*Life Itself* Roger Ebert 2011-09-13 Roger Ebert is the best-known film critic of our time. He has been reviewing films for the Chicago Sun-Times since 1967, and was the first film critic ever to win a Pulitzer Prize. He has appeared on television for four decades, including twenty-three years as cohost of Siskel & Ebert at the Movies. In 2006, complications from thyroid cancer treatment resulted in the loss of his ability to eat, drink, or speak. But with the loss of his voice, Ebert has only become a more prolific and influential writer. And now, for the first time, he tells the full, dramatic story of his life and career. Roger Ebert's journalism carried him on a path far from his nearly idyllic childhood in Urbana, Illinois. It is a journey that began as a reporter for his local daily, and took him to Chicago, where he was unexpectedly given the job of film critic for the Sun-Times, launching a lifetime's adventures. In this candid, personal history, Ebert chronicles it all: his loves, losses, and obsessions; his struggle and recovery from alcoholism; his marriage; his politics; and his spiritual beliefs. He writes about his years at the Sun-Times, his colorful newspaper friends, and his life-changing collaboration with Gene Siskel. He remembers his friendships with Studs Terkel, Mike Royko, Oprah Winfrey, and Russ Meyer (for whom he wrote *Beyond the Valley of the Dolls* and an ill-fated Sex Pistols movie). He shares his insights into movie stars and directors like John Wayne, Werner Herzog, and Martin Scorsese. This is a story that only Roger Ebert could tell. Filled with the same deep insight, dry wit, and sharp observations that his readers have long cherished, this is more than a memoir-it is a singular, warm-hearted, inspiring look at life itself. "I believe that if, at the end, according to our abilities, we have done something to make others a little happier, and something to make ourselves a little happier, that is about the best we can do. To make others less happy is a crime. To make ourselves unhappy is where all crime starts. We must try to contribute joy to the world. That is true no matter what our problems, our health, our circumstances. We must try. I didn't always know this, and am happy I lived long enough to find it out." -from LIFE ITSELF

**Will** Will Smith 2021-11-09 The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F\*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

**Between Two Millstones, Book 1** Aleksandr Solzhenitsyn 2018-10-30 Russian Nobel prize-winner Aleksandr Solzhenitsyn (1918–2008) is widely acknowledged as one of the most important figures—and perhaps the most important writer—of the last century. To celebrate the centenary of his birth, the first English translation of his memoir of the West, *Between Two Millstones, Book 1*, is being published. Fast-paced, absorbing, and as compelling as the earlier installments of his memoir *The Oak and the Calf* (1975), *Between Two Millstones* begins on February 13, 1974, when Solzhenitsyn found himself forcibly expelled to Frankfurt, West Germany, as a result of the publication in the West of *The Gulag Archipelago*. Solzhenitsyn moved to Zurich, Switzerland, for a time and was considered the most famous man in the world, hounded by journalists and reporters. During this period, he found himself untethered and unable to work while he tried to acclimate to his new surroundings. *Between Two Millstones* contains vivid descriptions of Solzhenitsyn's journeys to various European countries and North American locales, where he and his wife Natalia ("Alya") searched for a location to settle their young family. There are fascinating descriptions of one-on-one meetings with prominent individuals, detailed accounts of public speeches such as the 1978 Harvard University commencement, comments on his television appearances, accounts of his struggles with unscrupulous publishers and agents who mishandled the Western editions of his books, and the KGB disinformation efforts to besmirch his name. There are also passages on

Solzhenitsyn's family and their property in Cavendish, Vermont, whose forested hillsides and harsh winters evoked his Russian homeland, and where he could finally work undisturbed on his ten-volume dramatized history of the Russian Revolution, *The Red Wheel*. Stories include the efforts made to assure a proper education for the writer's three sons, their desire to return one day to their home in Russia, and descriptions of his extraordinary wife, editor, literary advisor, and director of the Russian Social Fund, Alya, who successfully arranged, at great peril to herself and to her family, to smuggle Solzhenitsyn's invaluable archive out of the Soviet Union. *Between Two Millstones* is a literary event of the first magnitude. The book dramatically reflects the pain of Solzhenitsyn's separation from his Russian homeland and the chasm of miscomprehension between him and Western society.

*Dying in Character* Jeffrey Berman 2012 "In the past twenty years, an increasing number of authors have

written memoirs focusing on the last stage of their lives: Elizabeth Kübler-Ross, for example, in *The Wheel of Life*, Harold Brodkey in *This Wild Darkness*, Edward Said in *Out of Place*, and Tony Judt in *The Memory Chalet*. In these and other end-of-life memoirs, writers not only confront their own mortality but in most cases struggle to "die in character"--that is, to affirm the values, beliefs, and goals that have characterized their lives. Examining the works cited above, as well as memoirs by Mitch Albom, Roland Barthes, Jean-Dominique Bauby, Art Buchwald, Randy Pausch, David Rieff, Philip Roth, and Morrie Schwartz, Jeffrey Berman's analysis of this growing genre yields some surprising insights. While the authors have much to say about the loneliness and pain of dying, many also convey joy, fulfillment, and gratitude. Harold Brodkey is willing to die as long as his writings survive. Art Buchwald and Randy Pausch both use the word fun to describe their dying experiences. Dying was not fun for Morrie Schwartz and Tony Judt, but they reveal courage, satisfaction, and fearlessness during the final stage of their lives, when they are nearly paralyzed by their illnesses. It is hard to imagine that these writers could feel so upbeat in their situations, but their memoirs are authentically affirmative. They see death coming, yet they remain stalwart and focused on their writing. Berman concludes that the contemporary end-of-life memoir can thus be understood as a new form of death ritual, "a secular example of the long tradition of *ars moriendi*, the art of dying."--Publisher's website.

*The Celtic Wheel of Life* Andy Baggott 2001-01 This text shows how the Celtic wheel, a cycle of seasons and related celebrations, can be used as a blueprint for spiritual growth throughout the year. *Can't We Talk about Something More Pleasant?* Roz Chast 2014-05-06 #1 New York Times Bestseller 2014 NATIONAL BOOK AWARD FINALIST In her first memoir, New Yorker cartoonist Roz Chast brings her signature wit to the topic of aging parents. Spanning the last several years of their lives and told through four-color cartoons, family photos, and documents, and a narrative as rife with laughs as it is with tears, Chast's memoir is both comfort and comic relief for anyone experiencing the life-altering loss of elderly parents. When it came to her elderly mother and father, Roz held to the practices of denial, avoidance, and distraction. But when Elizabeth Chast climbed a ladder to locate an old souvenir from the "crazy closet"--with predictable results--the tools that had served Roz well through her parents' seventies, eighties, and into their early nineties could no longer be deployed. While the particulars are Chast-ian in their idiosyncrasies--an anxious father who had relied heavily on his wife for stability as he slipped into dementia and a former assistant principal mother whose overbearing personality had sidelined Roz for decades--the themes are universal: adult children accepting a parental role; aging and unstable parents leaving a family home for an institution; dealing with uncomfortable physical intimacies; managing logistics; and hiring strangers to provide the most personal care. An amazing portrait of two lives at their end and an only child coping as best she can, *Can't We Talk about Something More Pleasant* will show the full range of Roz Chast's talent as cartoonist and storyteller.

*The View from a Midwest Ferris Wheel* Lolita Ditzler 2020-12-29 "As Ms. Ditzler's first book, this one is a winner. It was a delight to follow the seven-year courtship of Lolita and her husband. In THE VIEW FROM A MIDWEST FERRIS WHEEL, she details the relationship that survived military service and illness in the 1950s. The simplicity of their courtship should be an inspiration to everyone. In today's fast paced world, we all need to take the time to enjoy The View From A Midwest Ferris Wheel and learn the true meaning of love." - Sherry Derr-Wille, author of seventy books and editor "This incandescent and elegiac memoir, a Technicolor coming-of-age story of love deferred and won, returns us to the Midwest in the 1950s and immerses us in it. Evocative, convincing, and well worth the price of admission." - Christopher Chambers, Editor, Midwest Review "A long-time writer and member of the National Federation of Press Women (NFPW) and Illinois Woman's Press Association (IWPA), Ditzler's story reminds us of what people and families in the Midwest are all about. Her writing captures small-town life, love and the true meaning of a promise with grace." -Marianne Wolf-Astrauskas, Immediate Past President National Federation of Press Women and Former President of the Illinois Woman's Press Association. "Love is written in the details. With a precisely crafted account of the early years of her more than 50-year marriage, this writer knits together a love story sketched in charcoal images of a young girl growing up in a conventional farm community in middle America. It was the 50s and America had not yet broken from a more chaste lifestyle. It was an era in deep contrast to today. The writer, with the use of extravagant detail, does a delightful job of drawing the reader back to the 50s. Falling in love was another story those days."-Susan Dixon, retired editor Lolita Ditzler, a longtime member of the Illinois Woman's Press Association and the National Federation of Press Women, has received numerous awards for articles that appeared in area newspapers and national magazines. The literary magazine, Midwest Review 4, published her essay, "Life With Linda," about her developmentally different daughter who died of breast cancer at age forty-eight. The story received a first in the IWPA 2017 contest and the NFPW contest. She also belongs to the Chicago Writers Association and Wisconsin Writers Association.

**Marked for Life** Isaac Wright, Jr. 2022-11-08 An empowering memoir of courage and hope in the face of injustice—and the basis for the ABC television show, For Life—Marked for Life is the true story of Isaac Wright Jr.'s battle to win his freedom after being wrongfully imprisoned for crimes he didn't commit, and a critical indictment of America's judicial system. "If I waited around for someone to save me, I'd be waiting my whole life. Unless I took the reins of this thing myself, I was going to die in prison. If that was my destiny, then I was going to die fighting. The desperation of that equation kept me up most nights. I would never find a gladiator. So I had to become him." In the summer of 1989, Isaac Wright Jr. was a 28-year-old independent music producer, who'd struck out on his own and became one of hip hop's early success stories. With his dance crew Uptown Express, Wright won recognition on Star Search, toured with Run-DMC, and transitioned into management, co-founding his wife Sunshine's music group, The Cover Girls. They'd settled in the New Jersey suburbs to raise their six-year-old daughter, never imagining that Wright would fall victim to gross police misconduct and a corrupt district attorney. Accused of being a

drug “kingpin” and incarcerated in Somerset County while the prosecutor and police built their case of lies against him, Wright realized he would get no help from any defense attorneys—white men uninterested in uncovering the truth or in proving the innocence of a black man. Pressured to take a plea deal offer of 20 years behind bars, Wright chose to take the law into his own hands by educating himself in the legal system so he could represent himself in court. Studying statutes and cases in the jail’s law library, Wright became an adept legal mind. But despite acquiring knowledge that he put to use in defending his fellow inmates, he lost his trial and was sentenced to Trenton State Prison for life, plus 70 years in 1991. For the next five years, Wright would continue learning law, become a paralegal with the prison’s Inmate Legal Association, and appeal his case. Threatened by corrupt correction officers and convicts, his family falling apart, Wright fought for his life with every legal means at his disposal, eventually uncovering the smoking gun that unraveled the conspiracy perpetrated by law enforcement officials against him. *Marked for Life* is not just the story of how Isaac Wright Jr. won his freedom. It is the story of how he found his true calling as a gladiator fighting on behalf of the oppressed and marginalized communities victimized by an unjust system of law.

*Half a Life* Darin Strauss 2011-05-31 In this powerful, unforgettable memoir, acclaimed novelist Darin Strauss examines the far-reaching consequences of the tragic moment that has shadowed his whole life. In his last month of high school, he was behind the wheel of his dad's Oldsmobile, driving with friends, heading off to play mini-golf. Then: a classmate swerved in front of his car. The collision resulted in her death. With piercing insight and stark prose, Darin Strauss leads us on a deeply personal, immediate, and emotional journey—graduating high school, going away to college, starting his writing career, falling in love with his future wife, becoming a father. Along the way, he takes a hard look at loss and guilt, maturity and accountability, hope and, at last, acceptance. The result is a staggering, uplifting tour de force. Look for special features inside, including an interview with Colum McCann.

**Life Is a Wheel** Bruce Weber 2015-03-17 "Based on his popular series in the New York Times chronicling his cross-country bicycle trip, bestselling author Bruce Weber shares his adventures from his solo ride across the USA. Riding a bicycle across the US is one of those bucket-list goals that many dream about but few achieve. Bestselling author and New York Times reporter Bruce Weber made the trip, solo, over the summer and fall of 2011--at the age of fifty-seven. Expanding upon his popular series published in The New York Times, *Life Is a Wheel* is the witty and inspiring account of his journey, where he extols the pleasures of cycling and reflects on what happened on his adventure, in the world, in the country, and in his life. The story begins on the Oregon coast with a middle-aged man wondering what he's gotten himself into and ends in triumph on the George Washington Bridge, wondering how soon he might try it again. Part travelogue, part memoir, part paean to the bicycle as a simple and elegant mode of both mobility and self-expression--and part wry and panicky account of a fifty-seven-year-old man's attempt to stave off mortality--*Life Is a Wheel* is an elegant and entertaining escape for any armchair traveler"--

**This Wheel's on Fire** Levon Helm 2013-10-01 “Helm lays it all bare in vivid, impassioned prose, adding an earthy, backwoods tone that makes the book read like a Southern novel, like Thomas Wolfe writing about rock ‘n’ roll.” —Boston Globe “One of the most insightful and intelligent rock bios in recent memory.” —Entertainment Weekly The Band, who backed Bob Dylan when he went electric in 1965 and then turned out a half-dozen albums of beautifully crafted, image-rich songs, is now regarded as one of the most influential rock groups of the '60s. But while their music evoked a Southern mythology, only their Arkansawyer drummer, Levon Helm, was the genuine article. From the cotton fields to Woodstock, from seeing Sonny Boy Williamson and Elvis Presley to playing for President Clinton, *This Wheel's on Fire*

replays the tumultuous history of our times in Levon's own unforgettable folksy drawl. This edition is expanded with a new epilogue covering the last dozen years of Levon's life. Levon Helm (1940-2012) met Ronnie Hawkins at the age of 17 and formed what would soon become The Band. He maintained a successful career as a singer and actor until his death. Stephen Davis is the author of *Hammer of the Gods: The Led Zeppelin Saga*; *More Room in a Broken Heart: The True Adventures of Carly Simon*; *Old Gods Almost Dead: The 40-Year Odyssey of the Rolling Stones*; *Jim Morrison: Life, Death, Legend*; *Walk This Way: The Autobiography of Aerosmith*; and others.

[The Impossible City](#) Karen Cheung 2022-02-15 A boldly rendered—and deeply intimate—account of Hong Kong today, from a resilient young woman whose stories explore what it means to survive in a city teeming with broken promises. “[A] pulsing debut . . . about what it means to find your place in a city as it vanishes before your eyes.”—The New York Times Book Review **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL** Hong Kong is known as a place of extremes: a former colony of the United Kingdom that now exists at the margins of an ascendant China; a city rocked by mass protests, where residents rally—often in vain—against threats to their fundamental freedoms. But it is also misunderstood, and often romanticized. Drawing from her own experience reporting on the politics and culture of her hometown, as well as interviews with musicians, protesters, and writers who have watched their home transform, Karen Cheung gives us a rare insider's view of this remarkable city at a pivotal moment—for Hong Kong and, ultimately, for herself. Born just before the handover to China in 1997, Cheung grew up questioning what version of Hong Kong she belonged to. Not quite at ease within the middle-class, cosmopolitan identity available to her at her English-speaking international school, she also resisted the conservative values of her deeply traditional, often dysfunctional family. Through vivid and character-rich stories, Cheung braids a dual narrative of her own coming of age alongside that of her generation. With heartbreaking candor, she recounts her yearslong struggle to find reliable mental health care in a city reeling from the traumatic aftermath of recent protests. Cheung also captures moments of miraculous triumph, documenting Hong Kong's vibrant counterculture and taking us deep into its indie music and creative scenes. Inevitably, she brings us to the protests, where her understanding of what it means to belong to Hong Kong finally crystallized. An exhilarating blend of memoir and reportage, *The Impossible City* charts the parallel journeys of both a young woman and a city as they navigate the various, sometimes contradictory paths of coming into one's own.

1000 Years of Joys and Sorrows Ai Weiwei 2021-11-02 The "intimate and expansive" (Time) memoir of "one of the most important artists working in the world today" (Financial Times), telling a remarkable history of China over the last hundred years while also illuminating his artistic process "Poignant . . . An illuminating through-line emerges in the many parallels Ai traces between his life and his father's."—The New York Times Book Review (Editors' Choice) ONE OF THE BEST BOOKS OF THE YEAR: Time, BookPage, Booklist, Kirkus Reviews Once a close associate of Mao Zedong and the nation's most celebrated poet, Ai Weiwei's father, Ai Qing, was branded a rightist during the Cultural Revolution, and he and his family were banished to a desolate place known as "Little Siberia," where Ai Qing was sentenced to hard labor cleaning public toilets. Ai Weiwei recounts his childhood in exile, and his difficult decision to leave his family to study art in America, where he befriended Allen Ginsberg and was inspired by Andy Warhol and the artworks of Marcel Duchamp. With candor and wit, he details his return to China and his rise from artistic unknown to art world superstar and international human rights activist—and how his work has been shaped by living under a totalitarian regime. Ai Weiwei's sculptures and installations have been viewed by millions around the globe, and his architectural achievements include helping to design the iconic Bird's Nest Olympic Stadium in Beijing. His political activism has long made him a target of the Chinese authorities, which culminated in months of secret detention without charge in 2011. Here, for the first time, Ai Weiwei explores the origins of his exceptional creativity and passionate political beliefs through his life story and that of his father, whose creativity was stifled. At once ambitious and intimate, Ai Weiwei's *1000 Years of Joys and Sorrows* offers a deep understanding of the myriad forces that have shaped modern China, and serves as a timely reminder of the urgent need to protect freedom of expression.

From there, Molly ventured into the wider world of New York and Los Angeles show business, where she created her own opportunities and developed her daring and empathetic comedy. Filled with behind-the-scenes stories involving everyone from Whitney Houston to Adam Sandler to Monica Lewinsky, many told for the first time here, Hello, Molly! spans Molly’s time on Saturday Night Live—where she starred alongside Will Ferrell, Adam Sandler, Cheri Oteri, Tracy Morgan, and Jimmy Fallon, among many others. At the same time, it explores with humor and candor her struggle to come to terms with the legacy of her father, a man who both fostered her gifts and drive and was left with the impossible task of raising his kids alone after the loss of her mother. Witty, winning, and told with tremendous energy and heart, Hello, Molly!, written with Sean Wilsey, sheds new and revelatory light on the life and work of one of our most talented and free-spirited performers.

**Special Deluxe** Neil Young 2015-12 Quirky and wonderfully candid, Neil Young's second book of reminiscences is as compelling as his first book. He returns with more unforgettable stories about his six decades in the music business - but this is not your average rock biography. He centres this work on one of his life's passions, cars, using the framework of all the cars he's ever owned to construct a narrative of his life and career, exploring and demonstrating how memories are attached to objects. Young also expresses regret for the environmental impact of his past cars, and now passionately advocates the use of clean energy. 'Special Deluxe' is a mix of memoir and environmental politics by one of the most gifted and influential artists of our time.
