Book Lovers Emily Henry 2022-05-03 “One of my favorite authors.”—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she’s read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters’ trip away—with visions of a small town transformation for Nora, who she’s convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish

brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

Maybe in Another Life Taylor Jenkins Reid 2015-07-07 From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo* A People Magazine Pick * US Weekly "Must" Pick * Named "Best Book of the Summer" by Glamour * Good Housekeeping * USA TODAY * Cosmopolitan * PopSugar * Working Mother * Bustle * Goodreads A breathtaking new novel about a young woman whose fate hinges on the choice she makes after bumping into an old flame; in alternating chapters, we see two possible scenarios unfold—with stunningly different results. At the age of twenty-nine, Hannah Martin still has no idea what she wants to do with her life. She has lived in six different cities and held countless meaningless jobs since graduating college. On the heels of leaving yet another city, Hannah moves back to her hometown of Los Angeles and takes up residence in her best friend Gabby's guestroom. Shortly after getting back to town, Hannah goes out to a bar one night with Gabby and meets up with her high school boyfriend, Ethan. Just after midnight, Gabby asks Hannah if she's ready to go. A moment later, Ethan offers to give her a ride later if she wants to stay. Hannah hesitates. What happens if she leaves with Gabby? What happens if she leaves with Ethan? In concurrent storylines, Hannah lives out the effects of each decision. Quickly, these parallel universes develop into radically different stories with large-scale consequences for Hannah, as well as the people around her. As the two alternate realities run their course, *Maybe in Another Life* raises questions about fate and true love: Is anything meant to be? How much in our life is determined by chance? And perhaps, most compellingly: Is there such a thing as a soul mate? Hannah believes there is. And, in both worlds, she believes she's found him.

House of Leaves Mark Z. Danielewski 2000-03-07 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

This Is Crazy Natasha Madison 2019-06-02 From the best selling series, *Something So* comes the spin-off series *This is...* Zara Stone All my life, I've said I will never date a hockey player. I know better because I've seen and lived it all. My father is a hockey god, my brother is the captain of the most successful NHL team in the world, and my brother-in-law also plays in the league. Their lives are complicated, so I went in the opposite direction. I fell in love with a scholar. But instead of proposing marriage, he broke up with me. Three months later, I saw his engagement picture on Instagram. I couldn't let him get away with that. No, it didn't matter what, I was going to make that man see that I did not need him. Evan Richards I was in the running to pass my point record from last year, ready to claim the number one spot in the league. On top of my game, I was riding my career high wave. Then, Hockey's Princess, Zara Stone tweeted me. She wanted me to crash her ex's wedding. The worst that could happen? A PR nightmare. The best? A fun night with a beautiful woman. It started out as a game-something I'm good at. Her crazy idea twisted into something I wasn't looking for, something neither of us wanted. When push comes to shove, one thing runs through my mind: *This is Crazy*. Also, this is crazy right.

Like Crazy Dan Mathews 2020-08-11 "Exquisite. Full of wry humor, tenderness, and compassion." —Jeannette Walls, *New York Times* bestselling author A hilarious and heartbreaking memoir about an outlandish mother and son on an odyssey of self-discovery, and the rag-tag community that rallied to help them as the mother entered the final phase of her life. Dan Mathews knew that his witty, bawdy, unhinged mother, Perry, was unable to maintain her fierce independence at seventy-eight—so he flew her across the country to Virginia to live with him in an 1870 townhouse badly in need of repairs. But to Dan, a screwdriver is a cocktail not a tool, and he was soon overwhelmed with two fixer-uppers: the house and his mother. Unbowed, Dan and Perry built a rollicking life together fueled by costume parties, road trips, after-hours gatherings, and an unshakeable sense of humor as they faced down hurricanes, blizzards, and Perry's steady decline. They got by with the help of an ever-expanding circle of sidekicks—Dan's boyfriends (past and present), ex-cons, sailors, strippers, deaf hillbillies, evangelicals, and grumpy cats—while flipping the parent-child relationship on its head. But it wasn't until a kicking-and-screaming trip to the emergency room that Dan discovered the cause of his mother's unpredictable, often caustic behavior: Perry had lived her entire adult life as an undiagnosed schizophrenic. Irreverent and emotionally powerful, *Like Crazy* is a darkly comic tale about the perils and rewards of taking in a fragile parent without derailing your life in the process. A rare story about mental illness with an uplifting conclusion, it shows the remarkable growth that takes place when a wild child settles down to care for the wild woman who raised him.

York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Variety • Chicago Tribune • Glamour • New York In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* "Fierce, feminist, and packed with funny anecdotes."—Entertainment Weekly "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto."—Vogue "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—Bustle

Some Kind of Crazy Terry Wardle 2019-10-08 An unforgettable story, in the tradition of *Hillbilly Elegy* and *Educated*, that reveals how a careful look at a broken past can open a path to profound healing and a satisfying future. Terry Wardle grew up in the Appalachian coalfields of southwestern Pennsylvania, part of a hardscrabble family of coal miners whose cast of characters included a hot-tempered grandfather with a predilection for blowing up houses, a distant and disapproving father, and a mother

who disciplined him with harsh words and threats of hellfire. After enduring a crazy childhood, Terry graduated to a troubled adolescence, and then on to what seemed like a successful transition into adulthood, earning multiple degrees and founding one of the country's fastest growing churches. But all was not well. All his life, he felt he was never enough. Plagued by a truckload of fear no matter what he accomplished, he fell down the ladder of success into the deepest ditch of his life—ending up in a psychiatric hospital. Fortunately, that's when he discovered that Jesus has no fear of ditches. In fact, Jesus does some of his best work with people who find themselves there. In sharing his remarkable journey, Terry offers hope that healing and wholeness are possible no matter how broken a life may be. His larger-than-life story will help you move forward along your own healing path.

How to Fail at Almost Everything and Still Win Big Scott Adams 2013-10-22 Blasting clichéd career advice, the contrarian pundit and creator of Dilbert recounts the humorous ups and downs of his career, revealing the outsized role of luck in our lives and how best to play the system. Scott Adams has likely failed at more things than anyone you've ever met or anyone you've even heard of. So how did he go from hapless office worker and serial failure to the creator of Dilbert, one of the world's most famous syndicated comic strips, in just a few years? In *How to Fail at Almost Everything and Still Win Big*, Adams shares the game plan he's followed since he was a teen: invite failure in, embrace it, then pick its pocket. No career guide can offer advice that works for everyone. As Adams explains, your best bet is to study the ways of others who made it big and try to glean some tricks and strategies that make sense for you. Adams pulls back the covers on his own unusual life and shares how he turned one failure after another—including his corporate career, his inventions, his investments, and his two restaurants—into something good and lasting. There's a lot to learn from his personal story, and a lot of entertainment along the way. Adams discovered some unlikely truths that helped to propel him forward. For instance: • Goals are for losers. Systems are for winners. • “Passion” is bull. What you need is personal energy. • A combination of mediocre skills can make you surprisingly valuable. • You can manage your odds in a way that makes you look lucky to others. Adams hopes you can laugh at his failures while discovering some unique and helpful ideas on your own path to personal victory. As he writes: “This is a story of one person's unlikely success within the context of scores of embarrassing failures. Was my eventual success primarily a result of talent, luck, hard work, or an accidental just-right balance of each? All I know for sure is that I pursued a conscious strategy of managing my

opportunities in a way that would make it easier for luck to find me.”

Now, for the first time, the people behind the show’s seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America’s most groundbreaking shows.

The Right Kind of Crazy Clint Emerson 2019-11-12 Clint Emerson, retired Navy SEAL and author of the bestselling 100 Deadly Skills, presents an explosive, darkly funny, and often twisted account of being part of an elite team of operatives whose mission was to keep America safe by whatever means necessary. Clint Emerson is the only SEAL ever inducted into the International Spy Museum. Emerson spent his career on the bleeding edge of intelligence and operations, often specializing in missions that took advantage of subterfuge, improvisation, the best in recon and surveillance tech to combat the changing global battlefield. The Right Kind of Crazy Adam Steltzner 2016 Adam Steltzner is no ordinary engineer. His path to leadership was about as unlikely as they come. A child of beatnik parents, he barely made it through school. He blew off college in favour of work at a health food store and playing bass in a band, but after discovering an astonishing gift for maths and physics, he ended up helping a group of scientists land the heaviest rover in the history of space exploration on Mars. This is the story of the teamwork, drama and extraordinary feats of innovation at the Jet Propulsion Lab that culminated in that landing in 2012.

The Red Circle Brandon Webb 2012-04-10 *The Red Circle: My Life in the Navy SEAL Sniper Corps and How I Trained America's Deadliest Marksmen* Now including an excerpt from *The Killing School: Inside the World's Deadliest Sniper Program BEFORE HE COULD FORGE A BAND OF ELITE WARRIORS... HE HAD TO BECOME ONE HIMSELF*. Brandon Webb's experiences in the world's most elite sniper corps are the stuff of legend. From his grueling years of training in Naval Special Operations to his combat tours in the Persian Gulf and Afghanistan, *The Red Circle* provides a rare and riveting look at the inner workings of the U.S. military through the eyes of a covert operations specialist. Yet it is Webb's distinguished second career as a lead instructor for the shadowy "sniper cell" and Course Manager of the Navy SEAL Sniper Program that trained some of America's finest and deadliest warriors—including Marcus Luttrell and Chris Kyle—that makes his story so compelling. Luttrell credits Webb's training with his own survival during the ill-fated 2005 Operation Redwing in Afghanistan. Kyle went on to become the U.S. military's top marksman, with more than 150 confirmed kills. From a candid chronicle of his student days, going through the sniper course himself, to his hair-raising close calls with Taliban and al Qaeda forces in the northern Afghanistan wilderness, to his vivid account of designing new sniper standards and training some of the most accomplished snipers of the twenty-first century, Webb provides a rare look at the making of the Special Operations warriors who are at the forefront of today's military. Explosive, revealing, and intelligent, *The Red Circle* provides a uniquely personal glimpse into one of the most challenging and secretive military training courses in the world.

The Right Kind of Crazy Clint Emerson 2020-06-02 Clint Emerson, retired Navy SEAL and author of the bestselling *100 Deadly Skills*, presents an explosive, darkly funny, and often twisted account of being part of an elite team of operatives whose mission was to keep America safe by whatever means necessary. Clint Emerson is the only SEAL ever inducted into the International Spy Museum. Operating from the shadows, with an instinct for running towards trouble, his unique skill set made him the perfect hybrid operator. Emerson spent his career on the bleeding edge of intelligence and operations, often specializing in missions that took advantage of subterfuge, improvisation, the best in recon and surveillance tech to combat the changing global battlefield. MacGyvering everyday objects into working spyware was routine, and fellow SEALs referred to his activities simply as “special shit.” His parameters were: find, fix, and finish—and of course, leave no trace. *The Right Kind of Crazy* is unlike any military memoir you’ve ever read because Emerson is upfront about the fact that what makes you a great soldier and sometimes hero doesn’t always make you the best guy—but it does make for damn good stories.

Relentless Dean Stott 2019-10-03 'Dean's journey from the Special Boat Service to intrepid adventurer is truly inspirational.' - Sir Ranulph Fiennes 'An extraordinary tale of courage and adventure. Dean's story is inspirational.' - Levison Wood 'Dean's relentless determination to help those who face many mental health battles is incredible and admirable - he's a hero to many.' - Bear Grylls For readers of Ant Middleton, Jason Fox, Brian Wood, Bear Grylls and Billy Billingham comes the extraordinary, inspirational story of Special Boat Service soldier and adventurer Dean Stott. Everybody has heard the SAS motto that who dares wins, but special forces warrior Dean Stott also lives his life by another powerful mantra - that of the relentless pursuit of excellence. In 16 years of service, Dean rose to the top of Britain's fighting force, taking part of some of the most daring and dangerous operations in the war on terror, and then in the private security force, where missions included him singlehandedly evacuating the Canadian Embassy in Libya. But then, following a horrific parachuting accident, Dean's dream career was cut short, and his ethos was put to its toughest test. Just like the day when Dean's dad said that he could never make it as a soldier, Dean's doctors told him that he would never again perform at the elite level. To put it mildly, Dean disagreed, but even those that knew him were staggered by the mission that he set himself - the man who didn't own a bike would cycle the Pan American Highway, a 14,000 mile route that stretches from Argentina to Alaska, passing through some of the most dangerous countries in the world. A passionate mental health campaigner, Dean decided to up the stakes further by setting himself the task of raising a million pounds for charity. With two world records also in his sights, the stage was set for Dean to rediscover the tenacity, bravery, and downright doggedness that saw him rise to the top of the Special Forces. The final curveball arrived in the shape of a wedding invitation from his old friend Prince Harry - would he make it back in time for the royal wedding, or at all? Dean Stott is Relentless, and this is his story.

Crying in H Mart Michelle Zauner 2021-04-20 NEW YORK TIMES BEST SELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR) • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BEST SELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.
