

# The Song Of Kieu A New Lament

Getting the books the song of kieu a new lament now is not type of inspiring means. You could not solitary going considering books buildup or library or borrowing from your contacts to right to use them. This is an completely easy means to specifically get lead by on-line. This online revelation the song of kieu a new lament can be one of the options to accompany you subsequently having supplementary time.

It will not waste your time. acknowledge me, the e-book will completely freshen you new matter to read. Just invest little period to right to use this on-line declaration the song of kieu a new lament as without difficulty as evaluation them wherever you are now.

## A Popular Cyclopedia of History Francis Alexander Durivage 1847

*Cult, Culture, and Authority* Olga Dror 2007-03-31 Princess Liễu Hạnh, often called the Mother of the Vietnamese people by her followers, is one of the most prominent goddesses in Vietnamese popular religion. First emerging some four centuries ago as a local sect appealing to women, the princess' cult has since transcended its geographical and gender boundaries and remains vibrant today. Who was this revered deity? Was she a virtuous woman or a prostitute? Why did people begin worshipping her and why have they continued? *Cult, Culture, and Authority* traces Liễu Hạnh's cult from its ostensible appearance in the sixteenth century to its present-day prominence in North Vietnam and considers it from a broad range of perspectives, as religion and literature and in the context of politics and society. Over time, Liễu Hạnh's personality and cult became the subject of numerous literary accounts, and these historical texts are a major source for this book. Author Olga Dror explores the authorship and historical context of each text considered, treating her subject in an interdisciplinary way. Her interest lies in how these accounts reflect the various political agendas of successive generations of intellectuals and officials. The same cult was called into service for a variety of ideological ends: feminism, nationalism, Buddhism, or Daoism.

**Herland and Related Writings** Charlotte Perkins Gilman 2012-11-08 Charlotte Perkins Gilman's provocative

utopian novel *Herland*, first published in 1915, tells its story through the observations of three male explorers who discover a land inhabited solely by women; the women reproduce through parthenogenesis (asexual reproduction). Initially skeptical, the explorers come to realize that *Herland* has evolved into an ideal, cooperative, matriarchal society—fertile, peaceful, and clean—by selectively reproducing the women’s best attributes. As the explorers study *Herland* culture, they also rethink their own. This edition reproduces the text originally published in *The Forerunner* in 1915, including several passages omitted from other editions. Stories, poetry, and nonfiction writing by Gilman on topics such as birth control, capital punishment, and eugenics provide a rich context for the novel. Materials originally published alongside *Herland* in 1915, many of which have never before been republished, are also included, as is an excerpt from the sequel, *With Her in Ourland*.

[Viet Nam H\[u\] Ng\[c\]](#) 2016-08-15 During his twenty-year tenure as a columnist for *Viet Nam News*, Hà Nội’s English-language newspaper, H[u] Ng[c] charmed and invigorated an international readership hungry for straightforward but elegant entrees into understanding Vietnamese culture. The essays were originally collected in the massive *Wandering through Vietnamese Culture*. With *Viet Nam: Tradition and Change*, Ohio University Press presents a selection from these many treasures, which are perfectly suited to students of Vietnamese culture and travelers seeking an introduction to the country’s rich history, culture, and daily life. With extraordinary linguistic ability and a prodigious memory, H[u] Ng[c] is among *Viet Nam*’s keenest observers of and writers about traditional Vietnamese culture and recent history. The author’s central theme—that all tradition is change through acculturation—twines through each of the book’s ten sections, which contain H[u] Ng[c]’s ideas on Vietnamese religion, literature, history, exemplary figures, and more. Taken on its own, each brief essay is an engaging discussion of key elements of Vietnamese culture and the history of an issue confronting *Viet Nam* today.

**Vietnamese Stories for Language Learners** Tri C. Tran 2017-12-19 *Vietnamese Stories for Language Learners*--a language learning experience for beginner to intermediate students of the Vietnamese language. Nothing introduces students and cultural enthusiasts to a language and people better than

stories. Intended for Vietnamese language students or heritage learners, the stories in this volume present the everyday vocabulary and grammar in use in Vietnam today. Forty folk stories have been edited and simplified for learning purposes and are presented in parallel Vietnamese and English versions to facilitate language learning. These delightful Vietnamese folktales immediately animate the culture, offering readers a glimpse of the social, cultural and religious aspects of Vietnamese society in bygone eras. The English translations allow readers who are not yet studying the language to experience the wisdom and humor in these traditional, well-loved stories. An audio CD in Vietnamese helps students improve their pronunciation and inflection and introduces readers to the uniquely Vietnamese story of storytelling. Discussion questions, vocabulary and cultural notes are provided at the end of each story.

**The Gangster We Are All Looking For** Thi Diem Thuy Le 2011-04-13 This acclaimed novel reveals the life of a Vietnamese family in America through the knowing eyes of a child finding her place and voice in a new country. In 1978 six refugees—a girl, her father, and four “uncles”—are pulled from the sea to begin a new life in San Diego. In the child’s imagination, the world is transmuted into an unearthly realm: she sees everything intensely, hears the distress calls of inanimate objects, and waits for her mother to join her. But life loses none of its strangeness when the family is reunited. As the girl grows, her matter-of-fact innocence eddies increasingly around opaque and ghostly traumas: the cataclysm that engulfed her homeland, the memory of a brother who drowned and, most inescapable, her father’s hopeless rage.

The Columbia Granger's Index to Poetry in Anthologies 1997

*Comparing the Literatures* David Damrosch 2020-04-07 "The discipline of comparative literature has long sought to develop effective theories and methods of broad-based study, but ideas based on national canons in a handful of Western European countries no longer seem adequate even for the study of national literatures themselves. *Comparing the Literatures* integrates comparative, postcolonial, and world-literary perspectives and seeks common ground. Looking both at institutional forces and at key episodes in the life and work of comparatists who have struggled to define and to redefine the fundamental terms of

literary analysis, from language to literature to theory to comparison itself, Damrosch offers a comprehensive overview of the history and current prospects of comparative studies in a globalizing world"--

*The Story of Hong Gildong* Kyun H□ 2016-03-15 Hong Gildong, a brilliant but illegitimate son of a noble government minister, cannot advance in society and embarks on a series of adventures, joining a band of outlaws, vanquishing assassins and monsters, and founding his own kingdom.

The Ceramic Art Jennie J. Young 1878

Air of Solitude Gustave Roud 2019-11-15 Gustave Roud, perhaps the most beloved poet of Swiss Romandy, is widely considered the founder of modern francophone Swiss literature, along with Charles-Ferdinand Ramuz. Roud lived at his grandfather's farm in Carrouge, Canton Vaud, for his entire life. In *Air of Solitude*, the first section of this two-part book, he stalks the structures and fields of his youth, composing memories out of his landscape. The narrator appears homegrown, expressing nostalgia for what is already in front of him. Yet, like an outsider, he remains distinctly elsewhere, unable to participate in the workday rituals of the men around him--a stalking shadow of unfulfilled yearning for affection and belonging. *Air of Solitude* explores the rural bodies and lives of the Vaudois, returning again and again to the desired male laborer Aimé. Between each section of *Air of Solitude*, Roud inserts short vignettes that provide fleeting and lyrical images that resemble allusions to half-forgotten memories. However, Roud leaves the relationship between the titled sections and the interludes ambiguous. As the book concludes with *Requiem*, the remnants of narrative shatter, leaving behind only the spectral tatters of memory as Roud confronts the enigma of loss in peerless, jewel-studded elegiac prose. With these two tales, Roud revives the pastoral tradition and injects it with distinctly modernist anxiety and disillusionment.

**Cari Mora** Thomas Harris 2019-05-21 A resilient young woman must outwit a sadistic psychopath in this pulse-pounding thriller from the author of *The Silence of the Lambs*, a "master still at the top of his strange and chilling form" (*Wall Street Journal*). Twenty-five million dollars in cartel gold lies hidden beneath a mansion on the Miami Beach waterfront. Ruthless men have tracked it for years. Leading the

pack is Hans-Peter Schneider. Driven by unspeakable appetites, he makes a living fleshing out the violent fantasies of other, richer men. Cari Mora, caretaker of the house, has escaped from the violence in her native country. She stays in Miami on a wobbly Temporary Protected Status, subject to the iron whim of ICE. She works at many jobs to survive. Beautiful, marked by war, Cari catches the eye of Hans-Peter as he closes in on the treasure. But Cari Mora has surprising skills, and her will to survive has been tested before. Monsters lurk in the crevices between male desire and female survival. No other writer in the last century has conjured those monsters with more terrifying brilliance than Thomas Harris. Cari Mora, his sixth novel, is the long-awaited return of an American master.

**Songs of the Caged, Songs of the Free** Adelaida Reyes 1999

**American Book Publishing Record 1977-03-31** Here's quick access to more than 490,000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction. Author and Title indexes are included, and a Subject Guide correlates primary subjects with Dewey and LC classification numbers. These cumulative records are available in three separate sets.

**The Tongue of Adam** Abdelfattah Kilito 2016-11-22 A playful and erudite look at the origins of language In the beginning there was one language—one tongue that Adam used to compose the first poem, an elegy for Abel. “These days, no one bothers to ask about the tongue of Adam. It is a naive question, vaguely embarrassing and irksome, like questions posed by children, which one can only answer rather stupidly.” So begins Abdelfattah Kilito’s *The Tongue of Adam*, a delightful series of lectures. With a Borgesian flair for riddles, stories, and subtle scholarly distinctions, Kilito presents an assortment of discussions related to Adam’s tongue, including translation, comparative religion, and lexicography: for example, how, from Babel onward, can we explain the plurality of language? Or can Adam’s poetry be judged aesthetically, the same as any other poem? Drawing from the commentators of the Koran to Walter Benjamin, from the esoteric speculations of Judaism to Herodotus, *The Tongue of Adam* is a nimble book about the mysterious rise of humankind’s multilingualism.

**The Joy Luck Club** Amy Tan 2006-09-21 “The Joy Luck Club is one of my favorite books. From the

moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational.” –Kevin Kwan, author of *Crazy Rich Asians* Amy Tan’s beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

*A Poet's Glossary* Edward Hirsch 2014-04-08 “An instant classic that belongs on the bookshelf of every serious poet and literature student” (The Washington Post). A major addition to the literature of poetry, Edward Hirsch’s sparkling new work is a compilation of forms, devices, groups, movements, isms, aesthetics, rhetorical terms, and folklore—an “absorbing” book all readers, writers, teachers, and students of poetry will return to over and over (The New Yorker). Hirsch has delved deeply into the poetic traditions of the world, returning with an inclusive, international compendium. Moving gracefully from the bards of ancient Greece to the revolutionaries of Latin America, from small formal elements to large mysteries, he provides thoughtful definitions for the most important lyrical vocabulary, imbuing his work with a lifetime of scholarship and the warmth of a man devoted to his art. Knowing how a poem works is essential to unlocking its meaning. Hirsch’s entries will deepen readers’ relationships with their favorite poems and open greater levels of understanding in each new poem they encounter. Shot through with the enthusiasm, authority, and sheer delight that made *How to Read a Poem* so beloved, *A Poet’s Glossary* is a new classic.

## The History of Buddhism in Vietnam Tai Thu Nguyen 2008

*East Meets West* Kim Parker MSW LCSW 2016-09-07 Parenting can be the toughest journey a person ever makes. The author transparently addresses the difficult parts of this role while pointing us to some practical ways of thinking and relating with children to lighten the responsibility. This book is as fascinating as Amy Chua's *Battle Hymn of the Tiger Mother* memoir, as relatable as Jen Hatmakers' *Christian foibles*, as uplifting as Iyanla Vanzant's inspirational messages, and backed by solid research of the likes of Brene Brown. By deftly combining four of America's favorite genres into one enjoyable read, the author does not force us to compare and choose one world view over another, but honors all. Kim understands the unique challenges and opportunities that arise when you're parenting in a culture different than the one in which you were raised. Her words are wise and just what you need to figure out what is best for your family! Jill Savage, author of *Better Together: Because You're Not Meant to Mom Alone* This is an insightful book, full of sound and practical advice. I highly recommend it. Dr. Helen Mendes Love, MSW, author of *Reflections on the Upsides of Aging* Kim gives invaluable insight on the intricacies of parenting in a more globalized and culturally-relevant world, while respecting tradition and heritage. Sam Louie, M.A., LMHC, author of *Asian Shame* and *Addiction: Suffering in Silence* Humorous, yet educational, this book is a must read for any parent. Erika Olivares Sumner, Life & Wellness Coach, Mother of Three

*Poeseos Sinicae Commentarii* John Francis Davis 1870

**The Song of Kieu** Du Nguyen 2019-07-09 "An essential book for anyone invested, not only in Vietnamese literature, but the historic power of the national epic...and its perennial place in our species' efforts toward self-knowledge. Tim Allen's new translation offers clean fluidity while honouring the original's varied rhythms and jagged lyricism. A luminous feat." --Ocean Vuong A stunning new translation of the legendary Vietnamese epic poem, now for the first time in Penguin Classics Considered the greatest literary achievement in Vietnamese, *The Song of Kieu* tells the story of the beautiful Vuong Thuy Kieu, who agrees to a financially profitable marriage in order to save her family from ruinous debts, but is tricked into working in a brothel. Her tragic life involves jealous wives, slavery, war, poverty, and time as a nun. Adapted from a seventeenth-century Chinese novel, *Jin Yun Qiao*, written by an unknown writer under the

pseudonym Qingxin Cairen, author Nguyen Du upended the plot's traditional love story by conveying the social and political upheavals at the end of the 18th century in Vietnam.

**State of Emergency: A Novel** Jeremy Tiang 2018-10-16 Siew Li leaves her husband and children in Tiong Bahru to fight for freedom in the jungles of Malaya. Decades later, a Malaysian journalist returns to her homeland to uncover the truth of a massacre committed during the Emergency. And in Singapore, Siew Li's niece Stella finds herself accused of being a Marxist conspirator. Jeremy Tiang's debut novel dives into the tumultuous days of leftist movements and political detentions in Singapore and Malaysia. It follows an extended family from the 1940s to the present day as they navigate the choppy political currents of the region. What happens when the things that divide us also bind us together? Winner of Singapore Literature Prize 2018, Fiction Shortlisted for Singapore Book Awards 2018, Best Fiction Title Finalist for the Epigram Books Fiction Prize 2016

Sources of Vietnamese Tradition George Dutton 2012-09-18 Sources of Vietnamese Tradition provides an essential guide to two thousand years of Vietnamese history and a comprehensive overview of the society and state of Vietnam. Strategic selections illuminate key figures, issues, and events while building a thematic portrait of the country's developing territory, politics, culture, and relations with neighbors. The volume showcases Vietnam's remarkable independence in the face of Chinese and other external pressures and respects the complexity of the Vietnamese experience both past and present. The anthology begins with selections that cover more than a millennium of Chinese dominance over Vietnam (111 B.C.E.–939 C.E.) and follows with texts that illuminate four centuries of independence ensured by the Ly, Tran, and Ho dynasties (1009–1407). The earlier cultivation of Buddhism and Southeast Asian political practices by the monarchy gave way to two centuries of Confucian influence and bureaucratic governance (1407–1600), based on Chinese models, and three centuries of political competition between the north and the south, resolving in the latter's favor (1600–1885). Concluding with the colonial era and the modern age, the volume recounts the ravages of war and the creation of a united, independent Vietnam in 1975. Each chapter features readings that reveal the views, customs, outside influences on, and religious and philosophical beliefs of a rapidly changing people and culture. Descriptions of land, society, economy, and governance underscore the role of the past in the formation of contemporary

Vietnam and its relationships with neighboring countries and the West.

*You Have To Stop This* Pseudonymous Bosch 2012-06-01 Do you want to finally, conclusively, and at (very) long last, learn the Secret? Are you REALLY sure? Because now's your chance to escape... No? You're staying put? Have you any idea of what lies between these perilous pages? (How could you? ... except perhaps if you were to smell that faint aroma of musty mummy, or catch a glance of the deviously despicable Lord Pharaoh). Well, if you really want to learn the Secret I suppose you'll HAVE to read this. But you won't like it. The fifth and final fantastical adventure in the 'Secret' series in which Cass, Max-Ernest and Yo-Yoji are accused of stealing a very-valuable-and-not-to-be-touched ancient Egyptian mummy from the local museum. They are determined to clear their names, but after getting accidentally trapped in a crate with a mummified cat, the three youngest members of the Terces society unwittingly find themselves on their way to the great pyramids of...Las Vegas. Amongst the dusty corridors of the Cairo Hotel and mysterious hieroglyphs of the Nile Nail Salon, Cass draws ever closer to uncovering the Secret...

*In the Crossfire* Ngo Van 2010 A stunning autobiographical account of the fight for freedom in Ho Chi Min's Vietnam.

*The Secret of Hoa Sen* Nguyen Phan Que Mai 2014-11 Presented in bilingual English and Vietnamese, these poems build bridges between two cultures inextricably bound together by war and destruction.

*Ethnology of Indochina* André Leroi-Gourhan 1962

*Poetic Transformations* Claudine Ang 2020-10-26 In the eighteenth century, multiple migratory groups with competing political ambitions converged on the Mekong plains. In the frontier region, literati-officials of a territorially-expanding Vietnamese state crossed paths with a network of diasporic Chinese Ming loyalists closely affiliated with the coastal trading network. Drawing on vernacular Vietnamese and classical Chinese sources, Claudine Ang identifies the different ways two leading statesmen of the time employed literature to transform the frontier region. In their rival cultural projects, we see the clash between the

aspirations of Vietnamese and Chinese migrants. Ang shows how a bawdy play, in which a lascivious monk turns his charms on an unsuspecting nun, acted as a vehicle for differentiating Vietnamese lowlanders from their neighbors, and she uncovers in a suite of landscape poems coded messages aimed at founding a new Ming loyalist stronghold on the Mekong delta. Through its close reading of satirical drama and landscape poetry, *Poetic Transformations* captures a historical moment of overlapping visions, frustrated schemes, and contested desires on the Mekong plains.

**From Lanka Eastwards** Andrea Acri 2010-01-01 The studies included in this volume, written by experts in a wide range of disciplines, focus on disparate aspects of the Kakawin Ramayana and the constellation of cultural phenomena revolving around it, providing the reader with a key to the understanding of the rich Old Javanese textual heritage and the transcultural intellectual dynamics that contributed to shaping the cultural heritage of Indonesia up to the present.

**The Song of Kieu** Nguyen Du 2019-02-28 This manuscript is ancient, priceless, bamboo-rolled, perfumed with musty spices. Sit comfortably by this good light, that you may learn the hard-won lesson that these characters contain.' The Song of Kieu is the greatest classic of Vietnamese literature. It tells the story of the beautiful Vuong Thúy Kieu, who agrees to a financially profitable marriage in order to save her family from ruinous debts, but is tricked into working in a brothel. Her tragic career involves jealous wives, slavery, war, poverty and she also becomes a nun twice. There are high points, such as when she teams up with muscle-bound, tender-hearted rebel hero who makes her his queen and summons all her wrongdoers to account, but the ending is bittersweet. 'To the Vietnamese people themselves, [it] is much more than just a glorious heirloom from their literary past,' says Professor Alexander Woodside of the University of British Columbia. 'It has become a kind of continuing emotional laboratory in which all the great and timeless issues of personal morality and political obligation are tested and resolved [. . .] Western readers who are curious about Vietnam and the Vietnamese may well gain more real wisdom from cultivating a discriminating appreciation of this one poem than they will from reading the entire library of scholarly and journalistic writings upon modern Vietnam which has accumulated in the West.'

**The Vietnamese Novel in French** Jack Andrew Yeager 1987 Analyzes over two dozen novels written in

French by Vietnamese authors since 1920, showing how they reflect & react against Vietnam's colonial heritage.

*Two Stories* Osvaldo Lamborghini 2021-01-12 Fiction. Translated by Jessica Sequera. The writing of the late Osvaldo Lamborghini (1940--1985) resists almost any attempt to characterize, let alone summarize. An iconoclastic figure of the Latin American literary milieu of the mid-to-late twentieth century, Lamborghini melded the baroque and the low-brow to often outrageous effect (Bolaño said he could only read a few pages of him at once). Rendered into English for the first time here are two long short stories, *The Morning* and *Just Write Anything!*, an accurate sample of his work in much the same way that a bucket of seawater is an accurate sample of the ocean.

### **Indian Antiquary 1880**

Kieu Nguyen Du 2013-03-09 It's always been the same: good fortune seldom came the way of those endowed, they say, with genius and a dainty face. What tragedies take place within each circling space of years! 'Rich in good looks' appears to mean poor luck and tears of woe; which may sound strange, I know, but is not really so, I swear, since Heaven everywhere seems jealous of the fair of face. The tale of Kieu, a talented young girl, was written in verse in Vietnamese by Nguyen Du, who lived in Vietnam from 1765 to 1820. Although the story is set in China, it was the greatest work of literature until then to be written in the Vietnamese language, and many would say it is still unrivalled. It tells the story of Kieu, a beautiful girl, who falls in love with Kim, a handsome student, and they become engaged. But while Kim is away, Kieu's father is arrested on a false charge, and Kieu follows the Confucian teaching that duty to one's parents overrides all other duties, and gives herself to be sold as a bride to a stranger. Her life continues with terrible suffering alternating with periods of relative happiness, but always she dreams of Kim. But eventually they are reunited and there is a happy ending. Michael Counsell lived as a civilian in Vietnam for almost four years during the Vietnam War. He read the tale of Kieu, and was deeply moved by the human drama and the descriptions of nature. It seemed to symbolise the suffering which the Vietnamese people, and especially Vietnamese women, endured during the twentieth century. Among the many misunderstandings of the Vietnamese people by the English-speaking world in our days, he says,

we must include the failure to understand that they are a nation of poets and heirs to a great culture. So to make this story more widely known, he started to translate the poem into English. This was probably the first and may still be the only translation made by a native speaker of English directly from the Vietnamese into English verse using the same scansion and rhyme-scheme as the original. Michael visited Hanoi in 1994, and was again struck by the beauty of the scenery and the friendliness of the people. His translation of Kieu was published in a bilingual edition, with beautiful illustrations, by the Thé Gioi Publishers. But it has proved difficult to buy that edition outside Vietnam, so in order that many more people should be able to enjoy it, the English text only is now published by Createspace, a branch of amazon, and also as an e-book on Kindle. Michael Counsell is now living in Birmingham in England. His dream is that eventually, like Edward Fitzgerald's translation of The Rubaiyat of Omar Khayyam, his translation of Kieu may prove as popular among English-speakers as with those who can read the original. Janet Marshall writes: Kieu is not a love story in the romantic, light-hearted sense. But it expresses not only the profound and lasting love between Kieu and Kim, but also their patience and endurance through years of cruel, undeserved trials. Yet even through the darkest parts of the poem, the reader has hope of the triumph of goodness over evil, and that Kuan-Yin will eventually bring about a happy ending. All the characters are delicately drawn, and bring a Far Eastern culture, with its modes and manners, vividly to life. So many stories from far-away lands lose much of their fascination and genuine warmth and believability in translation. It is not so in this instance. Michael Counsell, with a true understanding for, and sympathy with the Vietnamese traditions, has brought before the English reader a literary experience of extraordinary beauty.

Harland Miller: In Shadows I Boogie Michael Bracewell 2019-05-22 The most comprehensive monograph to date on the British artist and writer loved for his witty book-cover-inspired canvases Harland Miller's creativity as both artist and novelist culminates in his iconic paintings of battered book covers with cleverly invented titles. Initially appropriating the classic Penguin paperback before devising his own unique designs, Miller combines aspects of pop art, abstraction, and figurative painting to create highly coveted artworks that have won him a cult following. This monograph covers nearly 20 years of his paintings, and features newly commissioned essays by eminent art writers exploring different aspects of his practice.

**Greek Fiction Longus** 2011-08-25 A trio of tales offering an eye-opening alternative view of ancient Greece's literary culture. A fascinating counterpoint to the monumental epics of ancient Greece, Greek Fiction features three novelistic works written between the first and fourth centuries AD. Chariton's "Callirhoe"-perhaps the first novel ever written-is the stirring tale of two star-crossed lovers who are torn apart when Callirhoe is kidnapped and sold into slavery. Longus's "Daphnis and Chloe" tells the story of a boy and girl-both abandoned at birth-who grow up to fall in love and battle pirates. "Letters of Chion" is an early thriller about tyranny and political assassination. Together these works open a welcome window onto ancient Greece's little-explored legacy of prose fiction.

Witchcraft, Violence, and Democracy in South Africa Adam Ashforth 2005-01-15 Large numbers of people in Soweto & other parts of South Africa live in fear of witchcraft, presenting complex & unique problems for the government. Adam Ashforth explores the challenge of occult violence & the spiritual insecurity that it engenders to democratic rule in South Africa.

**The Space Between Us** Courtney Peppernell 2020-10-06 A universal narrative on the significance of distance with love; remember to hold on to what you believe in. Ideal for those "whose love knows no bounds," The Space Between Us is full of profound anecdotes and messages, illustrating the courage and heartache of enduring physical distance. The Space Between Us explores the trials of love and what it's like to live a life separated by distance from someone you care about. Its content is thoughtfully divided into five chapters, or phases, of the long-distance experience: At First Glance Living for Tomorrow Lonely Nights Grow Together/Grow Apart When I See You. A combination of poems and prose are sporadically connected with small graphics and maps to visualize the journey of physical distance. These poems serve as an adhesive between the reader and the ones they miss, the longing, the anticipation, and the eventual relief. Though both authors bring with them a unique perspective, the lens is singular; each is attuned to navigating this complex terrain.
