*A History of Private Policing in the United States* Wilbur R. Miller 2018-11-29 Private law enforcement and order maintenance have usually been seen as working against or outside of state authority. A History of Private Policing in the United States surveys private policing since the 1850s to the present, arguing that private agencies have often served as a major component of authority in America as an auxiliary of the state. Wilbur R. Miller defines private policing broadly to include self-defense, stand your ground laws, and vigilantism, as well as private detectives, security guards and patrols from gated community security to the Guardian Angels. He also covers the role of detective agencies in controlling labor organizing through spies, guards and strikebreakers. A History of Private Policing in the United States is an overview integrating various components of private policing to place its history in the context of the development of the American state.

delightful novels. One terrific collection! From Julia Quinn, author of the Bridgerton series, now streaming on Netflix—writing along with close friends and popular authors Eloisa James and Connie Brockway—comes THE LADIES MOST... a duo of cleverly crafted novels, The Lady Most Likely and The Lady Most Willing, together for the first time. THE LADY MOST LIKELY Hugh Dunne, the Earl of Briarly, needs a wife, so his sister hands him a list of delectable damsels and promises to invite them—and a few other gentlemen—to her country house for what is sure to be the event of the season. Hugh will have time to woo whichever lady he most desires. Unless someone else snatches her first. The invitation list includes: The always outspoken Miss Katherine Peyton The impossibly beautiful (and painfully shy) Miss Gwendolyn Passmore The widowed Lady Georgina Sorrell (who has no plans to marry, ever) And your hostess, Lady Carolyn Finchley, an irrepressible matchmaker with romantic plans for every last one of them—especially THE LADY MOST LIKELY to marry an eligible Earl. THE LADY MOST WILLING Taran Ferguson, laird of his clan, is determined that his ancient (if not so honorable) birthright be secured before he dies. When both his nephews refuse to wed, he takes matters into his own hands, raiding an English lord's Christmas ball and making off with four lovely potential brides (and one very irate duke). When his nephews, the Comte de Rocheforte and the Earl of Oakley, arrive for their annual holiday visit, they are drawn into a matchmaking party, of sorts. Among the unwitting guests are: Miss Fiona Chisholm, a beauty with a scandalous past Lady Cecily Tarleton, a lovely heiress—but she's English Miss Catriona Burns, a lady with no name or fortune, so clearly someone made a mistake! As the snow piles up outside the highland castle, and the guests are forced to pass the time together, the initial dismay turns to unanticipated attractions and then irresistible passions – and indeed, there might be one LADY MOST WILLING to marry a Scottish lord.

No Touch Monkey! Ayun Halliday 2015-08-25 Ayun Halliday may not make for the most sensible travel companion, but she is certainly one of the most outrageous, with a knack for inserting herself (and her unwitting cohorts) into bizarre situations around the globe. Curator of kitsch and unabashed aficionada of pop culture, Halliday offers bemused, self-deprecating narration of events from guerilla theater in Romania to drug-induced Apocalypse Now reenactments in Vietnam to a perhaps even more surreal collagen-implant demonstration at a Paris fashion show emceed by Lauren Bacall. On layover in Amsterdam, Halliday finds unlikely trouble in the red-light district—eliciting the ire of a tiny, violent madam, and is forced to explain tampons to luggage-searching soldiers in Kashmir: "They're for ladies. Bleeding ladies." A self-admittedly bumbling tourist, Halliday shares—with razor-sharp wit and to hilarious effect—the travel stories most are too self-conscious to tell. This second edition includes an updated foreword.
