The Story of a China Cat Hope, Laura Lee 2016-11-01 Toot! Toot! Tootity-toot-toot! "Goodness me! who is blowing the horn?"asked the Talking Doll, as she sat up on the shelf in the toy shop. "This isn't Friday; and we don't want any fish!" "Speak for yourself, if you please," said a large, white China Cat, who had just finished washing a few specks of dirt off her shiny coat with her red tongue. "I could enjoy a bit of fish right now." "I should rather have pie," said the Talking Doll. "But who blew the horn? That is what I'd like to know..."

Instruments of Pleasure Rachel Kramer Bussel 2012-11-15 I can't think of a better way to add more fun to sex than sex toys—after all, the word "toy" is right there, and today's sex toys come in all sorts of playful designs, from Hello Kitty vibrators to sparkly harnesses, light smackers to heavy paddles. Whatever you can dream of, you can probably find—or make your own! The very special stories in Instruments of Pleasure highlight the many ways we use sex toys to make our fantasies come true. Sometimes, there's a lesson involved, such as "Like

This," where a woman uses what many consider the "Cadillac of vibrators," the ultra-powerful plug-in vibe Hitachi Magic Wand (or "electric miracle," in the story), to show her lover exactly what she does when she's alone. For others, toys are part of BDSM play, especially spanking, and you can read about the intense strokes of a cane in "Getting It Right" and the power of "The Spanking Machine." The dildo in "A Girl, Two Guys, and a Sex Toy" almost makes it a foursome, while in "The London O," using a pair of remote controlled panties with a built-in vibrator in public brings new heights to the thrill of sightseeing. In "Strapped" and "The Inner Vixen," women take charge, using a strap-on dildo and harness and a whip, respectively, exulting in the power they hold, and the delight their partner gets in being on the receiving end. Other times, rather than adding sensation, we take away a sense, such as the use of a blindfold in "Princess." Without being able to see, the heroine can simply feel. In "The Apiary," there are multiple toys, including a collar and chains, but the main "toy" is a chair, a piece of furniture that can be surprisingly erotic, if you use your imagination. I hope these stories serve as their own kind of sex toy for you, and inspire you to break out your favorite toy, or perhaps discover a new one. You can never have too many sex toys, or have too much fun with them!

Sex Media Feona Attwood 2017-12-08 Media are central to our experiences and understandings of sex, whether in the form of familiar 'mainstream' genres, pornographies and other sex genres, or the new zones, interactions and technosexualities made possible by the internet and mobile devices. In this engaging new book, Feona Attwood argues that to understand the significance of sex media, we need to examine them in terms of their distinctive characteristics, relationships to art and culture, and changing place in society. Observing the role that media play in relation to sex, gender, and sexuality, this book considers the regulation of sex and sexual representation, issues around the 'sexualization of culture', and demonstrates how a critical focus on sex media can inform debates on sex education and sexual health, as well as illuminate the relation of sex to labour, leisure, intimacy, and bodies. Sex Media is an essential resource for students and scholars of media, culture, gender and sexuality.

More Bf 109 Aces of the Russian Front John Weal 2012-10-20 The four-year long Eastern Front campaign fought between Germany and the Soviet Union produced not only the greatest number of aces, but also the highest individual and unit scores ever recorded in the history of aerial warfare. An ideal complement to its bestselling predecessor, this fully illustrated volume covers the Luftwaffe fighter pilots credited with scores of between 50 and 100; every single one of them amassing a greater number of victories than the highest and most celebrated of any British or American World War II ace. Despite these huge personal totals, the names of these pilots who fought against the Red Air Force remain almost unknown to many English speaking readers. *More Bf 109 Aces of the Russian Front* rectifies that omission, providing first-hand accounts from the combat veterans themselves, as well as never-before published photographs, vividly conveying the terrible experiences of the protagonists in this difficult theatre of war.

Serial Girls Martine Delvaux 2018-02-06 Everywhere you look patriarchal society reduces women to a series of repeating symbols: serial girls. On TV and in film, on the internet and in magazines, pop culture and ancient architecture, serial girls are all around us, moving in perfect sync—as dolls, as dancers, as statues. From Tiller Girls to Barbie dolls, Playboy bunnies to Pussy Riot, Martine Delvaux produces a provocative analysis of the many gendered assumptions that underlie modern culture. Delvaux draws on the works of Barthes, Foucault, de Beauvoir, Woolf, and more to argue that serial girls are not just the ubiquitous symbols of patriarchal domination but also offer the possibility of liberation.

Sex Toys and Naughty Boys Collette Thomas 2008-10-01 When a UPS box containing every imaginable sex toy available on the planet is dropped off on Avril Baxter's front doorstep, her suspicions are confirmed -- her twenty-one year marriage is in serious trouble. No longer satisfied with a vanilla sex life, Harold obviously wants more -- "much more" -- than Avril is willing to perform inside their bedroom. Avril leaves her husband, setting out on her own journey of self-discovery. In this tale of seduction and sex games filled with a few twists and turns, Harold and Avril each play the game of sexual exploration to the fullest. As they redefine their lives, they eventually discover their darkest sexual fantasies, and more than a few surprises about one another. Special Content Alert: BDSM, D/s "You worked last weekend," he said. "Is this going to be a regular thing?" "There are rumors of layoffs at the bank, and I don't want my name appearing on anyone's shortlist of people who are expendable. That's why I'm putting in the extra hours on Saturdays." "Avril, we're not hurting for money. I make enough for the both of us. Maybe you getting laid off wouldn't be such a bad thing." Had he gone mad? "It's always about you!" she yelled. "And lately, it's not like we do anything romantic together, not since you set that freaking computer up inside our den." "It's my office, as well, and it's where I do my work," he said, his voice calm. She shook her head. Sure, as an insurance adjuster, he needed a home office, and spent much of his time in their den compiling reports. But she also knew he'd been trolling around the Internet lately, accessing sites that only encouraged him to do something like this. She looked at the box again and felt that sense of control she had always counted on slipping away. After twenty-one years of marriage, suddenly she and Harold were no longer on the same page. Oh, she couldn't deny she had her own erotic fantasies. Most women did, but Avril always believed they should remain inside the mind, undisclosed, not to be shared, and definitely not to be played out in real life. She'd never shared a single one of her fantasies . . . not even with her husband. In a way, she could understand Harold's attitude. After all, sex was everywhere these days. On television, in books, and most especially on the Internet. Maybe she shouldn't be so upset or surprised to find Harold had been sucked in by it all. "Try to take the time off," he said, not looking up at her. She watched him pick up the various gadgets and organize them into neat, orderly piles. "I'll think about it," she told him, but knew she wouldn't. "You said that the last time I asked for some of your time, but nothing's changed." He was going to mope around now, she knew. He'd go into that godforsaken den and ignore her for the rest of the evening.

Worse, he'd probably spend hours surfing those damn porn sites. Well, she thought bitterly, she wouldn't give him the chance to ignore her tonight, not ever. She grabbed the car keys from the side table in the foyer. "I'm going out for a while. I need fresh air." He didn't even bother to look up. He sat in the middle of the floor, an anal wand in one hand and a cock ring in the other. The image burned itself into her mind. She turned on her heel and made a fast exit out the front door, wondering if her marriage was well and truly over.

Long Live the Tribe of Fatherless Girls T Kira Madden 2019-03-05 "The book I wish I'd had growing up." -Chanel Miller, author of *Know My Name* Best Books of 2019: Esquire O, The Oprah Magazine Variety Lit Hub Book Riot Electric Literature Autostraddle Finalist: NBCC John Leonard First Book Prize Lambda Literary Award New York Times Book Review Editors' Choice Selection Paste Best Memoirs of the Decade Elle Best Books of the Season Washington Post Best Books of the Month Indie Next Pick Indies Introduce Pick "A fearless debut." -New York Times "[A] gorgeous reckoning." -Washington Post "Flat out breathtaking." -Lit Hub "Gripping and gloriously written." -Elle "Utterly unforgettable." -NYLON "Unnervingly satisfying." -Oprah Magazine "Deeply compassionate." -NPR.org "Truly stunning." -Cosmopolitan Acclaimed literary essayist T Kira Madden's raw and redemptive debut memoir is about coming of age and reckoning with desire as a queer, biracial teenager amidst the fierce contradictions of Boca Raton, Florida, a place where she found cult-like privilege, shocking racial disparities, rampant white-collar crime, and powerfully destructive standards of beauty hiding in plain sight. As a child, Madden lived a life of extravagance, from her exclusive private school to her equestrian trophies and designer shoe-brand name. But under the surface was a wild instability. The only child of parents continually battling drug and alcohol addictions, Madden confronted her environment alone. Facing a culture of assault and objectification, she found lifelines in the desperately loving friendships of fatherless girls. With unflinching honesty and lyrical prose, spanning from 1960s Hawai'i to the present-day struggle of a young woman mourning the loss of a father while unearthing truths that reframe her reality, *Long Live the Tribe of Fatherless Girls* is equal parts eulogy and love letter. It's a story about trauma and forgiveness, about families of blood and affinity, both lost and found, unmade and rebuilt, crooked and beautiful. One of the Most Anticipated Books of the Year: Entertainment Weekly, Huffington Post, BuzzFeed, The Millions, Nylon, The Rumpus, Electric Literature, Lit Hub, Refinery29, and many more

Asian Wife Starts Webcam Work Dantes Erotica 2022-05-08 Jane and I had been married about 6 months and when I first mentioned the adult webcam work that she could do from home, she said she was too shy. So life went on as usual and she kept trying to find a part time job but couldn't seem to find anything suitable. After another few months of no luck trying to find a job, she decided to give it a go and we registered her with the webcam company. Jane is very attractive, small and petite with a stunning set of breasts, 25 years of age, 4' 10" and 110 pounds with very shapely 34 B breasts. Excerpt.... We chatted about it for quite a while and as our sex life was out of this world for the last few months, decided to take it to the next level. We had done virtually everything we could have dreamed up ourselves on cam but there were some requests we were not ready to do... yet... but we did later. So we arranged to meet this guy who was in his late fifty's, about 250 pounds and quite fat but he had a fairly big cock. We'd webcamed with him previously and he seemed fairly normal but he was amazed at Jane's small body and really loved her tits and anal insertions and saying he was willing to pay anything to meet her in person! On the day, he'd asked Jane to wear a short skirt, tights and no bra, just a t-shirt or tight top with her nipples showing through and to wear her butt plug. So on the evening arranged, we met the guy in a pub near the river in Bedford and went for drink to break the ice. We explained that although Jane had done webcam work for a few months, he was the first person we had decided to meet in real life. Also that five hundred pounds was too good an offer to turn down. After mentioning the money he handed me an envelope and said, "Here you are, I'm deadly serious and find your beautiful wife Jane to be the sexiest girl on the whole webcam website." Excerpt... The fat guy was stroking Jane's leg and she had her arms leaning on the table in front and staring at me. "What's he doing babe...?" I asked looking back into her eyes. "He's between my legs and rubbing the top of my pussy over the tights." "She's so beautiful and sexy... she's getting wet already," the fat guy said. Then he pulls his hand out from under the table and shows me his sticky wet fingers. I got that strange feeling in my gut again and said to Jane, "You sure you want to do this babe...?" She just nodded and asked, "Where are we going to go...?" The fat guy answered, "I know a place that's fairly quiet and safe. It's a dogging spot near a lake. Don't worry, if any doggers are out today, they won't do anything unless invited to play. If you keep the windows closed they will just watch and play with themselves outside." We left the pub and went to our car and the fat guy got in the back with Jane. I started to drive and was being directed by the fat guy in the back, who has now got his arm around Jane and already fondling her tits. Jane was looking a bit scared, so I reassured her that it's only a bit of fun and if she really wants to go home, we can call it a night and give the guy his money back. She responded, "No it's OK babe, but please stay with me OK?" "Yes of course babe, I'm here, just relax and let him play." Strictly 18 + Adults only - 6500 words
