The Thurstons of the Old Palmetto State, Or, Varieties of Southern Life John H. Caldwell 1861

**Change in Management: A Jim Meade Martian P.I. Novel** RJ Johnson Murder, betrayal, the fate of humanity... it's all in a day's work for Jim Meade, Martian P.I. In 2097 humanity is ruled by two major powers: The Consortium and Coalition. But Jim Meade is a Runabout - someone who doesn't care who's running the show so long as he can earn his keep peacefully in the deadly Zero-G fights that keep the Martian colonists entertained on a nightly basis. After one of his fights goes horribly wrong, Meade finds himself deep in debt to one of the most dangerous warlords on Mars. When a beautiful Coalition officer asks to help clear her father's name, he seizes the opportunity to make some easy money. However, Meade quickly learns he's become entangled within a dark conspiracy getting stranger at every turn and if he wants to survive the change in management, he'll need every ounce of wit, whiskey and guns he's got.

Mayo Clinic Essential Guide to Prostate Health Mayo Clinic 2014-04-04 Important information for men from "one of the most reliable, respected health resources that Americans have" (Publishers Weekly). Many prostate problems—even cancer—can now be easily treated, thanks to medical advances and important new discoveries at Mayo Clinic and other leading medical centers. This book is based on advice Mayo Clinic doctors share every day in caring for their patients. Included is information on: · When to get a prostate checkup, and what to expect · The Mayo Clinic's latest recommendations on prostate-specific antigen (PSA) testing, with detailed information on normal PSA levels by age · How doctors diagnose and treat an enlarged prostate, including new information on the two types of drugs currently used to significantly reduce symptoms · New guidance on managing incontinence and impotence, two common side effects of prostate treatment · Current medical options for treating advanced prostate cancer · New advances that mean better prostate cancer survival rates · What to expect after prostate surgery, including information on recovery time and getting on with life · Medical assessments of popular alternative therapies and more Mayo Clinic Essential Guide to Prostate Health is an easy-to-read yet comprehensive guide to understanding, treating and living with prostate disease. It's just the kind of thorough book you would expect from a world leader in medicine—Mayo Clinic.

The Palmetto State Jack Bass 2012-06-05 As South Carolina enters into the fourth century of its storied existence, the state's captivating, colorful, and controversial history continues to warrant fresh explorations. In this sweeping story of defining episodes in the state's history, accomplished Southern historians Jack Bass and W. Scott Poole trace the key importance of race relations, historical memory, and cultural life in the progress of the Palmetto State from its colonial inception to its present incarnation. The authors bring a strong emphasis on the modern era to their briskly paced narrative, which advances work begun by Bass in his germinal investigation *Porgy Comes Home: South Carolina after Three Hundred Years* to further our understanding of the state as it now exists. Bass and Poole focus on three central themes—divisions of race and class, adherence to historical memory, and the interconnected strands of economic, social, and political flux—as they illustrate how these threads manifest themselves time and again across the rich tapestry of the South Carolina experience. The authors explore the centrality of race relations, both subtle and direct, in the state's development from the first settlement of Charles Towne to the contemporary political and economic landscape. The tragic histories of slavery and segregation and the struggles to end each in its era have defined much of the state's legacy. The authors argue that conflicts over race continue to influence historical memory in the state, most especially in still-evolving memories—nostalgic for some and ignominious for others—of the Civil War and Reconstruction eras. And they find throughout the state's history a strong role for religion in shaping reaction to changing circumstances. In the discussion of contemporary South Carolina that makes up the majority of this volume, the authors delineate the state's remarkable transformation in the

mid-twentieth century, during which a combination of powerful elements blended together through a dynamism fueled by the twin forces of continuity and change. Bass and Poole map the ways through which hard-won economic and civil rights advancements, a succession of progressive state leaders, and federal court mandates operated in tandem to bring a largely peaceful end to the Jim Crow era in South Carolina, in stark contrast to the violence wrought elsewhere in the South. Today there is a growing acceptance of the state's biracial common past and a heartfelt need to understand the significance of this past for the present and future that has come to define the modern Palmetto State. This volume speaks directly to those historical connections and serves as a valuable point of entrance for original inquiries into the state's diverse and complex heritage.

*Palmetto Bend Reclamation Project, Texas* United States. Congress. House. Committee on Interior and Insular Affairs. Subcommittee on Irrigation and Reclamation 1968 Committee Serial No. 90-17. Considers H.R. 5117, to authorize Interior Dept to construct, operate and maintain first stage of Palmetto Bend Reclamation Project, Tex. Dec. 8 hearing was held in Edna, Tex.

### **Palmetto Pictures. [In verse.] 1863**

### **Episode in Palmetto** Erskine Caldwell 1950

Between Madison and Palmetto Jacqueline Woodson 2002-09-01 When Margaret's best friend Maizon returns from boarding school and joins her in the eighth grade, they try to resume their friendship while dealing with personal problems and watching their Brooklyn neighborhood undergo changes.

**Palmetto Heat** Diane Rose 2019-11-02 PALMETTO, a small-town oasis on the Carolina coast. Undiscovered by tourists. Forgotten by time... Meg McAndrew hasn't been back since her husband's tragic death, and she can't imagine being in Palmetto without him. Everywhere she turns there is a memory, and her grief is as fresh as it was on that fateful day two years ago. But Meg is in Palmetto for a reason. She's made a promise, and she'll do anything to keep it - even if that means putting her trust in the most arrogant man she's ever met. Meg's time in Palmetto is wrought with complications, much like the winding twists and turns of the tributaries in the marsh. But the soothing waters and sandy shores begin to take hold, and provide a safe haven for her to begin healing from the past, and perhaps, even find love again...

**Palmetto Rose** J.E. Sumerau 2018-10-11 Within academic and literary marketplaces that rarely mention bisexual, non-binary, polyamorous, or working-class experiences and perspectives, Palmetto Rose offers to a chance to take a walk with members of each of these groups in the context of Atlanta in the early 2000's.

Palmetto Moon Kim Boykin 2014-08-05 June, 1947. Charleston is poised to celebrate the biggest wedding in high-society history, the joining of two of the oldest families in the city. Except the bride is nowhere to be found... Unlike the rest of the debs she grew up with, Vada Hadley doesn't see marrying Justin McLeod as a blessing—she sees it as a life sentence. So when she finds herself one day away from a wedding she doesn't want, she's left with no choice but to run away from the future her parents have so carefully planned for her. In Round O, South Carolina, Vada finds independence in the unexpected friendships she forms at the boarding house where she stays, and a quiet yet fulfilling courtship with the local diner owner, Frank Darling. For the first time in her life, she finally feels like she's where she's meant to be. But when her dear friend Darby hunts her down, needing help, Vada will have to confront the life she gave up—and decide where her heart truly belongs.

*Palmetto-leaves* Harriet Beecher Stowe 1873 Largely descriptive of the St. John's river region of Florida.

**University of Central Florida** Nathan Holic 2009 The University of Central Florida has stood at the edges of Orlando for 40 years, a major institution of research, culture, education, and professional development stitched into the fabric of one of the nation's most dynamic and influential metropolitan areas. Conceived in 1963, at the height of America's fascination with the space program and less than an hour from Florida's Space Coast, the school began as Florida Technological University, a vast and remote tract of wild palmettos and swampland that held the promise of a cutting-edge "Space University." But 1963 was the same year that Walt Disney made his fateful fly over Central Florida and chose the location for Walt Disney World, a decision that would ultimately transform the entire region. Florida Tech found itself growing along with the surrounding community in size, prominence, and power into a diverse institution that no one in those early years could have envisioned. Renamed the University of Central Florida in 1979 to better reflect its broad curriculum and its strong marriage with the region, the school has blossomed into the prototype for the modern metropolitan university.

[Guns of the Palmetto Plains](#) Rick Tonyan 2012-09-14 Cracker Westerns are rip-roarin, action-packed, can't-put-'em-down tales set in the frontier days of Florida. They are full of adventure, real heroes, and vivid, authentic details that bring Florida's history to life. Tree Hooker will take on anything—man, animal, or force of nature—that stands in the way of his cattle drives during the Civil War. He's a Confederate soldier trying to save his country from starvation. Assigned to lead a group of tough, sun-baked cow hunters, he sets out to supply the South with beef from the herds on Florida's plains. Plenty of others also want those herds. There are the Yankees, led by men like Major Dan Greenley. He's tired of the war and knows that it will end quickly once the Confederacy runs out of food. Greenley is new to Florida and still believes in fighting by the rules of civilized warfare. But he's also a fast learner. He soon realizes that there is no such thing as civilized warfare in the palmetto scrub. A few people try to keep their humanity despite being surrounded by the horrors of war. Doris Brava is one of those. A young widow surviving on her own in Yankee-occupied St. Augustine, she finds hope and love in an unlikely place—Greenley's arms. But hope and love can't shield Doris from the savagery that rules on the palmetto plains. Next in series > > See all of the books in this series

**The Promise of Immortality** William AMZALLAG 2016-11-06 Live, in good health, for as long as possible! Yes, you can! Every day, our life expectancy increases by six hours, thanks to the advances of medical science and our improving lifestyle. Can we do better? Can we go as far as Jeanne Calment, the oldest person to have ever lived, who reached 122 years of age? Yes, it is possible! Today we are able to make a human cell immortal; what we do not yet know is how to do this for all of our cells, in all of our tissues, all of our organs, and for all of our functions. The author of this book draws us into the magical landscape of our 60 trillion intelligent cells. He shows us how aging gradually insinuates itself into our DNA. More importantly, he shares with us the incredible promises of stem cells, telomerase, biotechnology, nanomedicine, and, finally, the critical impact of a healthy lifestyle.

**Palmetto Bend Project** 1974

**Palmetto** Merab-Michal Favorite 2012 Under a canopy of moss-covered live oaks rests Palmetto. The city occupies a natural peninsula bounded by the Manatee River and Terra Ceia Bay. The first settlers claimed land under the Armed Occupation Act of 1842, and despite the ravages of Seminole raids and epidemics, the heartiest of the pioneers established Palmetto's reputation as a thriving farming and fishing community. In 1868, Samuel Sparks Lamb named the city "Palmetto," inspired by the abundant

foliage of palmetto bushes that reminded him of his birthplace in South Carolina. He envisioned a city with a grand thoroughfare and a sturdy wharf jutting into the mile-wide Manatee River, which Lamb considered the gateway for Palmetto's agricultural commerce. Palmetto became a city in 1897, but by the early 1900s, the railroad shifted the center of activity from the waterfront to the train depot, located on Tenth Street. Palmetto's appearance and identity have changed over the years, but its residents continue to regard the Manatee River and Terra Ceia Bay as the community's grandest assets.

**Palmetto Bend Reclamation Project, Texas** United States. Congress. House. Interior and Insular Affairs 1967

**Palmetto Profiles** W. Eric Emerson 2013-09-30 Palmetto Profiles documents the lives and accomplishments of the inductees of the South Carolina Hall of Fame during its first forty years. As Governor John C. West predicted in his dedication speech, the Hall of Fame has indeed become a "vital and integral part of the history and culture of South Carolina." Nearly ninety citizens have been inducted since Apollo 16 astronaut Colonel Charles Duke, Jr., became the first honoree in 1973. Each year one contemporary and one deceased individual is recognized by the hall for outstanding contributions to South Carolina's heritage and progress. To date, inductees have included political leaders and reformers, artists, writers, scientists, soldiers, clergy, educators, athletes, and others. U.S. president Andrew Jackson, authors Elizabeth Coker and Pat Conroy, jazz legend Dizzy Gillespie, artists Jasper Johns and Elizabeth O'Neil Verner, Catawba King Hagler, Generals Francis Marion and Thomas Sumter, civil rights leaders Mary McLeod Bethune and Reverend Benjamin E. Mays, U.S. senators J. Strom Thurmond and Fritz Hollings, and Nobel Prize winning physicist Charles H. Townes are just some of the representative South Carolinians memorialized in the Hall of Fame for their lasting legacies in the Palmetto State and beyond. Published on the fortieth anniversary of the opening of the South Carolina Hall of Fame and drawn from biographical entries in The South Carolina Encyclopedia, this guidebook presents concise profiles of the inductees from 1973 to 2013. Palmetto Profiles, like the Hall of Fame itself, serves as a tangible link to South Carolina's rich and complex past to the benefit of residents, visitors, and students alike. The volume also includes illustrations of all inductees and a foreword by Walter Edgar, a 2008 Hall of Fame inductee, author of South Carolina: A History, and editor of The South Carolina Encyclopedia.

**Good Li'L Boys and Girls from the Palmetto State of South Carolina** Sharon Kaye Hunt RD 2017-01-13 The ex-slaves of South Carolina gave their experiences of being slaves as children and talked about what it was like living on the plantations throughout the state. The book is one of twelve books of the Black Children Speak series. The books are compiled from the interviews with slaves taken by the interviewers of the Federal Writers Project of the Works Progress Administration (WPA) in 1936-1938. Most of the ex-slaves who were interviewed were children during slavery and gave interviews of their experiences and insights from living on plantations. The ex-slaves answered questions on all aspects of the plantations in seventeen states of the United States before the Civil War. African Americans were freed from slavery after the Civil War in 1865. The series is dedicated to all people.

*The Promise of Palmettos* Sheryse Noelle Dubose 2012-10-12 Urban Planner, Delmar LaCrosse was raised to believe that ancestral land is a more important commodity than money. At a young age he, along with his two cousins, Lauren and Netta, promised Granddad Lazarus that they would never sell the family's 1000 acres of prime property on Oak Grove Island, a sea island off the coast of South Carolina. Tragically, Delmar is murdered when he is determined to keep his promise, and it is up to devastated Lauren to find his killer. With the help of her husband, Kyle and friend, Detective Jefferson

Pierce, Lauren gathers clues that points to the CEO of a development company, Bryce Wessler as a possible suspect. Wessler, along with a group of investors, have earmarked the entire island of Oak Grove for large scale development and he needs desperately for the native islanders to sell. Quite a few residents have already struck a deal, however it is the hold-outs who have this developer desperate. Wessler is willing to do anything for these lynchpin areas, including having affairs and attempting murder. When Lauren finds out that Delmar and Wessler have actually crossed paths, she is more than convinced that he is guilty. Lauren is also troubled by her grandmother, Henrietta, who in addition to being heartbroken is harboring a lot of guilt over Delmar's death. She knows more about the tragedy than she is willing to say. As Lauren digs further into the mystery, she discovers a family secret about the land that could potentially put her own life in danger.

**Louisiana Place Names** Clare D'Artois Leeper 2012-10-19 From Aansel to Zwolle, with Mamou in between, researcher Clare D'Artois Leeper offers an alphabet of Louisiana place names, both past and present. Leeper includes 893 entries that reveal a distinct view of the state's history. Her unique blend of documented fact and traditional wisdom results in an entertaining guide to Louisiana's place name lore. Leeper considers the origins of each place as well as each name, drawing attention to the individuals who transformed Louisiana from an uninhabited wilderness into a populated state. Not surprising for a region that has existed under ten flags, Louisiana's place names reflect a mixture of several languages and point to other locales across the country and around the world. Even the state's name, Leeper points out, combines the French Louis and the Spanish iana, meaning "belonging to" Louis XIV. Name origins trace back to geography, flora, fauna, religion, weather, people, and occasionally, a flood, a favorite book, or a popular local dish. Leeper conducted numerous interviews, visited courthouses, museums, and libraries, and more recently made use of the Geographic Names Information System to create this fascinating collection of Louisiana history and folklore.

*The Promise* Davida C. Godett 2017-12-07 *The Promise* is an inspirational journal created for individuals who are facing adversity or are in a place of healing in their lives and seeking creative empowerment to work through their circumstances. Adversity is a part of all our lives, and the way we navigate life experiences can make all the difference. This journal provides encouragement and at the same time offers that sometimes the only thing to do is look inward, to push forward in the midst of the storm. Each page provides an opportunity for readers to reflectively journal through their own situation while finding their inner strength and fortitude. This journal was designed to commemorate your personal journey, and to celebrate personal triumphs, as you are inspired to heal and metamorphose into your greater self.

**Palmetto Dreams** Terry Fowler 2009 Take a chance in romance with these three southern belles who, once wounded by love, find dead ringers for Mr. Wrong in South Carolina.

**Palmetto-Leaves** Harriet Stowe 2017-09-05

**Promises from the Palmetto Bush** Cynthia Strachan 2006-01-01

*Under Palmetto and Pine* John Wesley Carhart 1899

**Palmetto Poison** C. Hope Clark 2014-02-10 Are peanuts capable of murder? Carolina Slade will bust this shell game. Big money, big politics, crime, greed, and big farming--Slade, an agriculture department investigator in the steamy state of South Carolina, once again finds herself planted in a

dangerous mystery. Her assignment? Find out if there's a sinister connection between the drug-dealing arrest of wealthy peanut farmer Lamar Wheeler and the gruesome death of Lamar's teenage son in a car wreck. Especially since the dead teen is Governor Dick Wheeler's nephew. Of course, the governor's people practically sky-write STAY AWAY FROM THE FIRST FAMILY over the Palmetto state's capitol dome in Columbia, which doesn't make Slade's job easier. Couldn't she simply back off from what appears to be a tragic and ugly--but private--family matter? Not with hot-tempered DEA agent Pamela Largo on the case. Ex-wife to Senior Special Agent Wayne Largo, Slade's romantic interest, Pamela's hell-bent on using Lamar Wheeler's situation to re-open a cold case involving an Atlanta drug lord and Wayne's long lost sister, Kay. Soon Slade's shoveling shooflies uphill against Pamela's obsessions, the drug lord's vendettas, the Governor's secrets, and the bizarre realization that those secrets involve peanuts.
