**Lizzy Goes Brains Over Braun** Jasinda Wilder 2021-01-07 From New York Times Bestselling Author Jasinda Wilder comes a sexy, laugh out loud romantic comedy series that is the perfect escape. If you're a fan of Sex in the City and you binge watched Selling Sunset, you don't want to miss this. It was just supposed to be just a 40th birthday prank for our boss after a wild night of girlfriends, laughter, and a LOT of margaritas. When we placed the ad in the newspaper, we never thought anyone would actually answer it. We also didn't think that Laurel would be so brainless as to put Lizzy's actual phone number in the ad... "Beautiful, successful single woman, 40, seeks attractive male billionaire to impregnate her the old-fashioned way. No strings. NOT seeking sugar daddy. Validation required. Serious inquiries only, please." What could possibly go wrong? Everything.

**Not So Goode** Jasinda Wilder 2020-03-27 I've done everything right, my whole life. I never snuck out, never partied, never drank, never even had a high school boyfriend. Got all the best grades, got into all the best schools. I received not one, but TWO Ivy League University degrees. Had the paper-perfect fiancé, the paper-perfect life. And then it all fell apart. My fiancé cheated on me with my boss. I quit my job, left my fancy, upper-crust Boston condo, dumped my cheating fiancé...quit my entire life, basically. Took to day-drinking and bingeing Netflix. And then my younger sister Lexie calls me in a panic. She needs me to come rescue her, but won't say from what, just that I need to come get her...at her university...in New York. Which leads Lexie and I on road trip across the country. We form the no-bra man-hating day-drinkers roadtrip club...membership two. And then I...ummm...overindulge just a little bit, at a country music festival. Get harassed by assholes. Have to be saved by tall, dark, and handsome man named Crow. Crow turns my whole world upside down. He shows me what real pleasure is. Shows me what I've been missing my whole life...what a man can and should do to make a woman feel really, really good. He's bad. Dangerous. Wild. He has a bad mouth, hard fists, and a dark, mysterious past. And a talented tongue. And hands I find myself wanting all over me, in a desperate way I thought was only real in the romances I read. And now, suddenly, I find myself wanting a wild mustang of a man, an untamable force of nature...and wondering if there's room in my safe, orderly, good girl world for him. Or if maybe I can learn how to be...not so good. \* \* \* She's everything good and sweet and innocent in the world, and I'm a hard-fisted brawler, an outlaw with a bloodstained past. I'm the exact, polar opposite to everything Charlie Goode is. I want her—I want her quick mind and her soft skin, her sexy curves

and her sharp tongue. I want her body, and I want her soul. But I can't have her. When she finds out about the bloody, violent truth of my past, she won't want anything to do with me. She'll run away as fast and as far as she can, because I'm not meant for a sweet, innocent thing like her. Until then, though, I plan on getting her a little dirty. Showing her some of the wild side where I live my life. Take what I can get, and enjoy the ride, and worry about the state of my heart later. You know what they say about the best laid plans, though.

Big Hose Jasinda Wilder 2022-04-29 Putting out fires is more than just a job, it's my passion in life. There's no time for anything else but the job...until I meet her. And now I'm on fire for her, only there's no hose big enough to extinguish these flames. She's too hot to handle, and I'm about to get burned. \* \* \* Saving lives is what I do. As a career paramedic married to the job, I've never thought much about my love life—or my lack of one, if I'm being honest—until it's his life I'm worried about saving. Now I've got a scorching hot firefighter burning up my life and setting my body on fire. No matter how hot he is or how hot things are between us, however, there's one rule in my life which I refuse to break: Never date a fireman. \* \* \* Will we find each other in the flames of this romance, or will we simply add another scar to the collection?

**Laurel's Bright Idea** Jasinda Wilder 2021-04-22 Laurel McGillis has a secret: she's a hopeless romantic. She'll deny it up one side and down the other, and all evidence points to the contrary, but it's true. Her deeper secret: she's desperately hoping to be the third victim of The Ad. In this case, Laurel's two secrets are about to cross paths, in the steamiest, most romantic way she could possibly imagine.

*Caught in the Surf* Jasinda Wilder 2015-07-17 Lani woke up one morning hungover, heartbroken, and stranded in a tropical paradise. She missed her plane and ran out of luck... and then she met Casey. Who happened to be a pilot with an airplane...not to mention tall, handsome, and exactly what she needs. Even though the last thing she planned on was getting naked in the sand... Warning: this is one seriously hot little novella previously published in the Summer on Seeker's Island anthology. It contains super-steamy insta-love between a giant sexy island hero and a short and curvy Hawaiian surfer chick. This story contains scorching, sandy sexy times guaranteed to heat you up, even if you read it on the beach.

**A Doll's House** Henrik Ibsen 2021-02-16 Nora Helmer is a dutiful young wife and mother of three children whose attempt to secure her family's future may ultimately lead to its destruction. Ibsen's play explores female identity and independence in a male dominated society. The Helmer family consists of Torvald and Nora, as well as three children: Ivar, Bobby and Emmy. From the outside, they appear to live a happy and idyllic life. Yet, a secret from Nora's past threatens to destroy everything she loves. One of Torvald's employees blackmails Nora, hoping she can influence her husband in the workplace. When she doesn't succeed, Torvald

is informed of her misdeeds. This leads to a life-changing confrontation that forces Nora to reevaluate her marriage and desire for a family. *A Doll's House* is one of Ibsen's most forward-thinking plays. It was deemed scandalous for its depiction of a wife who prioritizes her own well-being over others. It's an insightful examination of how gender roles dominated nineteenth century Europe. With an eye-catching new cover, and professionally typeset manuscript, this edition of *A Doll's House* is both modern and readable.

**Cowboy in Colorado** Jasinda Wilder 2019-08-01 It should have been simple and straightforward—business, and nothing but business. A quick trip to Colorado to scout out a location for my newest real estate development acquisition. Fly in, drive to the location, talk the owners into selling, sign some papers, and go home. A business trip like any other, something I've done hundreds of times without issue. This time, however, I was waylaid. First by a runaway horse—and then by an angry, stormy pair of vivid blue eyes, a massive, mountainous set of brawny shoulders, a strong, powerful pair of hands, and a voice like thunder over the horizon. Will is a man out of another era, a man of stillness and action in equal measure—a man in complete possession of himself and his world in a way I've never experienced. And suddenly, somehow, he comes to possess me, my mind, my heart, and my body, in a way neither of us are ready for, and neither of us know how to resist. What should have been a simple business deal quickly spirals out of control, becoming a struggle of life and death, a battle of hearts and passion...

The Long Way Home Jasinda Wilder 2017-06-30 I need you, Ava. I am desperate. For you. For touch. For a kiss. For the scrape of your hand down my stomach. For the slide of your lips across my hipbone. The sweep of your thigh against mine in the dulcet, drowning darkness. For the warm huff of your breath on my skin and the wet suck of your mouth around me and the building pressure of need reaching release...I am mad with need. Wild with it. I cannot have you. I have lost you, as I have lost myself. And so I go in search. Of myself, and thus the man who might return to you, and take you in his arms. I loathe each of the thousands of miles between us, but I cannot wish them away, for I hope at the end of my journey I shall find you. Or rather, find myself, and thus...you. Myself, and thus us. I am taking the long way home, Ava. \* \* \* Christian, I'm losing my mind, and I don't know how to stop it. I shouldn't be writing to you, but I am. I'm friendless, loveless, and lifeless. You're out there somewhere, and still you're all I really have. I hate my reliance and dependence on you, emotionally and otherwise, and that reliance is something I'm coming to recognize. I hate that I can't hate you as much as I want to. I hate that I still love you so much. I hate that there's no clear solution to our conundrum. Even if we could forgive each other, what then? I hate you, Christian. I really do. But most of all, I don't. It's complicated. Complicatedly (still) yours, Ava

with a window that was jammed shut. Pretty simple, right? All I wanted was to open the windows while I tidied the house. I'd been after my no-good husband to do it for months, but he never did. And then he shackled up with his secretary, leaving me with a pile of bills, husband-free for the first time in ten years, and with a house that was falling apart. The ad popped up on the side of my social media feed—a local contracting agency willing to do pretty much anything. Since I don't really know a screwdriver from a ratchet, I gave them a call. And let me tell you, the ad was NOT lying. Jesse O'Neill can do it ALL...and looks amazing doing it. He fixed my window, so I called him back to fix the sagging, splintery front steps. Which led to him fixing my kitchen sink. And then he recarpeted my stairs. And then fixed the squeak in my bed. He was supposed to fix my house, not my rusty, sputtering libido. And certainly not my broken heart. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px 'Times New Roman'} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px 'Times New Roman'; min-height: 16.0px} span.s1 {font-kerning: none}

**Badd Daddy** Jasinda Wilder 2019-06-07 Lucas Badd...the Baddest of them all, he's patriarch of the clan, a man with the size and temperament of a grizzly bear whose past holds the keys to not only his own future, but also the way everyone connected to him will move forward as a family. Who can tame a man this wild? Olivia Goode. A widow, a mother, and a woman who is Lucas's opposite in every way imaginable. If anyone can, it would be her, but the real question is whether she can move past her own tragedy to see the man beneath the grizzly bear exterior, and whether Lucas has the courage to face his demons and become the man he's spent the last forty years pretending not to be.

*The Gulf: The Making of An American Sea* Jack E. Davis 2017-03-14 Winner of the 2018 Pulitzer Prize for History Winner of the 2017 Kirkus Prize for Nonfiction A National Book Critics Circle Award for Nonfiction Finalist A New York Times Notable Book of 2017 One of the Washington Post's Best Books of the Year In this "cri de coeur about the Gulf's environmental ruin" (New York Times), "Davis has written a beautiful homage to a neglected sea" (front page, New York Times Book Review). Hailed as a "nonfiction epic . . . in the tradition of Jared Diamond's best-seller *Collapse*, and Simon Winchester's *Atlantic*" (Dallas Morning News), Jack E. Davis's *The Gulf* is "by turns informative, lyrical, inspiring and chilling for anyone who cares about the future of 'America's Sea' " (Wall Street Journal). Illuminating America's political and economic relationship with the environment from the age of the conquistadors to the present, Davis demonstrates how the Gulf's fruitful ecosystems and exceptional beauty empowered a growing nation. Filled with vivid, untold stories from the sportfish that launched Gulfside vacationing to Hollywood's role in the country's first offshore oil wells, this "vast and welltold story shows how we made the Gulf . . . [into] a 'national sacrifice zone' " (Bill McKibben). The first and only study of its kind, *The Gulf* offers "a unique and illuminating history of the American Southern coast and sea as it should be written" (Edward O. Wilson).

*Delilah's Diary: La Vita Sexy* Jasinda Wilder 2014-07-15 I've always been a good girl. I grew up in a small town, dated my high school sweetheart all the way through college, and married him. I even waited until our wedding night for my first time. Yeah, that kind of good girl. Finding my husband in bed with the church secretary came as quite a shock, needless to say. Finding out he'd slept with just about every female in town was an even bigger shock. Discovering those dirty little secrets is what sent me on a journey that I will never

forget.

**Badd Business** Jasinda Wilder 2018-11-08 Remington Badd...he's just as big, just as BADD, just as foul-mouthed and filthy-minded as his brother Roman. But under that rough and wild exterior lies a secret. Juneau Isaac, a Yup'ik Inuit, is the daughter of a hiking guide father and a mother who creates works of art and sells it to the tourists. The first to go to college—the first to leave her family's ancestral home near Ketchikan—Juneau feels a deep sense of obligation to her family, to ignore the real passion that beats inside her. A roughneck smokejumper with an artist's soul hidden deep inside. An artist living a false life, harboring secrets and fostering forbidden passions. Can these two find their way to living their truths while navigating the tumultuous waters of a whirlwind romance? In a battle between familial obligation and secret dreams, will there be room for love—not to mention the wild intensity of uncontrollable lust—in these closed-off hearts?

*Anselm* Jasinda Wilder 2019-12-05 I'm a thirty-nine year old single mother to a sweet little blond seven year old girl. An ER nurse just barely scraping by, working sixty-plus hours a week to make ends meet. I'm no stranger to ugly sights, but I keep all that locked away in a tiny dark little box where it'll never affect my baby girl. I wouldn't even classify what happened as meeting him, but it was enough, apparently, to warrant my involvement in a mess far beyond anything I could even imagine. What happened? I came home late one night after a hellish shift in the ER, ready for a glass of wine and some mindless TV before bed. Instead, I found a man in my kitchen, using my sewing kit to suture a glancing gunshot wound to his ribcage. Being a nurse, I couldn't help taking over. He said nothing, refused to even hear my name. The moment he was sewed up, he made for the door. He told me knowing nothing was safest for me—and he said this in a quiet, accented voice that only made me curious to know more about him. He vanished into the night as silently and mysteriously as he appeared, and that was that. Or, it should have been. Only, I woke up in the back of a helicopter, bound and gagged. Simply for meeting him. For seeing his face—hearing his voice. He rescued me, but that was only the beginning.

The Parent Trap Jasinda Wilder 2021-08-13 He was my worst enemy. He spent every waking moment devising fresh new ways of torturing me. No one has ever been able to make me cry like Matthais Bristow: my twin brother's best friend, and the person on this planet I hate most. Then, he left for college and I was free of him. For ten blessed years, I was free of his torture. Now, he's back, and he owns half of the family business I spent my entire life preparing to take over. Is this going to be a new round of his old favorite game, Make Delia McKenna Cry, or am I to believe he's actually come back with good intentions?

The Missionary Jack Wilder 2013-10-11 Ex-Navy SEAL Stone Pressfield had a bad feeling about the proposed church missions trip to Manila, Philippines. The college-age church group plans to go Manila and help victims of the sex-trafficking industry. Stone's lingering nightmare memories about the sex-trafficking industry has him warning church leaders that the trip is a bad idea. He knows all too well that it could end in violence, and those involved aren't to be trifled with. When beautiful Wren Morgan goes missing, he has a sick feeling that he knows exactly who took her, and for what purpose. The problem is, Wren isn't just any other student. She's someone he was close to, someone he cares about. Now she's in the hands of cruel, evil men, and Stone is

the only one who can rescue her before the unthinkable happens.

**Forbidden Fruit: Preacher's Son** Jasinda Wilder 2014-07-27 I showed up in backwater little Yazoo City Mississippi expecting to find solitude and a fresh start. I just left my wealthy, neglectful husband--with a couple million dollars belonging to him, I might add. When I got to Yazoo, though, I didn't find any solitude, that's for sure. I ended up in the arms of an oh so sexy man named Tre McNabb. The problem? Tre is the preacher's son. \*\*\* All three hot Preacher's Son stories in one edition.

*Wounded* Jasinda Wilder 2013-05-06 War has taken everything from me. My family. My home. My innocence. In a country blasted by war and wracked by economic hardship, a young orphan girl like me has very few options when it comes to survival. Thus, I do what I must to live, to eat, and I try very hard to not consider the cost to my soul. My heart is empty, and my existence brutal. The one impossibility in my life is love. And then I meet HIM. \*\*\* War is hell. It takes a chunk out of a man's very soul to do the kinds of things war demands of you. You live with fear, you live with guilt, and you live with nightmares. If you haven't been through it, there's no understanding it. War leaves no room for love, no room for tenderness or softness. You gotta be hard, closed off, and ready to fight every moment of every day. Lose focus for a split second, and you're dead. Now the only thing that can save me is HER.

**Nailed** Jasinda Wilder 2018-12-07 RYDER: You are the most beautiful woman I've ever seen, Laurel. And if that's all of you I ever get to see, I'll be the luckiest man in the world for having seen it. I swallow hard. He wasn't supposed to make it sweet. He was supposed to leave it dirty and inappropriate, so I could tell myself all he wanted was sex. That all he cared about was getting me naked, or if not that, then at least seeing me naked. Instead, he turned it sweet. And I couldn't tell myself any lies to keep me on my high horse.

**Wish Upon A Star** Jasinda Wilder 2021-10-15 Grandma always said dying is the the easy part; it's the living that's hard. I've been fighting to live since I was seven years old, and now the doctors say I'm gonna lose that battle soon. I've crossed off just about everything on my bucket list—I've seen the Eiffel Tower and the Coliseum and I've been swimming in the Caribbean; I've lived like I'm dying, because I am. There's just one thing left on my list: I want to be a bride. I want to wear white and have my dad walk me down the aisle. I want a first dance and cake and a night to feel like a princess...and I want it with Westley Britton. The perfect guy. Musician, actor, and every girl's dream man. My dream man. Only, he doesn't even know I exist. It's the start of a strange, improbable fairy tale. When you're talking about terminal leukemia, happily ever after seems impossible, but when your celebrity crush and the man of your dreams shows up out of the blue and proposes to you, it makes you feel like anything is possible. Even that hardest thing: living.

**Duke: Alpha One Security: Book 3** Jasinda Wilder 2016-12-09 Under ordinary circumstances, waking up bound and gagged next to a hot guy wouldn't be the worst thing that's ever happened, but these aren't ordinary circumstances. There's guys with guns after us...LOTS of them--both the guns and the guys. Six-six, built like a god, red hair, blue eyes, and a tree trunk between his legs. Yeah. This is the guy I got kidnapped with. Phrasing is important there: kidnapped WITH, not kidnapped BY. Fortunately, Duke Silver is a hard-

core badass, because it's going to take every last shred of skill he has as a killer commando to keep us both alive, and even then, nothing's a sure thing.

**Badd Ass** Jasinda Wilder 2017-01-19 I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout “MEDIC!” training just kicks in. It’s automatic, immediate. I don’t think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he’d been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn’t getting him, it’s keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn’t know what to do with him. It’s not in my nature, and if life has taught me anything, it’s to not trust anyone, least of all men like Zane. He’s a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it’s a conflict as old as humanity itself, but it’s brand new for me. \* \* \* Life as Navy SEAL doesn’t exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn’t know I’d had until I saw her—explodes into my life like a frag grenade? I’m trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you’ve got it finally figured out, fate throws you a screwball and sends everything FUBAR.

**Goode To Be Bad** Jasinda Wilder 2020-05-08 Myles North—he’s the epitome of rock star hotness, with a killer body, a wicked smile, and a talent for driving me insane in all the most delicious ways. He’s good. A good man, a good friend, a talented performer, and an incredible lover. He’s literally everything a woman could ever ask for in a man. Which is the greatest problem of them all, and I’ve got a lot of problems. My past is dark and secret and filled with unimaginable pain. I’ve built a brash, badass, loud-mouthed, exhibitionist, opinionated persona to be my armor against the world...and Myles North sees right through it to the truth of me. \* \* \* Lexie Goode is sexy as sin, talented as hell, and has a razor-sharp tongue—and a past steeped in secrets and pain, which she hides from the world behind her tough, ballsy, figure-flaunting exterior. I’ve fallen for the girl, and hard. I want all of her, sharp corners and dark secrets and all. I’ll stop at nothing to earn her trust, and the truth of her past. But will I be able to hang on for the wild-ass ride that is Lexie Goode?

*Dirty Beasts* Jasinda Wilder 2022-08-25 We are the cast-offs, the forgotten, the broken; we are dark, dangerous men haunted by our violent pasts. The Guardian collects us, rehabilitates us, and gives us a new lease on life...if we follow a few, simple rules: Once you’re in, there’s no going back; never take a life; loyalty to the brotherhood above all. Then, I meet HER. She’s everything I’m not, and she’s determined to save me from my own past, even as I save her from her present.

Daughters of Midnight Jasinda & Jack Wilder 2021-09-10 They called it Pandora's box. My grandparents called it evil technology that would eventually destroy us all. And they were right. Now, there’s no central

government, just city-states barely clinging to the notion of civilization, running on bioelectric energy known as glow. Cities need it; Glow Pirates steal it, violently, and Scavengers roam the wilderness between cities known as The Wastes preying on anyone and everyone, with glow or without it, and those without glow live together in peaceful communities called The Remnant. Then, one night at the stroke of midnight, every woman who wasn't Remnant died—all of them, all at once. It was The Reaping. Now, all of us women who are left are hunted for breeding. We are the Daughters of Midnight, and we are at war.

Renovated Jim Wilder 2020-04-21 Christianity has tended to focus on right beliefs and right choices as the keys for personal growth. But biblical evidence and modern brain science show that our character is shaped more by whom we love than what we believe. Through conversations he had with Dallas Willard at the Heart & Soul Conference shortly before Dallas's death, Jim Wilder shows how we can train our brains to relate to God based on joyful, mutual attachment--which leads to emotional and spiritual maturity as our identity and character are formed by our relationship with God.

Beta Jasinda Wilder 2014-10-21 Roth and I are on an open-ended tour of the world. Roth being Roth, this means missionary in Morocco, reverse cowgirl in Calcutta, bent over the bow of a houseboat in Hanoi, slow and sleepy on St. John. Anywhere and everywhere, in every conceivable position, and some I didn't know were possible. Life was pretty incredible. Until I woke up in his chateau in France, alone. On the bed next to me was a note. There were only four words: He belongs to me.

**Decadent Dreams** Nicole Garcia 2018-08-17 Nico My dreams haunt me. I feel as if I am falling into a pit of impending doom, but even that has not prepared me for the roller-coaster of emotions that flood over me when I'm near Phoenix. I have to keep my distance from her. I need to. It's the only thing I can do to keep from getting hurt again. Staying away from her proves to be a much harder task than I could have ever

imagined. She's not only my assistant, she's half my age. She gets under my skin and irritates the shit out of me, yet, one smile, one laugh, and I'm melting into a puddle at her feet. Falling in love with her is a bad idea, a very bad idea because she just may be the one who breaks my heart for good this time. Phoenix Nico is my boss. He's demanding, bitter, brooding, and a downright bully at times. But, all that doesn't deter me from him at all because I can see the kindness and compassion in his eyes. I know the secret he's keeping from everyone and why he's so guarded with his heart. I don't care about his secret, nor do I care that he's twice my age. What matters is the undeniable attraction we feel for each other. If only he can just let go of the past and see what's right in front of him

**Captured** Jasinda Wilder 2014-08-12 Love is never easy. It's especially difficult when you love a Marine. I knew the risk when I said "I do," but I chose to love anyway. In a flash, he was taken from me, and now I'm alone. Struggling and desperate. There's no hope, no future. Just the endless cycle of day-to-day survival. But a letter returned could change all of that. Hope and love often come from the last place you'd think to look, when you least expect it. \* \* \* I was a lost, broken soul, tortured by the memories of what I'd endured. When I visited that old farmhouse in rural Texas, all I wanted to do was return the letter. Keep a promise to a friend. What I got was healing. Understanding. The chance to find a measure of peace when all I've ever known is war. We both lost everything. But in each other, we found something worth fighting for.

For a Goode Time Call... Jasinda Wilder 2020-02-28 The size of a Kodiak bear and covered in tattoos. A heart of gold, a rough and tumble past. Confident, powerful, gentle. Wise. Artistic. Deep wild brown eyes that see far deeper into me than they should. Nothing in my life could ever have prepared me for the reality that is Ink Isaac. He's just so much more than anyone I've ever met, and my instant, inexplicable, and undeniable attraction to him leaves me reeling. But with my life recently turned upside down, the more time I spend around him, the more I realize I'm not even sure what my future looks like anymore—all I know for sure is, my heart and my body want him in it, even if my mind is saying something else. \* \* \* She's a tiny little thing, all hard edges and sharp wit.
