Bulletin critique du livre français 1996

**The Devil's Armchair** Alberto Conte 2018-01-02 A Gothic tale that takes its title from ruin in S. Callisto Square, in Rome. Some say it was placed there by the Devil, behind the Pope's palace, to become his throne. Here Alberto Militelli conducts his esoteric rituals, for he only pretends to be a sorcerer: for he simply wishes to get rich. But his rise will be just as quick as his downfall.

**The Gothic Quest - A History of the Gothic Novel** Montague Summers 2016-09-22 "The Gothic Quest - A History of the Gothic Novel" is a 1938 treatise by Montague Summers on the subject of the Gothic novel, looking at its origins, evolution, and role in contemporary literature. Augustus Montague Summers (1880 - 1948) was an English clergyman and author most famous for his studies on vampires, witches and werewolves—all of which he believed to be very much real. He also wrote the first English translation of the infamous 15th-century witch hunter's manual, the "Malleus Maleficarum", in 1928. Contents include: "The Romantic Feeling", "Notes to Chapter I", "The Publishers and the Circulating Libraries", "Notes to Chapter II", "Influences from Abroad", "Notes to Chapter III", "Historical Gothic", "Notes to Chapters IV", "Matthew Gregory Lewis", etc. Other notable works by this author include: "A Popular History of Witchcraft" (1937), "Witchcraft and Black Magic" (1946), and "The Physical Phenomena of Mysticism" (1947). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

*Satanic Feminism* Per Faxneld 2017-08-24 According to the Bible, Eve was the first to heed Satan's advice to eat the forbidden fruit and thus responsible for all of humanity's subsequent miseries. The notion of woman as the Devil's accomplice is prominent throughout Christian history and has been used to legitimize the subordination of wives and daughters. In the nineteenth century, rebellious females performed counter-readings of this misogynist tradition. Lucifer was reconceptualized as a feminist liberator of womankind, and Eve became a heroine. In these reimaginings, Satan is an ally in the struggle against a tyrannical patriarchy supported by God the Father and his male priests. Per Faxneld shows how this Satanic feminism was expressed in a wide variety of nineteenth-century literary texts, autobiographies, pamphlets, newspaper articles, paintings, sculptures, and even artifacts of consumer culture like jewelry. He details how colorful figures like the suffragette Elizabeth Cady Stanton, gender-bending Theosophist H. P. Blavatsky, author Aino Kallas, actress Sarah Bernhardt, anti-clerical witch enthusiast Matilda Joslyn Gage, decadent marchioness Luisa Casati, and the Luciferian lesbian poetess Renée Vivien embraced these reimaginings. By exploring the connections between esotericism, literature, art and the political realm, *Satanic Feminism* sheds new light on neglected aspects of the intellectual history of feminism, Satanism, and revisionary mythmaking.

**Contes Français** Wallace Fowlie 1990-01-01 "The selections are good and the translations are excellent."—Germaine Bree, New York University Drawn from two centuries of French literature, these superb selections by ten great writers span a wide variety of styles, philosophies, and literary creeds. The stories reflect not only the beliefs of various literary schools, but the preoccupations of French civilization, at the various times of their composition, with the metaphysical and psychological problems of man. Contents include *Micromegas* (Voltaire), *La Messe de l'Athee* (Honoré de Balzac), *La Légende de Saint Julien l'Hospitalier* (Gustave Flaubert), *Le Spleen de Paris* (Charles Baudelaire), *Menuet* (Guy de Maupassant), *Mort de Judas* (Paul Claudel), *Le Retour de l'Enfant Prodigue* (André Gide), *Grand-Lebrun* (François Mauriac), *Le Passe-Muraille* (Marcel Aymé), and *L'Hôte* (Albert Camus). Students of French, or those who wish to refresh their knowledge of the language, will welcome this treasury of masterly fiction. The selections are arranged chronologically, allowing the reader to witness the development of French literary art—from Voltaire to Camus. Excellent English translations appear on pages facing the original French. Also included are a French-English vocabulary list, textural notes, and exercises. Unabridged, slightly revised Dover (1990) edition of the work published by Bantam Books, Inc., 1960.

*Space(s) of the Fantastic* David Punter 2020-12-30 This book provides a series of new addresses to the enduring problem of how to categorize the Fantastic. The approach taken is through the lens of spatiality; the Fantastic gives us new worlds, although of course these are refractions of worlds already in being. In place of 'real' spaces (whatever they might be), the Fantastic gives us imaginary spaces, although within those spaces historical and cultural conflicts are played out, albeit in forms that stretch our understanding of everyday location, and our usual interpretations of cause and effect. Many authors are addressed here, from a variety of different geographical and national traditions, thus demonstrating how the Fantastic - as a mode, a genre, a way of thinking, imagining and writing - continually traverses borders and boundaries. We hope to move the ongoing debate about the Fantastic forward in a scholarly as well as an engaging way.

*Gothic Topographies* Matti Savolainen 2016-04-22 In demonstrating the global reach of Gothic literatures, this collection takes up the influence of the Gothic mode in literatures that may be geographically remote from one another but still share related issues of minor languages, nation building, place and race. Suggesting that there is a parallel between certain motifs and themes found in the Gothic of the North (Scandinavia, Northern Europe and Canada) and South (Australia, South Africa and the US South), the essays explore the transgressions and confusion of borders and limits, whether they be linguistic, literary, generic, class-based, gendered or sexual. The volume includes essays on a wide diversity of authors and topics: Jan Potocki, Gustav Meyrink, William Godwin, Alan Hollinghurst, Marlene van Niekerk, John Richardson, antislavery discourse and the Gothic imagination, the Australian aboriginal Gothic, vampires of Post-Soviet Gothic society, Danish, Swedish and Finnish fiction and film, and the Canadian female Gothic and the death drive. What distinguishes this book from other collections on the Gothic is the coverage of themes and literatures that are either lacking in the mainstream research on the Gothic or are referred to only briefly in other book-length studies. Experts in the Gothic and those new to the field will appreciate the book's commitment to situating Gothic sensibilities in an international context.

### **Science-fiction Studies**

*Surrealist Collage in Text and Image* Elza Adamowicz 1998-05-28 This book offers a new analysis of surrealist collage, both as a technique of cutting and pasting readymade material, and as a subversive and creative strategy. Focusing on Paris as the site of the marvelous and the fragmented self, and illustrating many of the collages under discussion, it offers close readings of individual collages by Ernst, Breton, Styrsky and Péret among others, and links them to central issues of surrealist aesthetic, poetic and political activities. In the process, it proposes a radical reassessment of surrealism.

The Oxford Handbook of European Romanticism Paul Hamilton 2016-01-14 The Oxford Handbook to European Romanticism is a guide to European Romanticism written for an English-speaking audience. It finishes with a chapter on the European Romantic attitude to Britain. The authors are all expert in the original languages of the writers and topics which they discuss. European Romanticism sits in an epochal period full of historical excitement, beginning with the French Revolution and extending to the uprisings of 1848 across Europe. It witnessed what was arguably the first world war, against Napoleon, and the post-Napoleonic settlement at the Congress of Vienna which shaped the Europe which lasted until the Great War. Germany's greatest writer, Goethe, and Russia's, Pushkin, lived during this time. Other writers from different countries are comparably important - Mme de Staël, the founder of the sociology of literature and the original cultural commentator in her book *On Germany*; Giacomo Leopardi, the second greatest Italian poet after Dante; Victor Hugo, greatest French writer of the 19th century, hélas, and many others.

**Horror Literature through History: An Encyclopedia of the Stories that Speak to Our Deepest Fears [2 volumes]** Matt Cardin 2017-09-21 This two-volume set offers comprehensive coverage of horror literature that spans its deep history, dominant themes, significant works, and major authors, such as Stephen King, Edgar Allan Poe, and Anne Rice, as well as lesser-known horror writers. • Describes horror literature during different periods, thus helping readers understand the roots of modern horror literature, how works of horror have engaged social issues, and how horror has evolved over time • Connects horror literature to popular culture through sidebars on film adaptations, television shows, video games, and other nonliterary, popular culture topics • Includes excerpts from selected literary works that exemplify topics discussed in the entries that support English language arts standards by enabling students to read these excerpts critically in light of the entries • Prompts students to consider the nature of horror as a genre, the relationship of horror literature and social issues, and how horror literature intersects with mainstream supernatural concerns, such as religion

**Gothic Legacies** Laura Cleaver 2012-03-15 As this exciting contribution to interdisciplinary studies in the arts shows, the art and architecture of the Middle Ages were reworked, reframed and reinterpreted in diverse ways from as early as the sixteenth century. In addition, the definition of "Gothic" art and architecture was used, questioned, and challenged in a range of literature from the Renaissance onwards. The diverse essays in *Gothic Legacies: Four Centuries of Tradition and Innovation in Art and Architecture* demonstrate that the Gothic spirit manifested itself in many visual forms, including furniture, set design, cathedrals, book illustration, and urban architecture. Edited by Laura Cleaver and Ayla Lepine, *Gothic Legacies* showcases new research by scholars who are united by an interest what "Gothic" could mean in particular contexts, and how it was used across different periods, cultures, and media. The book's twelve essays are divided into thematic sections, which identify recurring themes in discussions of the "Gothic". The authors explore debates around the understanding and use of spolia and ideas about heritage, the relationships between "Gothic" art and literature, and the invocation of concepts of the "Gothic" in opposition to other categorisations (notably Classicism and Modernism). In doing so they shed light on rich dialogues between the present and the past (real or imagined). Featuring interdisciplinary and international contributions from medieval and modern period scholars with fresh academic

perspectives, this volume constitutes a valuable resource for anyone with an interest in how and why the art of the Middle Ages was to play such an important role in forming and revising personal, national, and international identities in subsequent works of art and architecture.

*Second Catalogue of the Library of the Peabody Institute of the City of Baltimore, Including the Additions Made Since 1882* Johns Hopkins University. Peabody Institute. Library 1898

**Little Black Book of Stories** A. S. Byatt 2007-12-18 Like Hans Christian Andersen and the Brothers Grimm, Isak Dinesen and Angela Carter, A. S. Byatt knows that fairy tales are for grownups. And in this ravishing collection she breathes new life into the form. *Little Black Book of Stories* offers shivers along with magical thrills. Leaves rustle underfoot in a dark wood: two middle-aged women, childhood friends reunited by chance, venture into a dark forest where once, many years before, they saw—or thought they saw—something unspeakable. Another woman, recently bereaved, finds herself slowly but surely turning into stone. A coolly rational ob-gyn has his world pushed off-axis by a waiflike art student with her own ideas about the uses of the body. Spellbinding, witty, lovely, terrifying, the *Little Black Book of Stories* is Byatt at the height of her craft.

**Magic Flutes and Enchanted Forests** David J. Buch 2009-08-01 Drawing on hundreds of operas, singspiels, ballets, and plays with supernatural themes, *Magic Flutes and Enchanted Forests* argues that the tension between fantasy and Enlightenment-era rationality shaped some of the most important works of eighteenth-century musical theater and profoundly influenced how audiences and critics responded to them. David J. Buch reveals that despite—and perhaps even because of—their fundamental irrationality, fantastic and exotic themes acquired extraordinary force and popularity during the period, pervading theatrical works with music in the French, German, and Italian mainstream. Considering prominent compositions by Gluck, Rameau, and Haydn, as well as many seminal contributions by lesser-known artists, Buch locates the origins of these magical elements in such historical sources as ancient mythology, European fairy tales, the *Arabian Nights*, and the occult. He concludes with a brilliant excavation of the supernatural roots of Mozart's *The Magic Flute* and *Don Giovanni*, building a new foundation for our understanding of the magical themes that proliferated in Mozart's wake.

*The Gothic Imagination* Gary Richard Thompson 1974

**European Gothic** Avril Horner 2017-06-01 The only collection to concentrate on the European Gothic – writing in English, French, German, Russian and Spanish. Charts the rich process of cross-fertilisation, especially regarding Anglo-French exchanges in the development of the Gothic novel. Emphasises the importance of the impact of translation on the development of the Gothic novel. Uses a variety of critical perspectives to reassess the work of authors such as Clara Reeve, Sophia Lee, Charlotte Smith, Ann Radcliffe, Matthew Lewis, Charles Maturin, Coleridge, Mary Shelley, Jan Potocki, Balzac, Dostoevsky, Gaston Leroux and Djuna Barnes. Offers a fresh way of thinking about Gothic lineages and histories.

**The Devil's Armchair** Alberto Conet 2019-09-22 *The Devil's Armchair* is a gothic tale that takes its title from a peculiar ruin in S. Callisto Square, in Rome. Some old legends say it was placed there by the Devil himself, behind the

Pope's palace, to become his throne. During the twelfth century, it was a place of orgies and black masses that inspired prophecies and easy healings. This is the stage where Alberto Militelli, ambiguous and charismatic, conducts his so called esoteric rituals. But he only pretends to be a sorcerer: for he simply has found his way to get rich and affluent. It doesn't matter how many dead bodies he leaves behind. He weaves a web of lies and deceptions, taking advantage of other people's sorrow and hope, playing with their lives with no mercy. But his rise to the top is quick, as will be his downfall. For his game has bothered his Master and his worst enemy: the Lord of the Dark, the Devil himself.

The New Cambridge Bibliography of English Literature: Volume 2, 1660-1800

George Watson 1971-07-02 More than fifty specialists have contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

**A classified Catalogue of the Mercantile Library of San Francisco; with an index of authors and subjects** Horace H. MOORE 1861

*Deux Contes Noirs* Robert Louis Stevenson 1992 Vous trouverez dans la collection Les Langues Modernes / Bilingue : - des textes de grands écrivains étrangers modernes ou contemporains, - une traduction fidèle et précise, - une introduction critique, - de nombreuses notes de caractère culturel et des précisions linguistiques éclairant certains tours de traduction. La collection les Langues Modernes / Bilingue entend permettre ainsi au plus grand nombre une authentique compréhension des littératures et par conséquent des cultures étrangères. *Two Gothic Tales* Le vieux Gordon, en proie à la folie, attend, sur la falaise d'Aros, que " la mer, la grande porte de l'enfer ", rejette les trésors des goélettes perdues. Folle comme Gordon, mais d'une folie sanguinaire, la mère d'Ollala. Et surtout quand " le vent noir " souffle sur la residencia. Dans la lignée de Walter Scott, Edgar Poe ou Charles Nodier, R.L. Stevenson s'affirme ici comme un des maîtres du conte fantastique.

*French Stories/Contes Francais* Wallace Fowlie 2012-07-31 Ten unusual stories: "Micromégas" by Voltaire; "The Atheist's Mass" by Balzac; "The Legend of St. Julian the Hospitaller" by Flaubert; "Spleen of Paris" by Baudelaire; and more. English translations appear on facing pages.

French Science Fiction, Fantasy, Horror and Pulp Fiction Jean-Marc Lofficier 2000 Connoisseurs of fantasy, science fiction, and horror have long recognized the important contributions of thousands of French authors, filmmakers, and artists. The volume is divided into two parts. Part I gives historical overviews, complete lists, descriptions, and summaries for works in film,

television, radio, animation, comic books, and graphic novels. This section also includes interviews with animation director Rene Laloux and comic book artist Moebius, as well as comments from filmmaker Luc Besson. Biographies are provided for over 200 important contributors to television and graphic arts. Part II covers the major authors and literary trends of French science fiction, fantasy, and horror from the Middle Ages to the present day. (French-Canadians and Belgians are also examined.) There is a biographical dictionary of over 3,000 authors, a section on major French awards, and a complete bibliography. Many illustrations (!) illuminate this thorough presentation.
