Pavarotti Luciano Pavarotti 1996 Every generation or so an opera singer attains the kind of public adulation and affection usually reserved for film stars or pop singers. Luciano Pavarotti reached this level of fame: he was the most celebrated tenor of all time, his concerts attended by thousands, his records selling millions of copies. In *Pavarotti: My World*, he talks candidly about his successes and trials, from his forays into popular music and his performances in China, to the boos he endured at La Scala, from the near-fatal illness of his youngest daughter, to his worldwide efforts to convert people to the joys of classical music and opera. Pavarotti's acclaimed autobiography shows us how this great artist felt about his extraordinary voice, how he saw his work and how he regarded his extraordinary position in the world of music and entertainment. Generously illustrated with photographs taken from Pavarotti's private collection, this is an intimate, absorbing and wonderfully honest account of an astonishing talent.

Alchemists Through the Ages Arthur E. Waite 2007-04-01 Alchemy-the word itself conjures up images of charlatans mixing potions and concocting remedies during the Middle Ages in a futile quest to transform lead into gold. But the roots of alchemy can be traced back more than 2,500 years to locales as disparate as Egypt, India, and China, and it was considered serious science until as recently as the 16th century. In this highly regarded volume first published in 1888, Arthur E. Waite examines the lives and works of more than fifty alchemists, from the year 850 through the end of the 18th century. Readers will learn about such renowned figures as Thomas Aquinas, Roger Bacon, and Pope John XXII, and decide for themselves whether alchemy was the true precursor to modern chemistry or a pseudo-science populated by quacks. American-born British author ARTHUR EDWARD WAITE (1857-1942) was co-creator of the famous 1910 Rider-Waite Tarot deck. Among his numerous books are *Book of Ceremonial Magic*, *Devil Worship in France*, and *New Encyclopedia of Freemasonry*.

The Walls of Israel Jean Lartéguy 2014-04-01 Surrounded on all borders but its western coastline by hostile and aggressive neighbors, the state of Israel resembles the walled city of the Middle Ages. But its walls are not stone and mortar, they are flesh and blood—they are the soldiers, both men and women—the airmen, the intelligence, the tankscorpomen and the paratroops. These young people—from the old ghettos of Europe, from the cities of North Africa and Asia, native-born Sabras—are the protecting wall that keeps Israel free. The Walls of Israel is Jean Lartéguy's fascinating 1968 study of the Israeli armed forces. Talking with them, living with them, joining in their operations (he was taken along on a nighttime ambush set up to catch Syrian infiltrators), Lartéguy got to know the Israeli soldier as few could. From this book, wide ranging and filled with lively anecdotes, emerges a picture of an army, tough and determined, yet intelligent and realistic enough to foresee a long and dangerous road ahead before a peace is won.

The Living Wood Louis de Wohl 2016-10-20 The renowned novelist De Wohl, with his usual crisp language and descriptive narrative, as well as irony and humor, presents the colorful and tumultuous times of the early Christian era in this story of intrigue, romance and power politics revolving around Helena, the devoted and saintly mother of Constantine, the first Christian emperor. This historical novel tells the story of the quest for the True Cross through fifty years of the most exciting events in Roman and Christian history. The narrative begins when the Tribune Constantius, a Roman officer stationed in Britain, meets and wins Helena, only daughter of the mystical and oracular King Coel of Britain. Through the course of their early lives together, and during their ten-year separation when Constantius returns to Britain as a conquering Caesar and Helena has become a rejected wife, devoted mother, and militant Christian, there is a sure and convincing portrayal of character growth and personal conflict. Helena's fierce determination to raise Constantine as a warrior son and her gradual discovery and dramatic acceptance of Christianity prepare her for the final miracle of her life discovery of the True Cross, the Living Wood on Calvary. The Living Wood is a chapter from the turbulent half-forgotten pages of early Christian history and legend in which the religious conflicts and problems are handled with moving simplicity. It is also an action-packed novel of those times-with a lesson for us today-that captures with equal skill and tumult and the shouting of the battlefield and the devious plots and counter-plots of the court.

Minister's Guide for Effective Shepherding Emmanuel D Apau Jr 2020-01-15 Luke 15:7 tells us that the whole heaven rejoices when one soul is won. It is the work of the shepherd to care for the souls of the Lord. They are tasked to watch over them, discipline them, teach them, guide them, etc. For this reason, shepherds are the heart beat of the Lord. The Lord Jesus Christ Himself is called the "Good Shepherd". To shepherd a soul is the greatest work and greatest miracle here on earth and those who do it faithfully will have a great reward. The salvation of a soul is precious in the sight of God and is the only event that is able to move the entire heavenly host to rejoice and celebrate the blood and the done work of the cross. Most importantly, shepherds must follow the Chief Shepherd-Jesus Christ-to lay down their lives. They must first follow Him and then teach the congregation to follow as well, according to the will of God. Some things you will find in this book are: -Minister's Pledge-

Lost Downtown Peter Hujar 2016-02 It's a vanished world, and Peter Hujar was right there in it. The Lower East Side between 1972 and 1985 -- filled with artists, wannabe artists and hangers-on -- was a community of the misbegotten gathered from every town in America and relocated in the mean streets between Broadway and the Bowery. Nothing but their talent, their flamboyance, their rank gender-bending mockery and their arch irony supported them. Some made their names. Many came to grief. A few made art. In those days, the gutted streets of the Lower East Side looked like a war zone. Everyone lived and worked on the extreme outer margins of money and art, penniless and unknown. As a community, Downtown was a counterstatement to the rich New York of the banks, museums, media, corporations ... and the art world itself. That Downtown is forever gone. Time, gentrification, disease and death have taken their toll and turned this vibrant epoch into a chapter of art history. But before it vanished, its extravagant cast sat for Peter Hujar's camera -- and is now alive again in front of our eyes. Featured among others: Joe Brainard, William Burroughs, Remy Charlip, Edwin Denby, Divine, Ray Johnson, Fran Lebowitz, Charles Ludlum, Susan Sontag, Paul Thek, John Waters, Robert Wilson, David Wojnarowicz.
