Choosing to Preach Kenton C. Anderson 2009-05-26 Today, traditional forms of preaching are being scrutinized and challenged. The biblical sermon is not immune to the pressure to evolve or even fall by the wayside, leaving pastors and seminary students confused over how best to communicate to today's listeners. In this forward-looking textbook, Kenton Anderson delivers a strong call to current and future ministers to indeed choose to preach biblical sermons, despite the obstacles to doing so. While preaching itself is non-negotiable, the exact form it takes can be much more flexible, allowing people to hear from God as they hear his Word preached. Rather than presenting one model or process for preparing a sermon, Anderson explains several available

options. As you discern your message from the Bible, will you begin with the text (deductive) or with the listener (inductive)? Will you focus on the idea (cognitive) or the image (affective)? The choices you make lead to five possible sermon structures: • DECLARATIVE—make an argument • PRAGMATIC—solve a mystery • NARRATIVE—tell a story • VISIONARY—paint a picture • INTEGRATIVE—sing a song Each model is described in detail and related to well-known contemporary preachers, including John MacArthur, Rick Warren, Eugene Lowry, and Rob Bell. This book equips you with a variety of tools for your preaching tool kit. A CD-ROM with additional helpful resources is included, as well as discussion questions and practical exercises.

One Year to Better Preaching Daniel Overdorf 2013-09-06 One Year to Better Preaching provides preachers with fifty-two hands-on exercises that sharpen their homiletical skills. The book is designed particularly for those who preach each week—and have been, perhaps, for some time—to help them get out of the rut of the routine and infuse their preaching with new sparks of creativity, fresh approaches to sermon preparation and design, and sharpened verbal and nonverbal communication skills. Novice preachers, also, will find the exercises useful in developing their preaching abilities. Each chapter includes instructions for an exercise, tools and suggestions needed for the exercise, comments from preachers who completed it, and recommended resources for further study. The exercises address eight categories of homiletics: • Prayer and Preaching • Bible Interpretation • Understanding Listeners • Sermon Construction • Illustrations and Applications • Word Crafting • The Preaching Event • Sermon Evaluation Readers can complete the exercises in the order presented, which address different categories week to week, or they can sharpen their skills in a particular category over a period of weeks by using the chart provided. They might also work through the exercises in collaboration with

other preachers. One Year to Better Preaching will leave a preacher reinvigorated and better equipped to proclaim the Word of God skillfully, passionately, and effectively.

Inductive Preaching Ralph L. Lewis 1983-08-01 "I spend hours in my study and on my knees preparing sermons, but when I preach them no one listens. What's wrong? Why aren't I getting through? Why do I see blank stares, daydream reveries, nodding heads as soon as I open my mouth to preach? I know my messages are biblically sound. I'm sure I'm preaching what God has laid on my heart. But it's not being received. What's wrong? What can I do?" Sound familiar? If you're a preacher, you probably know the feeling. But it doesn't have to be that way. You can learn to preach in a way that will be readily, even eagerly, received by your congregation. It's all here: what inductive preaching is, how it works, why it's effective, who's used it--including Jesus, Peter, Paul, Augustine, St. Francis, Wesley, Edwards, and Moody, to name only a few. Also included are: Step-by-step guidelines for constructing an inductive sermon Two sample inductive sermons A list of 96 inductive preachers from 20 centuries A strategy for making traditional sermon structures inductive A checklist of inductive characteristics. The principles in this book can dramatically increase your sermon effectiveness--turn apathy into involvement, make listeners out of the listless. Inductive preaching is preaching that works! "Thoroughly and convincingly sets forth the case for inductive preaching." --James W. Cox, Professor of Christian Preaching, Southern Baptist Seminary "Will be a real service for anyone wishing to convince modern man about the gospel--a resource for all of us who preach and teach for years to come." --Jay Kesler, President of Youth for Christ "I have read many books on preaching during my 34 years of teaching the subject. This is one of the first which I have read from beginning to end without stopping. If you plan to preach next Sunday you had better read this book today." --Lloyd M. Perry, Director, Doctor of Ministry Program, Trinity Evangelical Divinity School

Preaching and Preachers D. Martyn Lloyd-Jones 2012-01-24 "Some may object to my dogmatic assertions; but I do not apologize for them. Every preacher should believe strongly in his own method; and if I cannot persuade all of the rightness of mine, I can at least stimulate them to think and to consider other possibilities. I can say quite honestly that I would not cross the road to listen to myself preaching, and the preachers whom I have enjoyed most have been very different indeed in their method and style. But my business is not to describe them but to state what I believe to be right, however imperfectly I have put my own precepts into practice. I can only hope that the result will be of some help, and especially to young preachers called to this greatest of all tasks, and especially in these sad and evil times. With many others I pray that 'The Lord of the harvest may thrust forth' many mighty preachers to proclaim 'the unsearchable riches of Christ!'"

The Whole Counsel of God Tim Patrick 2020-02-27 Expository preaching has been on the rise over the last five decades, with more and more pastors preaching through entire books of the Bible systematically. But few, if any, preachers have a long-term plan to teach through every book of the Bible over a lifetime of ministry. Since the whole Bible is God's Word to his people, all of Scripture is important in order to grow as Christians. Written to make a case for the necessity of a long-term plan for preaching through the entire Bible instead of just through individual books, this is not just a book on how to preach, but also how to plan and prepare long-range preaching programs through the whole counsel of God.

The Four Pages of the Sermon Paul Scott Wilson 2010-09-01 Doing justice to the complexity of the preaching task and the questions that underlie it, Wilson organizes both the preparation and the content of the sermon around its "four pages." Each "page" addresses a different theological and creative component of what happens in any sermon. Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself. Page Two looks at similar conflict--sin or brokenness--in our own time. Page Three returns to the Bible to identify where God is at work in or behind the text--in other words, to discover the good news. Page Four points to God at work in our world, particularly in relation to the situations described in Page Two.

Preach the Word Leland Ryken 2007 For more than forty years, pastor R. Kent Hughes has shared the gospel with thousands of people and raised the standard of expository preaching in North America and beyond. To celebrate his legacy and pay tribute to his years of ministry, fifteen of Hughes's friends and colleagues from across the globe, including J. I. Packer, Wayne Grudem, John MacArthur, Peter Jensen, and D. A. Carson, examine what it means to be an expository preacher. Among the contributors are professors, a university chaplain, a college president, and urban church planters—living testimonies to Hughes's wide influence. These contributors address an array of themes for the ministry-minded, such as interpretive principles and practices, biblical and historical paradigms, expository preaching's contemporary aims and challenges, and the priority of training—all in the expectation that this one man's passion to preach the Word faithfully will enhance the understanding and practice of expository preaching in churches and seminaries around the world. This book will also inspire and prepare you to make the pulpit the prow of your ministry and influence the generations to come. "Kent Hughes and even more the Word of God that he has faithfully preached are worthy of this astonishing array of contributors. I rejoice that the ripple effect of one man's allegiance to the Bible has pushed so many new waves of blessing out of their hearts and into these pages." John Piper, Pastor for Preaching and Vision, Bethlehem Baptist Church, Minneapolis "That Kent Hughes can inspire contributions of such quality tells us something of the esteem in which he and his ministry are held. Here in these papers lasting treasure is to be found—in rare wisdom, fresh thinking, and occasional plain speaking. Highly recommended by one who has been uncommonly impressed and helped." Dick Lucas, Rector Emeritus, St. Helen's Church, Bishopsgate "A book packed with preaching wisdom to honor one of this

generation's greatest expositors of Scripture. Kent Hughes is rightly honored, but God's Word is ever more highly honored in this special book." Bryan Chapell, President, Covenant Seminary; author, Christ-centered Preaching "Preach the Word is not just a treasure trove for preachers—it provides what amounts to a refresher course in pastoral theology. Faithful ministers frequently pause to reflect—'What am I doing and why am I doing it and what does God want me to be doing and how does he want me to be doing it?' This book will prove a tremendously helpful conversation partner for such all-important reflection and self-evaluation. I warmly commend it to all who are serious about doing biblical pastoral ministry today." Ligon Duncan, Senior Minister, First Presbyterian Church, Jackson, Mississippi; President, Alliance of Confessing Evangelicals; Chairman, Council on Biblical Manhood and Womanhood
