Bewitching Alex Flinn 2012-02-14 Bewitching can be a beast. . . . Once, I put a curse on a beastly and arrogant high school boy. That one turned out all right. Others didn't. I go to a new school now—one where no one knows that I should have graduated long ago. I'm not still here because I'm stupid; I just don't age. You see, I'm immortal. And I pretty much know everything after hundreds of years—except for when to take my powers and butt out. I want to help, but things just go awry in ways I could never predict. Like when I tried to free some children from a gingerbread house and ended up being hanged. After I came back from the dead (immortal, remember?), I tried to play matchmaker for a French prince and ended up banished from France forever. And that little mermaid I found in the Titanic lifeboat? I don't even want to think about it. Now a girl named Emma needs me. I probably shouldn't get involved, but her gorgeous stepsister is conniving to the core. I think I have just the thing to fix that girl—and it isn't an enchanted pumpkin. Although you never know what will happen when I start . . . bewitching.

The Madness Blooms Mackenzi Lee 2020-11-24 Mackenzi Lee, bestselling author of *The Gentleman's Guide to Vice and Virtue*, takes on Dutch Tulip Fever! My brother Bastian was born in a tulip field, or so the story goes. The woman at the church orphanage boasted this proudly to the seed merchant who had chosen Bas as his apprentice. Lucky for me, he took us both. When a single tulip bulb sold for the price of Amsterdam's finest houses, the flower shop was supposed to be our future, our survival. But when our master died, there wasn't even money to pay for his coffin. He, too, had caught the tulip fever. Bas and I hatched a dangerous, outrageous plan, a plan I hoped would save our shop—and save us. I would dress as a man, take on a new name, and attempt to sell a fake *Semper Augustus* bulb, the rarest and most valuable tulip of all, to the one merchant in town with the money to pay for it. But then I met his daughter, Elsje, and fell in love with her at first sight. Immediately, we were bound together. And the longer I lived a man's life, the less it felt like a disguise. The trousers fit better than dresses ever had, and my new name dripped from Elsje's tongue like sweet syrup. Now, I hardly know—and must discover—what to do. Who to save. Who to become. Who I am. Mackenzi Lee's *The Madness Blooms* is perfect for the teen and adult fans of Julie Berry, Jessie Burton, Ruta Sepetys, and Sarah Waters.

Wilder With You Serena Bell 2022-02-15 Who knew pretending could be so hot? Clark: It started as a joke. After all, I'd never pretend to date a woman just to get my mom and sister off my back. I had no idea how fast things would heat up in here, or how hard it would be to keep my hands—among other things—to myself. I also didn't guess how quickly the news of our "relationship" would spread to my big, nosy family. We can't "break up" yet, because she's planning my brother's wedding and I'm his best man. Through venue visits, DIY disasters, and Vegas trips, we're thrown together, and the chemistry's off-the-charts. But the kicker is, I feel like she gets me. Maybe that's what scares me the most. I'm still reeling from the loss of my wife, and she's still hurting from her ex's betrayal. There's no way this can ever be real. But what if I'm starting to hope it is?
