Heart of Flames Sarah Piper 2021-07-16 The road to hell is paved with good intentions... and bad blood. For the vampire prince and his witch, the plan was simple: Save the wolf. Iniquitous Bianca Scardoni 2017-05-19 For there to be light, you must first suffer the darkness. The end came at me jagged and skewed like puzzle pieces to a game I didn't know I was playing. There was a distinct method to the madness, every move propagated to force my hand, to lure me out of hiding with the sweet promise of finality. I took solace in knowing that something better waited for me on the other side, something as pure and deep as the ocean itself. But there was no end in sight. No peace to be found. The end was only the beginning. INIQUITOUS is the heart-pounding third installment in The Marked saga, a fast-paced YA paranormal romance that grapples with love, loss, and self-discovery in a unique supernatural world filled with vampires, witches, shifters, and angels. This book is part of a series and ends in a cliff-hanger. INFERNAL (The Marked Book 4) will be available this summer 2017.

Inception Bianca Scardoni 2015-09-25 "My name is Jemma Blackburn, and I have a secret. I know vampires are real. I watched one murder my father eight months ago, and even though they tried to convince me it didn't happen -- that I'd lost touch with reality due to the trauma, I know what I saw was real. Hollow Hills is now the place I call home. It was supposed to be my chance at a normal life. My chance to bury my secret and start over. But everyone around me is keeping their own secrets, whispering lies into my ears like promises, and one of them is about to turn my entire world upside down. I thought I had it all figured out. I thought I had the answers. I thought I knew who I was. The truth is, I didn't even know the half of it. There's a reason these vampires are still after me. There's a reason they will always hunt me. Because I'm not human. I'm the devil they fear and the angel they crave. Only problem is, I don't know it yet..." --Page [4] of cover.

Invidious Bianca Scardoni 2016-06-17 The steep descent into Hell is always paved with good intentions. My name is Jemma Blackburn and I'm a Slayer. Finding out I wasn't human was only the beginning of my problems. My best-friend, Taylor, is still missing, and so is the Immortal Amulet, and it's my job alone to get them both back. I don't know who I can trust, and I'm still not sure I'm cut out for any of this, but I'm determined to figure it all out, or die trying. As if that wasn't bad enough, there's a new enemy in town and they've come bearing gifts-an ancient prophesy that is going to blur the very lines between good and

evil. And, apparently, my blood is tied to the center of it. I don't have all the answers yet, but I'm getting closer and closer to discovering the truth. The truth about my bloodlines, and about who I really am. And, believe me when I say, it's going to change everything. Invidious is the highly anticipated second installment in The Marked series, a fast-paced paranormal romance filled with self-discovery, mystery, love, and a unique supernatural world that will leave you captivated and hungry for more.

The Dangers of Smoking in Bed Mariana Enriquez 2021-01-12 "The beautiful, horrible world of Mariana Enriquez, as glimpsed in *The Dangers of Smoking in Bed*, with its disturbed adolescents, ghosts, decaying ghouls, the sad and angry homeless of modern Argentina, is the most exciting discovery I've made in fiction for some time."—Kazuo Ishiguro, *The Guardian* SHORTLISTED FOR THE INTERNATIONAL BOOKER PRIZE • NEW YORK TIMES EDITORS' CHOICE • FINALIST: Los Angeles Times Book Prize, Ray Bradbury Prize, Kirkus Prize • ONE OF THE BEST BOOKS OF THE YEAR: Oprah Daily, New York Public Library, Electric Lit, LitHub, Kirkus Reviews Mariana Enriquez has been critically lauded for her unconventional and sociopolitical stories of the macabre. Populated by unruly teenagers, crooked witches, homeless ghosts, and hungry women, they walk the uneasy line between urban realism and horror. The stories in her new collection are as terrifying as they are socially conscious, and press into being the unspoken—fetish, illness, the female body, the darkness of human history—with bracing urgency. A woman is sexually obsessed with the human heart; a lost, rotting baby crawls out of a backyard and into a bedroom; a pair of teenage girls can't let go of their idol; an entire neighborhood is cursed to death when it fails to respond correctly to a moral dilemma. Written against the backdrop of contemporary Argentina, and with a resounding tenderness toward those in pain, in fear, and in limbo, *The Dangers of Smoking in Bed* is Mariana Enriquez at her most sophisticated, and most chilling.

Lucifer's Revenge Patricia Fish 2018-04-23 What would you do if you were FORCED to stay away from your children? Would you fight to get them back? Or would you just let them grow up knowing that they had a father but never knowing who he really was? 10 years ago, Lucifer took a girl away from his brother, the one Gabriel was assigned to watch over and keep safe and even though love is forbidden he fell in love with her. Lucifer stole this girl from his brother Gabriel and locked her away in a hotel he built in the caves of the Underworld. Then as he kept her locked away from the world he came into her room and had his way with her through a rough and forceful night of passion without her consent, forcing her to make love to him. Weeks after Gabriel and the angels finally broke into the Underworld to rescue the girl, she found out she was with child, Lucifer's child. 8 months later she gave birth to two beautiful twin girls by the names of Sara and Sophia, named after her mother and Gabriel's mother. Now the girls are 17 years old and about to graduate from High School with honors. They were born Nephilim which is half angel and half human and smarter than any human alive because that was the trait of a Nephilim child, born with more knowledge and ability to learn more than that of human children. Lucifer wants them back and will do what it takes to get what is rightfully his. For years he has watched them grow through the viewing pond provided by his father to view the outside world and now he's angry and wants to bring them home no matter the cost or whom he hurts. And how will Mia, the girl Lucifer stole away from his brother react when she finds out Lucifer's back and wants to take away the most important treasures of her life?

Demigods Academy 7 Elisa S. Amore 2021-04-23

Why Love Hurts Eva Illouz 2013-05-20 Few of us have been spared the agonies of intimate relationships. They come in many shapes: loving a man or a woman who will not commit to us, being heartbroken when we're abandoned by a lover, engaging in Sisyphean internet searches, coming back lonely from bars, parties, or blind dates, feeling bored in a relationship that is so much less than we had envisaged - these are only some of the ways in which the search for love is a difficult and often painful experience. Despite the widespread and almost collective character of these experiences, our culture insists they are the result of faulty or insufficiently mature psyches. For many, the Freudian idea that the

family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love. Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives. The purpose of this book is to change our way of thinking about what is wrong in modern relationships. The problem is not dysfunctional childhoods or insufficiently self-aware psyches, but rather the institutional forces shaping how we love. The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice. The samples from which men and women choose a partner, the modes of evaluating prospective partners, the very importance of choice and autonomy and what people imagine to be the spectrum of their choices: all these aspects of choice have transformed the very core of the will, how we want a partner, the sense of worth bestowed by relationships, and the organization of desire. This book does to love what Marx did to commodities: it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors.

Darkmore Penitentiary Caroline Peckham 2020 "“We’re going to own you.” “We’re going to break you.” “When we’re through with you, you won’t remember life before you were ours.” That’s what they whisper as I pass their cells. Ha. Guess what bastardos? I’m Rosalie Oscura, champion underground cage-fighter and freaking Alpha Werewolf from the infamous Oscura Clan. My family wrote the book on criminal organisations and I’ll be ruling this place by the time the next moon rises. Papà always said my hot head would land me in here one day. Chasing Angel J. L. Weil 2021-03-29 Chase Winters is one of a kind. That doesn't mean he still doesn't get on my nerves more days than not, but his arrogance is starting to be sexy. Together our bond grows stronger, and so do we. Just as we hurdle one obstacle, two or three more pop up. Go figure. It isn't enough that Emma once again hates our guts, now Travis has decided to go all demon-zoid on us. I could hardly blame him though; he had lost the girl of his dreams-again. After everything that we have endured, I am not the same girl anymore. Not since the day I met Chase. The icing on the cake-there is a new player in town, and he is not human. Hell has decided to pay Spring Valley a visit, and Chase and I are their first stop. Our quiet little town was about to shatter. Touched - The Caress of Fate Elisa S. Amore 2016-01-31 A sealed fate. An Angel of Death. A forbidden love. What if you fell in love with Death?

Days of Love Elisa Rolle 2018-08-18 A new book chronicling 2,000 years of same-sex love stories, from Alexander the Great to the latest Literary Award winner, makes the perfect Valentine's Day gift. Days of Love, created and Edited by Elisa Rolle, makes inspiring reading and lays to rest the myth that LGBT couples are not capable of sustaining life-long relationships. Packed full of beautiful photos and illustrations it lovingly features the personal stories of 700 LGBT couples from the dawn of history to the present day. Many of the contemporary couples share their stories on how they met and fell in love, as well as photos from when they married or of the families they have started together. Days of Love is also a great source of LGBT trivia and stories that have all-too-often been written out of history. For example, did you know that Sir Isaac Newton, who laid the foundation for modern physics, may have had a relationship with a Swiss mathematician, Nicolas Fatio de Duillier? That the British author of 2001: A Space Odyssey Arthur C. Clarke had a 13-year partnership with a male Sri Lankan teenager, and they are buried together? This is only a fraction of the fascinating facts that you can discover. What comes across is an alternative cultural history of LGBT people. As we celebrate growing social acceptability and the increasing introduction same-sex marriage, we are reminded that many people past and present paved the way for our civil rights, not the least of which is the right to love whoever we want. Elisa Rolle explains in the introduction to Days of Love why she decided to compile this book: "I have always liked love stories, and to me, even if you only spent one day in blissful happiness, then it was a love story. I see the following pages like a family photo album, the enlarged LGBT family sharing their memories: you will read about couples who managed to stay together for more than 70 years, but also those who were able to have only some days of happiness."
