Landslide Michael Wolff 2021-07-13 An instant New York Times bestseller. Critics agree: Michael Wolff's Landslide is THE book on Trump. "Landslide . . . is the one to leap upon. Smart, vivid and intrepid . . ." —The New York Times "I inhaled Landslide, gobbled it up." —Slate "Wow. Just wow . . ." —Evening Standard "Cruel, unforgiving, muckraking, scandalous. I couldn't stop reading it."—The Telegraph We all witnessed some of the most shocking and confounding political events of our lifetime: the careening last stage of Donald J. Trump's reelection campaign, the president's audacious election challenge, the harrowing mayhem of January 6, the buffoonery of the second impeachment trial. But what was really going on in the inner sanctum of the White House during these calamitous events? What did the president and his dwindling cadre of loyalists actually believe? And what were they planning? Michael Wolff pulled back the curtain on the Trump presidency with his #1 bestselling blockbuster Fire and Fury. Now, in Landslide, he closes the door on the presidency with a final, astonishingly candid account. Wolff embedded himself in the White House in 2017 and gave us a vivid picture of the chaos that had descended on Washington. Almost four years later, Wolff finds the Oval Office even more chaotic and bizarre, a kind of Star Wars bar scene. At all times of the day, Trump, behind the Resolute desk, is surrounded by schemers and unqualified sycophants who spoon-feed him the "alternative facts" he hungers to hear—about COVID-19, Black Lives Matter protests, and, most of all, his chance of winning reelection. Once again, Wolff has gotten top-level access and takes us front row as Trump's circle of plotters whittles down to the most enabling and the president reaches beyond the bounds of democracy

as he entertains the idea of martial law and balks at calling off the insurrectionist mob that threatens the institution of democracy itself. As the Trump presidency's hold over the country spiraled out of control, an untold and human account of desperation, duplicity, and delusion was unfolding within the West Wing. *Landslide* is that story as only Michael Wolff can tell it.

*Collusion* Luke Harding 2017-11-16 #1 NEW YORK TIMES BESTSELLER • An explosive exposé that lays out the story behind the Steele Dossier, including Russia's decades-in-the-making political game to upend American democracy and the Trump administration's ties to Moscow. "Harding...presents a powerful case for Russian interference, and Trump campaign collusion, by collecting years of reporting on Trump's connections to Russia and putting it all together in a coherent narrative." —The Nation December 2016. Luke Harding, the Guardian reporter and former Moscow bureau chief, quietly meets former MI6 officer Christopher Steele in a London pub to discuss President-elect Donald Trump's Russia connections. A month later, Steele's now-famous dossier sparks what may be the biggest scandal of the modern era. The names of the Americans involved are well-known—Paul Manafort, Michael Flynn, Jared Kushner, George Papadopoulos, Carter Page—but here Harding also shines a light on powerful Russian figures like Aras Agalarov, Natalia Veselnitskaya, and Sergey Kislyak, whose motivations and instructions may have been coming from the highest echelons of the Kremlin. Drawing on new material and his expert understanding of Moscow and its players, Harding takes the reader through every bizarre and disquieting detail of the "Trump-Russia" story—an event so huge it involves international espionage, off-shore banks, sketchy real estate deals, the Miss Universe pageant, mobsters, money laundering, poisoned dissidents, computer hacking, and the most shocking election in American history.

**Trump Never Give Up** Donald J. Trump 2010-12-29 In *Never Give Up*, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump's career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, *Never Give Up* will help you deal with your own personal challenges, failures, and weaknesses.

**Too Much and Never Enough** Mary L. Trump 2020-07-14 In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

*There Is Nothing for You Here* Fiona Hill 2021-09-07 A celebrated foreign policy expert and key impeachment witness reveals how declining opportunity has set America on the grim path of modern Russia--and draws on her personal journey out of poverty, and her unique perspectives as an historian and policy maker, to show how we can return hope to our forgotten places.

**Donald Trump** United Library 2021-01-22 Donald Trump is the 45th and current President of the United States; he took office on January 20, 2017. Previously, he was a real estate mogul and a former reality TV star. In 1980, he opened the Grand Hyatt New York, which made him the city's best-known developer. In 2004, Trump began starring in the hit NBC reality series *The Apprentice*. Trump turned his attention to

politics, and in 2015 he announced his candidacy for president of the United States on the Republican ticket. Trump became the official Republican candidate for president on July 19, 2016, and upset Democratic candidate Hillary Clinton on November 8, 2016, to become the 45th president of the United States. Four years later, Trump lost his bid for reelection to former vice president Joe Biden. "We got more money. We got more brains. We got better houses, apartments. We got nicer boats. We're smarter than they are. And they say 'The elite'." - Donald Trump This is Donald Trump's descriptive and concise biography.

*Dealbreaker* Scott Ritter 2018-11-15 The Iran nuclear deal was a crowning moment of international diplomacy, allowing the world to step away from the edge of a self-created abyss. Donald Trump's decision to withdraw from this agreement threatens to return the world to that precipice. Dealbreaker recounts how this deal was made, why it was broken, and what the consequences of that action could be. When the United States made the decision in the 1980s to deny Iran access to nuclear technology, Iran was forced to turn to the black market to get the material, technology and know-how required to meet its need for nuclear power generation, inclusive of the ability to indigenously produce nuclear fuel. The revelation of Iran's secret nuclear program in 2002 set in motion a battle of wills between the Iranians, who viewed nuclear power as their inherent right, and the rest of the world, who feared the proliferation implications of allowing Iran access to technology that could be used to make a nuclear weapon. The United States and its ally, Israel, pulled no punches, using diplomatic pressure to impose crippling economic sanctions, and covert activities to sow disinformation, sabotage equipment and murder Iranian nuclear scientists in an effort to stop the Iranian nuclear program from going forward. Iran prevailed, confronting the United States with the choice of either going to war, or accepting the reality of an Iranian nuclear program. The Iranian nuclear deal was the result. But the deal had an Achilles heel—the disinformation campaign waged by the United States and Israel to paint the Iranian program as military in nature left a residue of uncertainty and fear that the detractors of the deal used to attack it as little more than a sham. Donald Trump decried the Iranian nuclear deal as a “failed agreement” and promised to tear it up if he were elected President. Trump prevailed in the election, and ended up being as good as his word, pulling America out of the Iranian nuclear deal on May 12, 2018. Dealbreaker explores the nuances of the Iranian nuclear program, exposing the duplicity and hypocrisy of American diplomacy, supported by Israel and abetted by Europe, that led to the need for the Iranian nuclear deal and eventually caused the demise of an agreement that was simultaneously “the deal of the century” and fatally flawed.

**Trump Revealed** Michael Kranish 2017-01-10 "Who is Donald J. Trump? To discover Trump in full, the Washington Post assembled a team of award-winning reporters and researchers to investigate every aspect of his life, from his privileged upbringing in Queens to his hundreds of lawsuits, his infamous womanizing, his shifting position on abortion rights, his dizzying seven changes in party affiliation, and his

astonishing, disruptive election as president in November 2016" -- Page [4] of cover.

**The Trump Century** Lou Dobbs 2020-09-22 How did Donald Trump almost single-handedly reverse America's decline? As the 21st Century began, the world's only superpower was economically adrift, policing the world at the expense of American lives and trillions of dollars, weighed down by one-sided trade and security agreements with Europe and China ratified in a different era. Elites of both political parties battled over who would manage America's decline from preeminent world power. In *The Trump Century*, the indomitable Lou Dobbs explains how Trump has steered the debate every day he has been in politics, greatly expanding what Washington thinks is possible. By 2016, the globalist elites demanded no one speak about limiting illegal immigration or securing our borders. The elites told you communist China would soon be like us, and the PC orthodoxy told you what you could or could not say. You were told America's Middle Class could never grow again and wages would be stagnant into perpetuity. Trump reversed all of that as radical Democrats and the Deep State conspired to overthrow his Presidency, as the deadly pandemic raged, and orchestrated street protests and violent riots dominated news headlines. He not only made America great again but created a new standard for all future Presidents and likely has set the American agenda for the next hundred years. *The Trump Century* opens a window into Trump's thinking on the economy, foreign policy, and border security and will energize his allies when they realize the future they've shaped.

**The Art of Closing Any Deal** James W. Pickens 2009-10-31 Showing how to read the customer's emotions, this classic gives readers the inside knowledge to overcome any barrier and successfully make the close every time.

*Time to Get Tough* Donald J. Trump 2011-12-06 A New York Times bestseller! For the first time in his own words, President-elect Donald J. Trump explains his plan to make America great again! He wants to "put America's interests first--and that means doing what's right for our economy, our national security, and our public safety." Throughout the 2016 campaign, Trump conjured images of American strength and culture when small towns boomed with industry, mom and pop shops bustled, and people said, "Merry Christmas!" The media scoffed at Trump's vision and the people who supported him; they were blinded

by the Clinton machine. But their eyes were opened after Trump won 62 million votes and the Oval Office. Even Republican House Speaker Paul Ryan said, “Donald Trump heard a voice in this country that no one else heard.” As Trump says in *Time to Get Tough*, “I’ve built businesses across the globe. I’ve dealt with foreign leaders. I’ve created tens of thousands of American jobs. My whole life has been about executing deals and making real money—massive money. That’s what I do for a living: make big things happen...” Trump is about to make the biggest deals of his life, and he’s going to make them for America! From reversing lax immigration policies to eliminating regulations that restrict small businesses, Donald Trump understands that America “doesn’t need cowardice, it needs courage.” President Elect Trump is about to “Make America Great Again” and *Time to Get Tough* is his blueprint!

**Trump: The Art of the Deal** Donald J. Trump 2009-12-23 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. “I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for *Trump: The Art of the Deal* “Trump makes one believe for a moment in the American dream again.”—*The New York Times* “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—*Chicago Tribune* “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—*Boston Herald* “A chatty, generous, chutzpa-filled autobiography.”—*New York Post*

**Donald J. Trump** Conrad Black 2018-05-14 Conrad Black, bestselling author of *Franklin Delano Roosevelt: Champion of Freedom* and *Richard M. Nixon: A Life in Full*, turns his attention to his "friend" President

Donald J. Trump and provides the most intriguing and significant analysis yet of Trump's political rise. Ambitious in intellectual scope, contrarian in many of its opinions, and admirably concise, this is surely set to be one of the most provocative political books you are likely to read this year.

Think Like a Champion Donald Trump 2010-04-06 Over the years, President Donald Trump has written many bestselling books, but he has also written shorter essays that encompass his philosophy about how to live life to the fullest, both personally and professionally. In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an "informal education" about success in business and in life. With a foreword by Rich Dad, Poor Dad, author Robert Kiyosaki, Trump's business acumen is on full display in such essays as: \*Keep the Big Picture in Mind \*Essays, Assets, and Stephen King \*Imagination: A Key to Financial Savvy \*Financial Literacy \*Think Like a Genius \*How to Get Rich

*The America We Deserve* Donald Trump 2000-01-15 The essential, bestselling book that first defined President Donald Trump's political ideas. *The America We Deserve* is the essential book for anyone who wants to understand the core of Donald Trump's political thinking. In this book, written as he first considered running for president in 2000, Trump offers no-nonsense, populist, provocative, and dramatic solutions to issues that continue to resonate with voters today. In this book, Trump lays out a vision for America that is strong, optimistic, and founded on core Republican principles of self-reliance, limited governance, economic growth, and equitable taxation. Striking for its similarities to President Trump's current initiatives--but also fascinating in its differences--*The America We Deserve* reveals a man who is fully engaged with the nation and cares deeply about its future. Readers and voters will discover Trump's ideas on: \*Foreign policy and relations with China, Russia, North Korea, and Israel \*How to fix our broken and underperforming education system \*Reducing regulations on business to help create jobs and economic growth \*A dramatic one-time tax on the super-wealthy to close the national debt and fuel tax cuts for the middle class \*Immigration, crime, terrorism, and more *The America We Deserve* is essential reading for Trump-watchers, voters, Republicans, Democrats, and anyone interested in how Trump the businessman became Trump the president.

**Trump: The Way to the Top** Donald J. Trump 2004-05-18 The host of the hit reality show *The Apprentice* presents an invaluable collection of grounded, hard-hitting advice on business success, from people who have made it to the boss's chair at some of America's most thriving companies. How can you find the way to the top? Ask people who are already there. Because you can't know it all. No matter how smart you are, no matter how comprehensive your education, no matter how wide-ranging your business experience, there's simply no way to acquire all the wisdom you need to make your business flourish. You need to learn from those who have blazed a trail before you. Donald Trump has asked many of the brightest, most successful businesspeople he knows—and some he doesn't know—to answer this question: What's the best business advice you ever received? The result is a compelling resource of wisdom and wit that reveals how some of the most accomplished people conduct their personal and business affairs, giving an inside look into the secrets of corporate success. But the advice doesn't only come from the upper echelons of the Fortune 500. Thoughts poured in from executives at thriving companies large and small, ranging from well-known icons such as Staples, American Airlines, Lillian Vernon, and Boeing to family-run operations like Orleans Homebuilders and Carlson Companies. *The Way to the Top* brings together the core ideas that have guided more than 150 of today's top businesspeople, offering a range of inspiring and practical advice on making good decisions, conducting yourself appropriately, developing your career, communicating with others, leading a team effectively, and much more. Some of the entries are simple entreaties, some portray intriguing vignettes, and others outline lists of guiding principles; all are illuminating, instructive, and insightful. A telling to-do list for the aspiring professional, *The Way to the Top* belongs on every business bookshelf.

*Trump: How to Get Rich* Donald J. Trump 2004-03-23 First he made five billion dollars. Then he made *The Apprentice*. Now *The Donald* shows you how to make a fortune, Trump style. **HOW TO GET RICH** Real estate titan, bestselling author, and TV impresario Donald J. Trump reveals the secrets of his success in this candid and unprecedented book of business wisdom and advice. Every day, he lives the American dream. Now he shows you how it's done, in this rollicking, inspirational, and illuminating behind-the-scenes story of invaluable lessons and rich rewards.

*The Art of Her Deal* Mary Jordan 2021-05-04 In this “scrupulously reported biography” (NPR) Jordan documents how Melania Trump had discussing being First Lady nearly two decades before she landed in the White House and how she encouraged her husband to enter the race for president. Based on interviews with more than one hundred people in five countries, *The Art of Her Deal: The Untold Story of Melania Trump* is “an extraordinary work” (Salon) that draws an unprecedented portrait of the first lady. We see that behind the scenes Melania Trump is not only part of President Trump’s inner circle, but for some key decisions she has been his single most influential advisor. Jordan interviewed key people in Melania's close circle who speak publicly for the first time and uncovered never-before-seen photos and tapes of the tall woman with “tiger eyes,” as a judge in an early modeling contest said. *The Art of Her Deal* shows Melania’s ascent from a modest life, tracing her journey from childhood under a communist dictator to her complicated relationship with Donald Trump. The picture that emerges is “that the first lady is not a pawn but a player... and a woman able to get what she wants from one of the most powerful and transparently vain men in the world” (NPR). And while it is her husband who became famous for the phrase “the art of the deal,” this is the story of the art of her deal.

*Trump and Autobiography* Nicholas K. Mohlmann 2021-05-24 The 1970s and 1980s heralded the rise of neoliberalism in United States culture, fundamentally reshaping life and work in the United States. Corporate culture increasingly penetrated other aspects of American life through popular press CEO

autobiographies and management books that encouraged individuals to understand their lives in corporate terms. Propelled into the public eye by the publication of 1989's *The Art of the Deal*, ostensibly a CEO autobiography, Donald Trump has made a career out of reversing the autobiographical impulse, presenting an image of his life that meets his narrative needs. While many scholars have sought a political precedent for Trump's rise to power, this book argues that Trump's aesthetics and life production uniquely primed him for populist political success through their reliance on the tropes of popular corporate culture. *Trump and Autobiography* contextualizes Trump's autobiographical works as an extension of the popular corporate culture of the 1980s in order to examine how Trump constructs an image of himself that is indebted to the forms, genres, and mechanisms of corporate speech and narrative. Ultimately, this book suggests that Trump's appeal and resilience rest in his ability to signify as though he is a corporation, revealing the degree to which corporate culture has reshaped American society's interpretive processes.

*Collateral Damage* Kim Darroch 2020-10-13 One of the UK's most experienced and respected diplomats reveals the inside story behind his resignation—and his perspective on the challenges of Brexit and the Trump White House. "@realDonaldTrump: The wacky ambassador that the UK foisted on the United States is not someone we are thrilled with, a very stupid guy . . . We will no longer deal with him." Kim Darroch is one of the UK's most experienced and respected diplomats, and this unvarnished, behind-the-scenes account will reveal the inside story behind his resignation; describe the challenges of dealing with the Trump White House; and offer a diplomat's perspective on Brexit, and how it looked to Britain's

closest ally. Darroch was the British Ambassador to the US as the age of Trump dawned and Brexit unfolded. He explains why the British embassy expected a Trump victory from as early as February 2016, what part every key figure—from Steve Bannon to Sarah Sanders—has played in Trump's administration, and what balanced policy makers on both sides of the Atlantic should consider during this era of seismic change and populist politics. A riveting account from the best-informed insider, *Collateral Damage* charts the strangest and most convulsive period in the recent history of Britain and the US—and shows how thirty months threatened to overturn three centuries of history.

*Killing the Deep State* Jerome R. Corsi. Ph.D. 2018-02-20 The truth behind how well-funded hard-left extremists, the mainstream media, and Obama/Clinton holdovers in the government bureaucracy have combined with clandestine forces within the US intelligence apparatus – the “Deep State” -- to block and undermine Trump’s every move. At 2:45 a.m. ET on Nov. 8, 2016, television networks announced to a stunned nation that Pennsylvania’s 20 electoral had gone for Donald Trump, making him the president-elect of the United States, defying all odds in a surreal victory that sent the Deep State into an immediate sense of panic. By dawn on Nov. 9, 2016, the Deep State forces that expected Hillary Clinton to continue the leftist politics of Barack Obama were already planning Donald Trump’s demise. What emerged from the hard left was a political strategy calculated to block Donald Trump from being inaugurated, and if that failed, to make sure Donald Trump would not long serve out his term as 45th President of the United States. Investigative journalist and conspiracy expert Jerome Corsi goes into shocking detail about how this Deep State or Shadow Government secretly wields power in Washington, and why the Deep State is dangerous – capable of assassinating Trump, if efforts to impeach him or to force him to resign fail. Corsi will also define a three-point strategy Trump -- as a political independent, opposed both by Democratic Party enemies and GOP establishment -- must employ to stay in office and have a chance of a successful first term in office.

[The Faith of Donald J. Trump](#) David Brody 2018-02-13 Based on extensive inside sources, including exclusive interviews with the President and Vice President, *The Faith of Donald J. Trump* explores his rarely discussed, but deeply important, religious beliefs and relationships with leading Evangelicals. The Chief Political Correspondent for the Christian Broadcasting Network and the "Jesus in the Public Square"

columnist for the Washington Times explore the rarely discussed, but deeply important, religious beliefs and worldview of Donald J. Trump and his advisors. Donald J. Trump was raised as a Presbyterian and has praised both Christianity and the primacy of the Bible. In the Oval Office, he has surrounded himself with close advisors who share his deep faith. In this deeply reported book, David Brody and Scott Lamb draw on unparalleled access to the White House to explain President Trump's connection to the Christian faith, the evangelical right, the prosperity gospel, and the pressing moral and ethical issues of our day. In part, the authors argue, President Trump won over evangelicals not by pandering to them, but by supporting them and all their most important issues without pretending to be something he's not. Though the forty-fifth president is far from the perfect vessel—he has been married three times—his supporters argue that Donald Trump may be just what America needs. This book reveals how he has surrounded himself with believers who think he is the one guiding figure who can return us to the traditional values—hard work, discipline, duty, respect, and faith—that have long been the foundation of American life, and truly make America great again in all ways.

**Trump-Style Negotiation** George H. Ross 2010-12-14 Ever since he wrote *The Art of the Deal*, Trump has been the world's most famous negotiator—even though he didn't reveal his actual deal-making secrets. Now, George Ross explains the tactics that took Trump to the top and how you can use those same tactics and strategies in your daily negotiations. A practical, real-world negotiation playbook, this is the ultimate guide for anyone who wants to negotiate like a proven winner.

[The Death of Truth](#) Michiko Kakutani 2019-08-13 NEW YORK TIMES BESTSELLER • From the Pulitzer Prize-winning critic comes an impassioned critique of America's retreat from reason We live in a time when the very idea of objective truth is mocked and discounted by the occupants of the White House. Discredited conspiracy theories and ideologies have resurfaced, proven science is once more up for debate, and Russian propaganda floods our screens. The wisdom of the crowd has usurped research and expertise, and we are each left clinging to the beliefs that best confirm our biases. How did truth become an endangered species in contemporary America? This decline began decades ago, and in *The Death of Truth*, former New York Times critic Michiko Kakutani takes a penetrating look at the cultural forces that contributed to this gathering storm. In social media and literature, television, academia, and politics, Kakutani identifies the trends—originating on both the right and the left—that have combined to elevate subjectivity over factuality, science, and common values. And she returns us to the words of the great

critics of authoritarianism, writers like George Orwell and Hannah Arendt, whose work is newly and eerily relevant. With remarkable erudition and insight, Kakutani offers a provocative diagnosis of our current condition and points toward a new path for our truth-challenged times.

*Trump University Marketing 101* Don Sexton 2006-06-27 *Trump University Marketing 101* combines the biggest name in business with the 40-year teaching experience of one of the most well-known marketing thinkers in academia. Without an MBA in marketing, how can today's entrepreneurs and business owners stay on top of what's happening in marketing? How can they find the best new ideas and avoid those tactics that don't work or just lead to trouble? *Trump University Marketing 101* presents all the basics of a marketing MBA. Each chapter focuses on one key marketing idea and explores it in a straightforward, non-academic manner with exercises and examples that show the idea in action. But more than basic instruction, Sexton also includes his own methodologies for making vital marketing decisions—the same methodologies major corporations pay top-dollar to have him teach their employees. Don Sexton is Professor of Business at Columbia University and principle of The Arrow Group, Ltd.®, a marketing consulting and training firm whose clients have included GE, Citigroup, IBM, and Pfizer, among many others. He has taught at Columbia for more than 35 years, is a recipient of the Business School's Distinguished Teaching Award, and has written numerous articles on marketing and branding issues. He is often quoted in prominent media such as *The New York Times*, *Business Week*, and Beijing's *China Economic Daily*.

TrumpNation Timothy L. O'Brien 2015-10-20 The extensively researched biography that goes beyond the hype to “separate Trump the reality from Trump the reality show” (USA Today). Now with a new introduction by the author, this entertaining look inside the world of Donald Trump is chock full of rip-roaring anecdotes, jaw-dropping quotes, and rigorous research into the business deals, political antics, curious relationships, and complex background of the forty-fifth US president. Granted unprecedented access, Timothy L. O'Brien traveled across the country and up and down the East Coast with Trump on his private jet, wheeled around Palm Beach with him in his Ferrari, and spent hours interviewing him in his home, in his office, and on the golf course. He met with the entrepreneur's closest friends and most aggressive rivals, while compiling a treasure trove of Trumpisms from the Donald himself: Trump on the public's enduring fascination with Trump: “There is something crazy, hot, a phenomenon out there about me, but I'm not sure I can define it and I'm not sure I want to.” Trump on naysayers: “You can go ahead and speak to guys who have four-hundred-pound wives at home who are jealous of me, but the guys who really know me know I'm a great builder.” Trump on the art of self-promotion: “You might as well tell people how great you are, because no one else is going to.” Ultimately, when O'Brien's research revealed that Trump's business record and annual spot on the Forbes 400 list of richest Americans might be more fantasy than reality, he—like so many others who have dared to tangle with the former host of *The Apprentice*—found himself in a courtroom. In a new introduction, O'Brien reflects on the recent wave of TrumpMania and updates readers on what it's like to depose one of the world's most litigious

businessmen—and win.

*Trump* Donald Trump 1997 The author tells how he rebounded from the verge of bankruptcy in 1990 to regain his status as New York's most prominent businessman, revealing his successful real estate and investment strategies

**An Especially Good View** Peter L. W. Osnos 2021-05-15 In more than five decades as a reporter, editor and publisher, Peter Osnos has had an especially good view of momentous events and relationships with some of the most influential personalities of our time. As a young journalist for I.F. Stone's Weekly, one of the leading publications of the turbulent 1960s and in 18 years at The Washington Post, he covered the war in Vietnam and Cambodia, the Soviet Union at the height of Kremlin power, Washington D.C. as National Editor, "Swinging London" in the 60s and Thatcher's Britain in the 1980s. At Random House and the company he founded, PublicAffairs, he was responsible for books by four presidents -Carter, Clinton, Obama and Trump; celebrated Washington figures including Robert McNamara, House Speaker Tip O'Neill and Vernon Jordan, first ladies Rosalynn Carter and Nancy Reagan, the billionaire George Soros, basketball superstars Kareem Abdul Jabbar and Magic Johnson, legendary spies, political dissidents and the writers, Molly Ivins and Peggy Noonan, among many others. In this unusually wide-ranging memoir, Osnos uses a reporter's skills to portray historic events and encounters beginning with his parents' extraordinary World War II experiences escaping Europe to India, where he was born, to the present day. He shares unique portraits of the famous people he worked with and an insider's perspective of the news and publishing businesses. As he charts the evolution of his career and recent history, he also explores the influence and impact of family, character, curiosity, luck, resilience, a well-pressed suit and some unexpected wrinkles. Also featuring a "virtual attic" of photographs.

What Really Matters Tony Schwartz 1996-03-01 At the height of his career as a journalist, Tony Schwartz hit an unexpected wall. Why did success suddenly feel so empty? How could he add richer meaning to his everyday life? What guides could he trust on the road to wisdom? During the next five years his search for answers took him from a meditation retreat in the mountains of Utah to a biofeedback laboratory in Kansas, from a peak-performance workshop at a tennis academy in Florida to a right-brain

drawing course in Boston. Blending the hunger of a seeker with a journalist's hard-headed inquiry, he discovered the best teachers and techniques for inner development--and identified the potential pitfalls and false gurus he met along the way. What he found dramatically changed his life. It may change yours as well.

*Bard of the Deal* Hart Seely 2015-12-15 From award-winning reporter and author of *Pieces of Intelligence: The Existential Poetry of Donald H. Rumsfeld* comes this collection of poems mined from the interviews, speeches, and tweets of Republican presidential candidate Donald Trump. The Vicious Ones I was attacked viciously By those women, Of course, it's very hard for them To attack me on looks, Because I'm so good looking. But I was attacked very viciously By those women. --August 9, 2015, NBC's Meet the Press Straight from the mouth of "the Donald" himself, this treasury of spoken poetry—not a word is changed—has been culled from nearly 30 years of interviews, speeches, tweets, and ramblings from Presidential candidate and billionaire Donald Trump. Since the 1980s, Trump has built his verses like his casinos, using only the highest quality words and phrases, regardless of cost. He's run a real estate empire, achieved a net worth of ten billion dollars, scripted best-sellers, and starred in the top-rated TV show "The Apprentice." Like a colossus, he bestrides the cultural world as if it were the bottle-strewn boardwalk of Atlantic City. But until now, Trump's poetry—delivered spontaneously in moments of enduring clarity—has gone unnoticed, (making it the only aspect of Trump to be that way.) On a regular basis, The Donald speaks, tweets and hollers his verses—always without the needless restrictions of political correctness and grammar... because among world class poets, there don't be no grammar, there only be truth... big time! Whether you're a Trump debunker or admirer, *The Bard of the Deal* will delight, shock, and entertain you. So prepare to be Trumped by the ten billion dollar poetry of the ten billion dollar bard. This is the art of the poem.
