Peanut Butter Memoirs David Wilson 2022-01-05 Peanut Butter Memoirs: A (Sometimes) Satirical Story A (Sometimes) Cynical Story But (Always) a Human Story of the Journey to Becoming a Law Enforcement Officer in (Very) Rural Maine By: David Wilson So, the question remains, are police officers real people? Are they all born to be cops? Do they skip childhood and go straight into a blue uniform? Do they have families and friends? Do they make mistakes and some bad decisions along the way just like everyone else does? Do they choose plain glazed when the obvious choice is jelly cream-filled? The truth, my friends, is they're real people just like you. Peanut Butter Memoirs is a true story about one person's journey into becoming a law enforcement officer in northern Maine. It's funny, sad, serious and real. Along the journey, author David Wilson experiences life and the unique people around him. He discovers that we're not all born to be cops, and, in fact, for Wilson, it wasn't his first career choice at all. The tales Wilson tells will show that whether the call for service was routinely mundane or life threatening, there's a story in there somewhere with unique human characters answering the calls for service. The book is a true account, at times humorous and at times candidly serious, of one person's personal journey. What you'll discover by reading this book is that we're all different, we're all the same, we're all human, and that police officers, rural or urban, are real people.

Vagabond Boy Joel Everett Harding 2013-03-01 "If you live on the road long enough eventually you are likely to see a boy erupt in flames." So begins the opening lines of Joel Everett

Harding's book "Vagabond Boy: Memoir of a Youth's Journey Through a Heartland of Chaos." This remarkable true-adventure memoir presents readers with an unusual story of childhood self-discovery and perseverance told through the lens of a boy as he struggles to overcome a turbulent youth spent traveling throughout 1950s America with his restless parents before interstate highways were invented. The family's wandering path leads through a palette of heartwarming as well as heart-wrenching encounters with reality and the inexplicable. Strange landscapes, curious people, and dubious caretakers dangle confusing lessons for the author that he must choose to accept or discard at his peril. The book abounds in humor and boyhood adventure, but chaos also hitches a ride. It seems as though Tom Sawyer and Kevin Arnold of *The Wonder Years* were one boy leaving a trail of exploits from coast to coast. Some events he presents seem inconceivable, such as when his parents abandon him on a lonely highway at six years old. Eventually the family's trail ends abruptly and the boy is swept toward an emotional chasm that threatens to swallow and imprison him forever, and to secure his future with a purposeful life he must somehow decipher secrets in a mysterious forbidden pond that beckons him. "Searching for a contented life from a boyhood of chaos can be like digging for Blackbeard's booty with a spoon," the author says, adding: "They both require a great deal of persistence against great odds—and there is no guarantee such treasures will ever be found." In addition to providing a "cannot put it down" reading experience, *Vagabond Boy* offers a story of adventure, resilience, and self-discovery that others should find meaningful for contending with a real life of chaos, past or present. The book also offers a deeper inspirational message for today's readers who struggle with their past in an ambiguous and fragmented culture—precisely where most of us live even today.

JACK LONDON - The Adventurer, The Author, The Man: Collected Memoirs, Autobiographical Novels & Essays (Illustrated) Jack London 2017-04-03 Jack London: an American novelist, journalist, railroad hobo, gold prospector, sailor, poet, socialist, an oyster pirate, war correspondent, alcoholic, a rancher... This collection is trying to uncover who was this incredible charismatic author, what hides behind the adventurous life anecdotes he wrote about, what were his convictions, dreams and what were his darkest hours. Content: "The Road" is London's account of London's experiences as a hobo in the 1890s, during the worst economic depression the United States had experienced up to that time. "The Cruise of the Snark" chronicles London's sailing adventure in 1907 across the south Pacific in his ketch the Snark. Accompanying London on this voyage was his wife Charmian London and a small crew. "John Barleycorn" is an autobiographical account of Jack London dealing with his enjoyment of drinking and struggles with alcoholism. "The People of the Abyss" describes London's experiences about life in the East End of London in 1902. He wrote this first-hand account after living in the East End for several months, sometimes staying in workhouses or sleeping on the streets. "Martin Eden" is a novel about a young proletarian autodidact, former sailor, struggling to become a writer. Eden is a semi-autobiographical character, based on London himself. "The Mutiny of the Elsinore" - After death of the captain, the crew of a ship split

between the two senior surviving mates. The novel is based on London's voyage around Cape Horn on the *Dirigo*. *Short Stories: Tales of the Fish Patrol* - As a 16 year old man, Jack London became a member of the California Fish Patrol. These are the stories drawn from his experiences in catching fish poachers. *The Human Drift* is a collection of short sketches, stories and essays, mostly concerning sailing and London's love for sea. *Essays: Through The Rapids on the Way to the Klondike From Dawson to the Sea Our Adventures in Tampico...*

Boy Kings of Texas Domingo Martinez 2012-07-03 NEW YORK TIMES BESTSELLER AND NATIONAL BOOK AWARD FINALIST A lyrical and authentic book that recounts the story of a border-town family in Brownsville, Texas in the 1980's, as each member of the family desperately tries to assimilate and escape life on the border to become "real" Americans, even at the expense of their shared family history. This is really un-mined territory in the memoir genre that gives in-depth insight into a previously unexplored corner of America.

[The Lost Daughter](#) Mary Williams 2013-04-09 "I always hoped [Mary Williams] would tell her incredible story. She's a writer of uncommon clarity and humor, and the arrival of her memoir is cause for celebration." —Dave Eggers, author of *What is the What* As she grew up in 1970s Oakland, California, role models for Mary Williams were few and far between: her father was often in prison, her older sister was a teenage prostitute, and her hot-tempered mother struggled to raise six children alone. For all Mary knew, she was heading down a similar path. But her life changed when she met Jane Fonda at summer camp in 1978. Fonda grew attached to the bright girl and eventually invited her to become part of her family, becoming the mother Mary never had. Mary's life since has been one of adventure and opportunity—from hiking the Appalachian Trail solo, working with the Lost Boys of Sudan, and living in the frozen reaches of Antarctica. Her most courageous trip, though, involved returning to Oakland and reconnecting

with her biological mother and family, many of whom she hadn't seen since the day she left home. *The Lost Daughter* is a chronicle of her journey back in time, an exploration of fractured family bonds, and a moving epic of self-discovery.

What Is It Like to Be Me? Alenka Klemenc 2013-03-28 Join Greg, a young boy with Asperger's syndrome (AS), as he tells us all about the world as he sees and experiences it. We learn about all the things he loves, including his routine and numbers, as well as his special interest in batteries (he even has a rectangular one!). Greg also tells us about the things that he finds challenging, from a change in his beloved routine to reading facial expressions, and how these things can sometimes leave him upset and overwhelmed. By explaining the way he feels and how best to calm him down when it all gets too much, Greg helps us to understand AS and how it affects the way he views the people and objects around him. With comprehensive sections for parents and professionals on AS and the impact it can have on the family unit and life in the wider community, this charmingly illustrated book helps to increase awareness and understanding of Asperger's syndrome. It will be of interest to families of children with autism spectrum disorders, as well as teachers and other professionals working with children on the autism spectrum.

A Walk in the Woods Bill Bryson 2012-05-15 God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.

From the Memoirs of a Non-Enemy Combatant Alex Gilvarry 2012-01-05 The critically acclaimed debut from Alex Gilvarry, a darkly comic love letter to New York, told through the eyes of Boy Hernandez: Filipino immigrant, glamour junkie, Guantánamo detainee. Alex Gilvarry's widely acclaimed first novel is the story of designer Boy Hernandez: Filipino immigrant, New York glamour junkie, Guantánamo detainee. Locked away indefinitely and accused of being linked to a terrorist plot, Boy prepares for the tribunal of his life with this intimate confession, a dazzling swirl of soirees, runways, and hipster romance that charts one small man's undying love for New York City and his pursuit of the big American dream—even as the present nightmare of detainment chisels away at his vital wit andchutzpah. A New York Times Editor's Choice, *From the Memoirs of a Non-Enemy Combatant* unveils two of America's most illusory realms—high fashion and Homeland Security—in a funny, wise, and beguiling, and Kafkaesque tale for our strange times.

Land of Enchantment: Memoirs of Marian Russell Along The Santa Fé Trail Marion Sloan Russell 2016-01-18 Few of the great overland highways of America have known such a wealth of color and romance as that which surrounded the Santa Fé Trail. For over four centuries the dust-gray and muddy-red trail felt the moccasined tread of Comanches, Apaches, Cheyennes, and Arapahoes. These soft footfalls were replaced by the bold harsh clang of the armored conqueror, Coronado, and by a host of Spanish explorers and soldiers seeking the gold of fabled Quivira. Black and brown-robed priests, armed only with the cross, were followed in turn by bearded buckskin-clad fur traders and mountain men, by canny Indian traders, and lean,

weather-beaten drovers with great herds of long-horned cattle. [...] The story dictated in such vivid detail by Marian Sloan Russell is a unique and valuable eyewitness account by a sensitive, intelligent girl who grew to maturity on the kaleidoscopic Santa Fé Trail. "Maid Marian," as she was known by the freighters and soldiers, made five round-trip crossings of the trail before settling down to live her adult life along its deeply rutted traces. —From Foreword "When it was first published in 1954, Marian Russell's *Land of Enchantment* was praised as an outstanding memoir of life on the Santa Fe Trail...Now readers everywhere can enjoy Mrs. Russell's recollections,... And those readers will discover that Mrs. Russell described much more than just life on the Trail. Indeed her memoirs cover virtually every aspect of life in the West...—Southwest Review "These memoirs reveal a strong, energetic woman whose perceptions of old Santa Fe and pioneer life on the trail paint a vivid picture of the nineteenth-century West. The unusual and exact details which Marian Russell recalls make her story enthrallingly real."—American West

Wild (Movie Tie-in Edition) Cheryl Strayed 2014-11-18 #1 NEW YORK TIMES BESTSELLER • A powerful, blazingly honest memoir: the story of an eleven-hundred-mile solo hike that broke down a young woman reeling from catastrophe—and built her back up again. At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother's death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State—and she would do it alone. Told with suspense and style, sparkling with warmth and humor, *Wild* powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her.

The Memoirs of Ceija Stojka, Child Survivor of the Romani Holocaust Ceija Stojka 2022 "Is this the whole world?" This question begins the first of three memoirs by Austrian Romani writer, visual artist, musician, and activist Ceija Stojka (1933-2013), told from her perspective as a child interned in three Nazi concentration camps from age nine to fifteen. Written by a child survivor much later in life, the memoirs offer insights into the nexus of narrative and extreme trauma, expressing the full spectrum of human emotions: fear and sorrow at losing loved ones; joy and relief when reconnecting with family and friends; desire to preserve some memories while attempting to erase others; horror at acts of genocide, and hope arising from dreams of survival. In addition to annotated translations of the three memoirs, the book includes two of Stojka's poems and an interview by Karin Berger, editor of the original editions of Stojka's memoirs, as well as color reproductions of several of her artworks and historical photographs.

An introduction contextualizes her works within Romani history and culture, and a glossary informs the reader about the "concentrationary universe." Because the memoirs show how Stojka navigated male-dominated postwar Austrian culture, generally discriminatory to Roma, and the patriarchal aspects of Romani culture itself, the book is a contribution not only to Holocaust Studies but also to Austrian Studies, Romani Studies, and Women's and Gender Studies. and a glossary informs the reader about the "concentrationary universe."
