The Longest Silence Thomas McGuane 2014-08-06 From the highly acclaimed author of *Ninety-two in the Shade* and *Cloudbursts* comes a collection of alternately playful and exquisite essays—including seven collected here for the first time—borne of a lifetime spent fishing. "Thomas McGuane writes about fishing better than anyone else in the history of mankind." —Jim Harrison, *New York Times* bestselling author of *Legends of the Fall* The forty extraordinary pieces in *The Longest Silence* take the reader from the tarpon of Florida to the salmon of Iceland, from the bonefish of Mexico to the trout of Montana. They introduce characters as varied as a highly literate Canadian frontiersman and a devoutly Mormon river guide and address issues ranging from the esoteric art of tying flies to the enduring philosophy of a seventeenth-century angler to the trials of the aging fisherman. Both reverent and hilarious by turns, and infused with a deep experience of wildlife and the outdoors, *The Longest Silence* sets the heart pounding for a glimpse of moving water and demonstrates what dedication to sport reveals about life.

The Butcher's Tale: Murder and Anti-Semitism in a German Town Helmut Walser Smith 2003-11-17 One of the most dramatic explorations of a German town in the grip of anti-Semitic passion ever written. In 1900, in a small Prussian town, a young boy was found murdered, his body dismembered, the blood drained from his limbs. The Christians of the town quickly rose up in violent riots to accuse the Jews of ritual murder—the infamous blood-libel charge that has haunted Jews for centuries. In an absorbing narrative, Helmut Walser Smith reconstructs the murder and the ensuing storm of anti-Semitism that engulfed this otherwise peaceful town. Offering an instructive examination of hatred, bigotry, and mass hysteria, *The Butcher's Tale* is a modern parable that will be a classic for years to come. Winner of the Fraenkel Award and a *Los Angeles Times* Best Book of 2002.

World Cruising Handbook Jimmy Cornell 2001 *World Cruising Handbook* is a companion volume to Jimmy Cornell's internationally best-selling *World Cruising Routes* and contains invaluable practical information on all aspects of cruising worldwide. The third edition of *World Cruising Handbook* has been thoroughly

revised to bring it in line with the enormous changes brought about by the Internet revolution. Entries for all 185 maritime nations of the world have been thoroughly revised in order to gather together in a single volume all the practical information anyone would need when planning to sail anywhere in the world. Section I cover matters of general interest such as cruising formalities, health precautions, and radio and satellite communications. Section II describes the history, economy, political situation, culture, climate, language and religion of 185 countries and dependencies, as well as giving an insight into the cruising attractions of each country. Detailed information is provided on: Ports of entry Customs, health and immigration requirements Clearance procedures, cruising permits and bonds Ports, marinas and technical facilities Local time, currency, business hours, public holidays, electricity, etc. Section III contains information on IALA buoyage, U.S. and British chart agents worldwide and a glossary of useful terms in several languages. World Cruising Handbook is the indispensable reference guide for long distance sailors. The information in this book is continuously updated on www.noonsite.com, Jimmy Cornell's website for cruising sailors.

Italian Waters Pilot Rod Heikell 2019-09-16 Italian Waters Pilot is the only guide for yachtsmen in English that covers the coasts of the Tyrrhenian Sea, Sardinia, Sicily, the Ionian 'heel' and Malta in one volume. This new tenth edition builds on first-hand research by the authors through the Tuscan islands, along the Tyrrhenian and Ionian coasts, to Sardinia and Sicily, Malta and Gozo. Numerous revisions have been made throughout, with the text, plans and photographs undergoing a complete overhaul. Care has been taken to research the details of marina developments. Where it has been available information is given on proposed changes and extensions to yacht harbours. Marine reserves are now an important feature of the coasts and off-lying islands, particularly in Sardinia and Sicily, and this edition provides updated details of the latest regulations. Climate change and extreme weather events are becoming a major issue and this edition includes a section on the how climate change might affect sailing in the Mediterranean. Italian Waters Pilot is the last word on the area for yachts cruising there and on their way between western and eastern parts of the Mediterranean.

East Aegean Rod and Lucinda Heikell 2021-07-01 The expanded third edition of this popular cruising guide encompasses the Greek Dodecanese islands and the Turkish coast eastwards from the Samos Strait to Kas and Kekova. Fully illustrated with up to date plans and numerous new photographs, it is packed with all the essential information for getting to the area, formalities and sailing these beautiful cruising grounds. There is a level of further detail to this coverage in terms of anchorages and other destinations than is found in the Heikell's Greek Waters Pilot and Turkish Waters and Cyprus Pilot. This handy guide also whets the appetite for the local cuisine and culture and gives some historic context to exploration ashore. The fantastic background information with historical and mythological anecdotes gives ... a richness too often missing from bald pilot guides. Royal Cruising Club ... no East Med cruiser will want to sail without a copy. Yachting Monthly

Beetle Love Nadja Kneissler 2019-01-31 - A tribute to the Volkswagen Beetle, the most-loved car in the world - Glorious photographs throughout Beetle Love endures. It's global and conquers every generation. And this love is classless. Never mind if used as a taxi on a daily basis, as a company car owned by a craft brewery in Ecuador, as a show piece in Great Britain or as a family heirloom in Indonesia: Beetle Love introduces them all. Convertibles and limousines, from red to rusty, from purple to polished. And it's always the story that their owners lost their hearts to the Beetle. And rightly so! Hardly any other car arouses more emotions around the world. All covered in this book, more than 20 stories, 208 pages, a wonderful and unique picture and story book. Text in English and German.

Il promo libro de madrigali a cinque voci (Venice, 1578) Leonard Meldert 2014-10-01 Leonard Meldert's *Primo libro de madrigali a cinque voci (Venice, 1578)* has an interest and musical quality far beyond what one might guess from the modest facts of the author's life and works. The book partly reflects the musical tastes of the court of Urbino in the final years of Duke Guidobaldo II Della Rovere (1514-74) and of the private household of his brother, Cardinal Giulio Della Rovere (1533-78). But its structure and contents display some unusual features that can be linked to the circumstances of Meldert's life and to his own initiative in projecting and assembling his book of madrigals. Moreover, it offers the first settings of then-recent poems by Torquato Tasso, Giovanni Battista Guarini, and Giuliano Goselini, the result of the composer's personal contacts in the court of Ferrara and his ties to the literary and musical circle of Antonio Londonio, a Milan-based Spanish diplomat. This edition presents the *Primo libro* for the first time in a modern edition, examining Meldert's textual choices and musical style within the contexts of courtly life, his personal biography, and the nascent *seconda prattica*.

World Cruising Destinations Jimmy Cornell 2017-11-30 'What Jimmy Cornell doesn't know about cruising isn't worth knowing' - *Yachting World* One of the most influential cruising yachtsmen writing today, Jimmy Cornell has sailed over 200,000 miles on all the oceans of the world, including three circumnavigations and voyages to the Arctic and Antarctic. His successful guide to sailing around the world, *World Cruising Routes*, has helped many aspirational voyagers turn their dreams into reality and follow in his footsteps. Here in its extensively revised edition is its partner, covering all the land-based essentials for cruisers. This substantial handbook profiles

every cruising destination in the world, with information on cruising attractions, history, culture, climate (including average monthly temperatures and rainfall, plus tropical storm seasons), local laws, regulations and formalities, facilities available, plus public holidays and events, emergency telephone numbers, and much more. Everything the cruiser needs to know about. Lavishly illustrated throughout, it is not only a must-have onboard reference work for long distance sailors, but will undoubtedly inspire the adventurous to sail where they have never sailed before.

The Czar's Madman Jaan Kross 2001 Timo von Bock's release by the Czar from nine years' incarceration does not spell the end of the Baron's troubles: he is confined to his Livonian estate to live under the constant eye of police informers planted among his own household, and is subjected to endless humiliations. It is claimed that he is a madman and in need of "protection:" a man would need to be insane, after all, to have taken a Czar at his word when asked for a candid appraisal of the state's infirmities. From the year of his release from prison and return to his wife Eeva, a woman of peasant stock to whom, with her brother Jakob, he has given a solid education, the Baron's life is recorded in a secret journal by this same Jakob, a shrewd and observant house-guest. Reconstructing the events leading up to the Baron's incarceration in 1818 and subsequent to his release in 1827, Jakob little by little brings to light mysteries surrounding the "Czar's madman." Was his madness genuine? What was the secret understanding between him and his boon companion Czar Alexander I, who committed him to prison? In *The Czar's Madman*, Jaan Kross weaves together the elements of intrigue surrounding those historical characters who survived in post-Napoleonic Russia, and by a skillful shifting of chronology and viewpoints, creates a superbly rich and moving narrative.
