Country Dance & Song Society News 2007

Folk Dancing Erica Nielsen 2011-07-31 · Presents information based upon hundreds of candid interviews and informal conversations with folk dancers across the country · Provides a timeline of dance trends in North America as related to the folk dance movement · Features diagrams of dance formations such as square dance, quadrilles, and contra dance as well as illustrations showing dance positions and community dance events from pre-20th century sources · Presents original photographs and images collected from interviewees to illustrate different facets of recreational dance communities · Contains a bibliography of resources that covers a broad scope of folk dance history as well as specific recreational communities · Includes a glossary of commonly used folk dance terms

The Encyclopedia of World Folk Dance Mary Ellen Snodgrass 2016-08-08 While there are books about folk dances from individual countries or regions, there isn't a single comprehensive book on folk dances across the globe. This illustrated compendium offers the student, teacher, choreographer, historian, media critic, ethnographer, and general reader an overview of the evolution and social and religious significance of folk dance. The Encyclopedia of World Folk Dance focuses on the uniqueness of kinetic performance and its contribution to the study and appreciation of rhythmic expression around the globe. Following a chronology of momentous events dating from prehistory to the present day, the entries in this volume include material on technical terms, character roles, and specific

dances. The entries also summarize the historical and ethnic milieu of each style and execution, highlighting, among other elements, such features as: origins purpose rituals and traditions props dress holidays themes

English Dancing Master, 1651 John Playford 1957

Peel the Banana Paul Rosenberg 2006 Peel the Banana (with included music CD?see below) is arranged as a sequence of dances and singing games from many traditions that Paul Rosenberg has found to be popular during his years of leading school residencies, family dances and community celebrations. The book provides detailed instructions for each of the dances on the CD, as well as written music (with chords) for all of the tunes. It presents suggested age group (a number of the dances can be taught to children as young as three), formation and notes on each dance which might include background information, teaching tips or variations to make the dance accessible to less experienced or younger dancers. Also included are simple instructions on how to teach the waltz, a list of enrichment activities for the classroom (including a reading list for schoolchildren) and a glossary describing all the dance movements and terms used in the book. For the CD, George Wilson (fiddle, banjo, bass, guitar, percussive feet), Peter Davis (clarinet, guitar, piano, mandolin, pennywhistle) and Paul Rosenberg (recorder) provide wonderful dance-length music for the 20 dances. The collection includes American dances such as the singing square Marching Through Georgia and the Virginia Reel. Other countries represented through their dances are Russia (Sasha), Israel (Zemer Atik), Germany (Kinderpolka) and Denmark (Seven Jumps). There are also dances from Ireland, Belgium, Quebec, England, plus two African-American singing games. For most tracks Paul calls the dance the first two times through. Children are also included singing on several of the cuts.

The Square Dance and Contra Dance Handbook Margot Gunzenhauser 1996 This comprehensive guide to traditional style square and contra dancing, sometimes referred to as country dancing, covers both music and style and gives background information on various dance types and calling techniques. Ninety dances, presented in chapters according to type (mixers, progressive circles, contra, Southern mountain style, squares and others), in a wide variety of formations are described with drawings and diagrams for many of the movements. A glossary of terms, a directory of addresses (organizations; vendors of books, recordings and audio equipment; and dance camps), and an annotated discography and bibliography are also provided.

Chimes of Dunkirk Peter Amidon 2010-01-01 2010 revision of New England Dancing Masters' classic collection of 20 traditional dances for children. First published in 1991, the editors have improved and updated the dance descriptions, and added several sections on teaching dance to children including tips on calling a dance and various strategies for choosing partners with children. Includes simple longways dances, circle dances, square dances and contra dances. Ideas for teaching dance successfully in schools, a glossary of dance terms and transcriptions of the dance tunes are included. CD recording features some of New England's finest dance musicians playing all the music needed to teach the dances. The revised CD includes three new recordings. Reels, jigs, polka and waltz are played dance length. The two square dances include singing calls on the recording.

Come Dancing Daniel Clark 2014-04-08 This little book contains over sixty new contra,

circle and square dances, along with notes on performance dancing and contra dance classes.

Sashay the Donut Andy Davis 2007-01-01 Our third collection, designed to compliment Chimes of Dunkirk and Listen to the Mockingbird. A collection of 22 more dances that we have used successfully in classrooms and at community dances. Dance instructions are carefully worded with accompanying photos, diagrams and glossary. Includes longways, circles, contras, squares and scatter mixers. Companion CD features dance length recordings of appropriate music for the dances. Music captures the excitement of dancing to live music in a community dance setting. The two square dances include singing calls on the recording.

Teacher's Dance Handbook No. 1 Olga Kulbitsky 1959

The Guide to United States Popular Culture Ray Broadus Browne 2001 "To understand the history and spirit of America, one must know its wars, its laws, and its presidents. To really understand it, however, one must also know its cheeseburgers, its love songs, and its lawn ornaments. The long-awaited Guide to the United States Popular Culture provides a single-volume guide to the landscape of everyday life in the United States. Scholars, students, and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history. All American readers will find in it, one entry at a time, the story of their lives."-- Robert Thompson, President, Popular Culture Association. "At long last popular culture may indeed be given its due within the humanities with the publication of *The Guide to United States Popular Culture*. With its nearly 1600 entries, it promises to be the most comprehensive single-volume source of information about popular culture. The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike."--Timothy E. Scheurer, President, American Culture Association "The popular culture of the United States is as free-wheeling and complex as the society it animates. To understand it, one needs assistance. Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations."--Marshall W. Fishwick, Past President, Popular Culture Association Features of *The Guide to United States Popular Culture*: 1,010 pages 1,600 entries 500 contributors Alphabetic entries Entries range from general topics (golf, film) to specific individuals, items, and events Articles are supplemented by bibliographies and cross references Comprehensive index

The Contra Dance Book Rickey Holden 1956

As I Saw It

Hoedowns, Reels, and Frolics Phil Jamison 2015-07-15 In *Hoedowns, Reels, and Frolics*, old-time musician and flatfoot dancer Philip Jamison journeys into the past and surveys the present to tell the story behind the square dances, step dances, reels, and other forms of dance practiced in southern Appalachia. These distinctive folk dances, Jamison argues, are not the unaltered jigs and reels brought by early British settlers, but hybrids that developed over time by adopting and incorporating elements from other popular forms. He traces the forms from their European, African American, and Native American roots to the modern day. On the way he explores the powerful influence of black culture, showing how practices such as calling dances as well as specific kinds of steps combined with white European forms to

create distinctly "American" dances. From cakewalks to clogging, and from the Shoo-fly Swing to the Virginia Reel, Hoedowns, Reels, and Frolics reinterprets an essential aspect of Appalachian culture.

Dance Teaching Methods and Curriculum Design Gayle Kassing 2020-10-23 This new edition of Dance Teaching Methods and Curriculum Design is ideal for preparing undergraduate students to teach dance education. Students will learn a conceptual and comprehensive model of dance education that embraces dance as an art form and a lifelong physical activity. Students will gain the tools they need to teach various dance forms, create effective lesson and unit plans, and develop a curriculum that meets arts and education standards. The second edition of this foundational text uses a holistic approach to dance pedagogy for teaching children through adults in school and community environments. It also introduces theories from multiple disciplines and helps students apply those theories and processes when creating lesson and unit plans. New Material Dance Teaching Methods and Curriculum Design offers much new material: Four new sample dance units (up from 10 in the previous edition) Many useful instructor ancillaries, including an instructor guide, a presentation package, and a test package; students can submit their work electronically, and quizzes are automatically graded Resources delivered on HKPropel, including a variety of projects, printable forms, and video clips that demonstrate selected steps, movements, exercises, and combinations of different dance forms Beyond Technique assignments, which have been field tested in university courses, to help students see firsthand what a dance teacher does The sample dance units offer a comprehensive guide for teaching popular dance forms, and they now cover a greater diversity of styles, including hip-hop, Mexican folkloric, African, and line dance. In addition, the new ancillaries offer scope and sequence plans and block time plans for all 14 dance units, as well as all printable forms from the book. Dance Portfolio Another great feature of the book is the dance portfolio that students will create as they work through the text. This portfolio will help them demonstrate their ability to create lesson plans, a unit plan, and a complete dance curriculum. The students will develop these abilities as they complete chapters 1 through 13. Chapter 14 then walks students through assembling the sections of the portfolio. Projects the student can complete to include within their portfolio are available on HKPropel. Step-by-Step Approach Dance Teaching Methods and Curriculum Design offers students a step-by-step course of study for how to teach dance and create sustainable dance programs in schools. The authors synthesize a wide variety of research and resources to support dance pedagogy and curriculum development, provide the infrastructure to meet the changing needs of students to teach dance in the 21st century, and supply extensive references for students to use to increase their dance education knowledge. Book Organization The text is organized into three parts. Part I covers information specific to teaching dance and understanding learners from grades preK through 12. Part II focuses on applying the dance knowledge gained from part I to the teaching and learning process in the four categories of dance forms. In part III, students learn how to develop unit plans and choose a curriculum design for their dance programs. Filling a Void Dance Teaching Methods and Curriculum Design, Second Edition, addresses the knowledge, skills, processes, and content that students need as they prepare to teach dance in various settings. This text fills a void in dance education literature, studying all the steps as it provides students the foundational knowledge and practical know-how they need to confidently begin teaching dance in schools, recreation programs, or private dance studios. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.

The Bloomsbury Handbook of Dance and Philosophy 2021-01-28 An innovative examination of the ways in which dance and philosophy inform each other, *Dance and Philosophy* brings together authorities from a variety of disciplines to expand our understanding of dance and dance scholarship. Featuring an eclectic mix of materials from exposes to dance therapy sessions to demonstrations, *Dance and Philosophy* addresses centuries of scholarship, dance practice, the impacts of technological and social change, politics, cultural diversity and performance. Structured thematically to draw out the connection between different perspectives, this books covers: - Philosophy practice and how it corresponds to dance - Movement, embodiment and temporality - Philosophy and dance traditions in everyday life - The intersection between dance and technology - Critical reflections on dance Offering important contributions to our understanding of dance as well as expanding the study of philosophy, this book is key to sparking new conversations concerning the philosophy of dance.

Contra Dance Calling Tony Parkes 2010-11 Here is the first comprehensive entry-level book on contra dance calling, newly revised and updated for the Internet age. Every aspect of the caller's work is dealt with clearly and thoroughly: music, timing and phrasing, voice technique, dance notation, teaching, programming, sound equipment, event management, and working with special groups. The book includes an in-depth discussion of the basic movements (such as do-si-do), a selection of easy-to-call dances, a complete glossary, and a Resources section listing dance titles, tunes, books, recordings, videos, software, organizations, retailers, dance events, and websites.

The Square Dance and Contra Dance Handbook Margot Gunzenhauser 2010 This comprehensive guide to traditional style square and contra dancing, sometimes referred to as "country dancing," covers both music and style and gives background information on various dance types and calling techniques. Ninety dances, presented in chapters according to type (mixers, progressive circles, contra, Southern mountain style, squares and others), in a wide variety of formations are described with drawings and diagrams for many of the movements. A glossary of terms, a directory of addresses (organizations; vendors of books, recordings and audio equipment; and dance camps), and an annotated discography and bibliography are also provided.

Designed for Dancing Janet Borgerson 2021-10-19 When Americans mamboed in the kitchen, waltzed in the living room, polkaed in the pavilion, and tangoed at the club; with glorious, full-color record cover art. In midcentury America, eager dancers mamboed in the kitchen, waltzed in the living room, Watusied at the nightclub, and polkaed in the pavilion, instructed (and inspired) by dance records. Glorious, full-color record covers encouraged them: Let's Cha Cha Cha, Dance and Stay Young, Dancing in the Street!, Limbo Party, High Society Twist. In *Designed for Dancing*, vinyl record aficionados and collectors Janet Borgerson and Jonathan Schroeder examine dance records of the 1950s and 1960s as expressions of midcentury culture, identity, fantasy, and desire. Borgerson and Schroeder begin with the record covers—memorable and striking, but largely designed and created by now-forgotten photographers, scenographers, and illustrators—which were central to the way records were conceived, produced, and promoted. Dancing allowed people to sample aspirational lifestyles, whether at the Plaza or in a smoky Parisian café, and to affirm ancestral identities with Irish, Polish, or Greek folk dancing. Dance records featuring ethnic music of variable authenticity and appropriateness invited consumers to dance in the footsteps of the Other with “hot” Latin

music, Afro-Caribbean rhythms, and Hawaiian hulas. Bought at a local supermarket, department store, or record shop, and listened to in the privacy of home, midcentury dance records offered instruction in how to dance, how to dress, how to date, and how to discover cool new music—lessons for harmonizing with the rest of postwar America.

Traditional Barn Dances with Calls & Fiddling Dudley Laufman 2009 Grade level: 8, 9, 10, 11, 12, i, s.

Hooked on Literature Jamie Whitfield 2005 Do you find it hard at times to get kids interested in the literature you assign? Engage every child in your classroom with this creative toolbox of teaching ideas for introducing literature in fun and exciting ways. Grades 4-10

New Hampshire: A Guide to the Granite State

Dance a While Jane A. Harris 2000 This is the basic book for recreational dance. It is the eighth edition of the best-selling introduction to dance, one whose unique combination of dance instruction, descriptions of major forms of dance, and directions for over 260 individual dances provides future dance instructors with the background needed to be successful teachers. The cultural background of dance for each country is presented along with specific suggestions for developing style. It reflects the most recent trends in dance, and includes a wealth of suggestions for dance resource materials. The methods teacher has an all-inclusive textbook for students, the teacher in training has a reference book that will last a lifetime. Coverage includes the Rumba, Cha Cha, Fox Trot, Waltz, Swing, Hustle, Tango, Salsa, and Country-Western dances. Detailed illustrations and diagrams clarify techniques throughout, making learning each dance as easy as 1-2-3. For beginning and experienced teachers of dance, or for the dance enthusiast.

American Squares 1964

The Oxford Handbook of American Folklore and Folklife Studies Simon J. Bronner 2019 "This handbook surveys the materials, approaches, contexts, and applications of American folklore and folklife studies to guide students and scholars of American folklore, culture, history, and society in the future. In addition to longstanding areas in the 350-year legacy of the subject's study and applications such as folktales and speech, the handbook includes exciting fields that have emerged in the twenty-first century such as the Internet, bodylore, folklore of organizations and networks, sexual orientation, neurodiverse identities, and disability groups. These studies encompass cultural traditions in the United States ranging from bits of slang in private conversations to massive public demonstrations, ancient beliefs to contemporary viral memes, and a simple handshake greeting to festivals encompassing multiple genres and groups. Folklore and folklife studies include material traditions such as buildings and crafts as well as oral and social genres of dance, ritual, drama, and play. Whereas the use of lore often emphasizes speech, song, and story that all people express, the rhetoric of life draws attention to tradition-centered communities such as the Amish and Hasidim, occupational groups and their workaday worlds, and children and other age groups. Significant to the American context has been the cultural diversity and changing national boundaries of the United States, relative youth of the nation and its legacy of mass immigration, mobility of residents and their relation to an indigenous and racialized population, and a varied landscape and settlement pattern. The handbook is a reference,

therefore, to American studies as well as the global study of tradition, folk arts, and cultural practice"--

Getting Kids Hooked on Literature Jamie Whitfield 1997-10 "Lesson plans for getting students interested in literature who normally do not like to read." -- Pref.

Program Handbook for Army Service Club Personnel United States. Dept. of the Army 1955

Dance a While Anne M. Pittman 2015-03 *Dance A While* is a classic in the field of recreational dance. This best-selling introduction to dance uniquely combines dance instruction, descriptions of major forms of dance, and directions for more than 260 individual dances, providing ample information for readers and giving future dance instructors the background they need to be successful teachers. The cultural background of international dances is presented, along with specific suggestions for developing style. A free accompanying CD provides the perfect music for reader practice. History, Effective Group Instruction, Dance Fundamentals, American Dance Sampler, Square Dance, Contra Dance, International Folk Dance, Social Dance. For all readers interested in learning the basics of recreational dance.

Reader's Guide to Music Murray Steib 2013-12-02 The *Reader's Guide to Music* is designed to provide a useful single-volume guide to the ever-increasing number of English language book-length studies in music. Each entry consists of a bibliography of some 3-20 titles and an essay in which these titles are evaluated, by an expert in the field, in light of the history of writing and scholarship on the given topic. The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked (from early chant to rock and roll) and topics important to the various disciplines of music scholarship (from aesthetics to gay/lesbian musicology).

National Folk Dance United States. Congress. House. Committee on Post Office and Civil Service. Subcommittee on Census and Population 1984

American Square Dance 1995

Listen to the Mockingbird Andy Davis 1997-01-01 A collection of 24 dances that have been time-tested in classrooms and at community dances. Includes longways dances, circle dances, square dances and contra dances. New chapters on teaching dance in the classroom, building a sense of community, choosing partners, tips on calling and creating new dances with children. Glossary, tune transcriptions, and combined index for Chimes and Mockingbird also included. Cassette/CD recording features some of New England's finest dance musicians playing all the music needed to teach the dances. Reels, jigs, polka and waltz are played dance length. Four square dances include singing calls on the recording.

Dance a While Anne M. Pittman 2015-04-21 The Tenth Edition of *Dance a While* continues the 65-year legacy of a textbook that has proven to be the standard of all recreational dance resources. The authors have poured decades of experience and knowledge onto its pages, providing a wealth of direction on American, square, contra, international, and social dance. Each chapter is packed with expertly written instruction, coupled with clear and detailed

diagrams and informative history, to provide students with well-rounded training on over 260 individual dances. The book also contains a music CD to allow for convenience when practicing outside of the classroom, helping to make it an invaluable resource for students of dance at all levels.

StoryCraft Martha Seif Simpson 2015-11-17 While storytelling is a great favorite of preschoolers, many elementary age children are more drawn to crafts and other activities. StoryCraft is an award-winning library program that combines storytelling with crafts in an exciting and engaging activity for children in first through third grades. Each one-hour program includes storytelling, a craft, movement, activities, music, and discussion. This collection of StoryCraft programs presents 50 fun and educational theme-based sessions. Each includes suggestions for promotion, music, crafts, activities, and stories. The sessions also include bibliographies to help direct young readers toward additional reading, as well as diagrams, detailed instructions, and supply lists for the crafts. The themes range from a Jungle Safari to Math Mayhem to a Western Roundup, all encouraging children to enjoy reading in a variety of ways. Each session has plenty of suggestions, so that the program can be customized. Helpful Hints for implementing the program can help any librarian, volunteer, or parent turn a ho-hum storytime into a dazzling StoryCraft time.

The Country Dance Book Beth Tolman 1976 An authentic collection of over 75 contra square dances, their origins and lore and how to dance them.

Folk Dancing Erica M. Nielsen 2011-07-22 This overview of folk dancing in the United States showcases an important historical movement and explains how folk dance communities evolved to fulfill the needs of specific groups of people over time. • Presents information based upon hundreds of candid interviews and informal conversations with folk dancers across the country • Provides a timeline of dance trends in North America as related to the folk dance movement • Features diagrams of dance formations such as square dance, quadrilles, and contra dance as well as illustrations showing dance positions and community dance events from pre-20th century sources • Presents original photographs and images collected from interviewees to illustrate different facets of recreational dance communities • Contains a bibliography of resources that covers a broad scope of folk dance history as well as specific recreational communities • Includes a glossary of commonly used folk dance terms

The Complete Book of Square Dancing (and Round Dancing) Betty Casey 2000 “Square dancing is friendship set to music,” says author Betty Casey. Just take four couples, old or young, put ‘em on a good floor, turn on the music, and you’re all set. Whether you’ve done it before or you’re just starting out, this book tells you everything you need to know—85 basic movements used all over the world, the spirited calls unique to square dancing, the costumes and equipment that are best, and music (from “Red River Valley” to “Mack the Knife”) that will set your feet in motion. Down-to-earth details and anecdotes give a taste of the good times in store for you. Find out how native folk dances grew out of European quadrilles, jigs, and fandangos. Open this book and get ready to: “wipe off your tie, pull down your vest, and dance with the one you love best.” This book includes: 50 basic movements, 35 advanced movements, variations, dances that are a part of the American heritage, Contra and Round Dances, polkas and reels, and calls, past and present.

Revival of American Contra Dance H. Roger White 1997

Square Dance Calling Tony Parkes 2017-07 A complete guide to the technical skills of calling traditional square dances, together with call charts for over 50 figures and breaks, a full glossary of terms, and reviews of other square dance books and recordings.
