Ignore It! Catherine Pearlman, PhD, LCSW 2017-08-08 This book teaches frustrated, stressed-out parents that selectively ignoring certain behaviors can actually inspire positive changes in their kids. With all the whining, complaining, begging, and negotiating, parenting can seem more like a chore than a pleasure. Dr. Catherine Pearlman, syndicated columnist and one of America's leading parenting experts, has a simple yet revolutionary solution: Ignore It! Dr. Pearlman's four-step process returns the joy to child rearing. Combining highly effective strategies with time-tested approaches, she teaches parents when to selectively look the other way to withdraw reinforcement for undesirable behaviors. Too often we find ourselves bargaining, debating, arguing and pleading with kids. Instead of improved behavior parents are ensuring that the behavior will not only continue but often get worse. When children receive no attention or reward for misbehavior, they realize their ways of acting are ineffective and cease doing it. Using proven strategies supported by research, this book shows parents how to: - Avoid engaging in a power struggle - Stop using attention as a reward for misbehavior - Use effective behavior modification techniques to diminish and often eliminate problem behaviors Overflowing with wisdom, tips, scenarios, frequently asked questions, and a lot of encouragement, Ignore It! is the parenting program that promises to return bliss to the lives of exasperated parents.

Sorry Not Sorry Naya Rivera 2016-09-13 Funny and deeply personal, Sorry Not Sorry recounts Glee star Naya Rivera's successes and missteps, urging young women to pursue their dreams and to refuse to let past mistakes define them. Navigating through youth and young adulthood isn't easy, and in Sorry Not Sorry, Naya Rivera shows us that we're not alone in the highs, lows, and in-betweens. Whether it's with love and dating, career and ambition, friends, or gossip, Naya inspires us to follow our own destiny and step over--or plod through--all the crap along the way. After her rise and fall from early childhood stardom, barely eking her way through high school, a brief stint as a Hooters waitress, going through thick and thin with her mom/manager, and resurrecting her acting career as Santana Lopez on Glee, Naya emerged from these experiences with some key life lessons: Sorry: - All those times I scrawled "I HATE MY MOM" in my journal. So many moms and teenage daughters don't get along--we just have to realize it's nothing personal on either side. - At-home highlights and DIY hair extensions. Some things are best left to the experts, and hair dye is one of them. - Falling in love with the idea of a person, instead of the actual person. Not Sorry: - That I don't always get along with everyone. Having people not like you is a risk you have to take to be real, and I'll take that over being fake any day. - Laughing at the gossip instead of getting upset by it. - Getting my financial disasters out of the way early--before I was married or had a family--so that the only credit score that I wrecked was my own. Even with a successful career and a family that she loves more than anything else, Naya says, "There's still a thirteen-year-old girl inside of me making detailed lists of how I can improve, who's never sure of my own self-worth." Sorry Not Sorry is for that thirteen-year-old in all of us.

Meet the Sky McCall Hoyle 2018-09-04 From award-winning author McCall Hoyle comes a new young adult novel, Meet the Sky, a story of love, letting go, and the unstoppable power of nature. It all started with the accident. The one that

caused Sophie's dad to walk out of her life. The one that left Sophie's older sister, Meredith, barely able to walk at all. With nothing but pain in her past, all Sophie wants is to plan for the future—keep the family business running, get accepted to veterinary school, and protect her mom and sister from another disaster. But when a hurricane forms off the coast of North Carolina's Outer Banks and heads right toward their island, Sophie realizes nature is one thing she can't control. After she gets separated from her family during the evacuation, Sophie finds herself trapped on the island with the last person she'd have chosen—the reckless and wild Finn Sanders, who broke her heart freshman year. As they struggle to find safety, Sophie learns that Finn has suffered his own heartbreak; but instead of playing it safe, Finn's become the kind of guy who goes surfing in the eye of the hurricane. He may be the perfect person to remind Sophie how to embrace life again, but only if their newfound friendship can survive the storm. Leadership Doris Kearns Goodwin 2019-10-01 Now an epic documentary event on the HISTORY Channel! The illuminating, bestselling exploration on leadership from Pulitzer Prize-winning author and presidential historian Doris Kearns Goodwin, and also the inspiration for the HISTORY Channel multipart series Abraham Lincoln and Theodore Roosevelt. "After five decades of magisterial output, Doris Kearns Goodwin leads the league of presidential historians" (USA TODAY). In her "inspiring" (The Christian Science Monitor) Leadership, Doris Kearns Goodwin draws upon the four presidents she has studied most closely—Abraham Lincoln, Theodore Roosevelt, Franklin D. Roosevelt, and Lyndon B. Johnson (in civil rights)—to show how they recognized leadership qualities within themselves and were recognized as leaders by others. By looking back to their first entries into public life, we encounter them at a time when their paths were filled with confusion, fear, and hope. Leadership tells the story of how they all collided with dramatic reversals that disrupted their lives and threatened to shatter forever their ambitions. Nonetheless, they all emerged fitted to confront the contours and dilemmas of their times. At their best, all four were guided by a sense of moral purpose. At moments of great challenge, they were able to summon their talents to enlarge the opportunities and lives of others. Does the leader make the times or do the times make the leader? "If ever our nation needed a short course on presidential leadership, it is now" (The Seattle Times). This seminal work provides an accessible and essential road map for aspiring and established leaders in every field. In today's polarized world, these stories of authentic leadership in times of apprehension and fracture take on a singular urgency. "Goodwin's volume deserves much praise—it is insightful, readable, compelling: Her book arrives just in time" (The Boston Globe).
