

# Two Views On Homosexuality The Bible And The Chur

If you ally compulsion such a referred **two views on homosexuality the bible and the chur** books that will present you worth, get the very best seller from us currently from several preferred authors. If you want to hilarious books, lots of novels, tale, jokes, and more fictions collections are as a consequence launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all ebook collections two views on homosexuality the bible and the chur that we will unquestionably offer. It is not something like the costs. Its approximately what you infatuation currently. This two views on homosexuality the bible and the chur, as one of the most in action sellers here will utterly be accompanied by the best options to review.

**Embodied** Preston M. Sprinkle 2021-02-01 Compassionate, biblical, and thought-provoking, Embodied is an accessible guide for Christians who want help navigating issues related to the transgender conversation. Preston Sprinkle draws on Scripture, as well as real-life stories of individuals struggling with gender dysphoria, to help you understand the complexities and emotions of this highly relevant topic. This book fills the great need for Christians to speak into the confusing and emotionally charged questions surrounding the transgender conversation. With careful research and an engaging style, Embodied explores: What it means to be transgender, nonbinary, and gender-queer, and how these identities relate to being male or female Why most stereotypes about what it means to be a man and woman come from the culture and not the Bible What the Bible says about humans created in God's image as male and female, and how this relates to transgender experiences Moral questions surrounding medical interventions such as sex reassignment surgery Which pronouns to use and how to navigate the bathroom debate Why more and more teens are questioning their gender

**Washed and Waiting** Wesley Hill 2016-09-13 Wesley Hill's personal experiences and biblical reflections offer insight into how a nonpracticing gay Christian can "prove, live out, and celebrate" the grace of Christ and the power of the Holy Spirit. For many who are on this path, it's a lonely one. The reality of loneliness and isolation of the celibate homosexual Christian is something that Hill lives and takes seriously in his pursuit of the gospel-centered life. To those on a similar journey, it's often a life of uncertainties and questions. In Washed and Waiting, Hill explores the three main struggles that have been part of his daily effort to live faithfully: What exactly does the gospel demand of gay and lesbian Christians, and how can it enable them to fulfill its commands? How do Christians who experience homoerotic desires live with the loneliness such desires entail? Is there any relief for it? What comfort does the gospel offer? Can those of us who struggle with homosexuality please God and truly experience his pleasure in the midst of sexual brokenness? Interspersed throughout these main sections are character sketches and stories of people who have experienced this journey's trials and triumphs. Hill offers wise counsel that is biblically faithful, theologically

serious, and oriented to the life and practice of the church. As a celibate gay Christian, he gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex sexual intimacy and contemplate serious and difficult questions.

*Biblical Ethics & Homosexuality* Robert Lawson Brawley 1996-01-01 What are the most important biblical texts for modern Christians to read in order to arrive at responsible decisions regarding the ethics of human sexual behavior? How should the Bible be used in this enterprise? How should those texts be translated for today's reader? The contributors to this book, all noted biblical scholars, confront these questions as they deal with issues surrounding the ethics of sexual behavior, in general, and the divisive issue of gay/lesbian ordination, in particular. They provide for the reader a deeper understanding of the Bible, its intentions, and its variety. This book offers a challenge to the church to give heed to the multiplicity of voices that are engaged in biblically responsible and constructive debates about the volatile issues regarding sexual behavior.

**Two Views on Women in Ministry** Zondervan, 2010-02-23 The role of women in positions of worship and church leadership is one of the most divisive and inconclusive biblical debates. *Two Views on Women in Ministry* furnishes you with a clear and thorough presentation of the two primary exegetical arguments so you can better understand each one's strengths, weaknesses, and complexities. Egalitarian - equal ministry opportunity for both genders (represented by Linda L. Belleville and Craig S. Keener) Complementarian - men and women fill distinctive ministry roles (represented by Craig L. Blomberg and Thomas R. Schreiner) This revised edition brings the exchange of ideas and perspectives into the traditional Counterpoints format. Each author states his or her case and is then critiqued by the other contributors. The fair-minded, interactive Counterpoints forum allows you to compare and contrast the two different positions and form your own opinion concerning the practical and often deeply personal subject of women in ministry. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

*Genesis: History, Fiction, or Neither?* James K. Hoffmeier 2015-05-12 The nature of the Genesis narrative has sparked much debate among Christians. This book introduces three predominant interpretive genres and their implications for biblical understanding. Each contributor identifies their position on the genre or genres of Genesis, chapters 1-11, addresses why their interpretation is respectful of and appropriate to the text, and contributes examples of its application to a variety of passages. The positions include: Theological History (Genesis can be taken seriously as both history and theology) - defended by James K. Hoffmeier. Proto-History (the early Genesis narratives consist of a variety of literary genres; which, nonetheless, do not obscure the book's theological teaching) - defended by Gordon J. Wenham. Ancient Historiography (an understanding of Genesis that seeks to reconcile the limitations of its human authors with the nature of it being the Word of God) defended by Kenton L. Sparks. General editor and Old Testament scholar Charles Halton explains the importance of genre and provides historical insight in the introduction and helpful summaries of each position in the conclusion. In the reader-friendly Counterpoints format, this book helps readers to reflect on the strengths and weaknesses of each view and draw informed conclusions in this much-debated topic.

## **What the Bible Really Says about Homosexuality** Daniel A. Helminiak 2000

**Bible, Gender, Sexuality** James V. Brownson 2013-02-03 In *Bible, Gender, Sexuality* James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

*Prostitutes and Polygamists* David T. Lamb 2015-09-01 Jacob and Solomon were polygamists. Tamar and Rahab were prostitutes. What are polygamists and prostitutes doing on the pages of Holy Scripture? And God told the prophet Hosea to marry a prostitute. What about Cain—did he really marry his sister? Abraham did, and he was also a polygamist. Lot offered his daughters up for rape, David committed adultery (or rape?) and the Bible calls both men righteous. Love, Old Testament style, was bizarre. As readers of the Old Testament encounter these weird, confusing, and horrific “love” stories they ask, “What’s up with sex in the Old Testament?” The church often ignores the R-rated bits of the Bible, so it’s hard for people to find answers to their disturbing questions about sex in Scripture, which can lead people to give up on God and God’s word. However, these stories were included in the Bible for a reason, to reveal an even more shocking “love” story. When humans behave badly, God behaves graciously. God not only forgives people with sexual baggage, but also redeems their lives and includes them in his mission. God’s word records their story to benefit us. Just as sex was not often ideal in the Old Testament, it’s often not ideal today. Instead of ignoring these stories, *Prostitutes and Polygamists* engages, discusses, and learns from them.

*Unchanging Witness* S. Donald Fortson 2016-02-01 The church is going through a time of severe fracture over the issue of homosexuality. This book addresses the arguments from the gay Christian movement and revisionist theologians and exegetes on a single point: Can they withstand the evidence of the primary sources? In *Unchanging Witness*, Donald Fortson and Rollin Grams articulate the consistent orthodox view on homosexuality by presenting primary sources throughout Christian history and by interpreting the biblical texts in their cultural contexts. The first part of the book examines church history from the patristic period to the present day, and the second part engages biblical texts in light of Ancient Near Eastern, Jewish, Greek, and Roman primary sources. Throughout, the authors survey the conflicting and changing arguments of revisionist readings and contend that, in light of the overwhelming evidence of the relevant texts, the real issue is not one of interpretation but of biblical authority and Christian orthodoxy.

*Four Views on Hell* Zondervan, 2016-03-08 Recent years have seen much controversy regarding a unified Christian doctrine of hell: Do we go to heaven or hell when we die? Or do we cease to exist? Are believers and unbelievers ultimately saved by grace in the end? By focusing on recent theological arguments, *Four Views on Hell: Second Edition* highlights why the church still needs to wrestle with the doctrine of hell. In the fair-minded and engaging

Counterpoints format, four leading scholars introduce us to the current views on eternal judgment, with particular attention given to the new voices that have entered the debate. Contributors and views include: Denny Burk - representing a principle of Eternal Conscious Torment John Stackhouse - representing a principle of Annihilationism (Conditional Immortality) Robin Parry - representing a principle of Universalism (Ultimate Reconciliation) Jerry Walls - representing a principle of Purgatory Preston Sprinkle concludes the discussion by evaluating each view, noting significant points of exchange between the essayists. The interactive nature of the volume allows the reader to reflect on the strengths and weaknesses of each view and come to an informed conclusion. BONUS CONTENT: Includes entire first edition of *Four Views on Hell* to help readers grasp the history of the discussion and how it has developed over the last twenty years.

*Sex Difference in Christian Theology* Megan K. DeFranza 2015-05-08 Charts a faithful theological middle coursethrough complex sexual issuesHow different are men and women? When does it matter to us -- or to God? Are male and female the only two options? In *SexDifference in Christian Theology* Megan DeFranza explores such questions in light of the Bible, theology, and science.Many Christians, entrenc

**Slaves, Women & Homosexuals** William J. Webb 2001-05-30 This volume by William J. Webb explores the hermeneutical maze that accompanies any treatment of these three controversial topics and takes a new step toward breaking down walls within the evangelical community related to them.

**Washed and Waiting** Wesley Hill 2010-11-29 Yet many who sit next to us in the pew at church fit that description, says author Wesley Hill. As a celibate gay Christian, Hill gives us a glimpse of what it looks like to wrestle firsthand with God's No to same-sex relationships. What does it mean for gay Christians to live faithful to God while struggling with the challenge of their homo...

*Those Seven References* John F. Dwyer 2021-03-17 A thoughtful analysis of the faulty rationale behind Christian anti-gay bias. There have been enormous strides toward equality for the queer community in recent years. There have also been regressive local legislative actions seeking to limit those national steps toward equality. Many of those who have led these regressive efforts are individuals steeped in purposeful ignorance, bias, tribalism, and a radicalization of faithful beliefs, misleading their congregations and influencing legislators. Personhood, the intense value of our individuality, cannot be made less by these few passages of scripture: God's love for our uniqueness is not compromised by oft misinterpreted verses. Having knowledge and words to counter baseless accusations can disarm those who would use these passages as weapons of exclusion and judgement, and can empower the queer community to live confidently in God's love.

Winsome Conviction Tim Muehlhoff 2020-12-08 In today's polarized context, Christians often have committed, biblical rationales for very different positions. How can Christians navigate disagreements with both truth and love? Tim Muehlhoff and Rick Langer provide lessons from conflict theory and church history on how to negotiate differing biblical convictions in order to move toward Christian unity.

*Homosexuality, Science, and the "plain Sense" of Scripture* David L. Balch 2000 Elucidates

Downloaded from [avenza-dev.avenza.com](https://avenza-dev.avenza.com)  
on December 1, 2022 by guest

the pros and cons of current Christian discussion on the question of homosexuality. Challenges partisan views and provides a balanced discussion.

**Christianity and Homosexuality Reconciled** Joseph Adam Pearson 2014-07-01 The book version of "Christianity and Homosexuality Reconciled: New Thinking for a New Millennium!" has been available on the internet in various digitized formats from its first copyright in 1999 up through the publication of this edition in 2014. During that period of time, the book has had more than 200,000 downloads. This book presents biological, historical, and scriptural aspects for understanding the reconciliation of Christianity and homosexuality from a Christian evangelical perspective. This well-read book fulfills its promise to be especially helpful to both heterosexual people and homosexual people who are struggling with the issue of reconciliation from a Biblical perspective. Titles of this book's chapters include: "Reconciliation and Coming Out" (Chapter One), "Controversial Human Rights Issues in the Christian Church" (Chapter Two), "The Seeming Dilemma" (Chapter Three), "Revisiting Sodom and Sodomites" (Chapter Four), "Levitical Law and Grace" (Chapter Five), and "Christian Ethics and Homosexual People" (Chapter Six). This book is meant to be read, reread, and studied. Its author hopes that each reader takes to heart the truths contained within it, that its truths help each reader to grow spiritually, and that each reader is inspired and better prepared to discuss and share these truths with others. This book is intended to serve the God of the Holy Bible by serving others and to serve others by serving God in providing a clearly-written and cogent account of how Christianity and homosexuality are reconcilable to each other (i.e., compatible with one another). Readers with inquiring and open minds will not be disappointed with the well-researched theme of this book. All net proceeds from the sale of this book go to support branch campuses of Christ Evangelical Bible Institute (CEBI) outside of the United States. CEBI International Branch Campuses are currently located in India, Tanzania, and the Philippines.

**Messy Grace** Caleb Kaltenbach 2015-10-20 Sometimes, grace gets messy. Caleb Kaltenbach was raised by LGBT parents, marched in gay pride parades as a youngster, and experienced firsthand the hatred and bitterness of some Christians toward his family. But then Caleb surprised everyone, including himself, by becoming a Christian...and a pastor. Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church. As a pastor and as a person with beloved family members living a gay lifestyle, Caleb had to face this issue with courage and grace. Messy Grace shows us that Jesus's command to "love your neighbor as yourself" doesn't have an exception clause for a gay "neighbor"—or for that matter, any other "neighbor" we might find it hard to relate to. Jesus was able to love these people and yet still hold on to his beliefs. So can you. Even when it's messy. "Messy Grace is an important contribution to the conversation about sexual identity for churches and leaders. Caleb's story is surprising and unique, and he weaves it together compellingly. He states his views clearly, leaves room for disagreement, and champions love no matter where you are in this conversation." —Jud Wilhite, Sr. Pastor, Central Christian Church

People to Be Loved Preston Sprinkle 2015-12-08 Christians who are confused by the homosexuality debate raging in the US are looking for resources that are based solidly on a deep study of what Scripture says about the issue. In People to Be Loved, Preston Sprinkle challenges those on all sides of the debate to consider what the Bible says and how we should approach the topic of homosexuality in light of it. In a manner that appeals to a scholarly and lay-audience alike, Preston takes on difficult questions such as how should the church treat

people struggling with same-sex attraction? Is same-sex attraction a product of biological or societal factors or both? How should the church think about larger cultural issues, such as gay marriage, gay pride, and whether intolerance over LGBT amounts to racism? How (or if) Christians should do business with LGBT persons and supportive companies? Simply saying that the Bible condemns homosexuality is not accurate, nor is it enough to end the debate. Those holding a traditional view still struggle to reconcile the Bible's prohibition of same-sex attraction with the message of radical, unconditional grace. This book meets that need.

*Homosexuality and the Bible* Dan Otto Via 2003 In this brief book, two New Testament scholars discuss the relevant biblical texts on the subject of homosexual behavior and orientation.

*UnClobber* Colby Martin 2016-09-28 Churches in America are experiencing an unprecedented fracturing due to their belief and attitude toward the LGBTQ community. Armed with only six passages in the Bible--often known as the "clobber passages"--the traditional Christian position has been one that stands against the full inclusion of our LGBTQ brothers and sisters. *UnClobber* reexamines each of those frequently quoted passages of Scripture, alternating with author Colby Martin's own story of being fired from an evangelical megachurch when they discovered his stance on sexuality. *UnClobber* reexamines what the Bible says (and does not say) about homosexuality in such a way that breathes fresh life into outdated and inaccurate assumptions and interpretations.

*Is God anti-gay?* Sam Allberry 2013-07-01 A practical and sensitive exploration of the Bible's teaching on homosexuality. A practical and sensitive exploration of the Bible's teaching on homosexuality. It's the hot topic of the moment. Christians, the church and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view to the culture's. So is God homophobic? And how do we relate to both Christians and non-Christians who experience same-sex attraction? In this short, simple book, Sam Allberry wants to help confused Christians understand what God has said about these questions in the scriptures. Drawing on his own experience, he offers a positive and liberating way forward through the debate. This revised and updated version includes answers to some new questions, including: \* Should Christians attend gay weddings? \* Isn't the Christian view of sexuality dangerous and harmful? \* Is it sinful to experience same-sex attraction?

**Gay is OK!** Boon Lin Ngeo 2013

**The Bible and Homosexual Practice** Robert A. J. Gagnon 2010-10-01 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data. Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice. . . . the most sophisticated and convincing examination of the biblical data for our time. —Jürgen Becker, Professor of New Testament, Christian-Albrechts University

*Five Views on the Church and Politics* J. Brian Benestad 2015-12-15 Learn to think deeply about the relationship between church and state in a way that goes beyond mere policy

debates and current campaigns. Few topics can grab headlines and stir passions quite like politics, especially when the church is involved. Considering the attention that many Christian parachurch groups, churches, and individual believers give to politics--and of the varying and sometimes divergent political ideals and aims among them--Five Views on the Church and Politics provides a helpful breakdown of the possible Christian approaches to political involvement. General Editor Amy Black brings together five top-notch political theologians in the book, each representing one of the five key political traditions within Christianity: Anabaptist (Separationist: the most limited possible Christian involvement in politics) - represented by Thomas Heilke Lutheran (Paradoxical: strong separation of church and state) - represented by Robert Benne Black Church (Prophetic: the church's mission is to be a voice for communal reform) - represented by Bruce Fields Reformed (Transformationist: emphasizes God's sovereignty over all things, including churches and governments) - represented by James K. A. Smith Catholic (Synthetic: encouragement of political participation as a means to further the common good of all people) - represented by J. Brian Benestad Each author addresses his tradition's theological distinctives, the role of government, the place of individual Christian participation in government and politics, and how churches should (or should not) address political questions. Responses by each contributor to opposing views will highlight key areas of difference and disagreement. Thorough and even-handed, Five Views on the Church and Politics will enable readers to consider the strengths and weaknesses of the most significant Christian views on political engagement and to draw their own, informed conclusions.

Two Views on the Doctrine of the Trinity Stephen R. Holmes 2014-09-02 Christians have always believed in the triune God, but they haven't always understood or used the doctrine of the Trinity consistently. In order to form a coherent view of trinitarian theology, it's important for Christians to have a working knowledge of the two legitimate models for explaining this doctrine: Classical - presenting a traditional view of the Trinity, represented by the Baptist theologian Stephen R. Holmes and the Roman Catholic theologian Paul D. Molnar. Relational - presenting the promise and potential hazards of a relational doctrine, represented by the evangelical theologian Thomas H. McCall and the Baptist philosopher Paul S. Fiddes. In this volume of the Counterpoints series, leading contributors establish their models and approaches to the doctrine of the Trinity (or, the relationship between the threeness and oneness of the divine life). Each expert highlights the strengths of his view in order to argue how it best reflects the orthodox perspective. In order to facilitate a genuine debate and to make sure that the key issues are revealed, each contributor addresses the same questions regarding their trinitarian methodology, doctrine, and its implications.

Torn Justin Lee 2012-11-13 Justin Lee, a gay man and devout Christian, bridges the gaps between his faith and sexuality in this insightful and touching memoir. As a teenager and young man, Justin Lee felt deeply torn. Nicknamed "God Boy" by his peers, he knew that he was called to a life in the evangelical Christian ministry. But Lee harbored a secret: He also knew that he was gay. In this groundbreaking book, Lee recalls the events--his coming out to his parents, his experiences with the "ex-gay" movement, and his in-depth study of the Bible--that led him, eventually, to self-acceptance. But more than just a memoir, TORN provides insightful, practical guidance for all committed Christians who wonder how to relate to gay friends or family members--or who struggle with their own sexuality. Convinced that "in a culture that sees gays and Christians as enemies, gay Christians are in a unique position to bring peace," Lee demonstrates that people of faith on both sides of the debate can respect,

learn from, and love one another.

*Transforming Homosexuality* Denny Burk 2015-09-28 Challenging misconceptions on all sides of the homosexuality debate, Burk and Lambert show how a biblical view of same-sex orientation, temptation, and desire gives hope for profound personal change.

**Making Sense of the Bible [Leader Guide]** Adam Hamilton 2014-09-15 In this six week video study, Adam Hamilton explores the key points in his new book, *Making Sense of the Bible*. With the help of this Leader Guide, groups learn from Hamilton as his video presentations lead groups through the book, focusing on the most important questions we ask about the Bible, its origins and meaning.

*Wild at Heart* John Eldredge 2011-03-22 John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

*Scripture & Discernment* Luke Timothy Johnson 2011-12-01 Luke Timothy Johnson begins his study of the practical issue of how decisions are made in the church by admitting to a bias: that there ought to be a connection between what the church claims to be, and how it does things. Because the church claims to be a community of faith, it does not reach decisions simply on the basis of good management policy, or the analysis of market trends, or efficiency, or even ideological consistency, but in response to God's activity in the world that presses upon us and urges us to decision. Faced with how to respond to God's leading, the church decides what to do on the basis of two realities: Scripture and discernment. Because it calls the church into being Scripture is the fundamental authority in the church's life. Yet it is not enough for a congregation simply to turn to the Bible when a decision must be reached, for Scripture does not directly address all issues which face the church today, and those it does often reflect greatly differing historical and social contexts than our own. Thus, added to the authority of Scripture in the church's decision making is a process of discernment, in which the members of the community--under the guidance of the Holy Spirit--recall how God has worked in their lives as individuals and as a community and discern together God's direction for the future. Johnson argues that this very pattern of decision making can be found in Scripture itself, notably in one of the central events of the book of Acts. Beginning with the conversion of Cornelius and culminating in the Apostolic Council of Acts 15, we see how a string of smaller narratives combine to tell the story of God's movement within their midst, and how this narrative became the basis for the reinterpretation of Scripture and the inclusion of Gentiles into the fellowship of the church. Looking at a number of thorny issues facing the contemporary church, Johnson demonstrates how the interaction of Scripture and discernment can and must become the basis for how we respond to the decisions with which the church wrestles today.

**What Does the Bible Really Teach about Homosexuality?** Kevin DeYoung 2015-04-16 In

Downloaded from [avenza-dev.avenza.com](https://avenza-dev.avenza.com)  
on December 1, 2022 by guest

just a few short years, massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long-held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike—offering readers an indispensable resource for thinking through one of the most pressing issues of our day.

Two Views on Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality, this book presents a constructive dialogue between people who disagree on significant ethical and theological matters, and yet maintain a respectful and humanizing posture toward one another. Few topics are more divisive today than homosexuality. Two Views on Homosexuality, the Bible, and the Church brings a fresh perspective to a well-worn debate. While Christian debates about homosexuality are most often dominated by biblical exegesis, this book seeks to give much-needed attention to the rich history of received Christian tradition, bringing the Bible into conversation with historical and systematic theology. To that end, both theologians and biblical scholars--well accomplished in their fields and conversant in issues of sexuality and gender--articulate and defend each of the two views: Affirming - represented by William Loader and Megan K. DeFranza Traditional - represented by Wesley Hill and Stephen R. Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility. Holding to a high view of Scripture, a commitment to the gospel and the church, and a love for people--especially those most affected by this topic--the contributors wrestle deeply with the Bible and theology, especially the prohibition texts, the role of procreation, gender complementarity, and pastoral accommodation. The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

**Desiring God** John Piper 1996 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

**What Does the Bible Teach about Homosexuality?** Gavin Peacock 2020-05-08 God made sexuality. It is a gift and stewardship from God. But there is much more to human identity than sexuality. We were made for eternity, where the church will be married to Christ. Let us look at the words of God about homosexuality and run straight into the arms of Christ, the Savior who welcomes repentant sinners of every kind to a kingdom not built with man's strength, but with the very power and grace of God.

**The New Testament and Homosexuality** Robin Scroggs 1983 Just what is a proper use of the Bible, especially the New Testament, in Christian debates about acceptance of homosexuals? In addition to bringing clarity and honesty to issues of the relevance of the

Bible, this work brings a little more light and a little less heat to the discussion, a little more acceptance of all persons on the "other side," and maybe even an awareness that in Christ there is really no "other side" at all.

**God and the Gay Christian** Matthew Vines 2015-06-16 The landmark book exploring what the Bible actually says—and doesn't say—about same-sex relationships. As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to some-day share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he'd been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* has sparked heated debate, sincere soul searching, and widespread cultural change on the issue of what it means to be a faithful gay Christian.

**Four Views on Christianity and Philosophy** Zondervan, 2016-09-13 Philosophy and Christianity make truth claims about many of the same things. They both claim to provide answers to the deep questions of life. But how are they related to one another? *Four Views on Christianity and Philosophy* introduces readers to four predominant views on the relationship between philosophy and the Christian faith and their implications for life. Each author identifies the propositional relation between philosophy and Christianity along with a section devoted to the implications for living a life devoted to the pursuit of wisdom. The contributors and views include: Graham Oppy--Conflict: Philosophy Trumps Christianity K. Scott Oliphint--Covenant: Christianity Trumps Philosophy Timothy McGrew--Convergence: Philosophy Confirms Christianity Paul Moser--Conformation: Philosophy Reconciled Under Christianity General editors Paul M. Gould and Richard Davis explain the background to the discussion and provide some historical background in the introduction, as well as helpful summaries of each position in the conclusion. In the reader-friendly Counterpoints format, this book helps readers to reflect on the strengths and weaknesses of each view and draw informed conclusions in this much-debated topic.

**Can You Be Gay and Christian?** Michael L. Brown 2014 Offers practical guidance for Christians who have gay friends, family members, or who struggle with their own sexuality.

*Homosexuality and the Bible* Dan Otto Via 2003 In this brief book, two New Testament scholars discuss the relevant biblical texts on the subject of homosexual behavior and orientation.
