decide what to get rid of and what to keep. He both offers practical guidelines for simplifying our lifestyle at home and addresses underlying issues that contribute to over-accumulation in the first place. The purpose is not just to create a more inviting living space. It's also to turn our life's HQ—our home—into a launching pad for a more fulfilling and productive life in the world.

The Joy of Doing Nothing Rachel Jonat 2017-12-05 Fight back against busyness and celebrate the pleasure of doing nothing in this new guide that helps relieve stress and increase happiness in your life. In *The Joy of Doing Nothing* you'll discover how to step away from everything you think you have to do and learn to live a minimalist life. Rachel Jonat shares simple strategies to help you stop overscheduling, find time for yourself, and create moments of calm every day. You'll learn how to focus more on the important aspects of life, such as family and friends, and scale back your schedule to create more time in the day to care for yourself.

Spark Joy Marie Kondo 2020-08-20 Marie Kondo's first book, *The Life-Changing Magic of Tidying*, transformed the homes and lives of millions of people around the world. *Spark Joy* is her in-depth tidying

masterclass, a line-illustrated, room-by-room guide to decluttering and organising your home. It covers every room in the house - from the bedroom and kitchen to the bathroom and living room - as well as all the items that occupy their spaces. Charming line drawings explain how to organise your house and apply Marie Kondo's unique folding method to all your clothes, including shirts, trousers, jackets, skirts, socks and bras. The secret to Marie Kondo's unique and simple KonMari tidying method is to tidy by category and to focus on what you want to keep, not what you want to get rid of. Ask yourself if something 'sparks joy' and suddenly it becomes so much easier to understand if you really need it in your home and your life. Except tidying up is not just about transforming your home: when you surround yourself with things you love, you will find that your whole life begins to change.

Messy Minimalism Rachelle Crawford 2021-12-07 Think minimalism means a perfectly curated, always tidy home? Think again. Drowning in tides of toys, overflowing closets, and a crazy schedule, Rachelle Crawford assumed you had to be naturally organized to keep a tidy living space. Then she found minimalism: the messy, real-life kind, that is less about perfection and more about purpose. Thus began a journey toward decluttering her home, calendar, and soul. With empathy, grace, and humor, Crawford-- who curates the popular *Abundant Life with Less* site--shares doable ways to own less and live more fully. Laying out practical strategies for reducing waste, curbing consumption, decluttering, and finding lots more joy, Crawford offers no-nonsense solutions for the rest of us. Learn to become a more conscious consumer, create a capsule wardrobe, inspire family members to join you, free up more time for the things that matter, and create a tidy(ish) home. The messy minimalist way is a no-judgment zone, one in which we learn sustainable habits and grace-based practices. It's about living lightly on the earth and making room for purpose. Becoming a messy minimalist is not about turning into someone else; it's about clearing away clutter and expectations to unearth who you really are. It's about carrying fewer things so that we find ourselves holding onto what truly matters.

The Joy of Less Francine Jay 2010 aDo you ever feel overwhelmed, instead of overjoyed, by all your possessions? Do you secretly wish a gale force wind would blow the clutter from your home? If so, it's time to simplify your life! *The Joy of Less* is a fun, lighthearted guide to minimalist living.

The Joy of Minimalism Zoey Arielle Poulsen 2018-01-15 Minimalism and the simple life It's natural to love stuff! More than that, it's natural to love YOUR stuff. That notebook from 8th grade, your Disney VHS', mismatched socks. They all have sentimental value...and they all take up space. Author and YouTuber, Zoey Arielle, opens up about her struggle with loving all the things in life we bring home. A hoarder in disguise, Arielle has mastered the tools needed to embrace simplicity and the minimalist philosophy.

Minimalism guide: Zoey Arielle Poulsen's *The Joy of Minimalism* is the friendly guide you've been searching for as you embark on a life of simplicity. Life can stress anyone out. So, by embracing minimalism, you'll be saying goodbye to stress and everything that you never needed anyway. Discover a greater focus and true freedom as you live your new life with a real sense of gratitude for everything and everyone around you. Enjoy the simple life: In *The Joy of Minimalism* Poulsen shows you how to simplify the act of letting go while sharing her personal journey into this calmer sense of life. Beyond offering specific tips on transitioning, she also invites you to journal your new awakening. Minimalism is more than a movement or fad, it's a sense of happiness and practice that will bring you closer to your true self. *The Joy of Minimalism* teaches you to live better with less. You'll learn how to: Cherish the gift of giving Rediscover the freedom of owning less Embrace life and all the non-material things the world has to offer Master your own personal style for organizing and decluttering Celebrate your new life with a free mind

Minimalism for Families Zoë Kim 2017-10-24 Organizing your home and leading a minimalist lifestyle can seem like a daydream for busy families, but it's possible! Designed for families who want to declutter and embrace minimalism into their life and home, *Minimalism for Families* lays out a room-by-room strategy to conquer chaos and show your family how much more time, space, and energy you gain when you live with less.

Minimalism: Live a Meaningful Life Joshua Fields Millburn 2015-12-20 Minimalism is the thing that gets us past the things so we can make room for life's most important things—which actually aren't things at all. At age 30, best friends Joshua Fields Millburn & Ryan Nicodemus walked away from their six-figure corporate careers, jettisoned most of their material possessions, and started focusing on what's truly important. In their debut book, *Joshua & Ryan*, authors of the popular website *The Minimalists*, explore their troubled pasts and descent into depression. Though they had achieved the American Dream, they worked ridiculous hours, wastefully spent money, and lived paycheck to paycheck. Instead of discovering their passions, they pacified themselves with ephemeral indulgences—which only led to more debt, depression, and discontent. After a pair of life-changing events, Joshua & Ryan discovered minimalism, allowing them to eliminate their excess material things so they could focus on life's most important "things": health, relationships, passion, growth, and contribution.

The Joy of Less Francine Jay 2016 "The Joy of Less is a fun, easy-to-follow guide to minimalist living from bestselling decluttering expert Francine Jay,"--page [4] of cover.

The Simple Guide to a Minimalist Life Leo Babauta 2020-05-29 Minimalism does not mean going without. It means understanding all you need, to be the best version of you. Simplicity does not mean lack of. Simplicity means freedom.

Minimalist Living Made Simple Melissa J. Allport 2019-02-19 In today's world, can we try to say that less is more? Can we imagine our lives without surrounding ourselves with objects in a time absorbed by consumerism? If you are wondering what life can look like without constantly thinking about things, without an eternally messy apartment or a head with hundreds of problems - this short guide is just for you. Get

this book and join me through these few chapters and see if being a minimalist is just for you!

The Joy of Less, a Minimalist Living Guide: the Ultimate Guide to Conquering Your Clutter Warren Win
2021-09-10 We are facing an urgent climate crisis and we must all take action now. However, it can be difficult to know where to start when bombarded with overwhelming facts and statistics every day. We all want to make a difference, but what can we do? In this book, you will discover: - How can I identify what is producing unnecessary stress and complexity in my life? - How can I stop allowing other people to dictate my priorities based on their preferences? - What do I need to start saying "yes" to if I'm going to simplify my life? - What do I need to start saying "no" to if I'm going to simplify my life? - What kind of difference does "decluttering" make on my daily stress level? - What kind of relationships should I be nurturing and which relationships should I be scaling back? - How can I make "simplifying" a habit or a mindset instead of a momentary experience? - And much, much more! Get your copy today!

The Longing for Less Kyle Chayka 2020-01-21 New York Times Book Review Editor's Choice "More than just a story of an abiding cultural preoccupation, *The Longing For Less* peels back the commodified husk of minimalism to reveal something surprising and thoroughly alive." -Jenny Odell, author of *How to Do Nothing* "Less is more": Everywhere we hear the mantra. Marie Kondo and other decluttering gurus promise that shedding our stuff will solve our problems. We commit to cleanse diets and strive for inbox zero. Amid the frantic pace and distraction of everyday life, we covet silence-and airy, Instagrammable spaces in which to enjoy it. The popular term for this brand of upscale austerity, "minimalism," has mostly come to stand for things to buy and consume. But minimalism has richer, deeper, and altogether more valuable gifts to offer. Kyle Chayka is one of our sharpest cultural observers. After spending years covering minimalist trends for leading publications, he now delves beneath this lifestyle's glossy surface, seeking better ways to claim the time and space we crave. He shows that our longing for less goes back further than we realize. His search leads him to the philosophical and spiritual origins of minimalism, and to the stories of artists such as Agnes Martin and Donald Judd; composers such as John Cage and Julius Eastman; architects and designers; visionaries and misfits. As Chayka looks anew at their extraordinary lives and explores the places where they worked-from Manhattan lofts to the Texas high desert and the back alleys of Kyoto-he reminds us that what we most require is presence, not absence. The result is an

elegant new synthesis of our minimalist desires and our profound emotional needs.

The Afrominimalist's Guide to Living with Less Christine Platt 2022-05-03 "Forget the aesthetics of mainstream minimalism and discover a life of authenticity and intention with this practical guide to living with less...your way"--

ESV Study Bible Crossway 2008-10-15 The ESV Study Bible was created to help people understand the Bible in a deeper way. You'll learn how to: Cherish the gift of giving Rediscover the freedom of owning less Embrace life and all the non-material things the world has to offer Master your own personal style for organizing and decluttering Celebrate your new life with a free mind

Stuffocation James Wallman 2015-03-17 Stuffocation is a movement manifesto for "experiential" living, a call to arms to stop accumulating stuff and start accumulating experiences, and a road map for a new way forward with the potential to transform our lives. Reject materialism. Embrace experientialism. Live more with less. Stuffocation is one of the most pressing problems of the twenty-first century. We have more stuff than we could ever need, and it isn't making us happier. It's bad for the planet. It's cluttering up our homes. It's making us stressed—and it might even be killing us. A rising number of us are already turning our backs on all-you-can-get consumption. We are choosing access over ownership, and taking our business to companies like Zipcar, Spotify, and Netflix. Fed up with materialism, we are ready for a new way forward. Trend forecaster James Wallman traces our obsession with stuff back to the original *Mad Men*, who first created desire through advertising. He interviews anthropologists studying the clutter crisis, economists searching for new ways of measuring progress, and psychologists who link stuffocation to declining well-being. And he introduces us to the innovators who are already living more consciously and with more meaning by choosing experience over stuff. Experientialism does not mean giving up all of our possessions. It is a solution that is less extreme but equally fundamental. It's about transforming what we value. Stuffocation is a paradigm-shifting look at our habits and an inspiring call for living more with less. It's the one important book you won't be able to live without. Praise for *Stuffocation* "The revelations

come fast and furious as he asserts that acquiring ‘stuff’ is often just an easy way to ignore the tougher questions of life, dodging ‘why am I here?’ and ‘how should I live?’ for ‘will that go with the top I bought last week?’ Tart and often funny . . . [Stuffocation] will be an eye-opener for those long ago persuaded that more is better. A scintillating read that will provoke conversation (or at least closet cleaning).”—Booklist “James Wallman deftly hits upon a major insight for our times: that acquiring ‘stuff’ and ‘things’ is not nearly as meaningful as collecting experiences. Some of the happiest days of my life were when I had nothing and lived on a houseboat. Without stuff to tie me down, I felt completely free.”—Blake Mycoskie, founder of TOMS and author of the New York Times bestseller Start Something That Matters “A must-read . . . We think that more stuff will make us happier, but as the book nicely shows, we’re just plain wrong. A great mix of stories and science, Stuffocation reveals the downside of more, and what we can do about it.”—Jonah Berger, author of the New York Times bestseller Contagious “Wallman offers a deeply important message by weaving contemporary social science into very engaging stories. Reading the book is such a pleasure that you hardly recognize you’re being told that you should change how you live your life.”—Barry Schwartz, author of The Paradox of Choice “With a sociologist’s eye and a storyteller’s ear, Wallman takes us on a tour of today’s experience economy from the perspective not of businesses, nor even of consumers per se, but of everyday people.”—B. Joseph Pine II and James H. Gilmore, authors of The Experience Economy

The More of Less Joshua Becker 2016-05-03 Don’t Settle for More Most of us know we own too much stuff. We feel the weight and burden of our clutter, and we tire of cleaning and managing and organizing. While excess consumption leads to bigger houses, faster cars, fancier technology, and cluttered homes, it never brings happiness. Rather, it results in a desire for more. It redirects our greatest passions to things that can never fulfill. And it distracts us from the very life we wish we were living. Live a better life with less. In *The More of Less*, Joshua Becker helps you... • Recognize the life-giving benefits of owning less • Realize how all the stuff you own is keeping you from pursuing your dreams • Craft a personal, practical approach to decluttering your home and life • Experience the joys of generosity • Learn why the best part of minimalism isn’t a clean house, it’s a full life The beauty of minimalism isn’t in what it takes away. It’s in what it gives. *Make Room in Your Life for What You Really Want* “Maybe you don’t need to own all this stuff.” After a casual conversation with his neighbor on Memorial Day 2008, Joshua Becker realized he

needed a change. He was spending far too much time organizing possessions, cleaning up messes, and looking for more to buy. So Joshua and his wife decided to remove the nonessential possessions from their home and life. Eventually, they sold, donated, or discarded over 60 percent of what they owned. In exchange, they found a life of more freedom, more contentment, more generosity, and more opportunity to pursue the things that mattered most. *The More of Less* delivers an empowering plan for living more by owning less. With practical suggestions and encouragement to personalize your own minimalist style, Joshua Becker shows you why minimizing possessions is the best way to maximize life. Are you ready for less cleaning, less anxiety, and less stress in your life? Simplicity isn't as complicated as you think.

Don't Be Trashy Tara McKenna 2022-01-18 Learn how to dramatically reduce the waste you produce—and your stress levels—one sanity-saving step at a time in this accessible, practical guide from the creator of The Zero Waste Collective. “You’ll feel inspired by McKenna’s thorough and accessible approach to understanding the why and how of reducing waste.”—Julia Watkins, author of *Simply Living Well* Say goodbye to your bursting toiletries bag, fast fashion, and all the plastic crowding your pantry. It's time to build less trashy habits for a more sustainable and ethical life. With relatable stories, compassion, and a realistic perspective, Tara McKenna will show you how in this ultimate guide to going zero waste(ish). We're all trapped in a wasteful convenience-based cycle, but *Don't Be Trashy* offers an alternative: an approach to reducing waste that emphasizes progress over perfection. McKenna guides you month by month through a year of reducing consumption, covering: • Decluttering and turning off the flow of stuff into your home • Breaking up with fast fashion and developing a capsule wardrobe • Cutting off your supply of single-use plastic in your kitchen, cleaning supplies, and bathroom • Investing in home goods that'll last for decades without breaking the bank • And more! Ultimately, it's about changing your mindset to one of minimalism and conscious consumption—a mindset that's as good for your wallet and your well-being as it is for the planet. *Don't Be Trashy* will guide you to your best life—one with less waste and more joy!

Soulful Simplicity Courtney Carver 2017-12-26 Courtney Carver shows us the power of simplicity to improve our health, build more meaningful relationships, and relieve stress in our professional and personal lives. We are often on a quest for more—we give in to pressure every day to work more, own

more, and do more. For Carver, this constant striving had to come to a stop when she was diagnosed with Multiple Sclerosis (MS). Stress was like gasoline on the fire of symptoms, and it became clear that she needed to root out the physical and psychological clutter that were the source of her debt and discontent. In this book, she shows us how to pursue practical minimalism so we can create more with less—more space, more time, and even more love. Carver invites us to look at the big picture, discover what's most important to us, and reclaim lightness and ease by getting rid of all the excess things.

The Big Book of Less Irene Smit 2019-04-02 From Flow, a beautiful, mindful guide to having less stuff. Less stress. Less distraction. Less everything. In less comes the freedom of letting go. This thoughtful and surprising book shows us how to get there, by paring down not just the jumble of things around us, but the clutter in our heads, too. And to help, interact with special paper goodies, including a one-thought-a-day diary, a foldout tiny house to let you imagine the pleasures of living in a small and cozy space, and art posters that depict a beautiful picture of what it means to do less, not more. Paper goodies from *The Big Book of Less* include: 2 journals A dot journal poster 4 art posters 1 foldout tiny house with 20 accessories And even more hidden treasures Decluttering your life and mind makes room for more—more listening, more focus, more wisdom, more time. More life.

Do Less Rachel Jonat 2014-04-18 Stress less while living more! An inviting living space. Time spent with loved ones. Peace of mind. With *Do Less*, a happier, more serene life is just moments away. From your home to your finances, this straightforward guide teaches you how to scale back your possessions and commitments to just what you really need. With hundreds of ways to minimize your life, you'll quickly uncover the joys and rewards of paring down. A must-have for any shelf, *Do Less* helps you rediscover the simple moments that have been buried beneath the piles of to-dos, to-knows, and to-buys.

Sisu Joanna Nylund 2018-12-04 After you've cultivated the coziness of the Danes (hygge) and achieved the Swedish way of moderation (lagom), then what's next? How about developing your Sisu—an "untranslatable" Finnish term referring to a mixture of courage, resilience, grit, tenacity, and perseverance. It's a trait that has shaped not just the fate of a nation but continues to be a guiding principle for how Finns live their daily lives. Now it can offer lessons to us all, helping us to: discover our inner strength

resolve conflicts at work and home raise kind and resilient children achieve our fitness goals fight for what we believe in And much more!

Project 333 Courtney Carver 2020-03-03 Wear just 33 items for 3 months and get back all the JOY you were missing while you were worrying what to wear. In Project 333, minimalist expert and author of *Soulful Simplicity* Courtney Carver takes a new approach to living simply--starting with your wardrobe. Project 333 promises that not only can you survive with just 33 items in your closet for 3 months, but you'll thrive just like the thousands of woman who have taken on the challenge and never looked back. Let the de-cluttering begin! Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases, and ever-growing closet, Carver created Project 333. In this book, she guides readers through their closets item-by-item, sifting through all the emotional baggage associated with those oh-so strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses, to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism and focus less on our shoes and more on our self-care, we not only look great we feel great-- and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet-full of inspiration, this life-changing minimalist manual shows readers that we are so much more than what we wear, and that who we are and what we have is so much more than enough.

Goodbye, Things: The New Japanese Minimalism Fumio Sasaki 2017-04-11 The best-selling phenomenon from Japan that shows us a minimalist life is a happy life. Fumio Sasaki is not an enlightened minimalism expert or organizing guru like Marie Kondo—he's just a regular guy who was stressed out and constantly comparing himself to others, until one day he decided to change his life by saying goodbye to everything he didn't absolutely need. The effects were remarkable: Sasaki gained true freedom, new focus, and a real sense of gratitude for everything around him. In *Goodbye, Things* Sasaki modestly shares his personal minimalist experience, offering specific tips on the minimizing process and revealing how the new minimalist movement can not only transform your space but truly enrich your life. The benefits of a

minimalist life can be realized by anyone, and Sasaki's humble vision of true happiness will open your eyes to minimalism's potential.

Hello, Habits: A Minimalist's Guide to a Better Life Fumio Sasaki 2021-01-05 The internationally best-selling author of *Goodbye, Things* shares insights and practices to help us embrace habits and become the best versions of ourselves. Fumio Sasaki changed his life when he became a minimalist. But before minimalism could really stick, he had to make it a habit. All of us live our lives based on the habits we've formed, from when we get up in the morning to what we eat and drink to how likely we are to actually make it to the gym. In *Hello, Habits*, Sasaki explains how we can acquire the new habits that we want—and get rid of the ones that don't do us any good. Drawing on leading theories and tips about the science of habit formation from cognitive psychology, neuroscience, and sociology, along with examples from popular culture and tried-and-tested techniques from his own life, he unravels common misperceptions about "willpower" and "talent," and offers a step-by-step guide to success. Ultimately, Sasaki shows how ordinary people like himself can use his principles of good habit-making to improve themselves and change their lives.

Living with Less Joshua Becker 2012-08-01 "In *Living with less*, Joshua will guide you through biblical teachings on possessions and his own personal experience with minimalism--living with only the essential ... This book will challenge you to spend your hours, energy, and resources in ways that draw you closer to the heart of Jesus."--Page 4 of cover.

Make Space Regina Wong 2017-08-15 The founder of LiveWellWithLess.com "promotes minimalism as a way to fend off 'stuffocation' and be happier and more productive" (Publishers Weekly). We simply have too much stuff in our lives. Burdened by our heavy consumerist culture to continually own and consume without purpose, we lose ourselves to debt, dissatisfaction, and despair. If having more, doing more, and being more does not allow us to live abundantly, what can? Minimalism can make all the difference. A minimalist life removes non-essentials and clutter—whether it's physical clutter in your home or a cluttered mental state that holds you back from your goals—and makes space for only the most important things that truly add value and joy. *Make Space* offers you the tools to achieve this transformative mindset shift

by marrying minimalist philosophy and principles with practical tips, activities, and action points that will unlock truly simple living. Among others, learn how to: Avoid “stuffocation” by reducing unnecessary possessions Declutter your home to create an ideal living space Design and efficiently maximize minimalist budgets Clear the mind of negative distractions and be intentional Avoid emotional drains to be empowered The art of minimalism requires intentionally purging, building, crafting, and curating the type of life you’ve always wished you lived. And when you’ve finally removed all forms of clutter, you’ll invite all things good and extraordinary into your most intimate spaces. “Regina Wong is a fine ambassador for minimalism. Thoughtful, self-deprecating and pragmatic, she shows us how to thrive with less.” –Carl Honoré, author of *In Praise of Slowness*

The Joy of Less Francine Jay 2016-05-31 Francine Jay pioneered the simple living movement with her self-published bestseller, *The Joy of Less*. In this fully redesigned and repackaged edition—featuring never-before-seen content—Jay brings her philosophy to more readers who are eager to declutter. Rather than the "crash diet" approach found in other tidying up books, Jay shares simple steps to cultivate a minimalist mindset and form new habits, paving the way to lasting success. Her easy-to-follow STREAMLINE method works in any space—from a single drawer to a closet, room, or entire house. What's more, it can be called upon during clutter-inducing life events such as moving, getting married, having kids, or downsizing. With an airy two-color interior design and lovely hardcover package, *The Joy of Less* is a refreshing and relatable approach to decluttering that belongs in every home.

Chicken Soup for the Soul: The Joy of Less Amy Newmark 2016-04-19 With *Chicken Soup for the Soul: The Joy of Less*, spring cleaning takes on a whole new meaning. You'll read stories about people who found happiness in an unlikely way: by saying no. No to buying more stuff, no to taking on additional time-filling commitments, and no to trying to please everyone all of the time.

She Wore Red Trainers Na'ima B. Robert 2014-06-07 Praise for Na'ima B. Robert's previous publications: "Interesting, and certainly timely."—Kirkus Reviews, on *Boy Vs Girl* "Highly recommended."—TheBookBag.co.uk, on *Black Sheep* "Robert's poetic style is captivating."—School Library Journal, on *Ramadan Moon* When Ali first meets Amirah, he notices everything about her—her hijab, her

long eyelashes and her red trainers—in the time it takes to have one look, before lowering his gaze. And, although Ali is still coming to terms with the loss of his mother and exploring his identity as a Muslim, and although Amirah has sworn never to get married, they can't stop thinking about each other. Can Ali and Amirah ever have a halal "happily ever after"? Na'ima B. Robert is descended from Scottish Highlanders on her father's side and the Zulu people on her mother's side. She was born in Leeds, England, grew up in Zimbabwe, and went to university in London, England. At high school, her loves included performing arts, public speaking, and writing stories that shocked her teachers! She has written several multicultural books for children which have won, and been shortlisted, for numerous awards. Na'ima divides her time between London and Cairo, Egypt, and dreams of living on a farm with her own horses. Until then, she is happy to be a mum to her four children and keep reading and writing books that take her to a different world each time.
