Totto-chan's Children Tetsuko Kuroyanagi 2000-08-09 Japan's most beloved TV personality presents a moving, personal record of suffering children all over the world--children she met while serving as a UNICEF Goodwill Ambassador for 15 years. Kuroyanagi's undeniable and universal love for kids gives her a rare gift for showing that these children deserve a better life. 32 photos.

Asylum William Seabrook 2015-09-16 "This dramatic memoir recaptures William Seabrook's experiences during an eight-month stay at a Westchester mental hospital in the early 1930s. Seabrook, who was a renowned journalist, voluntarily committed himself for acute alcoholism. His account offers an honest, self-critical look at addiction and treatment in the days before Alcoholics Anonymous and other modern programs. William Seabrook is most famous for introducing the word Zombie to Western culture"--

The Little Mermaid Hans Christian Andersen 2015-10-01 A beloved Hans Christian Andersen tale, illustrated by one of the greatest children's illustrators of our time The story of the little mermaid who fell in love with a human boy is well-known and loved by millions--but in the hands of internationally acclaimed illustrator Lisbeth Zwerger, it feels brand new. This poignant tale of unrequited love and self-sacrifice helped establish Andersen as one of the foremost writers of fairy tales in the world. Zwerger's signature illustrations add fresh whimsy and charm to Andersen's creation, and her art harmonizes perfectly with the carefully edited translation.

All I Did Was Ask Terry Gross 2004-09-01 "I'm Terry Gross and this is Fresh Air . . ." Now available in paperback--a selection of revealing interviews from the award-winning National Public Radio show Originating from WHYY-FM in Philadelphia and heard on more than 450 NPR stations, Fresh Air with Terry Gross has become a daily habit with millions of listeners nationwide--a must for anyone hoping to keep up with what's happening in the arts. Over the last twenty years, Terry's guests have included our most significant writers, actors, musicians, comics, and visual artists. For her first collection, Terry has chosen more than three dozen timeless interviews that prove to be as lively on the page as they were on the radio. Her questions--probing yet sensitive--encourage revelations from figures as diverse as John Updike, Isabella Rossellini, Conan O'Brien, Samuel L. Jackson, Johnny Cash, and Nicolas Cage. And in her introduction, the generally self-effacing host of Fresh Air does something she wouldn't dream of doing on the air--she reveals a thing or two about herself.

Once Upon an Eid S. K. Ali 2020-05-05 A joyous short story collection by and about Muslims, edited by New York Times bestselling author Aisha Saeed and Morris finalist S. K. Ali Once Upon an Eid is a collection of short stories that showcases the most brilliant Muslim voices writing today, all about the most joyful holiday of the year: Eid! Eid: The short, single-syllable word conjures up a variety of feelings and memories for Muslims. Maybe it's waking up to the sound of frying samosas or the comfort of bean pie, maybe it's the pleasure of putting on a new outfit for Eid prayers, or maybe it's the gift giving and holiday parties to come that day. Whatever it may be, for those who cherish this day of celebration, the emotional responses may be summed up in another short and sweet word: joy. The anthology will also include a poem, graphic-novel chapter, and spot illustrations. The full list of Once Upon an Eid contributors include: G. Willow Wilson (Alif the Unseen, Ms. Marvel), Hena Khan (Amina's Voice, Under My Hijab), N. H. Senzai (Shooting Kabul, Escape from Aleppo), Hanna Alkaf (The Weight of Our Sky), Rukhsana Khan (Big Red Lollipop), Randa Abdel-Fattah (Does My Head Look Big in This?), Ashley Franklin (Not Quite Snow White), Jamilah Thompkins-Bigelow (Mommy's Khimar), Candice Montgomery (Home and Away, By Any Means Necessary), Huda Al-Marashi (First Comes Marriage), Ayesha Mattu, Asmaa Hussein, and Sara Alfageeh.

The Courage to Imagine Roni Natov 2017-11-30 The act of imagining lies at the very heart of children's engagements with literature and with the plots and characters they encounter in their favorite stories. The Courage to Imagine is a landmark new study of that fundamental act of imagining. Roni Natov focuses

on the ways in which children's imaginative engagement with the child hero figure can open them up to other people's experiences, developing empathy across lines of race, gender and sexuality, as well as helping them to confront and handle traumatic experience safely. Drawing on a wide range of theoretical approaches from the psychological to the cultural and reading a multicultural spectrum of authors, including works by Maya Angelou, Louise Erdrich, Neil Gaiman and Brian Selznick, this is a groundbreaking examination of the nature of imagining for children and re-imagining for the adult writer and illustrator.

Totto-Chan Tetsuko Kuroyanagi 2012-03-23 This engaging series of childhood recollections tells about an ideal school in Tokyo during World War II that combined learning with fun, freedom, and love. This unusual school had old railroad cars for classrooms, and it was run by an extraordinary man--its founder and headmaster, Sosaku Kobayashi--who was a firm believer in freedom of expression and activity. In real life, the Totto-chan of the book has become one of Japan's most popular television personalities--Tetsuko Kuroyanagi. She attributes her success in life to this wonderful school and its headmaster. The charm of this account has won the hearts of millions of people of all ages and made this book a runaway bestseller in Japan, with sales hitting the 4.5 million mark in its first year.

Wounded Cities Jane Schneider 2020-06-30 Although the seemingly apocalyptic scale of the World Trade Center disaster continues to haunt people across the globe, it is only the most recent example of a city tragically wounded. Cities are, in fact, perpetually caught up in cycles of degeneration and renewal. As with the WTC, from time to time these cycles are severely ruptured by a sudden, unpredictable event. In the wake of recent terrorist activities, this timely book explores how urban populations are affected by wounds inflicted through violence, civil wars, overbuilding, drug trafficking, and the collapse of infrastructures, as well as natural disasters such as earthquakes. Mexico City, New York, Beirut, Belfast, Bangkok and Baghdad are just a few examples of cities riddled with problems that undermine, on a daily basis, the quality of urban life. What does it mean for urban dwellers when the infrastructure of a city collapses transport, communication grids, heat, light, roads, water, and sanitation? What are the effects of foreign investment and huge construction projects on urban populations and how does this change the look and character of a city? How does drug trafficking intersect with class, race, and gender, and what impact does it have on vulnerable urban communities? How do political corruption and mafia networks distort the built environment? Drawing on in-depth case studies from across the globe, this book answers these intriguing questions through its rigorous consideration of changing global and national contexts, social movements, and corrosive urban events. Adopting a grass roots up approach, it places emphasis on peoples experiences of uneven development and inequality, their engagement with memory in the face of continual change, and the relevance of political activism to bettering their lives. It is especially attentive to the historical interaction of particular cities with wider political and economic forces, as these interactions have shaped local

governance over time.

Teacher Self Jerome S. Allender 2001 Based on Temple University's acclaimed course, 'The Art and Science of Teaching, ' Allender draws the student-teacher into a series of narratives that develop as scenes from a play. As the drama unfolds, the reader becomes part of a classroom where the teacher's strategy shifts from speaking to listening and where students teach and the teacher learns. The book demonstrates how to create a vital, lively, learning environment in which everyone involved can expect to be interactive, spontaneous, and effective

The Tiger John Vaillant 2010-08-24 It's December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. To their horrified astonishment it emerges that the attacks are not random: the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth, and where the once great Siberian Tiger - the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction of what they once were. We meet the native tribes who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a natural balance. We witness the first arrival of settlers, soldiers and hunters in the tiger's territory in the 19th century and 20th century, many fleeing Stalinism. And we come to know the Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters

and how early Homo sapiens may have once fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written and deeply informative, *The Tiger* is a gripping tale of man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest.

Education in Contemporary Japan Kaori Okano 1999-04-08 A balanced introduction to and examination of contemporary Japanese education. While the postwar system of schooling has provided valuable ingredients for economic success, it has been accompanied by unfavourable developments such as excessively competitive exams, stifling uniformity, bullying, and an undervaluing of non-Japanese ethnicity. This book offers up-to-date information and new perspectives on schooling in contemporary Japanese society, and uses detailed ethnographic studies and interviews with students and teachers. It examines the main developments of modern schooling in Japan, from the beginning of the Meiji era up to the present, and includes analysis of the most recent reforms. It develops a new picture of the role that schooling plays for individuals and the wider society. Essential reading for students and educators alike.

TOWARDS NEW EDUCATION M. K. GANDHI 2021-01-01 I would like to say to the diligent reader of my writings and to others who are interested in them that I am not at all concerned with appearing to be consistent. In my search after Truth I have discarded many ideas and learnt many new things. Old as I am in age, I have no feeling that I have ceased to grow inwardly or that my growth will stop at the dissolution of the flesh. What I am concerned with is my readiness to obey the call of Truth, my God, from moment to moment, and, therefore, when anybody finds any inconsistency between any two writings of mine, if he has still faith in my sanity, he would do well to choose the later of the two on the same subject.

Me Against the World Kazufumi Shiraishi 2016-08-26 A jaded journalist inherits an abandoned manuscript penned by an old acquaintance who has recently passed away. The writing--a collection of ruminations on the nature of existence by a fifty-three-year old businessman who, as far as the journalist remembers, was a kind and gentle soul--is nothing short of shocking. In it, this apparent everyman--whom we know only as Mr. K--writes that he has a son, daughter, and wife, but has no love for them. He claims that humans are like cancer cells, destroying Mother Earth with their unrestrained propagation. He looks at our mortal destiny with an unflinching honesty and turns to psychic mediums for clues to the afterlife, wondering what immortality--if it were possible--would mean for our spiritual well-being. *Me Against the World* takes the reader down the rabbit hole of the raging mind of this man, who only rejects the world in order to save it from itself.

Dynamic Learning Spaces in Education Veena Kapur 2018-08-14 This volume discusses the need for a major paradigm shift in educational practice in the current digital and globalized world. It establishes a bridge between theory and praxis and revisits the objectives of learning and its modalities within the context of a rapidly evolving global world order. This volume includes perspectives from different countries on creating a dynamic and adaptive education system that encourages creativity, leadership, flexibility, and working in virtual as well as inclusive environments. The four sections include chapters that discuss creating meaningful learning environments, preparing teachers for new age classrooms, the digital learning space, fostering change in classrooms, and importantly also includes cases and experiments from schools. The authors are teacher educators, teachers and researchers, and each chapter, while being deeply rooted in theory, is juxtaposed with informed practice, making the suggestions easy to implement in different settings. This is an important resource for researchers and practitioners associated with education systems in creating engaging, meaningful and future-ready education practices.

We Need New Names NoViolet Bulawayo 2013-05-21 A remarkable literary debut--shortlisted for the Man Booker Prize! The unflinching and powerful story of a young girl's journey out of Zimbabwe and to America. Darling is only ten years old, and yet she must navigate a fragile and violent world. In Zimbabwe, Darling and her friends steal guavas, try to get the baby out of young Chipso's belly, and grasp at memories of Before. Before their homes were destroyed by paramilitary policemen, before the school closed, before the fathers left for dangerous jobs abroad. But Darling has a chance to escape: she has an aunt in America. She travels to this new land in search of America's famous abundance only to find that her options as an immigrant are perilously few. NoViolet Bulawayo's debut calls to mind the great storytellers of displacement and arrival who have come before her--from Junot Diaz to Zadie Smith to J.M. Coetzee--while she tells a vivid, raw story all her own.

Early Departures Justin A. Reynolds 2020-09-22 Like Adam Silvera's *They Both Die at the End* and Colleen Hoover's *It Ends with Us*, *Early Departures* by Justin A. Reynolds, author of *Opposite of Always*, is a powerful and deeply moving YA contemporary novel with a speculative twist about love, death, grief, and friendship. What if you could bring your best friend back to life—but only for a short time? Jamal's best friend, Q, doesn't know that he died, and that he's about to die . . . again. He doesn't know that Jamal tried to save him. And that the reason they haven't been friends for two years is because Jamal blames Q for the accident that killed his parents. But what if Jamal could have a second chance? A new technology allows Q to be reanimated for a few weeks before he dies . . . permanently. And Q's mom is not about to let anyone ruin this miracle by telling Q about his impending death. So how can Jamal fix everything if he can't tell Q the truth? *Early Departures* weaves together loss, grief, friendship, and love to form a wholly unique homage to the bonds that bring people together for life—and beyond.
