Restoring Your Shield of Faith Chuck D. Pierce 2003-12-08 This message from Chuck Pierce and Robert Heidler likens our spiritual defense to that of the children of Israel while in battle. Within the ranks there were those who carried huge shields to protect the bulk of the army. And just as we fight spiritual battles today, there is a mighty shield we can carry to protect us. This shield of faith is one of the main ways we can resist our enemy's attacks. We are fully capable of resisting the enemy's attacks, but we must first be able to recognize how Satan fights. His main weapons are to create fear and doubt in us and to tempt us to become complainers and murmurers. If we succumb, our faith is weakened. The keys to increasing our faith are found in knowing the Word of God, which engenders praise, thankfulness, trust, and

obedience.

Breaking the Veil of Silence Jobst Bittner 2013-07-11 The Veil of Silence concerns you more than you think! You come across it at every turn, whether in your personal life, in your family, in your church or congregation, or in your cities and nations. The Veil of Silence is the reason for inner coldness, loneliness, and the sense of being lost in darkness. Once you break it, you will be able to receive the immeasurable blessing of God and the authority to change your surroundings with His love. Every nation carries its own burden of guilt and trauma that is passed down through the generations, while a Veil of Silence prevents reconciliation, healing, and restoration. The German pastor, theologian, and activist, Jobst Bittner, writes in the light of the experience of German history. Hitler and the Holocaust caused a spiritual eclipse in Germany and covered entire generations with a Veil of Silence. Today, Germany is blessed and the country of "unmerited grace". If Breaking the Veil of Silence was possible in Germany, how much more so in your life, family, and nation? Through a captivating blend of history, theology, and psychology, Jobst Bittner provides a brave, discerning perspective on this Veil of Silence and proves that the weight of history can be lifted. It is a powerful and practical intervention and spiritual guide to reclaim our authority by uprooting all destructive tendencies of covering up the past, uncovering our own family history, rediscovering the Jewish roots of our faith, and moving forward into action. Once the veil is lifted, true healing, restoration, and change can begin.

The Elijah Calling (Pocket Sized) Ken Mentell 2015-03-01 "The Elijah Calling" by Ken Mentell investigates the end-time prophecy regarding the promised coming of Elijah. "The Elijah Calling" explores the dire warning of the prophets regarding the "end-time" great delusion that will come upon the entire world. In a stunning display of prophetic patterns and fractals the author proves the meaningful arrangement of God's divine plan and how believers can equip themselves for the end-time conflict. Hidden within the scriptures are divinely designed sequences that show the hiding and revealing of Jesus Christ! Throughout the scriptures we see the repeating structure of hidden then revealed, death then resurrection, seed then image, descending then ascending, and flesh then spirit. Christianity finally has an answer for why Jesus Christ has been absent for 2,000 years! "The Elijah Calling" is a robust commentary on the Image of God and the method of correctly interpreting God's divine parables. No Theological library is complete without this Bible commentary!

The Megachurch Book LaDonna Carter 2012-06-11 The Megachurch Book juxtaposes the way of the scripture to the way of the modern day church, particularly the megachurch. A broad range of subjects are explored including church membership, lavish buildings, dual church locations, the absence of men in the church, neglect of community, the corporate orientation of the megachurch, the tax exempt charter, and many more intriguing topics. The book primarily focuses on trends and practices that are found in African American community based megachurches. Certain topics are written in prose and biblical metaphoric style for greater impact. The more biblical versed a reader is, the more the book will resonate. In order to accommodate various levels of biblical familiarity, the author includes a Discussions and Supporting Scriptures section at the conclusion of each topic. The Megachurch Book was written to open dialogue, invoke discourse, and inspire church attendees to not only consider the appropriateness of certain megachurch practices, but to also question such practices.

Paul and Thecla Joseph B. Lumpkin 2015 The Acts of Paul and Thecla was written around 150 CE when there was a growing body of work attributed to the apostle Paul. Owing to the abrupt beginning of the work it is thought The Acts of Paul and Thecla was part of a larger text and was extracted to form a stand alone work. Reasons given for its omission from the Bible are numerous. It was thought to have been written after the apostolic age; it gives high and powerful position to women in the faith; it urges women to withhold sex from their husbands and live chaste lives. Within its storyline Thecla seems to eclipse Paul in her courage and commitment to the spread of the Gospel. The text presents an unwavering stance on the virtue of celibacy preached by Paul and amplified by Thecla. In addition, Thecla is presented as a strong willed woman who took it upon herself to preach, teach, heal, and baptize, all without permission or oversight from a man. In the age when canon was being decided, women in positions of leadership within the church was an anomaly, and the idea that a wife could decide her own fate, and even withhold sex from her husband was looked on as heresy and insolence. These were social constraints, which tainted the interpretation of scripture, both then and now. We will examine the true place of women in the Bible and how translators diminished the place and accomplishments of women by mistranslating words and phrases. We will look at the true meaning of many Bible verses as well as the complete text of Paul and Thecla, with an eye toward how women were a driving force in religion and family in the early church. In the end, a more true and just vision of women of the Bible and of ancient times will be revealed.

God specifically created each person to build a culture that honors Him. We are called to create a culture around us based upon the worship of God. The purpose of this culture is help people engage in worship beyond the corporate worship service. Why Are We Losing the Kids? Sandra M. Platt 2017-03-26 I found this book on Bookbub, and am thrilled with what I've read. I wish every Christian would read it--especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmissive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ."-M.J. Freeman ..". thought provoking book showing true believers in Jesus Christ the need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God." -Alicia Canner " ...Wow what an eye opener, it opened my eyes to the real meaning of being born again. Not only a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably nothing more heartbreaking than seeing our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp, and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ; and yet we are still losing them. We see the grown-up children, the "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that no less than half have turned from God by High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In *Why Are We Losing the Kids?* You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we'll follow God's plan! The Bible has the answers if we're willing to hear them!

The author exhorts the Church to wake up from its apathy and compromise with the world and to grow in holiness and maturity; to rise up in the power of the Holy Spirit to pray in the End Time harvest and to fulfil the Great Commission to make disciples of all nations. The special place of Israel in Bible prophecy, the relationship between the Jewish and Gentile Church are explored and the need for them to come together as 'one new man.' The book takes the form of a study guide, with questions at the end of each chapter for individual and group activities.

Church Locality Jim Tomberlin 2014-04-16 Growing churches today are utilizing multisite and church planting strategies to reproduce themselves for greater outreach and impact. But where? That is the purpose of this book. This book is not intended to address the why of these missional approaches or even the how. This book is a tool and guide to the where. Where should we meet? What kind of facilities are usable for churches? What are the implications of the various options? Tomberlin and Cool reveal the keys to using location as a way to reproduce and increase impact. Locality is all about the convergence of location and facility. The where of a church matters. This book explains the new rules for multisite churches and church plants. Additional contributors to this book include Ed Stetzer, Brad Leeper, and Rich Birch.

Knowing Yehovah Dennis L. Griffith 2016-11-02 YEHOVAH gave us the holy Law for a purpose. That purpose is to create a righteous people who will draw close to Him. When YEHOVAH created the nation of Israel He created a Common Wealth with a Law to govern it. While on earth, Yeshua was anointed to become both King and Priest over Israel. Now, instead of the sons of Aaron and the sons of David, Yeshua presides over the Law of Israel. Initially the Law was weak in that it could not change the nature of man so man would continue to sin. Through the resurrection, Yeshua was able to correct the weakness in the Law allowing man's sinful nature to be corrected. The Church has skewed the Gospel message by doing away with the Law, but the Law is actually an integral part of the Gospel. In order to understand why Christianity abandoned the Law Church's history will be explained in the light of Bible prophecy. Many of the arguments for doing away with the Law will be dispelled and many sacred-pillars will be cast down. The Kingdom of YEHOVAH, like all kingdoms, is a Kingdom of Law. If we are going to be part of His Kingdom then we have to be a lawful people embracing His Law, not doing away with it.

Reading Moses, Seeing Jesus Seth Postell 2019-07-24 This book addresses the questions about the believer's relationship to the Torah (the five Books of Moses, or the Pentateuch) and its commandments (the Law): Since Jesus kept the Law, are believers (Jewish and Gentile) also obliged to keep the Law, or at least some portions of it (Sabbath, the food laws, etc.)? What about the Oral Law (rabbinic traditions)? How does the Torah point to the Messiah? How do we apply the Law of Moses today? Though this book is based on more than a decade of academic research, it is written with the non-academic reader in mind and provides easy-to-understand answers to the questions related to the Torah and does so in a manner thoroughly rooted in a careful reading of the biblical text.
