The Pilot and the Little Prince Peter Sís 2014-07 Antoine de Saint-Exupery was born in France in 1900, when aeroplanes were just being invented. He always dreamt of flying, and when he became a pilot as a young man, his adventures truly began. He was one of the first pilots to deliver mail by plane and, along with his fellow pilots, helped to create new routes to faraway places. Antoine flew over mountains and deserts, battled winds and storms, and even tried to break aviation records. He also crashed a number of times. From his plane he reflected on life on the earth and in the skies, and this inspired him to write about his experiences.

The Little Prince (Color Edition) Antoine de Saint-Exupéry 2018-04-23 Color Edition. The Little Prince first published in April 1943, is a novella, the most famous work of French aristocrat, writer, poet, and pioneering aviator Antoine de Saint-Exupéry.

Introducing the Little Prince Antoine de Saint-Exupery 2003-04-01 The little Prince lives by himself on a small, strange planet, where he tends volcanoes and takes care of a very special rose. Make friends with this beloved character and visit his world in this board book set inspired by Antoine de Saint-Exupéry's enduring tale of friendship.

The Little Prince Antoine de Saint-Exupéry 2013 An aviator whose plane is forced down in the

Sahara Desert encounters a little prince from a small planet who relates his adventures in seeking the secret of what is important in life.

The Little Prince Family Storybook Antoine de Saint-Exupéry 2016-04-19 The release of the film *The Little Prince*, adapted from the masterpiece by Antoine de Saint-Exupéry and produced by Mark Osborne, offers a publisher the chance to shed new light on this universal work. The delicate stop-motion animation used in the feature film, created by cutting and animating pieces of paper, sets the stage for a poetic re-reading of this timeless classic. Both young and old are able to relate to the story of the little prince and discover for themselves that “the only way to see is with one’s heart.”

The Little Prince Antoine De Saint-exupery 2020-05-28 A NEW TRANSLATION BY MICHAEL MORPURGO, AUTHOR OF WAR HORSE Meet the Little Prince, a young fellow who hails from a tiny, distant planet. He loves to watch sunsets and look after his flower, to ask questions and to laugh. And now here he is on Earth, appearing out of nowhere in the middle of the desert, looking for a friend. The friend he finds is the narrator of this story - a pilot who has crash landed and is in grave danger of dying of thirst. The Little Prince might be just a boy but he can help our pilot. Because he understands the really important things in life - things like flowers, stars, a drink of water or laughing. Many grown-ups have lost sight of what matters and children have to remember to be tolerant towards them. But adult or child, very silly or very wise, this story is for you. Includes exclusive material: In the Backstory you can read a letter from master storyteller and translator of this book Michael Morpurgo!

In Search of the Little Prince Bimba Landmann 2014-11 Recounts the life of the French author, sharing his work as a pioneer of civil aviation and life as a poet and writer.

The Pilot and the Little Prince Peter Sís 2014-05-27 Peter Sís's remarkable biography *The Pilot and the Little Prince* celebrates the author of *The Little Prince*, one of the most beloved books in the world. Antoine de Saint-Exupéry was born in France in 1900, when airplanes were just being invented. Antoine dreamed of flying and grew up to be a pilot—and that was when his adventures began. He found a job delivering mail by plane, which had never been done before. He and his fellow pilots traveled to faraway places and discovered new ways of getting from one place to the next. Antoine flew over mountains and deserts. He battled winds and storms. He tried to break aviation records, and sometimes he even crashed. From his plane, Antoine looked down on the earth and was inspired to write about his life and his pilot-hero friends in memoirs and in fiction. A Frances Foster Book This title has Common Core connections.

Pablo Neruda Monica Brown 2011-03-29 Describes the life and times of the Nobel Prize-winning Chilean poet.

The Little Prince Antoine de Saint-Exupéry 2015-12-29 Illustrated Version *The Little Prince* Le Petit Prince By Antoine de Saint-Exupéry *The Little Prince: The Childrens Classic Novella* *The Little Prince* is a poetic tale, with illustrations by the author, in which a pilot stranded in the desert meets a young prince fallen to Earth from a tiny asteroid. The story is philosophical and includes social criticism, remarking on the strangeness of the adult world. It was written during a period when Saint-Exupery fled to North America subsequent to the Fall of France during the Second World War, witnessed first hand by the author and captured in his memoir *Flight to*

Arras. The adult fable, according to one review, is actually "...an allegory of Saint-Exupery's own life--his search for childhood certainties and interior peace, his mysticism, his belief in human courage and brotherhood, and his deep love for his wife Consuelo but also an allusion to the tortured nature of their relationship." Though ostensibly styled as a children's book, *The Little Prince* makes several observations about life and human nature. For example, Saint-Exupery tells of a fox meeting the young prince during his travels on Earth. The story's essence is contained in the lines uttered by the fox to the little prince: On ne voit bien qu'avec le coeur. L'essentiel est invisible pour les yeux. ("One sees clearly only with the heart. What is essential is invisible to the eyes.") Other key thematic messages are articulated by the fox, such as: Tu deviens responsable pour toujours de ce que tu as apprivoisé. ("You become responsible, forever, for what you have tamed.") and C'est le temps que tu as perdu pour ta rose qui fait ta rose si importante. ("It is the time you have lost for your rose that makes your rose so important.") The fox's messages are arguably the book's most famous quotations because they deal with human relationships.

Literary Wonderlands 2016-11-01 A glorious collection that delves deep into the inception, influences, and literary and historical underpinnings of nearly 100 of our most beloved fictional realms. *Literary Wonderlands* is a thoroughly researched, wonderfully written, and beautifully produced book that spans four thousand years of creative endeavor. From Spenser's *The Fairie Queene* to Wells's *The Time Machine* to Murakami's *1Q84* it explores the timeless and captivating features of fiction's imagined worlds including the relevance of the writer's own life to the creation of the story, influential contemporary events and philosophies, and the meaning that can be extracted from the details of the work. Each piece includes a detailed overview of the plot and a "Dramatis Personae." *Literary Wonderlands* is a fascinating read for lovers of literature, fantasy, and science fiction. Laura Miller is the book's general editor. Co-founder of Salon.com, where she worked as an editor and writer for 20 years, she is currently a books and culture columnist at Slate. A journalist and a critic, her work has appeared in the *New Yorker*, *Harper's*, the *Guardian*, and the *New York Times Book Review*, where she wrote the "Last Word" column for two years. She is the author of *The Magician's Book: A Skeptic's Adventures in Narnia* and editor of the Salon.com *Reader's Guide to Contemporary Authors*.

The Little Prince Antoine Saint-Exupery 2019-09 *The Little Prince* is a classic tale of equal appeal to children and adults. On one level it is the story of an airman's discovery, in the desert, of a small boy from another planet - the Little Prince of the title - and his stories of intergalactic travel, while on the other hand it is a thought-provoking allegory of the human condition. First published in 1943, the year before the author's death in action, this translation contains Saint-Exupery's delightful illustrations.

The Little Prince Antoine de Saint-Exupéry 2017-11-04

The Little Prince Antoine de Saint-Exupéry 2015-10-08 With an introduction by Kate MosseAll grown-ups were children once (but most of them have forgotten).A pilot who has crash landed in the desert awakes to see an extraordinary little boy. 'Please,' asks the stranger, 'will you draw me a little lamb!' Baffled by the little prince's incessant questioning, the pilot pulls out his pencil, and starts to draw. As the little prince's curiosity takes them further on their journey together, the pilot is able to piece together an understanding of the tiny planet from which the prince has come and of his incredible travels across the universe. First published in 1943, *The Little Prince* has been translated into more than 250 languages, becoming a global

phenomenon. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children's fairy-tale, and many more things besides: *The Little Prince* is a book for everyone; after all, all grown-ups were children once. 'The Little Prince moves from asteroid to desert, from fable and comedy to enigmatic tragedy, in order to make one recurrent point: You can't love roses. You can only love a rose' Adam Gopnik, New Yorker

The Wall Peter Sís 2014-07-15 A NEW YORK TIMES BEST SELLER "I was born at the beginning of it all, on the Red side—the Communist side—of the Iron Curtain." Through annotated illustrations, journals, maps, and dreamscapes, Peter Sís shows what life was like for a child who loved to draw, proudly wore the red scarf of a Young Pioneer, stood guard at the giant statue of Stalin, and believed whatever he was told to believe. But adolescence brought questions. Cracks began to appear in the Iron Curtain, and news from the West slowly filtered into the country. Sís learned about beat poetry, rock 'n' roll, blue jeans, and Coca-Cola. He let his hair grow long, secretly read banned books, and joined a rock band. Then came the Prague Spring of 1968, and for a teenager who wanted to see the world and meet the Beatles, this was a magical time. It was short-lived, however, brought to a sudden and brutal end by the Soviet-led invasion. But this brief flowering had provided a glimpse of new possibilities—creativity could be discouraged but not easily killed. By joining memory and history, Sís takes us on his extraordinary journey: from infant with paintbrush in hand to young man borne aloft by the wings of his art. This title has Common Core connections. *The Wall* is a 2007 New York Times Book Review Best Illustrated Book of the Year, a 2008 Caldecott Honor Book, a 2008 Bank Street - Best Children's Book of the Year, the winner of the 2008 Boston Globe - Horn Book Award for Nonfiction, and a nominee for the 2008 Eisner Award for Best Publication for Kids.

The Return of the Little Prince Ysatis DeSaint-Simon 2004-01-26 My book, *The Return of The Little Prince*, is a sequel to the marvelous and whimsical story of my uncle Antoine De Saint-Exupery, *The Little Prince*, where myth and poetry mix with reality and speak to us of the eternal in such an innocent manner. Both his story and mine are true. They are real stories of a quest to find that invisible spark of life which gives meaning to all there is. I learned the story from within, it was my aunt Consuelo De Saint-Exupery, an extraordinary person and the inspiration of Saint-Ex, the Rose of his story, who taught me to read, not only French in *The Little Prince*, but the essence of it as well. She talked to me about Saint-Ex, his dream world, of his airplane flights, of his moonstruck reveries, his airplane falls and the spirit that helped him survive them! Everything in that book was an integral part of what later happened to me and helped me to find that secret that now illumines my life. I remember. . . when I was a little girl, maybe six years old, I learned to read. . . know. . . and love the Little Prince. Later on, I learned that many others also did; it was, I believe, the bedside book of James Dean. I never knew him personally, but I read in an interview of a movie magazine that he said *The Little Prince* was his Bible. . . and I wondered if what drew him to it was the same thing that I loved about it? What I loved best was the invisible hidden in between such simple words and its childlike drawings, for concealed behind the fairytale there was a road map to a true spiritual experience. Whenever I read the last page of my uncle's book, I was moved by his sadness and felt a sense of urgency within me to find that lonely star landscape. So, I promised myself that one day I would find the Little Prince and let Saint-Ex know that he was back. Consequently, since early in life, I learned to close my eyes, open my heart and. . . began my

quest. This tale is the fruit of my search. It has a happy ending as all good fairy tales have, for it happened that one day. . . when I least expected it. . . I found the Little Prince! Thus, I wrote this book, both as a direct answer to my uncle's plea, to share the good news with all those who love The Little Prince and as an invitation to quest to all those who long to find their reality. I have followed the same format of my uncle's book and also utilized the same style of drawings, wrapping my own story of how I searched and found the Little Prince with as much similarity as possible to that of his book, for a very good reason: I couldn't have done it in any other way, for I have loved The Little Prince since I was a child. My reason has been one of love, not arrogance, so please exempt me from the harshness of comparison if you are inclined to do so.

Counting with the Little Prince Antoine De Saint-Exupery 2015-10-13 This classic beloved tale is reimagined as a beautiful, sturdy counting board book -- one prince, two sheep, three trees and so on with a surprise lift-the-flap at the end!

The Little Prince Antoine de Saint-Exupery 2021-08-31 *The Little Prince* and (French: *Le Petit Prince*) is a novella by French aristocrat, writer, and aviator Antoine de Saint-Exupéry. It was first published in English and French in the US by Reynal and Hitchcock in April 1943, and posthumously in France following the liberation of France as Saint-Exupéry's works had been banned by the Vichy Regime. The story follows a young prince who visits various planets in space, including Earth, and addresses themes of loneliness, friendship, love, and loss. Despite its style as a children's book, *The Little Prince* makes observations about life, adults and human nature. *The Little Prince* became Saint-Exupéry's most successful work, selling an estimated 140 million copies worldwide, which makes it one of the best-selling and most translated books ever published. It has been translated into 301 languages and dialects. *The Little Prince* has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film, television, ballet, and opera.

Saint-exupery Stacy Schiff 2011-07-27 From a master biographer, the life story of the daring French aviator who became one of the twentieth century's most beloved authors Antoine de Saint-Exupéry disappeared at age forty-four during a reconnaissance flight over southern France. At the time he was best known for a career of daring flights over the Sahara, the Pyrenees, and Patagonia and for his contributions to the science of aviation. But the solitary hours he spent above the earth in open cockpit airplanes gave birth to a more famous legacy, a series of enchanting, autobiographical novels and the classic story *The Little Prince*, still the most translated book in the French language. An impoverished aristocrat from one of France's oldest families, Saint-Exupéry moved at age twenty-seven to the western Sahara Desert, to live alone in a plank shack and manage the way station for the Aéropostale, the French mail service. His careers as a novelist and an aviator were born here, and his life once he returned to Europe was defined--with brilliant and catastrophic results--by the sense of isolated fascination and curiosity he developed in the desert. In this definitive biography, Pulitzer Prize winner Stacy Schiff reveals an intrepid and unconventional life that rivals the best adventure stories.

Discovering the Hidden Wisdom of The Little Prince Pierre Lassus 2017-08-08 "The story behind one of the world's most popular books . . . Many will enjoy learning about Saint-Exupéry

Downloaded from avenza-dev.avenza.com
on October 4, 2022 by guest

and his life" (Kirkus Reviews). The Little Prince is revered around the world and one of the bestselling books of all time—two hundred million copies have been sold in 270 languages. Part of its allure is that it seems incredibly wise, yet it is so simple it is read as a work for children. Yet its meaning is elusive, and its place amid the writings of an adventurer and war hero acclaimed for dramatic bestsellers like *Night Flight* and *Flight to Arras*, is mysterious. In this book, Pierre Lassus reexamines the story of *The Little Prince* against the facts of Saint-Exupéry's own extraordinary life, from his cherished but fatherless childhood in aristocratic poverty to his career as a pioneering pilot. His plane had broken down in the desert before. He had adopted a fox, when posted at the Spanish fort of Cape Juby, in southern Morocco. He had known the world of business before becoming pilot; he had also known unrequited love. Like his little protagonist's, his body was never found after his plane disappeared in World War II. He was working on his spiritual autobiography when he died, and there too, Lassus finds resonances and keys to the understated spirituality of his last great book. "A touching and deeply moving analysis of a book that is cherished by millions." —Booklist

The Little Prince Joann Sfar 2013 A lone pilot stranded in the desert is awoken by a little prince, and they become friends. The prince comes from a tiny nameless planet far away. All that exists on his planet are three volcanoes and a flower. Yet, when the flower became difficult to please, like and understand, the little prince left in search of new friends and places.

The Little Prince Antoine de Saint-Exupéry 2018-10-23 An anniversary edition of the classic tale of a little prince's adventures among the stars includes collected information about the making of the story using sketches, original reviews, and details into the author's life and work.

The Little Prince Antoine de Saint-Exupéry 2021-12-02 Antoine de Saint-Exupéry's timeless tale, reissued in a beautiful clothbound edition designed by Coralie Bickford-Smith. Antoine de Saint-Exupéry first published *The Little Prince* in 1943, only a year before his plane vanished over the Mediterranean during a reconnaissance mission. Nearly eighty years later, this fable of love and loneliness has lost none of its power. The narrator is a downed pilot in the Sahara Desert, frantically trying to repair his wrecked plane. His efforts are interrupted one day by the apparition of a little prince, who asks him to draw a sheep. "In the face of an overpowering mystery, you don't dare disobey," the narrator recalls. "Absurd as it seemed, a thousand miles from all inhabited regions and in danger of death, I took a scrap of paper and a pen out of my pocket." And so begins their dialogue, which stretches the narrator's imagination in all sorts of surprising, childlike directions.

#23 The Planet of Bamalias Christel Gonnard 2015-08-01 The planet of Bamalias and its three satellite planets are in danger of cooling down. But the Little Prince has lost his memory! It will be impossible for him to help Kimi and her brother fix the planets. Fox tells him the story of his previous adventures: how he met the Snake, how he left his home on Asteroid B612 to pursue the Snake to stop his evil deeds . . . But will the Little Prince believe Fox—or the Snake?

The Tale of the Rose Consuelo de Saint-Exupery 2003-01-14 In the spring of 1944, Antoine de Saint-Exupéry left his wife, Consuelo, to return to the war in Europe. Soon after, he disappeared while flying a reconnaissance mission over occupied France. Neither his plane nor his body was ever found. *The Tale of the Rose* is Consuelo's account of their extraordinary marriage. It is a love story about a pilot and his wife, a man who yearned for the stars and the

spirited woman who gave him the strength to fulfill his dreams. Consuelo Suncin Sandoval de Gómez and Antoine de Saint-Exupéry met in Buenos Aires in 1930—she a seductive young widow, he a brave pioneer of early aviation, decorated for his acts of heroism in the deserts of North Africa. He was large in his passions, a fierce loner with a childlike appetite for danger. She was frail and voluble, exotic and capricious. Within hours of their first encounter, he knew he would have her as his wife. Their love affair and marriage would take them from Buenos Aires to Paris to Casablanca to New York. It would take them through periods of betrayal and infidelity, pain and intense passion, devastating abandonment and tender, poetic love. Several times in the course of their marriage they would go their separate ways, but always they would return. The Tale of the Rose is the story of a man of extravagant dreams, and of the woman who was his muse, the inspiration for the Little Prince's beloved rose—unique in all the world—whom he could not live with and could not live without. Written on Long Island in a quiet spell of reconciliation, The Little Prince was Antoine's greatest gift to the woman he never stopped loving, the only child to emerge from their union. The Tale of the Rose is Consuelo's reply—the love letter she never could write to her husband—a fable of its own, just as magical, poetic, and tragic as The Little Prince. Praise for The Tale of the Rose “We find in these pages all the tenderness and patience, but also the tenacity, of a woman who loves. Consuelo does not seek to explain or even to understand her husband, she accepts him and leads him to what he must be. . . . Written with a strong and authentic voice, The Tale of the Rose is a book to read for its strength of character, and for the adventure that it offers.”—Elle

The Little Prince Read-Aloud Storybook Antoine de Saint-Exupéry 2016-04-12 The Little Prince, adapted for children and illustrated with the magnificent original images from the film. A book full of tenderness, designed to help youngsters discover the magic of the universal masterpiece by Saint-Exupéry.

Tibet Through the Red Box Peter Sís 2014-07-15 A father's diary, an artist's memoir. By the author of the best-selling Three Golden Keys. While my father was in China and Tibet, he kept a diary, which was later locked in a red box. We weren't allowed to touch the box. The stories I heard as a little boy faded to a hazy dream, and my drawings from that time make no sense. I cannot decipher them. It was not until I myself had gone far, far away and received the message from my father that I became interested in the red box again . . . In New York, Peter Sís receives a letter from his father. "The Red Box is now yours," it says. The brief note worries him and pulls him back to Prague, where the contents of the red box explain the mystery of his father's long absence during the 1950s. Czechoslovakia was behind the iron curtain; Vladimir Sís, a documentary filmmaker of considerable talent, was drafted into the army and sent to China to teach filmmaking. He left his wife, daughter, and young son, Peter, thinking he would be home for Christmas. Two Christmases would pass before he was heard from again: Vladimir Sís was lost in Tibet. He met with the Dalai Lama; he witnessed China's invasion of Tibet. When he returned to Prague, he dared not talk to his friends about all he had seen and experienced. But over and over again he told Peter about his Tibetan adventures. Weaving their two stories together - that of the father lost in Tibet and that of the small boy in Prague, lost without his father - Sís draws from his father's diary and from his own recollections of his father's incredible tales to reach a spiritual homecoming between father and son. With his sublime pictures, inspired by Tibetan Buddhist art and linking history to memory, Peter Sís gives us an extraordinary book - a work of singular artistry and rare imagination. This title has Common Core connections. Tibet Through the Red Box is a 1999 Caldecott Honor Book and the winner of the 1999 Boston Globe - Horn Book Award for Special Citation.

The Little Prince Family Storybook Antoine De Saint-exupry 2015-11-17 Rediscover Antoine de Saint-Exupery's universal masterpiece with original text and magnificent new illustrations created by masters of film animation. This wise and enchanting fable teaches the secret of what is really important in life.

The Little Prince Antoine De Saint-Exupery 2018-07-25 THE LITTLE PRINCE is French aviator Antoine de Saint-Exupéry's most famous novella. It has been translated into more than 190 languages and sold more than 200 million copies, making it one of the bestselling books ever. The story, first published in 1943, is about a pilot who must make an emergency landing in the desert because of engine problems. This is ironic, since the author himself took off in a plane over the Mediterranean just a year later and was never seen or heard from again. This timeless story has been adapted to various media over the decades, including stage, screen and operatic works.

The Prince of the Skies Antonio Iturbe 2021-11-02 A gripping narrative of friendship and exploration, and an homage to Antoine de Saint-Exupéry, an unforgettable writer who touched the lives of millions of readers, and who was able to see the world through the eyes of a child. In the 1920s, long before he wrote *The Little Prince*, Antoine de Saint-Exupéry was an accomplished pilot. Along with Jean Mermoz and Henri Guillaumet, he was chosen to pioneer new mail routes across the globe. No distance was too far and no mountain too high—each letter had to reach its destination. The three friends soared through the air, while back on solid ground, they dealt with a world torn apart by wars and political factions.

The Proof By Nine Denise Bonhomme 2007-05-04 If you have read and loved *The Little Prince* and if you like riddles, this book will probably interest you. What is the meaning of the “magnificent image” at the beginning of the first chapter? Most readers do not find it magnificent at all. Yet, those who know that “the essential is invisible to the eyes” see it as an invitation to think and to learn. The “hat” featured on the same page which actually is something else conveys another hint to look beyond appearance. As you read *The Proof by Nine*, you will see what is represented by the Virgin Forest mentioned on the first page of *The Little Prince*. You will grasp the meanings of the pilot, the little prince, the golden muffler of the title character and of the wonderful “fox.” You will see what the “children” really are. The war waged by “sheep” against the “rose” will make profound sense. You will recognize the universal symbols of the tree, the rope, the wheel and the well of science. You will be edified by the experience of the Turkish astronomer. You will observe how all that is relevant to current events and politics for, as stated by the author of *The Proof by Nine*, “all those things are connected.” You might even ask yourself an exciting question: “Did Saint-Exupéry see the future?” That is why *The Little Prince* is, in the final words of its author “so very important.”

Little Prince Antoine de Saint-Exupéry 2004-12

The Little Prince Antoine Saint-Exupery 2017-08-31 The narrator, an airplane pilot, crashes in the Sahara desert. The crash badly damages his airplane and leaves the narrator with very little food or water. As he is worrying over his predicament, he is approached by the little prince, a very serious little blond boy who asks the narrator to draw him a sheep. The narrator obliges, and the two become friends. The pilot learns that the little prince comes from a small planet that the little prince calls Asteroid 325 but that people on Earth call Asteroid B-612. The little prince took great care of this planet, preventing any bad seeds from growing and making

sure it was never overrun by baobab trees. One day, a mysterious rose sprouted on the planet and the little prince fell in love with it. But when he caught the rose in a lie one day, he decided that he could not trust her anymore. He grew lonely and decided to leave. Despite a last-minute reconciliation with the rose, the prince set out to explore other planets and cure his loneliness.

Little Annie's Ramble Nathaniel Hawthorne 1853

Books for Living Will Schwalbe 2017 Presents a highly personal celebration of reading, sharing impassioned recommendations for specific books that can offer guidance through daily life.

The Little Prince Antoine de Saint-Exupéry 2006 A fun-packed activity book based on THE LITTLE PRINCE

The Little Prince 2000 An aviator whose plane is forced down in the Sahara Desert encounters a little prince from a small planet who relates his adventures in seeking the secret of what is important in life. Howard's new translation of this beloved classic beautifully reflects Saint-Exupéry's unique, gifted style. Color and b&w illustrations.

The Little Prince by Antoine de Saint-Exupéry Antoine de Saint-Exupéry 2019-11-04 As one of the most translated books in the world, and possibly the most popular children's book, The Little Prince holds a unique place in the world of literature. With guidance from the original watercolors, the story is straightforward. A young traveler visits several planets, including earth. On these planets he meets grownups, who don't make sense, and eventually the author, who has crash-landed in the Sahara desert. Along the way he makes friends and discovers the meaning of love. Throughout are the themes of imagination, loneliness, and remembrance. With clear and succinct prose that hews to the original while avoiding becoming awkward and obscure, after 80 years, this new translation makes the work come alive.

The Pilot and the Little Prince Peter Sís 2014-05-27 A picture book tribute to the life of the creator of The Little Prince traces his early achievements as a pilot, his efforts to break aviation records and the experiences that inspired his writing life. By the Caldecott Honor-winning creator of *Starry Messenger*.
