The Last Vampire: Book Six R. A. Steffan 2021-07-07 When you can no longer outrun your enemies, you have two choices. Turn and fight for your life, or give up. I've never been one for giving up. Unfortunately, running away from your problems only works for so long. Since I got pulled into the secret underworld of demons, Fae, and vampires, it's been one crisis after another. I've been dodging and ducking, rather than hitting back. Reacting instead of acting. Ransley Thorpe and I have been gradually backed into a corner, and we're about to take the offensive. We may be punching way above our weight class, it's true. But if the alternative is death or captivity at the hands of our enemies, do we really have anything to lose? The good news is, the soul-bond I share with my vampire lover means we can never be parted from each other-not even in death. With that reassurance in mind, it's time to make sure Hell and Dhuinne come to regret the day they ever decided to take us on. So? yeah. A half-crazy vampire and an ex-waitress are about to go up against the toughest the paranormal world has to offer. I figure it'll either be totally badass? or the most epic smackdown in history.***The Last Vampire is a steamy urban fantasy romance series from USA Today Bestseller R. A. Albigard's father seeks to use his estranged son as a weapon against their enemies, the demons. And apparently, he's not bothered by the idea of entire worlds becoming collateral damage in his endless war. Meanwhile, the pair's only potential allies reside among the dregs of Fae society. The Forsaken-outcasts condemned by the Court-carry a terrible secret regarding the magical imbalance decimating the Fae realm of Dhuinne. If the three worlds are to survive, Len and Albigard must tame Dhuinne's dark heart before everything around them falls into ruin.***Forsaken Fae is an M/M urban fantasy trilogy. The Last Vampire Jaelynn Woolf 2019-09-09 Broke ex-waitresses aren't supposed to have archenemies. Seriously, that kind of crap is way above our pay grade. We certainly aren't supposed to have multiple supernatural beings competing for the title of "scariest nemesis." Yet that's where I find myself, now that the last vampire on Earth is no longer the last vampire on Earth. Ransley Thorpe turned his closest friend in a last-ditch effort to save his life. Now all three of us have targets painted on our backs, and the powerful demon who might be able to protect us is the last person in the three realms we should trust. To survive, we'll have to rekindle old alliances and rely on friends who have only the barest conception of the danger they're about to face. One thing is crystal clear—even if we succeed in holding our enemies at bay, my life is about to change in ways I could never have foreseen. As the only demon/fae/human hybrid in existence, I thought I had problems before. Silly me. It turns out, I didn't know when I was well off. * * * *The Last Vampire* is a steamy urban fantasy romance series from USA Today Bestseller R. A. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.

The Last Vampire: Book Four R. A. Steffan 2021-07-07 Allies are turning into enemies. I have enough enemies already, thanks. So? yesterday was Hell. Literally. Now, I find myself asking how a day could be that terrible, while also being the most amazing day of my life. When I fled my safe haven in the demon realm to deliver news of betrayal and conspiracy to Rans, I thought it meant I was losing everything. Again. Instead, I've just gained the most valuable gift I could ever receive. I'm hopelessly in love with the last vampire on Earth. That's hardly a news flash at this point. But I never expected my feelings to be returned? and I've never been happier to be wrong. Now he's mine, and I am his. Our lives are bound inextricably, even unto death. Of course, at this rate it just might come to that. The demon we thought was our most powerful ally has been using Rans for his own ends. And he's been doing so for centuries. Until now, I thought Rans and I were on one side of a war between the demons and the Fae. Turns out we're standing squarely in the middle of the battlefield, and both armies are shooting at us. When both sides are in the wrong, who do you stand with? Maybe the answer is obvious. I stand with Rans, and he stands with me. The last vampire, and the first demon-Fae-human hybrid.
