Slatter's Fundamentals of Veterinary Ophthalmology E-Book David Maggs
2017-09-27 Learn to recognize, diagnose, and manage a wide range of common ocular conditions with Slatter's Fundamentals of Veterinary Ophthalmology, 6th Edition. This thoroughly updated text provides the latest, most practical information on structure and function of the eye, the ophthalmic examination and diagnostic techniques, medical and surgical management of ocular disease, and management of ocular emergencies. Enhanced and logically organized coverage includes dogs, cats, horses, livestock, birds, and exotic pets. In addition, over 1,000 color photos and illustrations accurately depict ocular conditions encountered in practice and demonstrate diagnostic and surgical techniques. Edited by three of the most revered authorities in the field of veterinary ophthalmology, this reference is an essential aid to successful veterinary practice and education. Clinical Tips boxes such as "The Controversy Remains", "Did You Know?", "Look Again", and "Note" offer helpful practice advice and facts. UPDATED Additional species added to the exotics chapter include birds, small mammals, and others. A team of internationally respected veterinary ophthalmologists provide comprehensive, clinical expertise in all areas needed to evaluate, diagnose, manage, and monitor a patient with ophthalmic disease. Practical, clinically focused coverage provides a one-stop diagnostic guide to ophthalmic disease in small and large animals including dogs, cats, horses, livestock (cows, sheep, goats), birds, and exotic pets. Chapters on equine, livestock, and exotic pet ophthalmology written by specialists in these fields for the most clinically relevant coverage. NEW! Chapter on ophthalmic surgical techniques describes instrument and suture choice, patient positioning, surgical preparation, and general techniques. NEW! Additional drawings depict ophthalmic surgeries. NEW! In-depth equine and livestock ophthalmology content NEW! Suggested reading lists included at the end of each chapter.

Corpus Inscriptionum Arabicarum Palaestinae, Volume Two: -B-C- Moshe Sharon
2021-07-26 The religious and strategic importance of Western Palestine in the

Islamic period is clearly reflected in the hundreds of Arabic inscriptions found, the texts of which cover a variety of topics including construction, dedication, religious endowments, epitaphs, Qur'anic texts, prayers and invocations, all now assembled in this Corpus Inscriptionum Arabicarum Palaestinae (CIAP). The inscriptions are arranged according to site, and are studied in their respective topographical, historical and cultural contexts. In this way the Corpus offers more than a survey of inscriptions: it represents the epigraphical angle of the geographical history of the Holy Land.

What Color is Your Cat? (Simplified Chinese) The Read With You Center for Language Research and Development 2020-11

Daily Editing, Grade 4 Linda Armstrong 2008-08-28 Foster the development of conventions and editing skills through frequent, focused practice using Daily Editing for students in grade 4. The book includes 180 activities that cover topics such as capitalization, punctuation, grammar, spelling, and sentence structure. The activities are presented as various writing examples, including journal entries, letters, and e-mails. This 192-page book includes practice pages, reviews, a proofreader's marks chart, an editing checklist, a grammar glossary, and color-coded answer keys. The book supports NCTE standards and aligns with state, national, and Canadian provincial standards.

MeowWOW! Marty Becker 2007-11-15 Presents little-known facts about cats and tips about cat behavior, discussing topics such as the most popular names for cats and the reasons why cats like high places and enjoy eating grass.

Read all about . . . The Albino Squirrel Preservation Society The history of dreadlocks Trendsetting (and ugly) shoes Professional eaters . . . and much more!

Outlaw Music in Russia Anastasia Gordienko 2023-01-24 The Russian shanson can be heard across the country today, on radio and television shows, at mass events like political rallies, and even at the Kremlin. Yet despite its ubiquity, it has attracted almost no scholarly attention. Anastasia Gordienko provides the first full history of the shanson, from its tenuous ties to early modern criminals' and robbers' folk songs, through its immediate generic predecessors in the Soviet Union, to its current incarnation as the soundtrack

for daily life in Russia. It is difficult to firmly define the shanson or its family of song genres, but they all have some connection, whether explicit or implicit, to the criminal underworld or to groups or activities otherwise considered subversive. Traditionally produced by and popular among criminals and other marginalized groups, and often marked by characters and themes valorizing illegal activities, the songs have undergone censorship since the early nineteenth century. Technically legal only since the collapse of the Soviet Union, the shanson is today not only broadly popular but also legitimized by Vladimir Putin's open endorsement of the genre. With careful research and incisive analysis, Gordienko deftly details the shanson's history, development, and social meanings. Attempts by imperial rulers, and later by Soviet leaders, to repress the songs and the lifestyles they romanticized not only did little to discourage their popularity but occasionally helped the genre flourish. Criminals and liberal intelligentsia mingled in the Gulag system, for instance, and this contact introduced censored songs to an educated, disaffected populace that inscribed its own interpretations and became a major point of wider dissemination after the Gulag camps were closed. Gordienko also investigates the shanson as it exists in popular culture today: not divorced from its criminal undertones (or overtones) but celebrated for them. She argues that the shanson expresses fundamental themes of Russian culture, allowing for the articulation of anxieties, hopes, and dissatisfactions that are discouraged or explicitly forbidden otherwise.

The Sketch 1901

Names in Focus Terhi Ainiola 2016-06-09 *Names in Focus* delves deep into the vast field of Finnish onomastics, covering place names, personal names, animal names, commercial names and names in literature. It provides the history and current trends in this area of research, and also supplements international terminology with the Finnish point of view on the subject. Brimming with examples and clear explanations, the book can be enjoyed by the most studious of researchers as well as the casual reader who has a genuine interest in the study of names.

Chatterbox 1912

A System of Geography, Popular and Scientific James Bell 1832

Old Possum's Book of Practical Cats Thomas Stearns Eliot 2009 T. S. Eliot's playful cat poems were originally composed for his godchildren, with Eliot posing as Old Possum himself, and later inspired the legendary musical "Cats." Now with vibrant illustrations by the award-winning Axel Scheffler.

The Oxford Handbook of Names and Naming Carole Hough 2016-05-03 In this

handbook, scholars from around the world offer an up-to-date account of the state of the art in different areas of onomastics, in a format that is both useful to specialists in related fields and accessible to the general reader. All known languages make use of names, most commonly to identify individual people and places. Since Ancient Greece, names have been regarded as central to the study of language, and this has continued to be a major theme of both philosophical and linguistic enquiry throughout the history of Western thought. The investigation of name origins is more recent, as is the study of names in literature. Relatively new is the study of names in society, which draws on techniques from sociolinguistics and has gradually been gathering momentum over the last few decades. The structure of this volume reflects the emergence of the main branches of name studies, in roughly chronological order. The first Part focuses on name theory and outlines key issues about the role of names in language, focusing on grammar, meaning, and discourse. Parts II and III deal with the study of place-names and personal names respectively, while Part IV outlines contrasting approaches to the study of names in literature, with case studies from different languages and time periods. Part V explores the field of socio-onomastics, with chapters relating to the names of people, places, and commercial products. Part VI then examines the interdisciplinary nature of name studies, before the concluding Part presents a selection of animate and inanimate referents ranging from aircraft to animals, and explains the naming strategies adopted for them.

The Encyclopaedia Britannica Hugh Chisholm 1911

Owls of the World - A Photographic Guide Heimo Mikkola 2020-09-06 Having trouble separating your scops from your screech owls, Tengmalm's from Tawny Owl or Collared and Spotted Owlets? Then this is the book for you. *Owls of the World* is the ultimate photographic resource dedicated to the identification of these charismatic, largely nocturnal birds of prey. This book contains lavish and spectacular photography from dozens of the world's finest natural history photographers, covering all of the world's 250 species of owls; particular attention is given to subspecific differences, sexing and ageing. The photos are accompanied by concise text on the identification, habitat, food, distribution and voice of these birds, along with accurate range maps. The definitive work on owl identification, no birder's bookshelf should be without it!

The Silken Thread Robert N. Wiedenmann 2021 "Insects are seldom mentioned in history texts, yet they significantly shaped human history. *The Silken Thread: Five Insects and Their Impacts on History* tells the stories of just five insects, tied together by a thread originating in the Silk Roads of Asia, and how they have impacted our world. Silkworms have been farmed to produce silk for millennia, creating a history of empires and cultural exchanges; Silk Roads connected East to West, generating trade centers and transferring ideas, philosophies, and religions. The western honey bee feeds countless people, and their crop pollination is worth billions of dollars. Fleas and lice carried bacteria that caused three major plague pandemics, moved along the Silk Roads

from Central Asia. Bacteria carried by insects left their ancient clues as DNA embedded in victims' teeth. Lice caused outbreaks of typhus, especially in crowded conditions such as prisons and concentration camps. Typhus aggravated the effects of the Irish potato famine, and Irish refugees took typhus to North America. Yellow fever was transported to the Americas via the trans-Atlantic slave trade, taking and devaluing the lives of millions of Africans. Slaves were brought to the Americas to reduce labor costs in the cultivation of sugarcane, which was itself transported from south Asia along the Silk Roads. Yellow fever caused panic in the United States in the 1700s and 1800s as the virus and its mosquito vector migrated from the Caribbean. Constructing the Panama Canal required defeating mosquitoes that transmitted yellow fever. The silken thread runs through and ties together these five insects and their impacts on history"--

Two Dianas in Somaliland: The Record of a Shooting Trip Agnes Herbert
2022-06-02 *Two Dianas in Somaliland* is a narrative of a daring and victorious shooting expedition undertaken by two cousins, Agnes and Cecily, who carry the spirit of true sportswomen and the right attitude for this adventure. A native Somali escort accompanies them during this expedition. British writer and big game hunter Agnes Herbert keep the reader hooked with her refreshing writing style throughout the novel. She wonderfully describes the beauty and austerity of the jungle and desert in the passages as the two ladies travel through the country. The chapters of this book are started with one or more quotations from Shakespeare, thus revealing the author as a high-class Englishwoman of culture. The discussions in the book show that the author is highly skilled with guns. This work beautifully and with great success presents a new perspective of a female British imperialist hunter bagging big game in the isolated jungle of Somaliland and Ethiopia, which is deserving of the reader's interest and attention.

horsetail, wild fennel, chickweed, and more * Many weeds pack a greater nutritional punch than store-bought vegetables The Front Yard Forager brings DIY harvesting right to your door, making foraging easy, accessible, and fun for everyone even in the middle of the city or suburbia. From the yard to the parking strip, in city parks or along municipal thoroughfares, food is abundant and free for the taking! The Front Yard Forager invites all of us to take control of our food by entering into the fun and delicious world of foraging. A concise field guide and recipe book, it showcases the 30 most readily found edible urban weeds. From dandelion to day lily, nipplewort to nettle, and pineapple weed to purslane there's a salad bowl full of fresh edibles just waiting to be collected and put to good use. Each plant profile features an easy-to-use field identification guide, including photographs, as well as where to find the plant and what to do with it in the kitchen. Recipes range from simple and classic to practically gourmet, while introductory chapters and sidebars cover the hows and whys of foraging: ethics, nutritional information, harvesting, precautions, and more. Written by Seattle's Melany Vorass, a longtime instructor of urban foraging, The Front Yard Forager brings DIY harvesting right to your door, making foraging easy, accessible, and fun for everyone—even in the middle of the city—or suburbia. Winner of the Nautilus Awards 2014 "Better Books for a Better World" Silver Award!

The Naming of Cats T. S. Eliot 2021-11-02 The Naming of Cats is a difficult matter, It isn't just one of your holiday games; You may think at first I'm as mad as a hatter When I tell you, a cat must have THREE DIFFERENT NAMES. The first poem in Eliot's *Old Possum's Book of Practical Cats* is a brilliant introduction to the fabulous world of Cats, featuring names such as Bombalurina and Munkustrap - made famous by the recent film! The seventh gorgeous Cats picture book with lively and colourful illustrations by Arthur Robins. Perfect for reading aloud, singing or performing!

The Complete Book of Cat Names (That Your Cat Won't Answer to, Anyway) Bob Eckstein 2022-08-02 Naming a cat is the most important step in your kitten's life—New Yorker cartoonist Bob Eckstein can help. Reader, beware! A cat's name will set the tone for the rest of their personal and professional life. Recent studies from dubious cat blogs have shown that 80 percent of cat owners regret the name they gave their feline friends. The number one reason: it became too popular. Fear not. Whether the goal is a name to carry on family tradition or to find something new and different, *The Complete Book of Cat Names* is packed with options, along with all-new, cat-themed cartoons by Eckstein, making this crucial step in owning a pet a pleasure. Here, you will find the most popular cat names (to avoid), bookstore cat names (Homer or Pip), cat names for foodies (S'more or Capers), James Bond villain cats (Golden Paws or Jinx), and many more. In addition, Eckstein provides handy charts for identifying a cat's type (inside or outside, sassy or sweet). It's the perfect gift for any cat owner.

happier and healthier game design process by connecting the creative aspects of game design with techniques for effective project management. This book teaches game designers, aspiring game developers, and game design students how to take a digital game project from start to finish—from conceptualizing and designing to building, playtesting, and iterating—while avoiding the uncontrolled overwork known among developers as “crunch.” Written by a legendary game designer, *A Playful Production Process* outlines a process that connects the creative aspects of game design with proven techniques for effective project management. The book outlines four project phases—ideation, preproduction, full production, and post-production—that give designers and developers the milestones they need to advance from the first glimmerings of an idea to a finished game.

Male Cat Names Larry Baker 2013-03-06 There is nothing more special or cute than a small kitten. These tiny animals strut and play with a special eloquence that is not seen in any other species. It is for this very reason that cats are one of the best house pets a person could ask for. This is why it is important that you give your kitten the best name possible, especially if you would like the name to showcase its personality or physical traits.

Confessions of a Script Doctor Jack Fitzgerald 2019-04-22 More than likely, you have always wanted to write a book, screenplay, or stage play. Now you can and base it on your personal life experiences. Let this handbook be your guide into the writing world as a hobby or profession. You will find in this book a large number of writing secrets, tips, advice, and pitfalls. The material is not complicated, theoretical, or analytical. It is presented in an easy-to-grasp format. As you go through the pages, you will feel like you are having a cup of coffee with your own private mentor. This is a fun book, and the subject matter is humorously presented. You will be shown how to take the various events of your life and develop them into a writing project. In addition, essentials such as grammar, punctuation, and good writing skills are painlessly presented. We have all had interesting experiences in our lives. You can now join countless others who have used their backgrounds as the basis of a book, screenplay, or stage play.

It's a Cat's World . . . You Just Live in It Dr. Justine Lee 2008-12-30
Finally, the truth about cats is out of the bag! If cat lovers are from Venus, then cats hail from another planet altogether. Mischievous and aloof one moment, affectionate the next, the cat is a confounding creature right down to its question mark of a tail. What cat owner hasn't wondered what goes on inside that mysterious kitty brain? In this companion to *It's a Dog's Life . . . but It's Your Carpet*, veterinary specialist Dr. Justine A. Lee answers your questions about all things feline in this entertaining and enlightening guide. An animal lover with two cats of her own, Dr. Lee combines scientific research with irreverent humor to address questions ranging from the common to the offbeat, including: • Do cats always land on their feet? • Can I train my cat to use the toilet? • Do cats have belly buttons? • How do I stop my cat from begging for food at 5:45 a.m.? • Can cats really predict death or cancer? • How can I make my antisocial cat more social? Dr. Lee also shares helpful hints on what to look for in a veterinarian. (Helpful Hint No. 1: Find a veterinarian who owns a cat.) She also reveals what every veterinarian wants you to know about being a smart consumer and pet owner. With tips on dealing with kitty's more irksome behaviors (yes, she has some), advice on looking out for her health and well-being, and plenty of laughs, *It's a Cat's World . . . You Just Live in It* helps cat owners love and understand their quirky feline companions more than ever.

Calling All Cats! Joanne O'Sullivan 2008 Americans live with 90 million cats?and many households have more than one. That's a lot of kitty litter?and a lot of folks who need to come up with a great name for their furry felines. Fortunately, they'll find hundreds of clever choices here to please even the fussiest pussycat. The names are organized into several helpful sections: A Different Breed of Cat, Glamour Pusses, Great Purrformances, Cari-cat-ures (cartoon and comic book cats), Kitty City, Hep Cats, and more. As might be expected, there are "Duplicats" and "Triplificats" options for owners of multiple cats: How about Chips and Salsa? Harley and Davidson? Shake, Rattle, and Roll? Plus there are amusing drawings on every page as well as informative tips, such as how to train a cat to actually come when he's called!
