The Madness Blooms Mackenzi Lee 2020-11-24 Mackenzi Lee, bestselling author of *The Gentleman's Guide to Vice and Virtue*, takes on Dutch Tulip Fever! My brother Bastian was born in a tulip field, or so the story goes. The woman at the church orphanage boasted this proudly to the seed merchant who had chosen Bas as his apprentice. Lucky for me, he took us both. When a single tulip bulb sold for the price of Amsterdam's finest houses, the flower shop was supposed to be our future, our survival. But when our master died, there wasn't even money to pay for his coffin. He, too, had caught the tulip fever. Bas and I hatched a dangerous, outrageous plan, a plan I hoped would save our shop—and save us. I would dress as a man, take on a new name, and attempt to sell a fake *Semper Augustus* bulb, the rarest and most valuable tulip of all, to the one merchant in town with the money to pay for it. But then I met his daughter, Elsje, and fell in love with her at first sight. Immediately, we were bound together. And the longer I lived a man's life, the less it felt like a disguise. The trousers fit better than dresses ever had, and my new name dripped from Elsje's tongue like sweet syrup. Now, I hardly know—and must discover—what to do. Who to save. Who to become. Who I am. Mackenzi Lee's *The Madness Blooms* is perfect for the teen and adult fans of Julie Berry, Jessie Burton, Ruta Sepetys, and Sarah Waters.

"An absorbing historical . . . enthralling."--Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt--until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything.

That's Not What Happened Kody Keplinger 2018-08-28 From New York Times bestseller Kody Keplinger comes an astonishing and thought-provoking exploration of the aftermath of tragedy, the power of narrative, and how we remember what we've lost. It's been three years since the Virgil County High School Massacre. Three years since my best friend, Sarah, was killed in a bathroom stall during the mass shooting. Everyone knows Sarah's story--that she died proclaiming her faith. But it's not true. I know because I was with her when she died. I didn't say anything then, and people got hurt because of it. Now Sarah's parents are publishing a book about her, so this might be my last chance to set the record straight . . . but I'm not the only survivor with a story to tell about what did--and didn't--happen that day. Except Sarah's martyrdom is important to a lot of people, people who don't take kindly to what

I'm trying to do. And the more I learn, the less certain I am about what's right. I don't know what will be worse: the guilt of staying silent or the consequences of speaking up . . .
