German Navy Handbook, 1939-1945 Jak P. Mallmann Showell 1999 Synonymous with such infamous battleships as the Bismarck, Scharnhorst and Tirpitz, the German Navy (or Reichsmarine) was renamed the Kriegsmarine in 1935, shortly after the emergence of the Nazi State, and went through a major re-organization in 1939. During World War II, it became a much-feared adversary both on and beneath the high seas, with its marauding U-boat wolf packs coming close to defeating Britain in the Battle of the Atlantic. The author of this text examines the different roles of the Fleet, and its organization and training activities during the war years. Incidents and operations are described, together with technical data for ships, U-boats and their weaponry. A guide to German Navy uniforms and insignia is included, together with full details of rank structure and specialist trades.

Billy Barcroft, R.N.A.S. Percy F. Westerman 2013-08-01 One key factor that differentiated World War I from all of the military conflicts that had gone before it was the widespread use of aircraft in battle. Acclaimed action-adventure novelist Percy F. Westerman takes advantage of this fact in Billy Barcroft, R.N.A.S., which recounts the thrilling wartime exploits of one intrepid WWI airman and his crew.

Islam Revealed Anis Shorrosh 1988 Thumb through any newspaper, listen to any newscast, and the terms "Islamic Al Jihad" or "Shi'ite Muslims" will inevitably be linked with bombings, hijackings, and other terrorist acts. What do you know about this religion that boasts "the greatest joy is to kill and be killed for Allah"? In Islam Revealed, Dr. Anis Shorrosh explains the driving force behind the fanatical, as well as the moderate and conservative sects of Islam. Drawing on his experience as a Palestinian-born Arab Christian and years of research and study, Dr. Shorrosh takes a hard look at an ever-growing religion that currently numbers 900 million members. Through comparisons of Islam's Quran and the Hebrew-Christian Bible,

Dr. Shorosh outlines the contradictions and inaccuracies that form the basis for the Muslims' beliefs, and contrasts the turbulent life of Muhammad with the life of Jesus. In light of recent terrorist activities in America and the continuing tensions in the Middle East, Islam Revealed is a timely reference to the belief system of one in five people on earth.

This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

The Whaler Ines Thorn 2017-09-01 In the opening epic novel of The Island of Sylt trilogy by bestselling author Ines Thorn, a young woman must choose between love and poverty, or thrilling adventure and tormented passion. Germany's North Sea Coast: The Island of Sylt, 1764 Life in the windswept village of Rantum in the North Sea is fraught with peril and hardship. Most families must rely on arranged marriage just to survive. But free-spirited Maren Luersen doesn't care for riches—her heart belongs to handsome but poor Thies Heinen. He may not have prospects or fortune to offer, but Maren knows their intense love can overcome any obstacle, and she is determined to be his bride. The wealthy and mysterious Captain Rune Boyse has other plans. He shocks Maren with a startling marriage proposal, and even though he can give her family a better life, her love for Thies is too powerful to deny. But when tragedy strikes, she finds herself in debt to the captain and must set sail with him on a dangerous whale hunt—with no promise of a safe return. If Maren survives, will life be the same back on shore? Or will her heart change course somewhere over the icy swells of the Arctic Sea?

The Legend of Fire Mountain Sarah Lark 2021-10-19 Bold new paths in life and love are forged in nineteenth-century New Zealand in the stirring final chapter of bestselling author Sarah Lark's multigenerational Fire Blossom Saga. It's 1880 in the North Island town of Otaki, where Aroha lives contentedly with her mother, Linda--until a fateful tragedy leaves Aroha traumatized and plagued by a cursed guilt. For the long recovery ahead, Aroha is sent to Rata Station, a thriving sheep farm that Aroha's mother and grandmother once called home. Linda knows it's the perfect place for her daughter to heal, find hope, and start a life she can call her own. On South Island, Aroha soon develops a bond with her relatives, who are looking toward the future, too. Aroha's cousin March is a vivacious, business-minded beauty who wants to take advantage of New Zealand's burgeoning industrial age. Robin is a delicate young man and an aspiring actor as fearful of his father's disapproval as he is desperate to run from it. And then there's Aroha, who sees unexpected opportunity in the growing tourism trade beyond the continental plains. Through personal trials, professional compromises, great love, profound loss, and a struggle to survive, Aroha, March, and Robin will discover their true destinies. A country is in flux, and a generation of ambitious and resilient young dreamers is changing with it in this exhilarating conclusion to an epic saga.

Trying-out Joost C. A. Schokkenbroek 2008 Until the present day, whaling and sealing in the nineteenth century have hardly received attention in Dutch maritime historiography. During the two preceding centuries whaling had developed into a prominent maritime industry. Various major external and internal problems, however, contributed to its rapid decline during the second half of the eighteenth century. After the Napoleonic Era (1795-1815), increasing numbers of Dutch entrepreneurs resumed whaling, both in the Arctic and in the South Seas. This book, based on extensive research into unexplored archival sources and secondary literature, fills many of the gaps in our understanding of how whaling and sealing were organised in the Netherlands.

Forget Love Babsy Tom 2014-12-02 When Penny Plage wakes up in the hospital, she has no idea who she is, where she is, how she got there--or even which man she loves. Does she belong with Tom, her aloof but disarmingly attractive artist ex-husband who looks great in his jeans and with whom she still shares a house and a dog? Or is she in love with George, her handsome boss in the designer suit who would do anything for her? As Penny begins to piece together her past with the help of her devoted--and highly opinionated--BFFs, she discovers that she has a once-in-a-lifetime chance to begin anew. Although amnesia is no picnic, there's a surprising amount of fun and laughter to be had in reinventing her life in ways she never, ever expected. A frothy and fast-paced comedy that reveals the many quirks of the human heart, *Forget Love* reminds us that a good man, a couple of best friends, and a loyal dog can get us through just about anything.

The Beachcomber Ines Thorn 2018-03-13 In the second epic novel of The Island of Sylt trilogy by bestselling author Ines Thorn, a young woman must fight to clear her family's name in order to claim her true love. The Island of Sylt, 1711 It's the age of whaling and beachcombing, and life is hard on Sylt--especially for women forced to get by on their own. Ever since the death of her parents, Jordis has lived with her grandmother in the village of Rantum. The two of them survive by beachcombing and by secret fortune-telling, using the oracle runes that are a crucial part of the ancient Norse religion. Under the local minister's skeptical eye, Jordis befriends his daughter, Inga. Jordis confides her love for the young blacksmith, Arjen, to her new friend, only to discover that Inga, too, hopes that Arjen will propose to her. The competition shatters the girls' friendship and puts their families at odds. When a cross falls from the ceiling in the church and a powerful storm hits the island, the minister immediately accuses the "guilty": Jordis and her grandmother, whom he believes to be witches. Jordis survives near the harsh North Sea by recovering and finding value in what was lost. But can she recover her reputation and find the value in her own life?

The Sea and Its Living Wonders Georg Hartwig 1861

Marine Mammals and Northern Cultures Arne Kalland 2005 This book focuses upon the hunting of seals and whales in the North Atlantic region, and how the activities of urban-based environmentalism has prompted responses from diverse northern peoples associated with self-determination, human rights, and sustainable development. However, the relevance of an expanding environmentalism implicitly challenges the interests and very survival of local peoples and their distinctive cultures. An historical analysis of these hunting societies reveals that although often understood as traditional and marginal, they are modern, dynamic, and pro-active. The authors argue that their 'indigenouness' is more usefully understood in terms of power relations within the international community. In examining the discourses in both camps, the authors find that despite the polarized and opposed positions each side takes, common ground still exists.

Life

Years of Endurance John Muir 2021-09-30 This memoir is perhaps one of the most immediate and vivid recollections of life in a Royal Navy battlecruiser to come out of the First World War. John Muir, a surgeon, was the senior medical officer aboard HMS Tiger from her commissioning in October 1914 until his departure in the autumn of 1916 when she was then undergoing repairs at Rosyth to the damage incurred at the battle of Jutland in June that year. Vivid, authoritative, empathetic and beautifully written, this memoir takes the reader right to the center of the action in the first years of the War. The book begins with a stirring account of a night in the wild North Sea with Tiger, head to wind in a gale, steaming at a reduced speed of 10 knots, her purpose to intimidate the German fleet 'by the mere terror of our presence'. The scene set, Muir's narrative then describes his experiences from the early days of mobilization, when he was the Senior Medical Officer of the barracks at Chatham, to his arrival aboard Tiger on the Clyde, her commissioning and the drilling of fifteen hundred officers and ratings as she put out to sea for the first time. In the first months of her career she was involved in intercepting the German

raid on Scarborough before fighting the battlecruisers Derfflinger, Moltke, and Seydlitz at Dogger Bank. In May 1916 she found herself in line just astern of the doomed Queen Mary at Jutland. Muir had a ringside seat at these critical and decisive clashes and brings remarkable perception and clarity in the telling of his experiences. But more than a narrative of events, his story is also one about the officers and men who were his comrades in those years; about their qualities, their anxieties and the emotional dimension of their experiences. His insights are those of a man trained to understand the human heart, and they bring vividly to life a generation of men who fought at sea more than one hundred years ago. This is a spellbinding and gripping memoir, brought to a new audience in a handsome collectors' edition for the first time since its publication in 1936.

Long Black Veil Jennifer Finney Boylan 2017-04-11 Publishers Weekly's Best Books of 2017 For fans of Donna Tartt and Megan Abbott, a novel about a woman whose family and identity are threatened by the secrets of her past, from the New York Times bestselling author of *She's Not There* On a warm August night in 1980, six college students sneak into the dilapidated ruins of Philadelphia's Eastern State Penitentiary, looking for a thrill. With a pianist, a painter and a teacher among them, the friends are full of potential. But it's not long before they realize they are locked in—and not alone. When the friends get lost and separated, the terrifying night ends in tragedy, and the unexpected, far-reaching consequences reverberate through the survivors' lives. As they go their separate ways, trying to move on, it becomes clear that their dark night in the prison has changed them all. Decades later, new evidence is found, and the dogged detective investigating the cold case charges one of them—celebrity chef Jon Casey— with murder. Only Casey's old friend Judith Carrigan can testify to his innocence. But Judith is protecting long-held secrets of her own – secrets that, if brought to light, could destroy her career as a travel writer and tear her away from her fireman husband and teenage son. If she chooses to help Casey, she risks losing the life she has fought to build and the woman she has struggled to become. In any life that contains a “before” and an “after,” how is it possible to live one life, not two? Weaving deftly between 1980 and the present day, and told in an unforgettable voice, *Long Black Veil* is an intensely atmospheric thriller that explores the meaning of identity, loyalty, and love. Readers will hail this as Boylan's triumphant return to fiction.

Even If It Kills Her Kate White 2017-10-31 In this exhilarating new thriller from New York Times bestselling author Kate White, one young woman searches for clues to the murder of her family, only to discover a shocking secret about herself that holds the key to everything. Jillian Lowe seemed to have it all. Both beautiful and accomplished, she lit up any room that she walked into. All of that dramatically changed when her parents and two siblings were brutally murdered at her childhood home her second year in college. The crime shattered what was once a picture-perfect family and nearly derailed Jillian's hopes for her future. Now, sixteen years later, Jillian is shocked to learn that the man imprisoned for murdering her family didn't do it. With the real killer walking free and the cops dragging their heels, Jillian once again feels her life unraveling, and desperately seeks help from an old friend from college, true crime writer Bailey Weggins. As the two women return to Jillian's childhood town to investigate, it doesn't take long for their sleuthing to cause shock waves. Someone starts watching their every move. As they uncover deeply-guarded secrets, so shocking that they make Jillian rethink her entire relationship to her family, Bailey and Jillian find themselves in fear of their own lives. The truth has consequences and they must decide if they're ready to face them.

Limelight Kisses Michelle Segal 2016-06-01 Katherine Walker, currently the brightest star in the Hollywood sky, hates director Ryan Lancaster. With a passion! And everyone in the movie business knows it. She'll go to any extreme to avoid working with him, but unfortunately that's exactly what she has to do! Ryan has been hired to direct a film at short notice, and Katherine already signed a binding

contract to act in it long before. Of course sparks fly immediately on the set, because they've already known each other for a long time... much more intimately than the public was previously aware of!

Fires of Change Sarah Lark 2020-10-20 "The spirited Mara is in the first blush of romantic awakening with a half-Maori boy torn between two heritages. Mara's love for him is a greater risk than either of them can imagine. Carol, engaged to the son of a local sheep baron, has a prospect that seems safe -- yet fate has other plans. And Linda, Carol's sweet-natured "twin," who holds the family secret of her heritage close to her heart, can't imagine a life outside Rata Station. Then a sudden tragedy throws the families into peril and desperation." -- Amazon.com
