The Harrows of Spring James Howard Kunstler 2016-07-05 The World Made by Hand postapocalyptic saga concludes with this "suspenseful tale spiked with suffering and violence, rough justice and love" (Booklist). The small town of Union Grove has adapted, struggled, and thrived in the new age of civilization. But early spring is full of hardships: Fresh food is scarce and the winter stores are almost gone. Despite the time of privation, young explorer Daniel Earle resurrects the town newspaper, and the town trustees ask him to help revive the Hudson River trade route. But even as the townsfolk strive forward, a group of visitors remind them that nothing is easy in the new world. They proclaim themselves as representatives of the Berkshire People's Republic, spouting high-minded, near-fanatical rhetoric of social justice and absolute equality—all while demanding tribute from the citizens under slyly veiled threats. Now, the townspeople of Union Grove will have to decide just how far they are willing to go to keep the freedom and peace for which they have fought so hard . . . With this glimpse into a future that could become reality all too soon, James Howard Kunstler delivers "a slyly folksy, caustically hilarious, unabashedly proselytizing, and affecting finale in a keenly provocative saga." (Booklist).

So Cold the River Michael Koryta 2010-06-09 Now a major motion picture: So Cold the River is a chilling, supernatural tale "guaranteed to put the cold finger down your spine" (Michael Connelly). It started with a beautiful woman and a challenge. As a gift for her husband, Alyssa Bradford approaches Eric Shaw to make a documentary about her father-in-law, Campbell Bradford, a 95-year-old billionaire whose past is wrapped in mystery. Eric grabs the job even though there are few clues to the man's past -- just the name of his hometown and an antique water bottle he's kept his entire life. In Bradford's hometown, Eric discovers an extraordinary history -- a glorious domed hotel where movie stars, presidents, athletes, and mobsters once mingled, and hot springs whose miraculous mineral water cured everything from insomnia to malaria. Neglected for years, the resort has been restored to its former grandeur just in time for Eric's stay. Just hours after his arrival, Eric experiences a frighteningly vivid vision. As the days pass, the frequency and intensity of his hallucinations increase and draw Eric deeper into the town's dark history. He discovers that something besides the hotel has been restored -- a long-forgotten evil that will stop at nothing to regain its lost glory. Brilliantly imagined and terrifyingly real, So Cold the River is a tale of irresistible suspense with a racing, unstoppable current.

Out Stealing Horses Per Petterson 2012-07-03 We were going out stealing horses. That was what he said, standing at the door to the cabin where I was spending the summer with my father. I was fifteen. It was 1948 and one of the first days of July. Trond's friend Jon often appeared at his doorstep with an adventure in mind for the two of them. But this morning was different. What began as a joy ride on "borrowed" horses ends with Jon falling into a strange trance of grief. Trond soon learns what befell Jon earlier that day—an incident that marks the beginning of a series of vital losses for both boys. Set in the easternmost region of Norway, *Out Stealing Horses* by Per Petterson begins with an ending. Sixty-seven-year-old Trond has settled into a rustic cabin in an isolated area to live the rest of his life with a quiet deliberation. A meeting with his only neighbor, however, forces him to reflect on that fateful summer.

Female Masculinity Judith Halberstam 1998 Masculinity without men. In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years. Providing the first full-length study on this subject, Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth-century pre-lesbian practices to contemporary drag king performances. Through detailed textual readings as well as empirical research, Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them. She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity. She considers the enigma of the stone butch and the politics surrounding butch/femme roles within lesbian communities. She also explores issues of transsexuality among "transgender dykes"—lesbians who pass as men—and female-to-male transsexuals who may find the label of "lesbian" a temporary refuge. Halberstam also tackles such topics as women and boxing, butches in Hollywood and independent cinema, and the phenomenon of male impersonators. *Female Masculinity* signals a new understanding of masculine behaviors and identities, and a new direction in interdisciplinary queer scholarship. Illustrated with nearly forty photographs, including portraits, film stills, and drag king performance shots, this book provides an extensive record of the wide range of female masculinities. And as Halberstam clearly demonstrates, female masculinity is not some bad imitation of virility, but a lively and dramatic staging of hybrid and minority genders.

Listening to Brahms Rosemary Allen 2013-06-13 December, 1989. While Margaret is visiting her sister and her husband at Blackheath Vicarage for a family Christmas, she finds the diary she kept during a school exchange visit to

Germany in the summer of 1954. Painful memories from that time come flooding back when she hears a Brahms Rhapsody being played on the piano by Jonathan, a consultant at the local hospital. At the age of 17, she believed she had found the love of her life when a young pianist, Peter, kissed her and quoted poetry to her. But the traumatic events that followed changed her life forever. Now, 35 years later, emotional feelings she thought she had suppressed for ever are once again awoken as she begins to fall in love with Jonathan. As the family gathers to celebrate Christmas and the New Year, it appears that her sister's marriage is beginning to crumble. While Margaret's story is unfolding, the Soviet Union is collapsing. Ceausescu and his wife are executed in Romania, Havel becomes president of Czechoslovakia and the border dividing East and West Germany has come down, emphasising the pointlessness of the ever-changing divisions and alliances between peoples. Listening to Brahms is a gripping read that will appeal to fans of romance and historical fiction.

A perfect evening of comedy." -- Publisher's description.

Strange Mr. Satie: Composer of the Absurd M. T. Anderson 2021-01-26 In a brilliant performance worthy of the composer, M. T. Anderson and Petra Mathers present a picture-book biography of the singular Erik Satie. Throughout his life, Erik Satie wanted to make a new kind of music, a kind of music both very young and very old, very bold and very shy, that followed no rules but its own. At first glance, Erik Satie looked as normal as anyone else in Paris one hundred years ago. Beyond his shy smile, however, was a mind like no other. When Satie sat down at the piano to compose or play music, his tunes were strange and dreamlike, his melodies topsy-turvy and discordant. Many people hated his music. Few understood it. But to Erik Satie there was sense in nonsense, and the vibrant, surreal compositions of this eccentric man-child would go on to influence many artists.

The House of Life Mario Praz 2009-10-15 Mario Praz (1896-1982) was among the great scholar/critics of the last century. His studies of iconography and seventeenth-century art remain unsurpassed and indispensable. His most famous work, *The Romantic Agony*, examines the themes of sexuality and morbidity that permeated so much late-eighteenth and nineteenth-century literature. But *The House of Life* comes as close to his autobiography as anything we are likely to encounter, and it is a quirky and magical book. In simplest terms, it is a house tour, but Praz's Roman apartment was no ordinary house it was a wunderkammer, a house of wonders, rooms replete with objects d'art and sculpture, walls hung with paintings and prints, bureaus overflowing with postcards and ephemera. And Praz is no ordinary guide; he leads you, the reader, through each room lecturing on the objects therein. What emerge are his

passions, his immense erudition, his insatiable curiosity, his undeniable amiability, his infectious enthusiasm. What might have been a predictable didactic exercise is transformed and expanded into a multi-layered disquisition on the nature of art, on the challenge of investigation and discovery, on the idiosyncracies of personalities, on the serendipitous way in which art and the objects we choose to surround us tell stories that go far beyond their purely physical attributes. Early on, Edmund Wilson recognized this book as a masterpiece, its author as something of a genius.

A Small Story about the Sky Alberto Ríos 2016-06-13 "Ríos evokes the mysterious and unexpected forces that dwell inside the familiar."—The Washington Post "Ríos delivers another stunning book of poems, rich in impeccable metaphors, that revel in the ordinariness of morning coffee and the crackle of thunderous desert storms. In one sonnet, Ríos addresses injustice in the borderlands, capturing with mathematical precision the everyday struggles that many migrants face—'The border is an equation in search of an equals sign.' A series of sonnets about desert flora abounds with fantastic, magical imagery—'Bougainvilleas do not bloom—they bleed' and 'Apricots are eggs laid in trees by invisible golden hens.' Likewise, Ríos's bestiary sonnets overflow with inimitable similes, worthy of a book unto themselves—'Minnows are where a river's leg has fallen asleep' and 'Gnats are sneezes still flying around.' This robust volume is the perfect place to start for readers new to Ríos and a prize for seasoned fans."—Booklist In his thirteenth book, Alberto Ríos casts an intense desert light on the rich stories unfolding along the Mexico-US border. Peppered with Spanish and touches of magical realism, ordinary life and its simple props—morning showers, spilled birdseed, winter lemons—becomes an exploration of mortality and humanity, and the many possibilities of how lives might yet be lived. Mad Honey Made from magnificent rhododendron, poisonous rhododendron, Very difficult-to-pronounce rhododendron—whatever Rhododendron even is—I would have to look it up myself, This word sounding puffed up, peacocky with its Indianapolisly-long spelling, all those letters moving in and out. But the plant itself, the plant and the bees that find it: The bees see in its purple flower, first, a purple flower. They do not spell it. They do not live in fear of quizzes, Purple offering what it has to offer, unapologetic, without further Definition, purple irresistible to the artist's and to the bee's eye— Who can blame either one this first-grade impulse toward love? Purple, always wearing something low-cut . . . Alberto Ríos is the Poet Laureate of Arizona and host of the PBS program Books & Co. He was a finalist

The Song of the Lark Willa Cather 1916 A novelist and short-story writer, Willa Cather is today widely regarded as one of the foremost American authors of the twentieth century. Particularly renowned for the memorable women she created for such works as *My Antonia* and *O Pioneers!*, she pens the portrait of another formidable character in *The Song of the Lark*. This, her third novel, traces the struggle of the woman as artist in an era when a woman's role was far more rigidly defined than it is today. The prototype for the main character as a child and adolescent was Cather herself, while a leading Wagnerian soprano at the Metropolitan Opera (Olive Fremstad) became the model for Thea Kronborg, the singer who defies the limitations placed on women of her time and social station to become an international opera star. A coming-of-age-novel, important for the issues of gender and class that it explores, *The Song of the Lark* is one of Cather's most popular and lyrical works. Book jacket.

Go, Went, Gone Jenny Erpenbeck 2017-09-15 An unforgettable German bestseller about the European refugee crisis: "Erpenbeck will get under your skin" (Washington Post Book World) *Go, Went, Gone* is the masterful new novel by the acclaimed German writer Jenny Erpenbeck, "one of the most significant German-language novelists of her generation" (*The Millions*). The novel tells the tale of Richard, a retired classics professor who lives in Berlin. His wife has died, and he lives a routine existence until one day he spies some African refugees staging a hunger strike in Alexanderplatz. Curiosity turns to compassion and an inner transformation, as he visits their shelter, interviews them, and becomes embroiled in their harrowing fates. *Go, Went, Gone* is a scathing indictment of Western policy toward the European refugee crisis, but also a touching portrait of a man who finds he has more in common with the Africans than he realizes. Exquisitely translated by Susan Bernofsky, *Go, Went, Gone* addresses one of the most pivotal issues of our time, facing it head-on in a voice that is both nostalgic and frightening.

Fab Howard Sounes 2010-10-26 He is one of the most famous, most wealthy people on the planet, and yet he remains little-known and understood as a personality. At long last, Paul McCartney is the subject of a major, deeply researched, psychologically acute biography. It tells a story that will illuminate and surprise. The publication finds McCartney - who turns 70 in 2012 - revitalized as a performer (touring with a set of mostly Beatles songs) and a man buffeted by profound changes in recent years: the death of his first wife, Linda; the death of George Harrison; a second marriage, to Heather Mills, and its spectacular failure, the fall-out from which is still crashing around him.

The Line of Beauty Alan Hollinghurst 2008-12-17 Winner of the 2004 Man Booker Prize and a finalist for the Lambda Literary Award and the NBCC award. From Alan Hollinghurst, the acclaimed author of *The Sparsholt Affair*, *The Line of Beauty* is a sweeping novel about class, sex, and money during four extraordinary years of change and tragedy. In the summer of 1983, twenty-year-old Nick Guest moves into an attic room in the Notting Hill home of the Feddens: conservative Member of Parliament Gerald, his wealthy wife Rachel, and their two children, Toby-whom Nick had idolized at Oxford-and Catherine, who is highly critical of her family's assumptions and ambitions. As the boom years of the eighties unfold, Nick, an innocent in the world of politics and money, finds his life altered by the rising fortunes of this glamorous family. His two vividly contrasting love affairs, one with a young black clerk and one with a Lebanese millionaire, dramatize the dangers and rewards of his own private pursuit of beauty, a pursuit as compelling to Nick as the desire for power and riches among his friends. Richly textured, emotionally charged, disarmingly comic, this is a major work by one of our finest writers.
