A Separation Katie Kitamura 2017-02-07 A PBS NewsHour/New York Times Book Club Pick A NEW YORK TIMES NOTABLE BOOK Named a best book of the year by the New York Times, NPR, Huffington Post, The A.V. Club, The San Francisco Chronicle, The Guardian, Refinery29, Town & Country, Harper's Bazaar, NYLON, BookRiot. "Kitamura's prose gallops, combining Elena Ferrante-style intricacies with the tensions of a top-notch whodunit." –Elle This is her story. About the end of her marriage. About what happened when Christopher went missing and she went to find him. These are her secrets, this is what happened... A young woman has agreed with her faithless husband: it's time for them to separate. For the moment it's a private matter, a secret between the two of them. As she begins her new life, she gets word that Christopher has gone missing in a remote region in the rugged south of Greece; she reluctantly agrees to go look for him, still keeping their split to herself. In her heart, she's not even sure if she wants to find him. As her search comes to a shocking breaking point, she discovers she understands less than she thought she did about her relationship and the man she used to love. A searing, suspenseful story of intimacy and infidelity, A Separation lays bare what divides us from the inner lives of others. With exquisitely cool precision, Katie Kitamura propels us into the experience of a woman on edge, with a fiercely mesmerizing story to tell.

**Trapped** Michael Northrop 2011-02-01 The day the blizzard started, no one knew that it was going to keep snowing for a week. That for those in its path, it would become not just a matter of keeping warm, but of staying alive. . . . Scotty and his friends Pete and Jason are among the last seven kids at their high school waiting to get picked up that day, and they soon realize that no one is coming for them. Still, it doesn't seem so bad to spend the night at school, especially when distractingly hot Krista and Julie are sleeping just down the hall. But then the power goes out, then the heat. The pipes freeze, and the roof shudders. As the days add up, the snow piles higher, and the empty halls grow colder and darker, the mounting pressure forces a devastating decision. . . . Michael Northrop is the New York Times bestselling author of TombQuest, an epic book and game adventure series featuring the magic of ancient Egypt. He is also the author of Trapped, an Indie Next List Selection, and Plunked, a New York Public Library best book of the year and an NPR Backseat Book Club selection. An editor at Sports Illustrated Kids for many years, he now writes full-time from his home in New York City. Learn more at [www.michaelnorthrop.net](http://www.michaelnorthrop.net).

*Ricochet* Judy Fridono 2014-06-03 Ride the wave of hope with Ricochet – the only SURFice dog™ in the world who chose her own purpose! She surfs with children with special needs, people with disabilities, wounded warriors, and veterans with PTSD as an assistive aid and intuitive muse, healing hearts and souls on every wave. This tears-to-triumph story takes readers behind the TV and video sensation and shares the true journey that went from promise to disappointment before ultimately finding life's purpose. The gorgeous golden retriever Ricochet seemed destined to be a service dog from the moment she was born. She approached her training with boundless energy and surpassed every other dog in her Puppy Prodigy training class. Unfortunately, her love for chasing birds could prove dangerous, for those she would assist. Fifteen months into her training, Ricochet was released, leaving a frustrated owner and a dog without a direction. Yet through a twist of fate, Judy realized that flunking out of school wasn't the end of the world—and in fact, could be the beginning of a new one. Once Judy learned to let go and let Ricochet be who she really was, they found her true calling as a SURFice dog. Ricochet's story is one of synchronicity, our interconnectedness, and opening ourselves to life's 'paws'ibilities. Embracing her true calling, Ricochet began to help others, including those with traumatic brain injuries, post-traumatic stress, and physical disabilities, raising hundreds of thousands of dollars for charitable causes and inspiring people to believe in themselves. Ricochet does more than steady the board: she offers hope, comfort, healing, and a reason to keep fighting. What gives this story such extraordinary potential to become a

publishing sensation? Ricochet is the only SURFice dog in the world, there is no other story quite like it!

**Help! I'm Trapped in an Alien's Body** Todd Strasser 1998 Jake Sherman has switched bodies - again. And this time with an alien. A funny-looking alien. From a planet where aliens sit around and watching TV and eating junk food all day long. Sounds good to Jake but the alien has run off with Jake's body. Does Jake really want to be a couch potato...forever?

The Giver Lois Lowry 2014-07-01 Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Sex Cult Nun Faith Jones 2021-11-30 Named a Best Book of 2021 by Newsweek and a Most Anticipated by People, TIME, USA Today, Real Simple, Glamour, Nylon, Bustle, Purewow, Shondaland, and more! Educated meets The Vow in this story of liberation and self-empowerment—an inspiring and stranger-than-fiction memoir of growing up in and breaking free from the Children of God, an oppressive, extremist religious cult. Faith Jones was raised to be part a religious army preparing for the End Times. Growing up on an isolated farm in Macau, she prayed for hours every day and read letters of prophecy written by her grandfather, the founder of the Children of God. Tens of thousands of members strong, the cult followers looked to Faith's grandfather as their guiding light. As such, Faith was celebrated as special and then punished doubly to remind her that she was not. Over decades, the Children of God grew into an international organization that became notorious for its alarming sex practices and allegations of abuse and exploitation. But with indomitable grit, Faith survived, creating a world of her own—pilfering books and teaching herself high school curriculum. Finally, at age twenty-three, thirsting for knowledge and freedom, she broke away, leaving behind everything she knew to forge her own path in America. A complicated family story mixed with a hauntingly intimate coming-of-age narrative, Faith Jones' extraordinary memoir reflects our societal norms of oppression and abuse while providing a unique lens to explore spiritual manipulation and our rights in our bodies. Honest, eye-opening, uplifting, and intensely affecting, Sex Cult Nun brings to life a hidden world that's hypnotically alien yet unexpectedly relatable.

Help I'm Trapped in the First Day of School Todd Strasser 1994-01 Plotting plenty of tricks for the new school year, Jake Sherman thinks he will rule the eighth grade, until he discovers that he has to relive the first day over and over again, and makes each day zanier than the last.

**Book of a Thousand Days** Shannon Hale 2010-05-03 When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoilt, the princess eats the food in their meagre store as if she

were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story.

Help! I'm Trapped in a Supermodel's Body Todd Strasser 2001-01 When Jake agrees to be supermodel Lanny Shanks' personal assistant when she comes to town for a photo shoot, he switches bodies with her and discovers himself constantly starving and warding off the advances of Principal Blanco.

Help! I'm Trapped in Obedience School Todd Strasser 1995 Jake turned his buddy Andy into a dog and he is acting really strange. So he is sent to obedience school.

**The Koehler Method of Dog Training** William R. Koehler 2016-04-09 When the complexities of modern living demanded that, for his own protection as well as his master's convenience, the dog be made controllable, the average owner sought advice from the most available source, which was, too often, some local dog-show exhibitor. Not realizing that, excepting a few praiseworthy individuals, these exhibitors were only superficially concerned with the qualities of use and companionship, an unfortunate dog owner would accept the sight of trophies or ribbons as the credits of an expert. Growing numbers of people and dogs continued to emphasize the advantages of proper dog-behavior and when, in 1935, The American Kennel Club instituted its obedience trials, the competition necessary to focus attention on results and improvement of methods was provided. And something else was observed. It was evident that thorough obedience training does more than assure a dog's response to his master's command; capacities for learning and emotional stability could be increased and integrated as permanent qualities of character. Recently, leading magazines of both general and specialized nature have made the public aware of the trained dog's potential, and of the recreational possibilities of dog training as a hobby. Interest in dog-training classes and other activities where dogs are dignified by usefulness, rather than merely looked at, is evidence that the dog-training public has outgrown the "make a game" and "tid-bit tossing" techniques that, by not being founded on positive and proper motivations, demonstrate the inadequacy of the master, thus promoting failure of response at those times when control is most needed, as well as contributing to the dog's feeling of insecurity. Dog owners of perspective have come to want the type of obedience upon which a blind person might stake his life, and the emotional stability that is vital to dogs in the presence of small, unpredictable children. This classic includes the following chapters: Introduction Lesson I. Fables and Foibles Lesson II. Correct Equipment Lesson III. The Foundation Lesson IV. Heeling Lesson V. Sitting Lesson VI. The Automatic Sit Lesson VII. The Sit-Stay Lesson VIII. The Down Lesson IX. Down-

**Help! I'm Trapped in My Principal's Body** Todd Strasser 1998 A bully is beating up students in Jake Sherman's eighth grade class and it looks as if no one can stop him, until Jake causes his buddy Josh to switch bodies with the principal.

The Deep Nick Cutter 2015-07-28 Now in mass-market paperback from the national bestselling author of *The Troop*—which Stephen King raved “scared the hell out of me and I couldn't put it down...old-school horror at its best”—an utterly terrifying novel that pits the mysteries of *The Abyss* against the horrors of *The Shining*. A strange plague called the 'Gets is decimating humanity on a global scale. It causes people to forget—small things at first, like where they left their keys...then the not-so-small things like how to drive, or the letters of the alphabet. Then their bodies forget how to function involuntarily...and there is no cure. But now, far below the surface of the Pacific Ocean, deep in the Mariana Trench, an heretofore unknown substance hailed as “ambrosia”—a universal healer, from initial reports—has been discovered. It may just be the key to eradicating the 'Gets. In order to study this phenomenon, a special research lab, the Trieste, has been built eight miles under the sea's surface. But when the station goes incommunicado, a brave few descend through the lightless fathoms in hopes of unraveling the mysteries lurking at those crushing depths...and perhaps to encounter an evil blacker than anything one could possibly imagine. “Fans of unflinching bleakness and all-out horror will love this novel...Each new shock is freshly disturbing” (Publishers Weekly, starred review).

**The Rules** Nancy Holder 2015 "The Rules is a must-read for fans of thrillers with truly frightening twists."--School Library Journal Narrated by an alternating unreliable group of teens, this dark thriller will have readers on the edge of their seats. No one is safe and everyone is a suspect. It's *Saw* meets *I Know What You Did Last Summer*. Junior Robin Brisset has no idea what she's in for when she accepts an invitation to one of Callabrese High's most exclusive parties. And when the trademark scavenger hunt begins, Robin must go against every rule she's lived by to survive. "Holder and Viguíé keep the action churning along as they bounce from teen to teen for different perspectives on the action, sometimes recording a murder with appropriate gore, sometimes an escape."--Kirkus

**Help! I'm Trapped in a Movie Star's Body** Todd Strasser 1998 When actor Erie Lake gets tired of dealing with his fame and fortune, he switches bodies with Jake in order to experience life as a normal kid, but Jake may decide that he likes life in the limelight. Original.

*Lord of the Flies* William Golding 2003-12-16 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Thief of Dreams Adrian Cole 2014-04-01 Vicious aliens, human gladiators, and elemental gods populate the realms of the Star Requiem series in the second novel following *Mother of Storms*. Adrian Cole's acclaimed Star Requiem series welcomes readers to Innasmorn, a planet where the elements are worshipped as gods . . . and where mankind is considered the enemy. In the impenetrable West of Innasmorn lies the forbidden city of Shung Hang—a mystical place shrouded in legend . . . and guarded by the winged warriors of the last goddess, the Aviatrice. Pursued by the relentless death machine of the corrupt prime consul Zellorian, the last remnants of an exterminated mortal race make their way across a perilous, devastated land. For only by harnessing an ancient power secreted in the Deathless City can the intrepid human survivors hope to hold the enemy at bay—and forestall the bloodthirsty alien Csendook's planned genocide of humankind. Don't miss the entire Star Requiem quartet: *Mother of Storms*, *Thief of Dreams*, *Warlord of Heaven*, and *Labyrinth of Worlds*.

**We Beat the Street** Sampson Davis 2006 Three boys, who made a pact to stick together through the rough times in their impoverished Newark neighborhood, found the strength to work through their difficulties and complete high school, college, and medical school together.

**Hero Dogs** Wilma Melville 2019-01-08 Lola was a buckshot-riddled stray, lost on a Memphis highway. Cody was rejected from seven different homes. Ace had been sprayed with mace and left for dead on a train track. They were deemed unadoptable. Untrainable. Unsalvageable. These would become the same dogs America relied on when its worst disasters hit. In 1995, Wilma Melville volunteered as a canine search-and-rescue (SAR) handler with her Black Labrador

Murphy in the aftermath of the Oklahoma City bombing. At the time, there were only fifteen FEMA certified SAR dogs in the United States. Believing in the value of these remarkable animals to help save lives, Wilma knew many more were needed in the event of future major disasters. She made a vow to help 168 dogs receive search-and-rescue training in her lifetime—one for every Oklahoma City victim. Wilma singlehandedly established the National Disaster Search Dog Foundation (SDF) to meet this challenge. The first canine candidates—Ana, Dusty, and Harley—were a trio of golden retrievers with behavioral problems so severe the dogs were considered irredeemable and unadoptable. But with patience, discipline, and love applied during training, they proved to have the ability, agility, and stamina to graduate as SARs. Paired with a trio of firefighters, they were among the first responders searching the ruins of the World Trade Center following 9/11—setting the standard for the more than 168 of the SDF's search-and-rescue dogs that followed. Beautiful and heart-wrenching, Hero Dogs is the story of one woman's dream brought to fruition by dedicated volunteers and firefighters—and the bonds they forged with the incredible rescued-turned-rescuer dogs to create one of America's most vital resources in disaster response.

Marriage, a History Stephanie Coontz 2006-02-28 Just when the clamor over "traditional" marriage couldn't get any louder, along comes this groundbreaking book to ask, "What tradition?" In *Marriage, a History*, historian and marriage expert Stephanie Coontz takes readers from the marital intrigues of ancient Babylon to the torments of Victorian lovers to demonstrate how recent the idea of marrying for love is—and how absurd it would have seemed to most of our ancestors. It was when marriage moved into the emotional sphere in the nineteenth century, she argues, that it suffered as an institution just as it began to thrive as a personal relationship. This enlightening and hugely entertaining book brings intelligence, perspective, and wit to today's marital debate.

Manhattan Cult Story Spencer Schneider 2022-07-05 "We were invisible. We had to be. We took an oath of absolute secrecy. We never even told our immediate families who we were. We went about our lives in New York City. Just like you. We were your accountants, money managers, lawyers, executive recruiters, doctors. We owned your child's private school and sold you your brownstone. But you'd never guess our secret lives, how we lived in a kind of silent terror and fervor. There were hundreds of us." Right under the noses of neighbors, clients, spouses, children, and friends, a secret society, simply called School—a cult of snared Manhattan professionals—has been led by the charismatic, sociopathic and dangerous leader Sharon Gans for decades. Spencer Schneider was recruited in the eighties and he stayed for more than twenty-three years as his life disintegrated, his self-esteem eroded, and he lined the

pockets of Gans and her cult. Cult members met twice weekly, though they never acknowledged one another outside of meetings or gatherings. In the name of inner development, they endured the horrors of mental, sexual, and physical abuse, forced labor, arranged marriages, swindled inheritances and savings, and systematic terrorizing. Some of them broke the law. All for Gans. "During those years," Schneider writes, "my world was School. That's what it's like when you're in a cult, even one that preys on and caters to New York's educated elite. This is my story of how I got entangled in School and how I got out." At its core, *Manhattan Cult Story* is a cautionary tale of how hundreds of well-educated, savvy, and prosperous New Yorkers became fervent followers of a brilliant but demented cult leader who posed as a teacher of ancient knowledge. It's about double-lives, the power of group psychology, and how easy it is to be radicalized—all too relevant in today's atmosphere of conspiracy and ideologue worship.

*People Training for Good Dogs* Melissa Berryman 2013-03-06 Imagine your reaction if your child's friend grabs the remote control of the TV you are watching and changes the channel—and then later, does it again. We instantly recognize this behavior as wrong and correct it. When humans break dog rules and they correct us, we ignore our insubordinate actions and default to "blaming the dog." Former animal officer Melissa Berryman has witnessed how devastating the effects society's entrenched beliefs regarding dog behavior and temperament can be—that good behavior can be purchased, that an owner's handling ability doesn't matter, that human behavior and the situations in which the dog is placed are insignificant. Berryman shows how analyzing situations and contexts can stop the cycle of preventable incidents. Written with humor and compassion, *People Training for Good Dogs* offers insight into the impact that human behavior and understanding have on our relationships with dogs. By working with core canine social and behavioral drives, Berryman provides owners with sound techniques that focus on safety and can help protect their liability in today's world. "This is the new Bible for all dog owners. ... It will truly help you have the best relationship with yours and all dogs!" —Katie Riopel, dog trainer and host of *Katie K9*

*Getting Everything You Can Out of All You've Got* Jay Abraham 2001-10-12 A consultant to some of America's leading corporations shares key insights and ideas on how to supercharge one's business and career, explaining how to create and develop new opportunities for wealth in any business, enterprise, or venture. *The School for German Brides* Aimie K. Runyan 2022-04-26 In this intriguing historical novel, a young woman who is sent to a horrific “bride school” to be molded into the perfect Nazi wife finds her life forever intertwined with a young Jewish woman about to give birth. Germany, 1939 As the war begins, Hanna Rombauer, a young German woman, is sent to live with her aunt and uncle after her mother's death. Thrown into a life of luxury she never expected, Hanna soon finds herself unwillingly matched with an SS officer twenty years her senior. The independence that her mother lovingly fostered in her is considered highly inappropriate as the future wife of an up-and-coming officer and she is sent to a “bride school.” There, in a posh villa on the outskirts of town, Hanna is

taught how to be a “proper” German wife. The lessons of hatred, prejudice, and misogyny disturb her and she finds herself desperate to escape. For Mathilde Altman, a German Jewish woman, the war has brought more devastation than she ever thought possible. Torn from her work, her family, and her new husband, she fights to keep her unborn baby safe. But when the unthinkable happens, Tilde realizes she must hide. The risk of discovery grows greater with each passing day, but she has no other options. When Hanna discovers Tilde hiding near the school, she knows she must help her however she can. For Tilde, fear wars with desperation when Hanna proposes a risky plan. Will they both be able to escape with their lives and if they do, what kind of future can they possibly hope for?
