So, in the same way as you require the books swiftly, you can straight get it. Its for that reason enormously easy and in view of that fats, isnt it? You have to favor to in this tone

The Last Legend J. B. Wichterich 2014-05 A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess Marrisa would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marrisa's dearest friends. Overtaken by Marrisa's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on Marrisa's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marrisa is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marrisa. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

[The Last Unicorn](#) Jane Elizabeth Cammack 2011

Anna Karenina graf Leo Tolstoy 1966 A married woman falls blindly in love with a handsome military officer. Happy families are all alike; every unhappy family is unhappy in its own way. States Leo Tolstoy in his great modern novel of an adulterous affair set against the backdrop of Moscow and St. Petersburg high society in the later half of the nineteenth century. A sophisticated woman who is respectably married to a government bureaucrat, Anna begins a passionate, all-consuming involvement with a rich army officer. Refusing to conduct a discreet affair, she scandalizes society by abandoning both her husband and her young son for Count Vronsky--with tragic consequences. Running parallel is the story of the courtship and marriage of Konstantin Levin (the melancholy nobleman who is Tolstoy's stand-in) and Princess Kitty Shcherbatsky.

Obviously Akilah Hughes 2019-09-24 "A refreshingly funny and blisteringly unsentimental coming-of-age memoir." -John Green, #1 New York Times bestselling author of *Turtles All The Way Down* and *The Fault in Our Stars* In Akilah Hughes's world, family--and life--are often complicated, but always funny. Through intimate and hilarious essays, Akilah takes readers along on her journey from the small Kentucky town where she was born--and eventually became a spelling bee champ and 15-year-old high

school graduate--to New York City, where she took careful steps to fulfill her dream of becoming a writer and performer. Like Tiffany Haddish's *The Last Black Unicorn* or Mindy Kaling's *Is Everyone Hanging Out Without Me?* for the YA set, Akilah pens revealing and laugh-out-loud funny essays about her life, covering everything from her racist fifth grade teacher, her struggles with weight and acne, her failed attempts at joining the cheerleading team, how to literally get to New York (hint: for a girl on a budget, it may include multiple bus transfers) and exactly how to "make it" once you finally get there.

Around the Way Girl Taraji P. Henson 2017-07-04 Henson writes of her family, the one she was born into and the one she created. She shares stories of family, friends, the hustle required to make it from DC to Hollywood, and the joy of living in your own truth. Here she also opens up about her experiences as a single mother, a journey some saw as a burden but which she saw as a gift. With humor and candor, Henson shows us that behind the red carpet moments, she is just a girl in pursuit of her dreams.

Most Perfect You Jazmyn Simon 2022-05-03 Jazmyn Simon's debut is a moving love letter to children struggling to accept themselves inside and out—exactly as they are. This gorgeous picture book was inspired by a conversation between the author and her daughter. I was shown all the smiles in the entire world. I looked at all of the many bright smiles until I found my favorite: your smile. After comparing herself to other little girls, Irie confides in her mama that she feels something is wrong with her, that she's not perfect as she is. And so Irie's mama tells the magical story of how Irie was intentionally and wonderfully made. In fact, Irie is made up of all her mother's favorite things: sparkling eyes, a bright smile, and a kind heart. Actor and activist Jazmyn Simon's tender picture book emphasizes the unique beauty and strength of all children, encouraging them to love their most perfect selves.

Summary of Tiffany Haddish's *The Last Black Unicorn* Everest Media, 2022-03-08T22:59:00Z
Please note: This is a companion version & not the original book. Sample Book Insights: #1 I had a lot of problems in school, because I was constantly being made fun of for my mom's looks. I would take scissors and cut off my horn, because that is what the kids would say about me. #2 My grandma was wrong about the wart being a mole. It was actually a wart, and she took me to the doctor to have it removed. She told me that warts are caused by nasty people who do nasty things, but in reality, they are caused by HPV. #3 I went to a school called El Camino Real, which was 3 percent black. It was mostly white and Hispanic and Asian, and they were all rich. I was bused from South Central LA. I would try to write Audie letters, but I was illiterate. #4 I was told I was stupid every day growing up. I believed I was stupid, so I didn't think I could do it. I never tried. As an adult, I worked at the airline and one of my coworkers called me stupid.

Unopened Books Jermaine D. Gassaway 2017-05-27 The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many instances retain Black males in the classroom? *Unopened Books* explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, *Unopened Books* provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to increase the number of Black men in the classroom.

The Little Black Book of Design Adam Judge 2011-12-14 Across the realms of multimedia production, information design, web development, and usability, certain truisms are apparent. Like an Art of War for design, this slim volume contains guidance, inspiration, and reassurance for all those who labor with the user in mind. If you work on the web, in print, or in film or video, this book can help. If you know someone working on the creative arena, this makes a great gift. Funny, too.

Skandar and the Unicorn Thief A.F. Steadman 2022-05-03 Soar into a breathtaking world of heroes and unicorns as you've never seen them before in this fantastical middle grade debut perfect for fans of the Percy Jackson and Eragon series! Skandar Smith has always yearned to leave the Mainland and escape to the secretive Island, where wild unicorns roam free. He's spent years studying for his Hatchery exam, the annual test that selects a handful of Mainlander thirteen-year-olds to train to become unicorn riders. But on the day of Skandar's exam, things go horribly wrong, and his hopes are shattered...until a mysterious figure knocks on his door at midnight, bearing a message: the Island is in peril and Skandar must answer its call. Skandar is thrust into a world of epic sky battles, dangerous clashes with wild unicorns, and rumors of a shadowy villain amassing a unicorn army. And the closer Skandar grows to his newfound friends and community of riders, the harder it becomes to keep his secrets—especially when he discovers their lives may all be in graver danger than he ever imagined.

Living in Color: What's Funny about Me Tommy Davidson 2020 In 1990, Tommy Davidson burst onto the scene in the Emmy Award-winning show *In Living Color*, a pioneering sketch comedy show, featuring a multi-racial cast of actors and dancers who spoke to an underrepresented new generation created by Hip Hop Nation. A story of black excellence, in this revealing memoir, Tommy shares his unique perspective on making it in Hollywood, being an integral part of television history, on fame and family, and on living a life that has never been black and white--just funny and true . . . Abandoned as an infant on the streets of Greenville, Mississippi, and rescued by a loving white family, Tommy Davidson spent most of his childhood unaware that he was different from his brother and sister. All that changed as he came of age in a society of racial barriers--ones that he was soon to help break. On a fledgling network, Tommy joined the cast of *In Living Color*, alongside other relative newcomers including Jim Carrey, Rosie Perez, Jamie Foxx and Jennifer Lopez--all united by an ingenious throng of Wayans siblings (Keenen, Damon, Kim, Shawn, and Marlon), poised to break new ground. Now Tommy gives readers the never-before-told behind-the-scenes story of the first show born of the Hip Hop Nation: from its incredible rise, to his own creation of such unforgettable characters as Sweet Tooth Jones and dead-on impressions of Sammy Davis, Jr., Michael Jackson, M.C. Hammer and Sugar Ray Leonard, and appearing in such classic sketches as "Homie The Clown," the "Hey Mon, family," and the unforgettable "Ugly Woman," through guest-star skirmishes (and black eyes) to backstage tensions and the eventual fall of this pop-culture touchstone. He reveals his own nascent career on the stand-up circuit with Adam Sandler, Jerry Seinfeld, Louie Anderson and performing with Eddie Murphy and Richard Pryor, as well as reflections on working with Spike Lee, Halle Berry, Sam Jackson, Chris Rock and Jada Pinkett Smith. And he also shares his very personal story of living with--and being inspired and empowered by--two distinct family histories. Told with humor and hard-won honesty by a singular voice whose family and friendships help him navigate a life of personal and professional highs and lows, *Living in Color* is a bracing, illuminating, and remarkable success story. An homage to the groundbreaking series *In Living Color* was featured in Bruno Mars's music video for his hit song *Finesse*, a remixed collaboration with Cardi B. It was a loving tribute that exemplified the sustained cultural impact of the show, and now 90s kids can dig into their nostalgia through this humorous memoir of one of its stars!

This Is Just My Face Gabourey Sidibe 2017-05-01 The Oscar-nominated *Precious* star and Empire actress delivers a riveting memoir that is wise, complex, smart, funny, and breaks the mold, just like

Downloaded from avenza-dev.avenza.com
on October 2, 2022 by guest

Sidibe, herself. Gabourey Sidibe - "Gabby" to her legion of fans - skyrocketed to international fame in 2009 when she played the leading role in Lee Daniels' acclaimed movie Precious. In This Is Just My Face, she shares a one-of-a-kind life story in a voice as fresh and challenging as many of the unique characters she's played onscreen. With full-throttle honesty, Sidibe paints her Bed-Stuy/Harlem family life with a polygamous father and a gifted mother who supports her two children by singing in the subway. Sidibe tells the engrossing, inspiring story of her first job as a phone sex "talker". And she shares her unconventional (of course!) rise to fame as a movie star alongside "a superstar cast of rich people who lived in mansions and had their own private islands and amazing careers while I lived in my mom's apartment." Sidibe's memoir hits hard with self-knowing dispatches on friendship, depression, celebrity, haters, fashion, race, and weight ("If I could just get the world to see me the way I see myself," she writes, "would my body still be a thing you walked away thinking about?"). Irreverent, hilarious, and untraditional, This Is Just My Face will resonate with anyone who has ever felt different and with anyone who has ever felt inspired to make a dream come true.

Black and White Like You and Me Thomas F. Daniels 2017-02-02 Even in 1960s Detroit, race isn't everything. Tom Daniels and "Cookie" Marsh will be the first to tell you that race isn't everything. But it did shape the way they experienced the world growing up in Detroit in the 1950s and 60s. Tom "Cookie" Marsh grew up in a black neighborhood on Detroit's west side. Tom Daniels grew up in a mixed, working-class neighborhood on Detroit's east side. Both men grew up in strict households where they "always got what we needed, and sometimes what we wanted" and both saw their city, their country, and their world transform around them through the Civil Rights movement, riots, and the Viet Nam War. But sometimes parallel lines intersect. As each man tells his story, it is apparent that race isn't just "black and white" but it is part of what makes their friendship extraordinary. Their experiences will show you that race made for huge differences in their experiences, while, in spite of race, there are also touching similarities that made it possible for two men, in their older years, to overcome decades of racial turbulence of their upbringing to become lifelong friends. Follow Tom and Cookie. Hear about their lives, their upbringing, their successes and regrets growing up in black and white Detroit - and how when it boils down to it, the things that are truly important are actually black and white, like you and me.

Chasing Black Unicorns: How Building the Amazon of Africa Put Me on Interpol's Most Wanted List Marek Zmyslowski 2019-10 Silicon Valley meets Indiana Jones - Chasing Black Unicorns is an autobiography written by Marek Zmyslowski, one of Poland's most respected internet entrepreneurs. Witty and humorous, the book covers many dramatic and often dangerous events. Before moving to Nigeria to set up the 'Amazon of Africa', Zmyslowski worked for one of Poland's biggest financial services companies, and is the founder of many online ventures in Central Europe. While establishing the first, online network of funeral services in Poland, he had to overcome challenges from criminal gangs running the market sector. His businesses in Nigeria have also made him enemies, powerful individuals who have corrupted police and government officials to stand against him. Overnight, Marek became an international fugitive and was put on the most wanted list by Interpol, an organization with a history of being manipulated by corrupt regimes. Zmyslowski describes this and many other events, putting them in the context of African history and cultures, a continent he is now deeply in love with. All of the author's book profits support impactful charity initiatives in Africa. Marek Zmyslowski is a Polish-born entrepreneur and executive, focused on online businesses in Frontier and Emerging Markets. He co-founded Jumia Travel - Africa's Biggest Hotel Booking Portal listed on NYSE as part of Jumia Group and HotelOnline.co - a Travel Technology Company. In 2014, he was chosen as one of the Ten Most Important People in Tech by IT News Africa Magazine. He is a Lead Mentor at Google's Launchpad and World Bank's XL Africa Program.

Space Unicorn Blues TJ Berry 2018-07-03 A misfit crew race across the galaxy to prevent the genocide of magical creatures, in this unique science fiction debut. Having magical powers makes you less than human, a resource to be exploited. Half-unicorn Gary Cobalt is sick of slavery, captivity, and his horn being ground down to power faster-than-light travel. When he's finally free, all he wants is to run away in his ancestors' stone ship. Instead, Captain Jenny Perata steals the ship out from under him, so she can make an urgent delivery. But Jenny held him captive for a decade, and then Gary murdered her best friend... who was also the wife of her co-pilot, Cowboy Jim. What could possibly go right? File Under: Science Fiction [Rocks in Space | Stand Up to Reason | The Human Experiment | Last Unicorn]

Layla, the Last Black Unicorn Tiffany Haddish 2022-05-10 From beloved comedian, actress, and New York Times bestselling author Tiffany Haddish comes Layla, the Last Black Unicorn, a hilarious, original picture book tale about a lovable but awkward unicorn who learns why her uniqueness is her biggest strength. It's not easy to fit in when you stand out. When Layla arrives for her first day of school at Unicornia, the school for unicorns, she realizes that she's not like the other kids there. They're all pastel colors and know the rules to Horn Ball and none of them come from the Woods like Layla does. Try as she might to make friends, Layla's just . . . different. But when her class gets lost during a field trip to the Fiddle Dee Deep Forest, it's up to Layla to step up and save the day. Layla, the Last Black Unicorn is a hilariously heartwarming picture book about self-acceptance, self-esteem, and standing up for standing out by New York Times bestselling author, Grammy Award-winning comedian, and actress Tiffany Haddish and Jerdine Nolen, author of the Coretta Scott King Honor Book *Thunder Rose*.

Fatuma's New Cloth / Tam Vai Moi Cua Fatuma Leslie Bulion 2017-06-29 In East Africa, a young girl learns that one cannot always judge by appearances as she and her mother visit a market in search of kanga cloth and meet merchants who all claim they have the secret to good chai (tea).

The New Magnified Version of Isaiah in Plain English! Mark Revolutionary Twain, Jr. 2016-07 The Book of Isaiah is very Rich with Metaphors and Similes, if you are in Love with them, or not; but, most Poor People are not: beCause the Metaphors are far too "Foggy" for them to Understand, which Means that they must Practice Reading all such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore, it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs, just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: beCause, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day, even though it will be Tempting to Finish it, quickly, just to Discover those Precious Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed, there is the Possibility of it; but, do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World! Yes, unlike the Mutilated Bible, the Book of Mormon is much more Understandable, being "a New Revelation from God," you might say; but, it is nothing quite as Enlightening as the New MAGNIFIED Version, which most Definitely contains New Revelations from the Supreme Ruler of this Heaven and Earth. Therefore, do not let the Sun Set on

another Day of Deprivation; but, PLEASE, for your own Sake, Educate yourself with all such Good Books: beCause that is True Wisdom on your part, which will make you Glad that you did. Guaranteed!

The Last Black Unicorn Tiffany Haddish 2017-12-05 NEW YORK TIMES BESTSELLER "An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious." —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.

No Disrespect Sister Souljah 1996 An honest look at growing up as an African-American female in the inner city offers an account of the tense relationship that exists between African-American women and men, the Black church, guns and drugs, and Black nationalism. Reprint. 35,000 first printing. Tour.

The Misadventures of Awkward Black Girl Issa Rae 2016-07-12 "A collection of humorous essays on what it's like to be unabashedly awkward in a world that regards introverts as hapless misfits, and Black as cool ... [from] Issa Rae, the creator of the Shorty Award-winning ... series *The Misadventures of Awkward Black Girl*"--

Reference Guide to the International Space Station Gary Kitmacher 2010-11-01 The International Space Station (ISS) is a great international, technological, and political achievement. It is the latest step in humankind's quest to explore and live in space. The research done on the ISS may advance our knowledge in various areas of science, enable us to improve life on this planet, and give us the experience and increased understanding that can eventually equip us to journey to other worlds. As a result of the Station's complexity, few understand its configuration, its design and component systems, or the complex operations required in its construction and operation. This book provides high-level insight into the ISS. The ISS is in orbit today, operating with a crew of three. Its assembly will continue through 2010. As the ISS grows, its capabilities will increase, thus requiring a larger crew. Currently, 16 countries are involved in this venture. The sophisticated procedures required in the Station's construction and operation are presented in Amazing 3D Graphics generated by NASA 104 pages of spectacularly detailed color graphics the Space Station as you've never seen it before!

Eight Days in October DM Schwartz 2017-02-04 A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide

in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

Tigerfish! M. Sid Kelly 2014-04 If you go to live on the Niger River in West Africa, don't forget your pole, your sense of humor, and your camera! Provides answers to these important questions: How do you land an electric fish, and what if you screw up? What happens when a cobra tries to get in the boat? Which one lure will catch tigerfish, Nile perch, catfish, Tilapia, etc? Where do you catch a tigerfish, and then how do you deal with its teeth? When is a fish going to kill you if you eat it? Who might you meet, and what are they saying? A two-year account of sport and traditional fishing by a fish biologist Peace Corps Volunteer in Mali, West Africa. This photo-journal contains 19,000 words and 140 black and white photographs. (Plus, get a FREE full-color ebook when you order from Amazon and select the MatchBook offer) Tigerfish! opens with sport fishing, and details the author's pursuit of tigerfish, Nile perch, and other species including the dubious dodo. The second part is an account of experiences and observations made during the large community fishing events that take place in the waters of the floodplain during the dry season. The third section provides a brief description and numerous pictures of the life and work of small-scale commercial Somono fishers. The final section documents two traditional fire hunts on the Niger River floodplain. The quality of photos is better than most pictures of the Loch Ness Monster...

The Tale of the Black Unicorn Sandra Elaine Scott 2020-09-22 The enchanting tale of the Black Unicorn is told to Reina, who learns to have confidence in herself. This wonderful twist on identity and loving yourself will inspire readers as they hear the powerful message of acceptance: "You are Loved! You are Beautiful! You are You!"

Every Day I'm Hustling Vivica A. Fox 2018-04-03 Vivica A. Fox is a dynamo who has created a lasting career on her own, through sheer, roll-up-your-sleeves DIY hustle. *Every Day I'm Hustling* is a personal book with a message Fox passionately believes in: that you make your own luck, that you never ever wake up in the morning thinking somebody's going to call you and offer you that part or ask you out on that date that's going to change your life, that you have to wake up and put on your longest eyelashes and fiercest heels and go out and make your life happen yourself. The actress provides start-today strategies for success in business and "been there" lessons in love, buttressed with stories from her early family life all the way through to today. Always honest and always funny, Fox also tells behind-the-scenes tales from some of her biggest movies — such as Uma Thurman's life-changing advice during *Kill Bill* and Will Smith's downtime pep talk on Independence Day. And she maps out exactly what it took to come back with a role on the smash hit *Empire* and her own frisky show on Lifetime, *Vivica's Black Magic*. She also shares her how-is-she-53? secrets to looking your best, no matter the age on your driver's license.

The Black Unicorn Audre Lorde 2019-07-04 I have been woman for a long time beware my smile I am treacherous with old magic Filled with rage and tenderness, Audre Lorde's most acclaimed poetry collection speaks of mothers and children, female strength and vulnerability, renewal and revenge, goddesses and warriors, ancient magic and contemporary America. These are fearless assertions of

identity, told with incantatory power.

Red Unicorn Tanith Lee 2016-04-28 The exciting sequel to *Black Unicorn* and *Gold Unicorn*! The young wanderer Tanaquil can mend anything that is broken - except her own heart. With the engagement of her beloved Honj to her sister, Empress Lizra, she returns home to her sorcerous mother - and her mother's new lover, the magician Worabex. Caught up in their combined magic, Tanaquil and her mischievous familiar - a literal pet peeve - find themselves in a parallel world where she meets Tanakil, a mirror-image princess with murder on her mind.

Mastering Stand-Up Stephen Rosenfield 2017-11-01 Stephen Rosenfield, founder and director of the American Comedy Institute, the premier comedy school in the United States, has taught literally dozens of major standup comics in North America, and has also pioneered comedy as an academic discipline in many universities, a trend that is rapidly spreading. *Mastering Stand-Up* draws on Rosenfield's own extensive experience (and those of countless stars like Lenny Bruce, Richard Pryor, Chris Rock, Rodney Dangerfield, Louis C.K., Steve Martin, Roseanne, and Johnny Carson) to show the reader—and would-be comic—what works, what doesn't, and why. Forty sharply written chapters cover every conceivable angle of the joke and how to tell it. There are a number of books on comedy and how to do it, but none has the breadth and authority Rosenfield brings to his theme. It's not for nothing that the *New York Times* has described him as "probably the best-known comedy teacher in the country." Rosenfield's book is sure to become the classic text on its subject. And it should help thousands who long to make others laugh to realize their fondest hopes.

A Journal for Dumai Ministries 2019-08-05 This fun and trendy journal can be used as a journal, diary, or a fun way to share ideas, party plans, and vacation ideas. A great match maker journal to be included as a gift set with the book- *The Last Black Unicorn* by Tiffany Haddish. Over 100 pages.

The Black Unicorn Heather E. F. Carter 2021-05-27 The year is 1792. The French Revolution rages in Paris, the French monarchy abolished, and William Pitt is about to declare war on the Revolutionary government. Yet all London Society can talk about is the enigmatic highwayman known as the Black Unicorn. Newly widowed Elina, however, has no time for highwaymen or politics. Freed from her brutal seven-year marriage, she is fiercely protective of two things: her new freedom, and her two sisters. But when Elina's family is mistakenly stopped by the Black Unicorn on their way up to the North Yorkshire Moors, and her sister is savagely attacked by one of his men, revenge consumes Elina. For the sake of her sister, she will destroy the Black Unicorn. And the shooting party at Scarcliffe Towers seems the perfect place to ensnare the mysterious figure. Another guest at the party, Ashby, is known to London Society as a beautiful Portuguese libertine, whose mother, it is whispered, was the illegitimate progeny of a Brazilian native. Elina knows him simply as the former whoring companion to her late husband. But this dark Northumberland lord is a man with secrets: a secret love for Elina Brinkley, the daughter of the lofty Marquess of Hertford, and a secret life as the Black Unicorn. But as Elina unravels the mystery surrounding the man behind the mask, she discovers that the Black Unicorn is so much more than just a highwayman.

Y They Call Me Black Messiahel El Seven 2014-12-14 Every so called, Black man, woman, child wants to believe that slavery is over. The reason being for this belief is because times have changed. But that's not true, times may have change, and the institution of slavery has changed with it, in how its introduced. Slavery has taken on a new form, and its through words, words that would imprison our minds

The Last Black Unicorn Tiffany Haddish 2019-01-29 NEW YORK TIMES BESTSELLER "An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious." —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.

Love Unfinished Darian Wilk 2011-10 Love Unfinished Revised Edition (Nov 2012) Soul mates from the past leave their love unfinished when a tragic car accident ends their lives on their wedding day. Yet they are destined to meet again to fulfill that love in new incarnations, leading vastly different lives. Emma thought she chose the right path in life, but too late does she realize her mistake when her husband reveals the monster behind the smile. Their happily ever after - is a lie. Trapped in a broken marriage to a powerful, abusive man, Emma knows this is not the life she was meant to live. As her hope for real love withers, she meets James, her love from a lifetime ago. Emma cannot deny the connection pulling them together, but her courage to abandon her marriage wavers, and unknowingly puts her life at risk. Are Emma and James fated to fulfill their love, or will they once again, leave love unfinished?

Black Unicorn Tanith Lee 2011-10-19 Nobody knew where it had come from, or what it wanted. Not even Jaive, the sorceress, could fathom the mystery of the fabled beast. But Tanaquil, Jaive's completely unmagical daughter, understood it at once. She knew why the unicorn was there: It had come for her. It needed her. Tanaquil was amazed because she was the girl with no talent for magic. She could only fiddle with broken bits of machinery and make them work again. What could she do for a unicorn? Grades 7-12, Tanaquil may be the daughter of a sorceress, but she can't do any magic--or so she thinks--and she finds life in her mother's castle very dull and lonely. Her one skill, that of mending things, leads

her to piece together a pile of old bones found in the desert and unknowingly bring back to life a black unicorn that needs Tanaquil to help it return to its own, more perfect world. In the process of doing this, Tanaquil finds a sister, and discovers what her own powers really are. The plot of *The Black Unicorn* is in no way as simple as this description. It is complex and twisting, and while readers may not be sure where they're going, they'll never be bored. Lee's lush and highly visual style and her down-to-earth sense of humor are a constant entertainment. Her imagination is boundless, whether in recreating the life of desert nomads or describing a castle full of magical devices all gone slightly awry. The static cover illustration, with rearing unicorn and silver-gowned heroine, does not begin to convey the special flavor of this stylish, humorous fantasy. --Ruth S. Vose, San Francisco Public Library (School and Library Journal)

Dark Unicorn Angela Kulig 2019-08-24 Perfect for fans of Sarah J. Maas and Victoria Aveyard, *Dark Unicorn* is the first of the new and mysterious adult fantasy series *Horn Sworn*. Princess Wrenyve knows her oath to return her Kingdom's missing artifact, the Heart of Spellshallow, means one of the King's children will die. Even if Wren is cunning, fast, and strong enough, there's a good chance it will still be her. Without the Heart, magic will flee the land faster than the night flees the day. Without the Heart, Spellshallow, and everything in it will cease to exist. As her brother's shameful thievery is uncovered, Wren must swallow her pride and accept help from allies whom she knows she can't trust: - Thackery is the ambitious son of the richest and most powerful councilman--her very ex, scorned lover--and the wounds Wren caused him are still raw. - Calen isn't a boy at all. Trapped in human form after a hideous defeat, Calen may have lost his horn, but is still a unicorn--a self-serving, treacherous scoundrel, as dangerous to any man who crosses him as he is to the innocence of every fair maiden. - Luckily for Wren, she was already doomed. To find the Heart and restore the magic, to retrieve the lost horn, Wren and her unfortunate travel companions must survive three separate realms--each more deadly than the last. Unknown enemies and strange magic hinder their way, and yet the most perilous thing is what lies within their own hearts.

When Time Stood Still K. S. Adkins 2015-08-06 Our lives are spent watching the clock. We go to sleep by it. Wake up to it. Rely on it. Race it. It's easy to forget that we're only given so much. We ignore it because we're convinced we'll always have more. I am proof that we aren't promised anything. The clock owes us nothing. I know this because not only was Time my name, I wasn't given enough of it. Sure I had challenges but I vowed to make the most of it, of my young life. My limitations wouldn't hold me back. Time was on my side. Then I was told otherwise. Now the clock was working against me. I would face this disease alone. Then he walked in and changed everything. He gave me a reason to fight. He helped me prepare. Like others before me, when time slowed I wasn't ready. I begged for more. But the clock, it stopped for no one. On the day my world went black, I refused to take him with me. Only he didn't listen. I was a doctor. A bringer of bad news. I read the chart. She was fucked. My hands, they were tied. I was a doctor who could not heal what was beyond that door. I had no hope to offer her. But I wanted this over with. The sooner the better. I walked in, looked up and saw color. Not one. All of them. They surrounded her. She was a patient. You did not cross that line. I would not cross that line. I should have kept my eyes closed. Life was easier when you didn't see. But they were open now. They saw her. They saw everything. Suddenly invisible lines ceased to matter. For me, Time mattered. How far would you go to make sure the one you loved had enough of it? Would you challenge the clock? Help them prepare? Could you watch them suffer? Could you accept a life without them in it? Or, would you follow them into the darkness? I did. This is our story.

Black Unicorn Terry Brooks 2009-02-19 A year had passed since Ben Holiday bought the Magic Kingdom from the wizard Meeks, who had set a series of pitfalls against him. Ben survived, by the aid of

three loyal friends: Questor Thews, and ill-trained wizard; Abernathy, a talking dog, the Court Scribe; and the lovely Willow, who sometimes had to be a tree. But Ben had been troubled by dreams of disaster to his former partner, Miles Bennett. Yet when he returned to Earth, Ben found Miles doing splendidly. Unknown to Ben, the dreams had been a trap by Meeks, who had returned to the Magic Kingdom as a tiny insect hidden in Ben's clothing. That first night back in Landover, Ben awoke to see Meeks gloating over him, claiming to have the medallion that could summon the mysterious knight-protector, the Paladin, and that he had cast a spell to witch appearances with Ben. Ben found himself outcast, no longer recognized by any friend, though all his powerful enemies seemed to know him. Without the medallion, he couldn't seek the help of the Paladin against Meeks. There was only the prism cat—whatever that might be! And where was Willow—and the mysterious black unicorn she'd set out to find?

I Can't Make This Up Kevin Hart 2017-06-06 New York Times bestselling author, superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word by writing some words. Some of those words include: the, a, for, above, and even even. Put them together and you have a “hilarious but also heartfelt” (Elle) memoir on survival, success, and the importance of believing in yourself. The question you’re probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart’s life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he’s overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. “Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that’s what shines through [in this] genial, entertaining guide to a life in comedy” (Kirkus Reviews).
