Faith's Checkbook C.H. Spurgeon 2014-10-09 Faith's Checkbook, written by world-renowned British pastor Charles H. Spurgeon, provides daily deposits of God's promises into your personal bank of faith. Spurgeon urges you to view each Bible promise as a check written by God that can be cashed by personally endorsing it and receiving the gift it represents. Cash in on the bountiful store of blessings when you withdraw daily from the Bank of Faith. This captivating eBook devotional offers inspiration and delight in our Lord, and it encourages readers to take God's promises to heart in just a few minutes of reading each day. Each verse is followed by a brief thought or application, making this eBook ideal for personal or family devotions wherever you may go. The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon. "It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."

The Way of Wisdom in Pastoral Counseling Daniel S. Schipani 2003-01-01 The Way of Wisdom in Pastoral Counseling is a significant contribution to the pastoral

counseling literature, a creative trajectory for future work. Daniel Schipani argues persuasively that pastoral counseling is problematic when separated from the norms and context of the church (as happens both in church and agency settings), and that it is best understood as part of the wisdom tradition of the Hebrew and Christian Scriptures. He shows us how to recover our roots by retrieving the wisdom tradition; in two constructive chapters he demonstrates that the way of wisdom functions effectively as a structure and context for doing pastoral counseling.

The Pursuit of Holiness Jerry Bridges 2016-09-19 This new edition replaces both *The Pursuit of Holiness* and the separate study guide by combining both resources into one volume! "Be holy, for I am holy," commands God. But holiness is something that is often missed in the Christian's daily life. According to Navigator author Jerry Bridges, that's because we're not exactly sure what our part in holiness is. In *The Pursuit of Holiness*, he helps us see clearly just what we should rely on God to do—and what we should take responsibility for ourselves. As you deepen your relationship with God, learn more about His character, and understand the Holy Spirit's role in holiness, your spiritual growth will mature. The included study guide contains 12 lessons.

Counseling John F. MacArthur 2017-03-07 Gain a knowledge of counseling methods that are practical and consistent with Christian theological convictions. What do the Scriptures say about counseling? What is the biblical basis for using Scriptures in counseling? What does it mean to think biblically about counseling-related issues? At the root of this book is the confidence that Christ and his Word are not only sufficient for effectively handling the personal and interpersonal challenges of life but are superior to the resources found in the world. The practice of psychological counseling is a ministry and should not belong only to the realm of humanistic and secular theories of the mind. Written to pastors, elders, deacons, seminary students, and laypeople; well-known pastor John MacArthur and contributors present a system of biblical truth that brings together people, their problems, and the living God. This kind of counseling is based on the convictions that: God's Word should be our counseling authority. Counseling is a part of the basic discipling ministry of the local church. God's people can and should be trained to counsel effectively. *Counseling: How to Counsel Biblically* provides biblical guidelines to counsel people who are struggling. The contributors represent some of America's leading biblical teachers and counselors, including: Ken L. Sarles, David Powlison, Douglas Bookman, David B. Maddox, Robert Smith, William W. Goode, and Dennis M. Swanson.

Preaching John F. MacArthur 2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In *Preaching: How to Preach Biblically*, John MacArthur's well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. *Preaching: How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions

and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence.

Sinners in the Hands of an Angry God Jonathan Edwards 2019-08-15 Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

Ethics in Christian Ministry Charles W. Christian 2017 *Ethics in Christian Ministry* is about preparing for the highs and lows of ministry by internalizing and rehearsing the ethical essentials of Christ-centered pastoring.

Strange Fire John F. MacArthur 2013-11-19 What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad

doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “Christianity” without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

A Theology of Biblical Counseling Heath Lambert 2016-04-05 Since the beginning of the biblical counseling movement in 1970, biblical counselors have argued that counseling is a ministry of the Word, just like preaching or missions. As a ministry, counseling must be defined according to sound biblical theology rather than secular principles of psychology. For over four decades, biblical theology has been at the core of the biblical counseling movement. Leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling...and bad theology leads to bad counseling. *A Theology of Biblical Counseling* is a landmark new book that covers the history of the biblical counseling movement, the core convictions that underlie sound counseling, and practical wisdom for counseling today. Dr. Heath Lambert shows how biblical counseling is rooted in the Scriptures while illustrating the real challenges counselors face today through true stories from the counseling room. A substantive textbook written in accessible language, it is an ideal resource for use in training biblical counselors at colleges, seminaries, and training institutes. In each chapter, doctrine comes to life in real ministry to real people, dramatically demonstrating how theology intersects with the lives of actual counselees.

Pastoral Ministry John F. MacArthur 2017-03-07 Pastor John MacArthur combines his passion for the Bible with the training expertise of faculty members at The Master's Seminary to guide seminary students and ministry leaders in developing their pastoral ministry skills. Pastors today can easily become preoccupied with the many pitfalls of modern culture, buying into the idea of image and straying from Jesus's call to shepherd leadership. *Pastoral Ministry: How to Shepherd Biblically* presents a practical pastoral theology aimed at showing pastors and pastors-in-training the vital role God's word plays in shaping the preparation and maintaining the priorities of pastoring. The authors examine the biblical teaching about the high and demanding call to ministry required of any spiritual shepherd. You'll learn how to pursue intentional growth through the stages of calling, training, and ministering to God's church—along the way, uncovering answers to questions such as: How does the Bible establish a philosophy of pastoral ministry, and what is it? Who is personally qualified to be an undershepherd of God's flock? What are the biblical preparations required of shepherd leaders? What priority does God's word place on activities involved in pastoral ministry? United in affirming shepherd leadership as the biblical model for pastoral ministry, The Master's Seminary faculty contributes a treasury of expertise alongside insights from well-known Bible teacher John MacArthur. This book will inspire any pastor dedicated to serving God's church in the pattern of Jesus Christ.

Bringing Up Boys James C. Dobson 2014-08-22 Here's sensible advice and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity and, as a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller *Bringing Up Boys*, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles.

Psychotherapy William Schofield 2019-01-22 William Schofield presents a classic analysis of mental illness, of professional psychotherapists and their training, and of the elements of psychotherapy. He asserts the need for more rigorous selection of candidates for therapy and for a properly focused training of a new professional specialist: the psychotherapist. In his new introduction to this important critique, Schofield shows why his pleas for a rational training program are still appropriate. Psychotherapy is a pioneering critique of modern psychiatric practices. Far too many people see psychotherapy as a cure for every ill from tormenting self-doubt to lack of zest of life. Through failure to attend to careful assessment of the presenting problem, and the nature (and neglect) of the applicant's social resources, the psychotherapist can fall unwittingly into the role of moral counselor or morale coach, and can be seduced into the chronic role of "best friend." Schofield argues that today's overburdened expertpsychiatrists, clinical psychologists,

and psychiatric social workers are not specifically trained to administer therapy through conversation. This book, first published in 1964, is an urgent call for a new specialist, a psychotherapist trained as a specialist in therapeutic conversation. This book is also a call for a more realistic public attitude toward mental disorder one which distinguishes emotional illness from unhappiness and discontent. Everyone interested in the growth, clarification, and evaluation of psychotherapy and counseling will be challenged by Schofield's arguments.

Jesus Is Coming Soon Guillermo Maldonado 2020-09-29 Shakings, Signs, and the Return of Christ You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End-times prophecies speak of faithful followers of Jesus—called the “remnant”—who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? *Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return* will help you be certain you are part of God’s remnant. The signs of the end of the age and Jesus’s appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold: The reason for the unprecedented natural and spiritual shakings in our world What the signs tell us, including unusual signs such as blood moons How God works according to seasons, eras, and the fullness of time How Jewish feasts point to the ages of man, accurately showing us God’s time clock Which imminent biblical signs and promises have yet to be fulfilled The judgments God is bringing to the earth God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last-days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ’s appearing. You can be joyfully prepared, watching and waiting in expectation, with your spiritual eyes open. Live in God’s perfect will for your life and participate in His supernatural, last-days purposes!

Created for Purpose Guillermo Maldonado 2019-09-24 You are no accident. Your

presence on this earth is not a mistake. Neither is it insignificant. On the contrary, you are wanted here—and needed! You are a creation of God with a unique purpose. Many people “do” things to try to gain acceptance by others, so that they can “be” someone. They become slaves to public opinion and never really know who they were meant to be. When we know that we are God’s beloved children, chosen from the foundation of the world, and discover who He designed us to be, we will think and act from that perspective. Everything else will develop from our identity and existence in Him. That identity goes beyond even our personal purpose to God’s eternal plans for the world and our exciting role in them. God created all human beings to have dominion over the earth. And He has assigned each of us a portion of “territory” where we can exercise the measure of our dominion on earth. This dominion is based on the faith, anointing, and gifts He has given us. Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom. This “territorial” power is not merely symbolic. It is a reality in which we must live. The territory in which we are to be fruitful is not random or general but specific. In *Created for Purpose*, you will discover God’s plan for your life as a loved and valuable member of His creation, what it means to be called by God, and how to know and live in your purpose throughout your life. You are not an accident. You are present on this earth for a significant reason. Find out who you were meant to be!

This practical guide takes the approach of nouthetic counseling introduced in the earlier volume and applies it to a wide range of issues, topics, and techniques in counseling, including: Who is qualified to be a counselor? How can counselees change? How does the Holy Spirit work? What role does hope play in therapy? What is the function of language in a counseling session? How do we ask the right questions? What often lies behind depression? How do we deal with anger? What is schizophrenia? These and hundreds more questions are answered and explained from a biblical perspective in this comprehensive resource for the Christian counselor. A full set of indexes, a detailed table of contents, and a full complement of diagrams and forms make this an outstanding reference book for and Christian counselor.

Introducción al asesoramiento pastoral de la familia AETH Jorge E. Maldonado 2004-05-01 La pérdida de valores morales que llevan a considerar todo desde una perspectiva groseramente relativista; la situación social y económica tan crítica que lleva a tratar de protegernos de cualquier manera posible; el

materialismo contemporáneo que nos hace creer que teniendo más cosas seremos más felices; y otros muchos aspectos similares, han provocado una crisis que se refleja y tiene sus efectos en la pareja y familia contemporánea. La sociedad ha contagiado su enfermedad a la familia. Así pues, esta unidad básica sufre los devastadores efectos del tiempo y sociedad en que nos ha tocado vivir. ¿Hay algo que se pueda hacer? ¿Hay remedio que alivie esa enfermedad? El Dr. Maldonado nos muestra que para que la familia pueda procesar cualquier situación crítica que estén viviendo y salir avante por el camino de la recuperación y el crecimiento, la mayor parte del tiempo requiere de orientación, consejo, o asesoría. Así pues, y desde la perspectiva cristiana, en este libro el Dr. Maldonado presenta los elementos básicos de la asesoría, los criterios que servirán para identificar a una familia sana e ir hacia ella, y las metas que se deben perseguir al asesorar y que servirán al asesor o consejero para promover el sano crecimiento tanto de la pareja como de la familia. Porque, a final de cuentas, la familia no es solamente el lugar donde encontramos refugio y alimento. La familia, por sobre todo, es el lugar donde nos formamos como y donde somos verdaderamente humanos y cristianos.
